Independent Auditor Report

To the Trustees of
Marco Display Specialists, L.P. 401(k) Employees' Saving Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

I have performed an audit of the financial statements of Marco Display Specialists, L.P. 401(k) Employees' Saving Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), my audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In my opinion, based on my audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

John K. Swaim
Certified Public Accountant

Basis for Opinion on the 2021 Financial Statements

I conducted my audit in accordance with auditing standards generally accepted in the United States of America (GAAS). My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of my report. I am required to be independent of Marco Display Specialists, L.P. 401(k) Employees' Saving Plan and to meet my other ethical responsibilities, in accordance with the relevant ethical requirements relating to my audits. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Marco Display Specialists, L.P. 401(k) Employees' Saving Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of my report, my objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

John K. Swaim
Certified Public Accountant

In performing an audit in accordance with GAAS, I:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Marco Display Specialists, L.P. 401(k) Employees' Saving Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in my judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Marco Display Specialists, L.P. 401(k) Employees' Saving Plan's ability to continue as a going concern for a reasonable period of time.

My audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

I am required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that I identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of assets held at end of year as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, I compared such information to the related certified investment information.

John K. Swaim
Certified Public Accountant

In forming my opinion on the supplemental schedule, I evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In my opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

I was engaged to audit the 2020 financial statements of Marco Display Specialists, L.P. 401(k) Employees' Saving Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed me not to perform and I did not perform any auditing procedures with respect to the information certified by a qualified institution. In my report dated August 09, 2021, I indicated that (a) because of the significance of the information that I did not audit, I was not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, I did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to Financial Statements

1. Description of the Plan

The following description of the Marco Display Specialists, L.P. 401(k) Employees' Saving Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan with a 401(k) deferral feature covering all full-time employees of Marco Designs, LLC, Carolina Store Fixtures LLC, Remis America LLC, MPW Express LLC, Thermell Manufacturing Products LLC, and Kideye Holdings LLC, (collectively the "Company") who have six months of service and are age twenty one or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

Contributions

Each year, participants are allowed to defer up to 75 percent of pretax eligible compensation subject to annual limits imposed by the Internal Revenue Service. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions subject to annual limits imposed by the Internal Revenue Service. Participants are allowed to rollover amounts from other plans and IRA's. Participants direct the investment of their contribution into various investment options offered by the Plan. The Company may make discretionary contributions to the Plan at the option of the Company's board of directors and are subject to certain limitations. No discretionary contributions were made during 2021.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of plan earnings (losses) net of an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting and Forfeitures

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in Company discretionary contributions plus actual earnings thereon is based on years of service, whereby a participant is 100% vested after six years of credited service. Forfeitures are generally used to reduce the Company contribution.

Participant Loans

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. The loans are secured by the balance in the participants account and bear interest at a fixed rate of one percent above the prime interest rate as published in the Wall Street Journal at the time of the loan unless otherwise determined by the trustee. Principal and interest are repaid ratably through payroll deductions over a term of no greater than five years (10 years for purchase of a primary residence).

Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of these financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and reported revenues and expenses during the reported period. Actual results could differ from those estimates.

Participant Loans

Loans to participants are reported at their unpaid principal balances and collateralized by the balance in their individual account.

Investment Valuation and Income Recognition

Investments are reported at fair value as determined by quoted prices in an active market. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation / (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Contributions

Contributions from employee deferral contributions are recorded in the period in which they become obligations to the Plan.

Administrative Expenses

The Company pays certain recurring administrative expenses of the Plan. Expenses not paid by the Company are paid by the Plan in accordance with the Adoption Agreement and amounted to \$26,380 during 2021.

Payment of Benefits

Benefits are recorded when paid.

3. Investments

All investments of the Plan are held in participant directed accounts. Investments are reported at fair value as measured by quoted market prices in an active market as follows at December 31:

	2021	2020
Mutual Funds	\$ 6,062,875	\$ 6,328,904
Money Market Funds	94,680	73,248
	<u>\$ 6,157,555</u>	<u>\$ 6,402,152</u>

The Plan's investments appreciated in value by \$219,321 during 2021 as a result of realized and unrealized gains and losses

Marco Display Specialists, L.P. 401(k) Employees' Saving Plan **Notes to Financial Statements (Continued)**

4. Fair Value Measurements

The Plan follows FASB Accounting Standards Codification Topic 820, Fair Value Measurement (ASC 820). ASC 820 defines fair value and establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value into the following three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs are derived principally from or corroborated by observable market data, and Level 3 inputs are unobservable and have the lowest priority. The Plan has no investments valued with Level 2 or Level 3 inputs.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

5. Information Certified by the Plan Trustee

The following information was certified as complete and accurate by Fidelity Management Trust Company (Fidelity), the Trustee of the Plan, at December 31:

	2021	2020
Investments at Quoted Fair Market Values		
Money market fund	\$ 94,680	\$ 73,248
Mutual funds	6,062,875	6,328,904
Participant loans	163,582	213,950
	<u>\$ 6,321,137</u>	<u>\$ 6,616,102</u>
Other Information		
Net appreciation in fair value of mutual funds	\$ 219,321	
Interest and dividend income	410,284	

All investments of the Plan are held by the Trustee in participant-directed accounts. All investment transactions are performed by the Trustee.

The accompanying financial statements, supplemental schedule, and certain notes to these financial statements were prepared in part or entirely from information certified by the Trustee in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosures under the Employee Retirement Income Securities Act of 1974.

6. Party-in-Interest Transactions

Fidelity Management Trust Company accounts for all investment transactions and is the investment custodian as defined by the Plan. Plan investments in certain mutual and money market funds, sponsored and managed by Fidelity Management Trust Company, qualify as exempt party-in-interest transactions.

7. Income Tax Status

The Plan operates in accordance with Fidelity's Basic Plan Document No. 17. The Trustee received a favorable advisory letter dated June 30, 2020, in which the Internal Revenue Service stated that the basic plan document, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). During 2021, Fidelity's Basic Plan Document No. 17 was amended to adopt the proposed regulations pursuant to Code Sections 401(k) and 401(m) 2019 Final Hardship Regulations and any related guidance. The amendment was intended to serve as good faith compliance with the requirements of the Disaster Relief Act, the TCJA and the BBA and those final regulations and is to be construed in accordance with guidance issued thereunder. Additionally, a Plan amendment was executed in December 2021 allowing Kideye Holdings LLC and Thermell Manufacturing Products LLC to join the Plan as participating employers. Although the basic plan document has been amended since receiving the advisory letter, the Plan administrator and the Trustee believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Management evaluates the Plan's tax positions and concluded that the Plan has taken no uncertain tax positions that require adjustment to the financial statements to comply with the provision of this guidance. Generally, the Plan is no longer subject to examination by taxing authorities for tax years prior to 2018.

8. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100 percent vested in their accounts.

9. Risks and Uncertainties

The Plan provides for various investment options in any combination of mutual funds. Investment securities are exposed to various risks, such as interest rate, market, and credit. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect participants' account balances, and the amounts reported in the statement of net assets available for benefits and the statement of changes in net assets available for benefits. At December 31, 2021, participant directed investments include five mutual funds amounting to \$4,480,890 in aggregate, each of which exceed 5% of net assets, and are considered individually significant to these financial statements. At December 31, 2020, participant directed investments include four mutual funds amounting to \$4,233,494 in aggregate, each of which exceed 5% of net assets, and are considered individually significant to these financial statements.

10. Subsequent Events

The Plan has evaluated subsequent events through September 16, 2022, which is the date the financial statements were available to be issued. The following subsequent event was noted:

Subsequent to year-end, economic uncertainties have arisen which have resulted in significant volatility in the investment markets, resulting in a substantial decline in the value of the investments. The duration of these uncertainties and the ultimate financial effects cannot be reasonably estimated at this time.
