TERROS 401(k) PLAN
REPORT TO THE PLAN ADMINISTRATOR

To the Plan Administrator of

TERROS 401(k) PLAN AND TRUST

We have conducted an ERISA Section 103(a)(3)(C) audit of the financial statements of **Terros 401(k) Plan and Trust** (the "Plan") as of and for the year ended December 31, 2021 and have issued our report thereon dated October 7, 2022. Professional standards require that we advise you of the following matters related to our audit.

Our Responsibility in Relation to the Financial Statement Audit

As communicated in our engagement letter dated May 16, 2022 our responsibility, as described by professional standards, is to conduct our audit in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Therefore, as permitted by ERISA Section 103(a)(3)(C), the audit need not extend to any statements of information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution). For an ERISA Section 103(a)(3)(C) audit, the audit will not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirement of accounting principles generally accepted in the United States of America (GAAP). Accordingly, the objective of the ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

Our responsibility, as prescribed by professional standards, is to plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement. An audit of financial statements includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control over financial reporting. Accordingly, as part of our audit, we considered the internal control of the Plan solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

We have provided our comments regarding control deficiencies and other matters identified during our audit in a separate letter to you.

Planned Scope and Timing of the Audit

We conducted our audit consistent with the planned scope and timing we previously communicated to you.

Compliance with All Ethics Requirements Regarding Independence

The engagement team, others in MHM as appropriate, MHM, and our network firms have complied with all relevant ethical requirements regarding independence. To eliminate identified threats to independence or reduce them to an acceptable level, we educate management on the non-audit services performed by reviewing and explaining the reason and basis for all significant transactions, as well as authoritative standards, so that management is in a position to determine or approve all assumptions and judgments and take responsibility for the non-audit services.

Significant Risks Identified

We have identified the following significant risks:

Timeliness of deposits and contributions cutoff – We analyzed a schedule of all payroll withholdings for participant contributions and loan repayments during the year compared to the deposits made into the Plan to determine if the timeliness of such remittances complied with DOL regulation 2510.3-102, which requires employers to remit amounts withheld for participant contribution and loan repayments to a plan as soon as they can be reasonably segregated from the employer's general assets. We vouched a sample of pay dates to supporting payroll and custodian records, and compared this to the dates the remittances were made to the Plan, with an emphasis on pay dates around year end for proper cutoff.

Qualitative Aspects of the Plan's Significant Accounting Practices

Significant Accounting Policies

Management has the responsibility to select and use appropriate accounting policies. A summary of the significant accounting policies adopted by the Plan is included in Note 2 to the financial statements. There have been no initial selection of accounting policies and no changes in significant accounting policies or their application during 2021. No matters have come to our attention that would require us, under professional standards, to inform you about (1) the methods used to account for significant unusual transactions and (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

Significant Accounting Estimates

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. There were no significant accounting estimates reflected in the financial statements.

Financial Statement Disclosures

Certain financial statement disclosures involve significant judgement and are particularly sensitive because of their significance to financial statement users. The most sensitive disclosures affecting the financial statements were the fair value measurements disclosed in Note 3 to the financial statements, investment contract with insurance company in Note 4 to the financial statements and nonexempt transactions in Note 9 to the financial statements. Management's fair value measurements used in the disclosure are based on trust reports certified by Reliance Trust Company, the Plan's custodian, and the types of investments and the inputs to valuation techniques used to measure fair value. Management's investment contract footnote is based on the trust reports certified by the custodian, and the terms and conditions of the contract with the insurance company. The nonexempt transactions disclosure is based on the payroll and remittance information used to measure the timeliness of the contributions into the Plan.

Significant Unusual Transactions

For purposes of this communication, professional standards require us to communicate to you significant unusual transactions identified during our audit. We did not identify any significant unusual transactions during our audit.

Identified or Suspected Fraud

We have not identified or obtained information that indicates that fraud may have occurred.

Significant Difficulties Encountered during the Audit

We encountered no significant difficulties in dealing with management relating to the performance of the audit.

Uncorrected and Corrected Misstatements

For purposes of this communication, professional standards also require us to accumulate all known and likely misstatements identified during the audit, other than those that we believe are trivial, and communicate them to the appropriate level of management. Further, professional standards require us to also communicate the effect of uncorrected misstatements related to prior periods on the relevant classes of transactions, account balances or disclosures, and the financial statements as a whole. There were no such misstatements identified during our audit.

In addition, professional standards require us to communicate to you all material, corrected misstatements that were brought to the attention of management as a result of our audit procedures. There were no such misstatements noted during our audit.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter, which could be significant to the Plan's financial statements or the auditors' report. No such disagreements arose during the course of the audit.

Circumstances that Affect the Form and Content of the Auditors' Report

For purposes of this letter, professional standards require that we communicate any circumstances that affect the form and content of our auditor's report. There was no such circumstances.

Representations Requested from Management

We have requested certain written representations from management that are included in the attached management representation letter dated October 7, 2022

Management's Consultations with Other Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters. Management informed us that, and to our knowledge, there were no consultations with other accountants regarding auditing and accounting matters.

Other Significant Matters, Findings, or Issues

In the normal course of our professional association with the Plan, we generally discuss a variety of matters, including the application of accounting principles and auditing standards, significant events or transactions that occurred during the year, business conditions affecting the Plan, and business plans and strategies that may affect the risks of material misstatement. None of the matters discussed resulted in a condition to our retention as the Plan's auditors.

Other Matters
