INDEPENDENT AUDITORS REPORT

To the Administrative Committee of the
Inter-State Studio & Publishing Co.
401(k) Retirement Plan
Sedalia, Missouri

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Inter-State Studio & Publishing Co. 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Inter-State Studio & Publishing Co. 401(k) Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Inter-State Studio & Publishing Co. 401(k) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Inter-State Studio & Publishing Co. 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Inter-State Studio & Publishing Co. 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of assets held for investment purposes is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

The 2020 financial statements of Inter-State Studio & Publishing Co. 401(k) Retirement Plan were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report dated October 12, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplemental schedule, and (b) the form and content of the information included in the financial statements and supplemental schedule other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Inter-State Studio & Publishing Co. 401(k) Retirement Plan

NOTES TO THE FINANCIAL STATEMENTS

December 31, 2021

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Inter-State Studio & Publishing Co. (the Company) 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's Provisions.

General

The Plan is a defined contribution plan invested primarily in mutual funds and common collective trusts under Internal Revenue Service (IRS) Code Section 401(k) and is subject to the Employees Retirement Income Security Act of 1974 (ERISA).

Effective Date

The Plan was established September 1, 1992 and has been amended a number of times over the years and restated, with an effective date of January 1, 2015.

Eligibility Requirements

All full-time employees of the Company who are age twenty-one or older and have completed sixty days of service and seasonal employees who have completed 1,000 hours of service are eligible to participate in the Plan.

Contributions

Each year a participant may elect to contribute up to seventy-five percent (75%) of pretax annual compensation or after-tax Roth deferrals as defined by the Plan, subject to Internal Revenue Code (IRC) limitations. Participants who have attained age fifty (50) before the end of the Plan year are eligible to make catch-up contributions. The maximum catch-up contribution allowed by the IRC was \$6,500 in 2021. In addition, participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan, which currently offers twenty (20) mutual funds and six (6) common collective trust funds. The Plan includes an automatic enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan with a default deferral rate set at 3% of eligible compensation, increasing 1% annually to a maximum deferral rate of 10%, unless they affirmatively elect not to participate. Participants may opt-out of the automatic increase or elect to discontinue salary reduction contributions entirely. Contributions are automatically invested in a designated common collective trust fund until changed by the participant. The employer may also elect to make a pre-tax deferral contribution on the participant's behalf.

Participant Accounts

Each participant's account is credited with the participant's contribution and an allocation of (a) the Company's contribution and (b) Plan earnings (losses) and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Inter-State Studio & Publishing Co. 401(k) Retirement Plan

NOTES TO THE FINANCIAL STATEMENTS

December 31, 2021

Vesting

Participants are vested immediately in their voluntary contributions plus actual earnings thereon. Vesting in the Company's contribution to their accounts is based on years of continuous service. A participant is 20% vested after 1-year, 40% after 2 years, 60% after 3 years, 80% after 4-years, and 100% percent vested after six years of continuous service. Participants are considered to have one year of service for vesting purposes if, during a Plan year, the participant is credited with 1,000 hours of service.

Payment of Benefits

Upon termination of service for any reason and at any age, including retirement, a participant with a vested account balance of \$1,000 or less will receive a lump-sum distribution for cash. A Participant with a vested account balance of between \$1,001 and \$5,000 will receive a lump-sum distribution of cash, if an election has been made to do so. The funds of a participant who has made no such election, will be rolled over into an Individual Retirement Account. Distributions will be made as soon as administratively possible. For a terminated participant whose vested account balance exceeds \$5,000, the participant may elect to receive a lump-sum amount equal to the value of his/her account or roll over the distribution into another qualified retirement plan or individual retirement account.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to fifty percent (50%) of their non-forfeitable account balance. The loans are secured by the balance of the participant's account and bear interest at a rate determined to be reasonable by the Plan administrator after a review of interest rates charged for similar types of loans by other lenders. Principal and interest are paid ratably through payroll deductions or ACH repay agreement. A participant may have no more than one loan outstanding at any point in time. Loans may not be refinanced.

Forfeitures

Forfeitures of terminated participants' non-vested accounts are initially applied to Plan expenses. Any remainders are used to directly reduce employer contributions. At December 31, 2021 the forfeited non-vested account balance used to pay Plan expenses totaled \$28,788.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared using the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Inter-State Studio & Publishing Co. 401(k) Retirement Plan

NOTES TO THE FINANCIAL STATEMENTS

December 31, 2021

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. Shares of mutual funds and collective trusts are valued at the net asset value of shares held by the Plan at year-end. See Note 3 for discussion of fair value measurement.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2021 and 2020, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Payment of Benefits

Payments of benefits to participants are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Company and are therefore excluded from these financial statements. Investment-related expenses are included in net appreciation in fair value of investments. Fees for the administration of notes receivable from participants are included in administrative expenses and charged directly to the participant's account.

Subsequent Events

Management of the Plan has evaluated subsequent events through October 4, 2022, the date the financial statements were available to be issued. No subsequent events were identified that required adjustments to or disclosure in the financial statements.

NOTE 3 - FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets. Level 2 inputs consist of observable inputs other than quoted prices for identical assets. Level 3 inputs are unobservable and have the lowest priority.

Inter-State Studio & Publish Co. 401(k) Retirement Plan

NOTES TO THE FINANCIAL STATEMENTS

December 31, 2021

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include
- quoted prices for similar assets or liabilities in active markets;
 - quoted prices for identical or similar assets or liabilities in inactive markets;
 - inputs other than quoted prices that are observable for the asset or liability;
 - inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in methodology used at December 31, 2021 and 2020.

Mutual funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Stable value collective trusts funds – The stable value collective trust funds are composed primarily of fully benefit-responsive investment contracts and are valued at the net asset value of the collective trusts. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchase and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

Inter-State Studio & Publishing Co. 401(k) Retirement Plan

NOTES TO THE FINANCIAL STATEMENTS December 31, 2021

NOTE 5 - TAX STATUS

Effective January 1, 2015 the Plan was restated and an adoption agreement with Correll Co. was executed establishing a non-standardized 401(k) retirement plan under the Correll Co Profit Sharing Prototype Plan #01. The Internal Revenue Service has determined and informed Correll Co. by letter dated March 31, 2014, that the form of the prototype non-standardized profit sharing plan with CODA (Cash or Deferred Arrangement) is acceptable under section 401 of the Internal Revenue Code for use by employers for the benefit of their employees.

Accounting principles generally accepted in the United States of America requires plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator believes there are not such tax positions. The Plan is subject to routine audits by tax authorities; however, there are no audits for any tax period in progress. The Plan administrator believes there are no uncertain tax positions as of December 31, 2021.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become one hundred percent 100 percent vested in their account balances and the Plan administrator would facilitate the distribution of account balances in lump sum payments.

NOTE 7 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect the amounts reported in the statement of net assets available for benefits.

On March 27, 2020, in response to the declaration of the COVID-19 pandemic, Congress passed the *Coronavirus Aid, Relief and Economic Security Act* (CARES Act) that included numerous employee benefit plan provisions to assist plan sponsors and participants. The effects of the pandemic are expected to continue to impact Plan results, though such impact is unknown at this time.

NOTE 8 - ADMINISTRATIVE AGREEMENTS AND PARTY-IN-INTEREST TRANSACTIONS

Effective April 25, 2017 the plan committee entered into an agreement with Pension Consultants, Inc. (PCI) to retain PCI as investment manager. As investment manager PCI has been appointed to have discretionary authority and control to make certain investment decisions. PCI's responsibilities include selecting, monitoring, removing and replacing investment options available on the investment platform selected by the Plan.

Effective August 29, 2014 the plan committee entered into an agreement with Correll Company to assume the responsibility as third-party administrator and recordkeeper of the Plan.

The Plan has an agreement with Matrix Trust Company to act as trustee and custodian of the assets held for investment.
