Independent Auditor's Report

To the Plan Administrator of
Cives Corporation Savings and Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(c) Audit for 2021 Financial Statements

We have performed an audit of financial statements of Cives Corporation Savings and Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section –

- the amounts and disclosures in the 2021 financial statements, referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern over the twelve months from the report date.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedule Required by ERISA

The supplemental schedules of the Plan, as listed in the accompanying index, are presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Cives Corporation Savings and Retirement Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated August 19, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Cives Corporation Savings and Retirement Plan

Notes to Financial Statements December 31, 2021 and 2020

Note 1: Description of the Plan

The following description of the Cives Corporation Savings and Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan Document for a more comprehensive description of the Plan's provisions.

Organization

The Plan, established on March 1, 1966, is a defined contribution retirement plan sponsored by Cives Corporation (the Sponsor). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Administration

The Sponsor serves as the trustee and plan administrator pursuant to the Plan Document. The plan administrator has the responsibility to administer the Plan for the exclusive benefits of the participants and their beneficiaries. These duties include, but are not limited to, establishing procedures, maintaining records, interpreting provisions of the Plan and making determinations regarding questions which may affect eligibility for benefits. The plan administrator has engaged Principal Life Insurance Company (Principal) (see Note 5) and Crown Risk Management, LLC as third-party administrators to assist in the administration of the Plan.

Principal serves as custodian and recordkeeper of the Plan. Principal receives all contributions made under the Plan, holds plan assets and pays benefits to participants as directed by the plan administrator.

Eligibility

All full-time employees not covered by collective bargaining agreements are eligible to participate in the Plan immediately upon employment, as defined. Any full-time employees whose employment is covered by collective bargaining agreements which have adopted the Plan are eligible to participate in the Plan as of the effective date of the collective bargaining agreement adopting the Plan.

Effective January 1, 2008, the Plan provided for an automatic elective deferral contribution for all new employees. Under the provision, all new eligible employees are automatically enrolled at 3% under the Eligible Automatic Contribution Arrangement with a 60-day opt-out period.

Participant Contributions

The Plan includes an Internal Revenue Code (IRC) Section 401(k) feature which permits participants to make elective pretax and Roth salary deferral contributions to the Plan. Income taxes on pretax contributions are deferred until withdrawn from the Plan upon termination of employment, death, disability, or retirement. Participants are 100% vested in their employee contributions and increases or decreases earned or lost by the investment of these funds. Contributions made by certain highly compensated employees are limited under IRC regulations by the participation percentage of other eligible employees. Participants may increase or decrease the percentage of compensation contributed to the Plan on a monthly basis.

Participant Accounts

Individual accounts are maintained for each of the Plan's participants which reflect the participants' share of the Plan's income, expenses, contributions, and net realized and unrealized gains and losses on investments. Participants choose investments for their accounts from various investment funds. Rollover contributions from qualified plans may be accepted into the Plan at the discretion of the Plan's trustee.

Distributions

Participants become eligible for benefits on their early, normal (age 65), or deferred retirement dates, death, or upon the Social Security Administration's determination of disability. Participants whose employment is terminated are eligible for payment of benefits or rollover.

In general, participants may withdraw up to 100% of the participant's contributions in the event of a participant's immediate and heavy financial hardship, as defined in the Plan Document. Hardship distributions may not exceed the amount of the participant's financial hardship and may not be repaid by the participant.

In addition, participants may withdraw up to 50% of the participant's vested Sponsor contributions due to an immediate and heavy financial need, reduced by any previous withdrawals. If a participant makes a hardship withdrawal, the right to make participant contributions will be suspended for six months.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance in the Plan and all other qualified plans of the Sponsor. The notes are secured by the balance in the participant's account and bear interest at rates that are reasonable with respect to prevailing rates as determined by the plan administrator. Principal and interest are paid ratably through monthly or weekly payroll deductions over a period not to exceed five years. A note used for financing the participant's primary residence may be repaid over a period exceeding five years as determined on an individual basis.

Sponsor Contributions

The Sponsor is required to make matching contributions in an amount equal to 20% of participant contributions up to 3% of annual compensation, plus 10% of participant contributions in excess of 3% of annual compensation, subject to Internal Revenue Service (IRS) limitations. Matching contributions are 100% vested when made. Participants must be employed on the last day of the Plan year to be eligible for Sponsor contributions.

The Sponsor is also required to make pension contributions in an amount determined under the applicable collective bargaining agreement. Pension contributions are subject to the vesting percentage as provided in the applicable collective bargaining agreement.

The Sponsor may make a discretionary contribution based on the Sponsor's profits (profit-sharing). There were no profit-sharing contributions into the Plan during 2021. An employee becomes vested in account balances arising from profit-sharing contributions in accordance with the following schedule:

Years of Services	Percentage
2	20%
3	40%
4	60%
5	80%
6	100%

Each participant is considered to have one year of service for each service period in which they are credited with 1,000 or more hours of service.

Excess Contributions Payable

During 2021 and 2020, the Plan was not in compliance with IRC Section 401(k)(3). As a result, excess contributions totaling \$2,888 and \$20,318 were payable to certain participants at December 31, 2021 and 2020, respectively. Such amounts were deducted from contributions in the accompanying statement of changes in net assets available for benefits and are included in excess contributions payable in the statements of net assets available for benefits.

Forfeitures

Separated participants who are not 100% vested forfeit the non-vested portion of their accounts arising from Sponsor discretionary contributions at the end of the Plan year in which the termination of employment occurs. Forfeitures remain in the Plan and are used to offset Plan expenses or reduce future employer contributions. The amount forfeited during 2021 was \$66,297. The amount available to offset future Plan expenses and reduce future employee contributions as of December 31, 2021 and 2020 was \$3,557 and \$1,443, respectively. During 2021, \$53,365 and \$10,821 were used to offset Sponsor contributions and plan expenses, respectively.

CARES Act

Effective March 27, 2020, the Plan adopted the distribution and loan rules of the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act"). The CARES Act permitted retirement plans to provide qualified individuals (as defined in the CARES Act) who were impacted by the novel coronavirus (COVID-19) expanded distribution options and certain loan relief. Participants should refer to plan documents for specific changes made to the Plan. Written amendments to the Plan to reflect those operational changes will be adopted at a later date in accordance with applicable laws and IRS guidance.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared using the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates that affect the financial statements and accompanying notes. Actual results could differ from those estimates.

Benefit Payments

Benefit payments to participants are recorded upon distribution.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. Delinquent notes are reclassified as distributions based upon the terms of the Plan Document.

Administrative Expenses

The Plan is liable for all administrative expenses which are not paid by the Sponsor. The Plan generally pays for all asset management, administrative, and transactional costs billed by the third-party administrator. The Plan generally pays for all trustee, legal, and accounting fees billed by service providers.

Investment Valuation

The Plan's investments are reported at fair value, except for fully benefit-responsive investment contracts which are reported at contract value (Note 8). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (Note 3).

Net Appreciation in Fair Value of Investments

Net appreciation or depreciation in fair value of pooled separate accounts, mutual funds and common collective trusts represents the change in fair value during the year, including realized and unrealized gains and losses.

Investment Risk

Investment securities, in general, are exposed to various risks, including interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term, and such changes could materially affect the amounts reported in the statements of net assets available for benefits.

Note 3: Investments

The Plan values investments in accordance with Financial Accounting Standards Board (FASB) Accounting Standard Codification (ASC) 820, *Fair Value Measurement and Disclosures*. FASB ASC 820 establishes a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value as follows:

- Level 1: Quoted prices for identical instruments in active markets at the measurement date. Investments that are listed on a United States securities exchange are valued at their last sales price on the largest United States securities exchange on which such securities have traded.
- Level 2: Quoted prices for similar instruments in active markets; quoted prices for identical or similar instruments in markets that are not active and model-derived valuation in which all significant inputs and significant value drivers are observable in active markets at the date and for the anticipated term of the instrument.
- Level 3: Valuation derived from valuation techniques in which one or more significant inputs or significant value drivers are unobservable inputs that reflect the reporting entity's own assumptions about the assumptions market participants would use in pricing the asset or liability developed based on the best information available in the circumstances.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Mutual funds are valued at quoted market prices as provided by the custodian.

The pooled separate accounts and common collective trusts are valued at net asset value (NAV). The NAV is used as a practical expedient to estimate fair value and is based on the value of the underlying assets owned by the fund, minus any liabilities, and then divided by the number of shares outstanding. This practical expedient would not be used if it is determined to be probable that the investment will sell for an amount different from the reported NAV.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table outlines, for each major category of assets measured at fair value, the fair value as of December 31, 2021 and 2020:

Assets at Fair Value as of December 31, 2021:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 32,292,937	\$ -	\$ -	\$ 32,292,937
Total assets in the fair value hierarchy	<u>32,292,937</u>	<u>-</u>	<u>-</u>	<u>32,292,937</u>
Investments measured at NAV ⁽¹⁾				<u>43,785,809</u>
Investments at fair value	<u>\$ 32,292,937</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 76,078,746</u>

Assets at Fair Value as of December 31, 2020:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 29,095,677	\$ -	\$ -	\$ 29,095,677
Total assets in the fair value hierarchy	<u>29,095,677</u>	<u>-</u>	<u>-</u>	<u>29,095,677</u>
Investments measured at NAV ⁽¹⁾				<u>38,154,270</u>
Investments at fair value	<u>\$ 29,095,677</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 67,249,947</u>

(1) In accordance with ASC 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Note 4: Information Certified By Principal Life Insurance Company (Unaudited)

The Sponsor has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the amounts for investment assets and transactions in those assets included in the accompanying financial statements and the supplemental schedule and as outlined below as of December 31, 2021 and 2020 and for the year ended December 31, 2021 have been compiled from statements certified as complete and accurate by Principal in accordance with DOL regulations.

	2021	2020
Statements of net assets available for benefits:		
Investments, at fair value	\$ 76,078,746	\$ 67,249,947
Investments, at contract value	23,847,459	24,929,524
Statement of changes in net assets available for benefits:		
Net appreciation in fair value of investments	\$ 10,357,530	
Dividend income	368,950	

Note 5: Party-in-Interest Transactions

Principal performs services for, sells products to, and maintains certain investments for the Plan for which fees are charged to the Plan. These fees totaled \$170,174 during the year ended December 31, 2021. Party-in-interest transactions also include notes receivable due from participants. Such transactions, while considered party-in-interest transactions under ERISA, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

Note 6: Plan Termination

Although the Sponsor expects to continue the Plan indefinitely, the Sponsor has the right to terminate the Plan at any time. In the event of a termination of the Plan, each participant's account will become fully vested and nonforfeitable.

Note 7: Income Tax Status

The IRS has determined and informed the Sponsor by a letter dated August 14, 2017, that the Plan and related trust are designed in accordance with applicable sections of the IRC. The plan administrator and the plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

Note 8: Fully Benefit-Responsive Investment Contract

The Plan holds a synthetic investment contract with Principal. Principal maintains the contributions in a general account. In a synthetic investment contract, the Plan owns the underlying assets of the synthetic investment contract. A synthetic investment contract includes a wrapper contract, which is an agreement for the wrap issuer to make payments to the Plan in certain circumstances. The wrapper contract includes certain conditions and limitations on the underlying assets owned by the Plan.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are set quarterly for new contributions and are converted to an annual rate at the end of the year.

Certain events limit the ability of the Plan to transact at contract value with the issuer. The plan administrator does not believe that the occurrence of any such event, which would limit the Plan's ability to transact at contract value with participants, is probable.

Note 9: Prohibited Transactions

The Plan Sponsor deducted, via payroll withholding an aggregate of \$367,542 during 2021 from participants' gross wages that were not remitted in a timely manner to the Plan in accordance with DOL regulations. The Plan Sponsor intends to file Forms 5330 with the IRS and intends to pay the required excise tax on the transactions.

Note 10: Reconciliation of Financial Statements to Form 5500

The financial information of the Plan, as reported on Form 5500, does not include all amounts necessary for reporting on the accrual basis of accounting. Below is a reconciliation of the amounts appearing on the 2021 Form 5500 to the accompanying financial statement disclosure:

	2021	2020

Adjustment to reverse prior year excess contribution payable	20,318	
Change in adjustment from fair value to contract value for fully benefit-responsive investment contracts	<u>635,865</u>	
Increase in net assets, as reported in the accompanying financial statements	<u>\$ 7,807,073</u>	

Note 11: Subsequent Events

The Sponsor has evaluated events and transactions occurring subsequent to December 31, 2021 through the report date, the date of the issuance of the financial statements. During this period, there were no recognized subsequent events requiring recognition or non-recognized subsequent events requiring disclosure in the financial statements.
