INDEPENDENT AUDITORS' REPORT

To the 401(k) Plan Administrative Committee
Excel MSO, LLC 401(k) Plan
San Jose, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Excel MSO, LLC. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits – modified cash basis as of December 31, 2021, and the related statement of changes in net assets available for benefits – modified cash basis for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note G to the financial statements, is complete and accurate.

Opinion for the 2021 Financial Statements

In our opinion, based on our audit procedures and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion for the 2021 Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Basis of Accounting for the 2021 and 2022 Financial Statements

We draw attention to Note B of the financial statements, which describes the basis of accounting. The financial statements have been prepared on the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for the year ended December 31, 2021. Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements (continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal controls. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedules are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Other Matter – Supplemental Schedules Required by ERISA (continued)

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter – Auditors' Report on 2020 Financial Statements

We were engaged to audit the financial statements of the Plan as of December 31, 2020. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 14, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosures under ERISA.

EXCEL, MSO LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE A – DESCRIPTION OF THE PLAN

The following description of Excel MSO, LLC 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan's adoption agreement and amendments for a more complete description of the Plan's provisions.

General: The Plan, a defined contribution plan qualified under Section 401(k) and related provisions of the Internal Revenue Code, was established in July 1, 2001. The Plan was designed to provide participants with a means to defer a portion of their compensation for retirement funds and to provide benefits in the event of disability, death, or financial hardship. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Administrator: Excel MSO, LLC (the Company) is the administrator of the Plan, and as such, carries out the duties imposed under ERISA. The Company has delegated the responsibility for the operation and administration of the Plan to Fidelity Management Trust Company (the Trustee of the Plan). Certain expenses of the Plan are paid by the Company. In addition, certain administrative expenses were applied to participants' returns, reducing the net appreciation in fair value of investments for participants. Administrative costs paid by the Plan were \$550 and \$250 for the years ended December 31, 2021 and 2020, respectively.

Eligibility: All employees who are 18 years of age or older and have worked 3 months of consecutive service are eligible to participate in the Plan and are eligible for discretionary employer matching contributions. Certain leased employees, union employees and non-resident aliens are excluded from Plan participation. The Plan entry date is the first day of each Plan year, and the first day of the fourth, seventh, and tenth months.

Contributions: Contributions to a qualified plan are tax deferred and therefore are not included in a participant's compensation for federal income tax purposes until distributed to the participant. Participants may elect to contribute annually up to 60% of their annual compensation on a pretax basis up to a maximum of \$19,500 for 2021 and 2020. The maximum contribution is normally adjusted annually by an inflation index. Eligible participants age 50 or older are permitted to make catch-up contributions. The maximum catch-up contribution was \$6,500 for 2021 and 2020. Participants are also allowed to rollover contributions from other qualified employer sponsored retirement plans.

Contributions are deposited in the appropriate investment funds in accordance with the participant's directives. The Plan allows for discretionary employer matching contributions equal to 100% of the employee salary deferrals, but not to exceed 6% of employee compensation. The Company contributed \$322,687 and \$248,363 in discretionary employer matching contributions in 2021 and 2020, respectively.

EXCEL, MSO LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE A – DESCRIPTION OF THE PLAN (CONTINUED)

Participant Accounts: Each participant's account is credited with the participant's contribution and the employer's contribution, an allocation of the Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on the ratio of the participant's balance to all participants' account balances. Each participant directs how contributions made to the Plan are to be invested among the investment options available under the Plan.

Vesting: The value of each participant's account is always fully vested and non-forfeitable for salary deferrals, participant contributions, rollover contributions, and the interest and earnings on those amounts. The value of each participant's non-forfeitable interest in the discretionary matching contributions begins to vest after two years of service, at which point their balance is 25% vested at two years, and fully vested at three years of service.

Forfeitures: Forfeitures are created when participants terminate employment before becoming vested or result from violation of the discrimination limit applicable to employer matching contributions. Forfeitures can be applied to reduce employer contributions or pay administrative expenses of the Plan. There were forfeitures of \$25,219 and \$32,804 during 2021 and 2020, respectively, all of which were applied to reduce employer contributions.

Distributions to Participants: Distributions from the Plan are available upon any of the following situations: termination of employment at the Company, retirement, total disability, death, employee's reaching age 59-1/2 or qualified "financial hardship." All distributions from the Plan will be taxed as ordinary income for federal income tax purposes unless the participant elects to directly roll his or her distribution into an Individual Retirement Account (IRA), a qualified retirement plan or qualifies for special tax treatment. The Plan allows for mandatory distributions into individual retirement plan accounts designated by the Plan administrator for terminated participants with account balances below \$5,000 without consent of the participants.

Notes Receivable from Participants: The Plan allows participants to borrow a minimum of \$1,000 and up to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the participant's vested balance and only one loan is permissible at a time. The interest rate is based upon a rate reasonable at the time of application, considering the purpose of the loan and the rate being charged by representative commercial banks in the local area for a similar loan. All existing loans have interest rates that range from 5.00% to 9.25% and must be repaid to the Plan within a five-year period.

Principal and interest is paid ratably through direct payroll deductions. Any loans outstanding when a participant exits the Plan are reclassified as deemed distributions from participant notes receivable based upon the terms of the Plan document. There were no deemed distributions during 2021. During 2020, there were deemed distributions of \$14,340 from defaulted loans. As of December 31, 2021, there was one loan in default with a balance outstanding of \$3,347.

EXCEL, MSO LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared on the modified cash basis of accounting which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Under this method, investments are recorded at fair value, contributions are recorded when received, benefits and expenses are recorded when paid, and interest income and fees related to notes receivable from participants are recorded when earned or incurred.

Use of Estimates: The preparation of financial statements in conformity with the modified cash basis of accounting requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Contributions: Contributions from Plan participants are recorded in the year in which the participant contributions are withheld from amounts paid. All participant contributions are participant directed.

Payment of Benefits: Benefits are recorded when paid.

Investment Valuation and Income Recognition: Investments, including those in stable value funds, are stated at fair value. For more information on valuation methods and inputs, please refer to Note F – Fair Value Measurements. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the cash basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. The Plan's investments are held in a trust administered by Fidelity Management Trust Company for 2021 and 2020.

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make repayments and the Plan Administrator deems the notes receivable from participants to be in default, the notes receivable from participants' balance is reduced and a benefit payment is recorded. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

Expenses: Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

EXCEL, MSO LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Subsequent Events: Accounting Standards Codification (ASC) 855-10 *Subsequent Events* requires additional disclosure for events or transactions that occur after the statement of net assets available for benefits date. On March 25, 2022, the Company was acquired, and the Plan appointed UnitedHealth Group Employee Benefits Plans Administrative Committee (the “UHG Administrative Committee”) as the Plan Administrator, who assumed all of the rights and responsibilities as Plan Administrator. The Plan had no other significant subsequent events as of September 30, 2022. The Plan has not evaluated subsequent events after this date, which is the date the financial statements were available to be issued.

NOTE C – INCOME TAX STATUS

The Company received a determination letter from the Internal Revenue Service on June 30, 2020 that the Plan qualifies under Sections 401(a) and 401(k) of the Internal Revenue Code and is therefore exempt from federal income taxes under Section 501(a) of the Code. The Plan is also exempt from state income taxes. The plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Plan management evaluates tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the various taxing authorities and government agencies. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes that the Plan is no longer subject to income tax examinations for tax years prior to 2018.

NOTE D – RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

Certain plan investments are held in mutual funds managed by Fidelity Management Trust Company. Fidelity Management Trust Company is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Some administrative expenses incurred by the Plan during 2021 are included in net appreciation in fair value of the investments, as they are paid through revenue sharing, rather than a direct payment.

NOTE E – PLAN TERMINATION

While the Company has not expressed any intent to terminate the Plan, it is free to do so at any time, subject to the provisions of ERISA. In the event of termination, the participants' accounts will be paid in accordance with the provisions of the Plan as soon as practicable.

NOTE F – FAIR VALUE MEASUREMENTS

ASC 820-10, *Fair Value Measurements and Disclosures* establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under ASC 820-10 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan can access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds and money market funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds and money market funds held by the Plan are deemed to be actively traded.

EXCEL, MSO LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE F – FAIR VALUE MEASUREMENTS (CONTINUED)

Stable Value Fund: A stable value fund that is composed primarily of fully benefit-responsive investment contracts that are valued at contract value. Contract value is the relevant measurement of value because the contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the stable value fund, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

		2021			
		Level 1	Level 2	Level 3	Total
Assets in the fair value hierarchy:					
Mutual funds		\$ 5,886,045	\$ -	\$ -	\$ 5,886,045

		<u>\$ 5,886,045</u>	<u>\$ 817,499</u>	<u>\$ -</u>	<u>\$ 6,703,544</u>
		2020

NOTE G – INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN

Certain information related to the accompanying financial statements and supplemental schedules, including investments held and notes receivable from participants at December 31, 2021 and 2020, and net appreciation in investments at fair value, interest and dividend income, contributions, distributions, notes receivable from participants, and administrative expenses for the year ended December 31, 2021, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Fidelity Management Trust Company (the Trustee of the Plan).

EXCEL, MSO LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE H – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE I - OTHER MATTERS

In October 2021, the Company determined that certain Plan provisions were not being followed beginning in 2018 and through October 2021. Beginning with the Plan's amendment effective January 1, 2019, the correct definition of compensation was not consistently applied to participant deferrals or in the calculation of employee elective contributions and employer contributions. Overtime wages per the Plan document effective January 1, 2018 should be included in the definition of compensation but were excluded from determining employee and employer matching contributions.

The total corrective participant contribution was \$10,071 (\$3,080 in 2018, \$3,477 in 2019, \$1,470 in 2020, and \$2,044 in 2021). The total corrective employer matching contribution is \$11,956 through October 2022. The corrective contribution does not reflect investment earnings and losses based on the affected participants' investment elections during the years effected, as the amounts have not yet been determined. The corrective contributions of \$10,071 were remitted on October 22, 2021.

No provision for income taxes has been included in the Plan's financial statements related to the foregoing matters because the Company believes that the Plan continues to be qualified, and the tax status of the related trust continues to be tax exempt.
