Financial Statements and Supplemental Schedule  
Together with Reports of Independent Public Accountants  
December 31, 2021 and 2020

Independent Auditor's Report

Plan Administrator  
Frontier and Golden Pride 401(k) Plan

**Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed an audit of the accompanying financial statements of Frontier and Golden Pride 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Frontier and Golden Pride 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

**Opinion**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Frontier and Golden Pride 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Frontier and Golden Pride 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Frontier and Golden Pride 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Frontier and Golden Pride 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Schedule Required by ERISA**

The supplemental schedule of Assets (Held at End of Year) as of the year ended December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Report on the Financial Statements**

We were engaged to audit the accompanying statement of net assets available for benefits of Frontier and Golden Pride 401(k) Plan ("Plan") as of December 31, 2020, and the related notes to the financial statements.

**Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

**Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on conducting our audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

**Basis for Disclaimer of Opinion**

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Bank of Albuquerque, N.A. (a division of BOKF, N.A.), the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule. We have been informed by the Plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the trustee as of December 31, 2020, that the information provided to the Plan administrator by the trustee is complete and accurate.

**Disclaimer of Opinion**

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

**Report on Form and Content in Compliance with DOL Rules and Regulations**

The form and content of the information included in the 2020 financial statement, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Frontier and Golden Pride 401(k) Plan  
Notes to Financial Statements  
December 31, 2021 and 2020

1. Description of the Plan

The following description of Frontier and Golden Pride 401(k) Plan ("Plan") provides only general information. The Plan includes the employees of Endura Associates, Inc. (DBA Golden Pride) and LDR, Inc. (DBA Frontier Restaurant), which are members of a controlled group due to common ownership and are collectively referred to as the "employer". The Plan sponsor is Endura Associates, Inc. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General. The Plan is a defined contribution plan providing retirement benefits to all employees who have completed one year of service and are age twenty or older. Entry into the Plan can occur semi-annually. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Employee 401(k) Contributions. Eligible employees may elect to defer eligible compensation on a pre-tax basis up to the maximum established annually by the Secretary of the Treasury. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Excess contributions resulting from the restrictions on salary deferrals are required to be returned to the participants. The Internal Revenue Code also limits compensation for purposes of this computation. Participants can elect to change deferral elections at the semi-annual entry dates and can discontinue deferrals at any time.

Safe Harbor Matching Contributions. The Plan provides for a safe harbor matching contribution equal to 100% of salary deferrals that do not exceed 3% of compensation plus 50% of salary deferrals over 3% but not in excess of 5% of participant compensation.

Other Contributions. The employer may make additional discretionary contributions to the Plan. These other contributions are available to participants who are employed on the last day of the plan year and have worked at least 1,000 hours during the year. These contributions are allocated based on participant compensation.

Participant Accounts. The Plan maintains individual accounts for each participant. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan's investment options include a money market fund and mutual funds.

Each participant's account is credited with the participant's salary reduction contribution and allocations of the employer's contributions, Plan earnings and is charged with an allocation of administrative expenses. Allocations are based on participant compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting. Participants are immediately vested in their employee and employer contributions plus actual earnings thereon.

Retirement Age. Normal retirement age under the Plan is the later of age 65 or the fifth anniversary of Plan participation.

1. Description of the Plan – continued

Payment of Benefits. Participants may withdraw the vested balance of their account upon retirement, disability, death or termination of employment. Participants may receive their distribution in lump sum or accounts may be rolled over into another IRS-approved tax deferral account. Hardship distributions are permitted on demonstration of financial hardship. All participants who have attained the age of 59½ years may request in-service distributions. At December 31, 2021, there were no participants who have elected to withdraw from the Plan but have not yet been paid.

Plan Termination. Although it has not expressed any intent to do so, the Plan sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting in accordance with accounting principles generally accepted in the United States ("GAAP").

Use of Estimates

The preparation of financial statements in conformity with GAAP requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. The most significant estimate is the valuation of investments. Actual results may differ from those estimates.

Contributions

Plan contributions are recorded in the financial statements based on the date the related compensation was paid.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for description of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net realized and unrealized appreciation (depreciation) in the fair value of the Plan's investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Risks and Uncertainties

The participants through the Plan invest in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Notes to Financial Statements

2. Summary of Significant Accounting Policies – continued

Payment of Benefits

Benefit payments are recorded when paid.

Administrative Expenses

The Plan sponsor provides certain administrative and accounting services to the Plan at no cost and also pays certain administrative expenses on behalf of the Plan. Expenses relating to the purchase or sale of investments are included in the cost or deducted from the proceeds, respectively. Direct charges and expenses, including investment manager fees attributable to specific investment funds, may be charged against that investment fund. Expenses relating to specific participant transactions (e.g., loan fees, distribution fees, etc.) are deducted directly from the participant's account. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

Recent Accounting Pronouncements

In August 2018, the FASB issued ASU 2018-13, Fair Value Measurement (Topic 820): Disclosure Framework – Changes to the Disclosure Requirements for Fair Value Measurement. ASU 2018-13 modifies certain disclosure requirements on fair value measurements in Topic 820. The provisions of ASU 2018-13 are effective for fiscal years beginning after December 15, 2019. The adoption of this standard in 2020 had no impact on the Plan's financial statements and related disclosures.

3. Information Certified by the Plan Trustee

The Plan's investments are held and transactions executed therein by the trustee of the Plan, Bank of Albuquerque, N.A. (a division of BOKF, N.A.).

For the plan year ended December 31, 2021, the Plan administrator has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit does not extend to any of Bank of Albuquerque's prepared investment information that has been certified to be complete and accurate. The certified information includes the investments reported in the accompanying Statement of Net Assets Available for Benefits as of December 31, 2021 and the supplemental Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2021. The related investment activity reported in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2021 was also certified by Bank of Albuquerque, N.A.

For the plan year ended December 31, 2020, the Plan administrator elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the trustee, Bank of Albuquerque, N.A., certified to the completeness and accuracy of the investments reported in the accompanying Statement of Net Assets Available for Benefits as of December 31, 2020.

4. Fair Value Measurements

Accounting standards provide a three-level hierarchy that prioritizes inputs to valuation techniques used to measure fair value and report financial assets and liabilities at fair value. Investments measured at net asset value ("NAV") per share are excluded from the fair value hierarchy. The hierarchy is based on the observability and objectivity of pricing inputs, as follows:

- Level 1 Quoted prices for identical assets or liabilities in active markets accessible by the Plan.
- Level 2 Significant directly observable data (other than Level 1 quoted prices) or significantly indirectly observable data through corroboration with observable market data. Inputs would normally be (i) quoted prices for similar assets or liabilities in active markets, (ii) quoted prices for identical and similar assets or liabilities in inactive markets, (iii) inputs other than quoted prices that are observable for the asset or liability, or (iv) information derived from or corroborated by observable market data. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Significant unobservable inputs, therefore requiring an entity to develop its own assumptions.

Financial assets and financial liabilities are classified within the hierarchy based on the lowest level of any input that is significant to the fair value measurement. Valuation technologies used should maximize the use of observable inputs and minimize the use of unobservable inputs.

The following describes the valuation methodology used for the Plan's investments. There have been no changes in the methodology used during 2021 and 2020.

*Mutual Funds:* Valued at the closing prices reported in the active market in which the securities are traded.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth the underlying investments in the Plan as of December 31, 2021:

5. Tax Status

The Plan adopted a volume-submitter plan document that obtained its latest determination letter on September 30, 2014, in which the Internal Revenue Service stated that the volume-submitter plan is designed in accordance with the applicable sections of the Internal Revenue Code. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2018.

6. Subsequent Events

Management has evaluated subsequent events through September 30, 2022, the date that the financial statements were available to be issued.
