INDEPENDENT AUDITORS' REPORT

To Mavis Tire Supply LLC 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Mavis Tire Supply LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Opinion on the 2021 Financial Statements (Continued)

- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Mavis Tire Supply LLC 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt Mavis Tire Supply LLC 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements (Continued)

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Mavis Tire Supply LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Mavis Tire Supply LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - 2021 Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Mavis Tire Supply LLC 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 7, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

MAVIS TIRE SUPPLY LLC
401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Mavis Tire Supply LLC 401(k) Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan documents, the summary plan description and other publications previously distributed to them for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan and covers all employees of Mavis Tire Supply LLC (the “Sponsor”), Express Oil Change LLC and Brakes Plus Inc. (“Participating Employers”), who are age eighteen or older and who have completed twelve months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Plan became effective January 1, 1995. The Investment Committee determines the appropriateness of the Plan’s investment offerings, monitors investment performance and reports to the management of the Sponsor.

On March 11, 2020, the World Health Organization declared the novel strain of coronavirus (“COVID-19”) a global pandemic and recommended containment and mitigation measures worldwide. The outbreak of COVID-19 is still on-going and the extent of the impact of COVID-19 on the Plan’s net assets available for benefits and changes in net assets available is uncertain. The financial impact and duration cannot be reasonably estimated at this time.

On March 27, 2020, the Coronavirus Aid, Relief and Economic Security Act (“CARES Act”) was signed into law. Plans were permitted to adopt these provisions immediately provided the plan document is retroactively amended on or before December 31, 2022. Plan management elected to implement the following provisions:

- On or after April 20, 2020 and before December 31, 2020, any qualified individual, as defined in the CARES Act, was permitted to request a distribution from his or her vested account in the Plan, up to a maximum of \$100,000. Active employees who receive a coronavirus-related distribution from the Plan may repay all or any portion of the distribution to the Plan within the three-year period beginning on the day after the distribution.

MAVIS TIRE SUPPLY LLC
401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

General (Continued)

- Qualified individuals with outstanding loans on or after April 20, 2020 were permitted to request that their loan payments through December 31, 2020 be deferred. Where payments were deferred, the loan was re-amortized in January 2021 to reflect interest accrued during the delay, and payments recommenced for the remainder of the loan period, plus one year.
- The normal loan limits were increased from \$50,000 to \$100,000, and from 50% to 100% of the vested account balance, for qualified individuals taking loans on or after April 20, 2020 and before September 23, 2020.

The Setting Every Community Up for Retirement Enhancement Act ("SECURE Act") became law in December 2019. In February 2020, the required Minimum Distributions ("RMD") age was amended from age 70 ½ to age 72 under the provisions of the SECURE Act. In addition, following the CARES Act, the required minimum distributions that would have been due in 2020 were waived.

Contributions

Participant Contributions:

If participants elect, they can contribute into their account on a pretax basis no less than 1% nor more than 90% of their annual compensation subject to Internal Revenue Code ("IRC") limitations.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 2% of eligible compensation and their contributions invested in a designated balance fund until changed by the participant.

Employer Contributions:

Each year, the Sponsor contributes to the Plan an amount equal to 25% of the first 4% of each participant's pretax contributions. Additional amounts may be contributed at the discretion of the Sponsor. No additional amounts were contributed for the year ended December 31, 2021.

MAVIS TIRE SUPPLY LLC
401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

Vesting

Participants are immediately vested in their voluntary contributions plus earnings thereon. Vesting in each participant's employer matching account plus investment income earned thereon is based on years of service. A participant that reaches the early retirement date, as defined, becomes fully vested. If a participant becomes permanently disabled, or in the event of death, the participant becomes fully vested.

All participants who transferred in from the subsidiary of the Sponsor in connection with the asset transfers during the previous years, will carry-over their respective years of service from their former plan sponsor for purposes of vesting, and shall continue to vest according to their prior plan with respect to their transferring plan assets. These participants will vest in all future employer matching contributions according to the Plan's normal vesting provisions.

Participant Accounts

Each participant's account is credited with the participant's contribution and an allocation of (a) the Sponsor's matching contribution, and (b) the participant's share of realized and unrealized gains (losses) on both Sponsor and employee contributions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

Upon enrollment in the Plan, participants direct their contribution as well as employer contributions in investment accounts with common/collective trust funds, maintained by Reliance Trust Company ("Reliance", a subsidiary of State Street and Trust Company), and registered investment companies as identified in Note 3. Participants may change their investment options at any time.

Notes Receivable from Participants

Except for the provisions temporarily amended under the terms of the CARES Act, the Plan makes loans to participants of amounts no less than \$500 that do not exceed the lesser of \$50,000 or 50% of the participant's vested individual account balance. Loan repayment terms range from one to five years, although a longer repayment period is allowed if loan proceeds are used for the purchase of a primary residence. Principal and interest are paid back to the Plan through weekly payroll deductions or directly from the borrower. At December 31, 2021 interest rates range from 4.25% to 7.25%.

**MAVIS TIRE SUPPLY LLC
401(k) PLAN**

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

Payment of Benefits

Participants must receive their benefit in the form of a lump sum payment unless elected with their spouses' consent to receive installments over a certain period of time, not extending beyond the life expectancy of the participant or the joint life expectancy of the participant and the named beneficiary.

Except for the provisions temporarily amended under the terms of the CARES Act, active participants who have attained age 59-1/2 may withdraw any portion of their vested account from the Plan. Participants who have not attained age 59-1/2 may only withdraw a portion of their employee contributions in the case of financial hardship as defined under the Plan.

In general, the payment of Plan benefits will be made as soon as practicable after the last day of the Plan year coinciding with the later of the date on which an employee attains retirement age or actually retires. Participants may however request the payment of benefits at any time after their termination of employment in which case payment will be made as soon as administratively feasible, provided the applicable consents are obtained.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2021 excess contributions to the applicable participants prior to March 15, 2022.

Plan Termination

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination or partial termination of the Plan, participants' accounts shall be fully vested as of the date of such termination. The Sponsor determines the date and manner in which participants' accounts will be distributed in accordance with ERISA.

MAVIS TIRE SUPPLY LLC
401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians and insurance company. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. Delinquent notes receivable from participants are recorded as distributions based upon the terms of the Plan document.

Payment of Benefits

Benefit payments are recorded when paid.

**MAVIS TIRE SUPPLY LLC
401(k) PLAN**

NOTES TO THE FINANCIAL STATEMENTS

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Forfeitures

Forfeitures of non-vested accounts are used to reduce employer contributions on a per pay period basis. At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$63 and \$7,706, respectively. Also, in 2021, employer contributions were reduced by \$372,149 from forfeited non-vested accounts.

Administrative Expenses

Certain administrative expenses of the Plan are paid by the Sponsor without charge to the Plan.

NOTE 3 - UNAUDITED INFORMATION

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA required supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Reliance (the trustee of the Plan).

NOTE 4 - FAIR VALUE MEASUREMENTS (UNAUDITED)

Financial Accounting Standards Board ("FASB") *Accounting Standards Codification ("ASC") 820, Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

MAVIS TIRE SUPPLY LLC
401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 4 - FAIR VALUE MEASUREMENTS (UNAUDITED) (CONTINUED)

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020:

Mutual funds: Valued at the net asset value (NAV) of shares held by the Plan at year end, based on published market quotations on active markets.

**MAVIS TIRE SUPPLY LLC
401(k) PLAN**

NOTES TO THE FINANCIAL STATEMENTS

NOTE 4 - FAIR VALUE MEASUREMENTS (UNAUDITED) (CONTINUED)

Common/collective trust: Valued based on the NAV of the collective trust. The NAV, as reported by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. The investment in common/collective trust consist of a stable value fund and equity index funds.

The fund generally provides for daily redemptions by the Plan reported at NAV per share, without any advance notification. However, withdrawal prompted by certain events (e.g., exposure to additional credit risk, insolvency, bankruptcy, or other reorganization) may restrict a participant's ability to redeem the investment. The plan administrator does not believe that the occurrence of any such event is probable. There are no unfunded commitments.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020, excluding investments in common/collective trust fund (a):

Assets at Fair Value at December 31, 2021:

- (a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

NOTE 5 - TAX STATUS

The Internal Revenue Service has determined and informed the plan administrator by a letter dated October 6, 2020, that the form of the pre-approved is acceptable under the applicable sections of the Internal Revenue Code (IRC). The plan has been amended since receiving the opinion letter. However, the plan administrator believes that the pre-approved plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and therefore believes that the plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require adjustment to or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 - RELATED PARTY AND PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are shares of common/collective trust managed by Reliance, the trustee of the Plan. Accordingly, these transactions qualify as party in interest transactions.

NOTE 7 - RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 8 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2021 and 2020, and the net increase in net assets available for benefits for the year ended December 31, 2021 to the Form 5500:
