INDEPENDENT AUDITOR'S REPORT

Plan Administrator
Fleetmaster/ Englander 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of the Fleetmaster/ Englander 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2021, and the related statements of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Fleetmaster/ Englander 401(k) Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in the Note to the financial statements titled, "Information Prepared And Certified By Trustee", is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Fleetmaster/ Englander 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Fleetmaster/ Englander 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fleetmaster/ Englander 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Fleetmaster/ Englander 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of Assets (Held At End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Fleetmaster/ Englander 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 7, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

FLEETMASTER/ ENGLANDER 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN:

The following description of the Fleetmaster/ Englander 401(k) Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering all employees of Fleetmaster Express, Inc. (the “Plan Sponsor”) and Englander Transportation, Inc. (the “Participating Employer”). Fleetmaster Express, Inc. and Englander Transportation, Inc. (collectively, the “Employers”) are under common control. Employees are eligible to participate in the Plan after three months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan Sponsor’s Board of Directors oversees governance of the Plan. The Plan’s Investment Committee determines the appropriateness of the Plan’s investment offerings, monitors investments’ performance and reports to the Plan Sponsor’s Board of Directors.

In March 2020, the Coronavirus Aid, Relief, and Economic Security (“CARES”) Act was signed into law. The Plan elected to implement certain provisions of the CARES Act for the year ended December 31, 2020 that are available to tax qualified retirement plans and their participants. These provisions include, among other things, permitting special COVID-19 related distributions of up to \$100,000, increasing the maximum amount of Plan loans to participants to \$100,000 or 100% of their vested account balance, deferring repayments on certain Plan loans, and suspending required minimum distributions.

Contributions

Participants will be automatically enrolled when they become eligible at a participant contribution of 1% of eligible compensation in the Plan’s default fund, unless the participant opts out of the Plan or chooses to contribute a different percentage of eligible compensation. Participants may elect to contribute up to 90% of eligible compensation as defined by the Plan agreement up to the statutory maximum amount of \$19,500 (\$26,000 if participant is at least age 50 by the end of the Plan year) for both the years ended 2021 and 2020, and may make rollover contributions of their distributions from other qualified plans. The Plan Sponsor determines the formula for matching contributions annually. The Employer’s matching contribution in the first year of employment is 25% of the participant’s deferral contribution, limited to 4% of eligible compensation. Starting in the second year of employment, the Employers’ matching contribution is 50% of the participant’s deferral contribution, limited to 6% of eligible compensation.

FLEETMASTER/ ENGLANDER 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS - (Continued)

1. DESCRIPTION OF PLAN - (Continued):

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of the Employers' matching contributions and Plan earnings (losses). Earnings are allocated, by investment fund, based on the ratio of a participant's account invested in a particular fund to all participants' investments in that fund. The Employers' contributions are allocated based upon participants' deferrals to the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately 100% vested in their own deferral contributions and rollover contributions and any earnings thereon. Each participant's Employers' matching contributions become fully vested upon normal retirement, disability, death or according to the Plan specifications for years of service (i.e. upon completion of three years of service).

Participant Notes Receivable

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loans are treated as a transfer between the investment funds and loan funds to participants. Loan terms range from one to five years. A loan is secured by the balance in the participant's account and bears interest at a rate commensurate with market rates as determined by the Plan administrator. Principal and interest are paid ratably through payroll deductions. In 2021 loans entered into were at the rate of 4.25%. In 2020 loans entered into were at rates between 4.25% and 5.75%.

For the year ended December 31, 2020, the Plan elected to implement certain provisions of the CARES Act which includes increasing the maximum amount of Plan loans to participants to \$100,000 or 100% of their vested account balance for loans made to qualifying participants between March 27, 2020 and September 22, 2020. Additionally, these provisions also allow participants to defer loan repayments between March 27, 2020 and December 31, 2020, for up to one year.

Forfeitures

Forfeitures may be used to pay Employers' matching contributions or administrative expenses of the Plan. Forfeited nonvested accounts totaled \$1,114 and \$817 as of December 31, 2021 and 2020, respectively. Forfeitures incurred during the years ended December 31, 2021 and 2020 totaled \$29,073 and \$21,934, respectively. Forfeitures totaling \$29,086 and \$21,423 were used to pay Employers' matching contributions for the years ended December 31, 2021 and 2020, respectively.

FLEETMASTER/ ENGLANDER 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS - (Continued)

1. DESCRIPTION OF PLAN - (Continued):

Investment Options

A participant may direct participant contributions in any combination of various investment options.

Benefit Payments

Benefit payments can be made due to retirement, death, disability, termination of employment, or attainment of age 59 ½ and are subject to the applicable provisions of the Plan agreement. Up to 100% of the participant's vested account balance can be paid in a lump-sum distribution or direct rollover to another qualified plan. Additionally, upon proving of "financial hardship", a participant may withdraw part or all of their vested account balance.

For the year ended December 31, 2020, the Plan elected to implement certain provisions of the CARES Act which includes special distributions during the year ended December 31, 2020 of up to \$100,000 without 10% early withdrawal penalty for participants affected by COVID-19.

Administrative Expenses

Administrative expenses are made up of participant loan and withdrawal fees and are charged directly to the participant's account generating the fees. Substantially all other Plan administrative expenses are paid by the Plan Sponsor, as provided in the Plan agreement.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

The following accounting principles, which conform to accounting principles generally accepted in the United States of America ("GAAP"), have been used consistently in the preparation of the Plan's financial statements.

Basis of Accounting

The Plan's financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with GAAP requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

FLEETMASTER/ ENGLANDER 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS - (Continued)

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – (Continued):

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisor and trustee. See Note 3 for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Investment income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Participant Notes Receivable

Participant notes receivable are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred.

Benefit Payments

Benefits are recorded when paid.

3. FAIR VALUE MEASUREMENTS:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy consists of three levels as described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted market prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

FLEETMASTER/ ENGLANDER 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS - (Continued)

3. FAIR VALUE MEASUREMENTS - (Continued):

The asset's or liability's fair value measurement level within the fair value is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds - Valued at the net asset value ("NAV") of shares held by the Plan at year end. NAV is calculated using observable quoted market prices.

Common collective trust fund - The common collective trust fund is valued at the NAV of the units held by the Plan. The NAV is based upon the value of the underlying investments, which are traded on an active market. As such, the common collective trust is deemed to have a readily determinable fair value. Participant transactions (purchases and sales) may occur daily and there is no redemption notice requirement. There are no unfunded commitments related to the common collective trust fund.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

	Quoted prices in active markets for identical assets (Level 1)	Significant other observable inputs (Level 2)	Significant unobservable inputs (Level 3)	Total Fair Value
December 31, 2021:				
Mutual funds	\$ 4,991,493	\$ -	\$ -	\$ 4,991,493

FLEETMASTER/ ENGLANDER 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS - (Continued)

4. RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS:

Certain administrative functions are performed by officers or employees of the Plan Sponsor. These employees may also be Plan participants. No such officer or employee receives compensation from the Plan.

Reliance Trust Company is the trustee and ADP Retirement Services is the recordkeeper of the Plan; therefore, they qualify as a parties-in-interest. Administrative expenses paid by the Plan for administrative services amounted to \$10,704 and \$9,166 for the years ended December 31, 2021 and 2020, respectively.

5. PLAN TERMINATION:

Although it has not expressed any intent to do so, the Employers have the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

6. INCOME TAX STATUS:

The Plan has adopted a prototype plan provided by ADP. The Internal Revenue Service ("IRS") has determined and informed ADP by a letter dated October 6, 2020, that the Plan and the related trust were designed in accordance with applicable sections of the Internal Revenue Code ("IRC").

The Plan administrator is required by GAAP to evaluate the tax positions taken by the Plan and recognize a tax liability for any uncertain tax positions that more likely than not would not be sustained upon examination by the IRS. Plan management did not identify any uncertain tax positions as of December 31, 2021 and 2020. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

7. RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

In March 2020, the World Health Organization declared the COVID-19 outbreak a global pandemic. The impact of the COVID-19 global pandemic continues to evolve, and its future effects on the Plan's statements of net assets available for plan benefits and statements of changes in net assets available for plan benefits remain uncertain.
