Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Intellectual Technology Inc 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule H, line 4(i) – schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 1, 2021 we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

Note 1-Description of plan

The following description of Intellectual Technology Inc 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of Intellectual Technology, Inc. (the "Company" or "Plan Sponsor") who are at least 21 years of age, and completed 3 months of service with the Company, with the exception of collectively bargained employees and non-resident aliens. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Plan amendments

The Plan has implemented certain requirements by the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) and the Setting Every Community Up for Retirement Enhancement Act of 2019, which laws require the Plan to, among others, allow certain eligible individuals to receive coronavirus-related relief for loan repayment, suspend required minimum distributions, and delay the commencement date for required minimum distributions. Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable laws and IRS guidance.

Contributions

Each year, participants may contribute in the form of pre-tax contributions or after-tax Roth contributions up to 90% of compensation, subject to Internal Revenue Service (IRS) maximum limits.

The provisions of the Plan permit discretionary matching contributions to the Plan at the option of the Board of Directors of the Company at a uniform percentage of participant compensation. The Company's discretionary matching contribution attributable to the Plan year ended December 31, 2021 is 25% of up to 4 % of compensation. All contributions are subject to IRS limitations.

Rollover contributions

Participants may contribute funds previously held for their account in another qualified employee benefit plan to the Plan. A participant shall be fully vested at all times in such amounts transferred into the Plan. Rollover contributions share in income and earnings under the terms of the Plan, but no employer contributions are made with respect to any rollover contribution.

Participant accounts

Individual accounts are maintained for each participant in the Plan. Each participant's account is credited with the participant's contributions, their allocation of the Plan Sponsor's contributions and plan earnings. Plan earnings are allocated based on the participant's share of net earnings or losses of their respective elected investment options. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants may direct the investments of their account balances into various investment options offered by the Plan.

INTELLECTUAL TECHNOLOGY INC 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS-CONTINUED
December 31, 2021 and 2020

Note 1-Description of plan-continued

Notes receivable from participants

Participants may borrow from their fund accounts an amount not to exceed \$50,000 or 50% of their vested account balance, whichever is less. The minimum loan amount permitted under the Plan is \$1,000 and only 2 loans may be outstanding at any point in time. The term of notes receivable is limited to a reasonable period of time. Notes receivable from participants accrue interest at a reasonable rate at the time of application. The interest rate is determined by the Plan Administrator and shall be charged based on rates currently being used by financial institutions lending money under similar circumstances. Principal and interest are paid ratably through payroll deductions. The notes receivable are secured by the balance in the respective participants' accounts.

Pursuant to the CARES Act, Plan participants could request a delay of note repayments for repayments that occurred between March 27, 2020 and December 31, 2020 for one year. The participant's note would be re-amortized and include any interest accrued during the period of delay. The ability to request a delay in note repayments under the CARES Act ceased as of December 31, 2020.

Vesting

Participants are always 100% vested in their contributions and their rollover contributions plus any earnings (losses) thereon. Vesting in the Company's discretionary matching contributions plus earnings (losses) thereon is based on years of continuous service. Participants are vested in the Company's discretionary contributions over a three-year period as described below:

Less than 1 year of service	0%
1 year of service	20%
2 years of service	60%
3 years of service	100%

Participant withdrawals

In the event of retirement, attainment of age 59 ½, death, termination, total and permanent disability, other severance from employment participants are entitled to receive an amount equal to the value of the vested interest in their accounts. If upon the occurrence of one of these events the participant's vested balance is \$5,000 or less, an automatic lump sum disbursement will be made in the full amount of the participant's vested balance as soon as administratively feasible. Participants are also permitted to request a direct rollover to another qualified retirement plan

Disbursement of these amounts will be made through installment payments or in a lump sum amount equal to the vested value of their account. Required minimum distributions commence when a participant reaches age 70 ½.

In the event of hardship, as defined in the plan agreement, participants may take a distribution from their accounts in an amount necessary to satisfy the financial need, subject to certain tax withholdings.

INTELLECTUAL TECHNOLOGY INC 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS-CONTINUED
December 31, 2021 and 2020

Note 1-Description of plan-continued

Participant withdrawals-continued

Pursuant to the CARES Act, participants who were currently receiving required minimum distributions were offered the option to waive their 2020 distribution and participants who were due to receive the first required distribution in 2020 had their distribution automatically waived. Additionally, the CARES Act permitted Plan participants to request up to \$100,000 in coronavirus-related distributions, with repayment terms of up to three years. The ability to request special waivers with respect to required minimum distributions and coronavirus-related distributions under the CARES Act ceased as of December 31, 2020.

Forfeitures

At December 31, 2021 and 2020, unallocated assets of the Plan totaled \$22 and \$12, respectively. These are comprised of forfeitures of non-vested accounts. Forfeitures are used first to pay plan expenses, and then to reduce employer contributions. During 2021, there was no forfeited non-vested amounts within the Plan that were used to reduce the discretionary matching contribution.

Plan termination

Although it has not expressed any intention to do so, the Company has reserved the right to terminate the Plan at any time subject to the provisions of the ERISA. In the event of plan termination, participants will become fully vested in their accounts.

Note 2-Summary of significant accounting policies

Basis of accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Notes receivable from participants

Notes receivable from participants are valued at their unpaid principal balance plus accrued but unpaid interest. Delinquent notes receivable from participants are recorded as distributions based upon the terms of the plan agreement.

Contributions

Participant salary deferrals and employer contributions are included in income during the period the related salary is earned.

Excess contributions payable to participants

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. There were no excess contributions at December 31, 2021. The Plan distributed the 2020 excess contributions to applicable participants amounting to \$5,133 during 2021.

INTELLECTUAL TECHNOLOGY INC 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS-CONTINUED
December 31, 2021 and 2020

Note 2-Summary of significant accounting policies-continued

Valuation of investments and income recognition

Investments held by the Plan are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for further discussion and disclosures related to fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Net appreciation (depreciation) includes gains and losses on investments bought and sold as well as held during the year.

As described in the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic, Plan Accounting – Defined Contribution Pension Plans, investment contracts held by a defined contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The Plan invests in a fully benefit-responsive investment contract (FBRIC). The statements of net assets available for benefits present the contract value of the fully benefit-responsive investment contract. The contract value of the fully benefit-responsive investment contracts represents contributions plus earnings, less participant withdrawals and administrative expenses. At December 31, 2021, the Invesco Stable Asset Fund had a fair value that was equivalent to contract value.

Payment of benefits

Participant withdrawals are recorded upon distribution.

Administrative expenses

The Company pays the administrative expenses of the Plan, unless the expenses relate to specific investment directions of the participant. Fees related to the administration of notes receivable from participants and payments of benefits are charged directly to the participant's account and are included in administrative expenses. Administrative expenses that were paid by the Company were excluded from these financial statements.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Reclassification

Certain disclosures in the prior year financial statements have been reclassified for comparative purposes to conform to the presentation in the current year.

Subsequent events

The Plan has evaluated subsequent events through September 28, 2022, the date the financial statements were available to be issued and has determined there are no subsequent events that require disclosure.

INTELLECTUAL TECHNOLOGY INC 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS-CONTINUED
December 31, 2021 and 2020

Note 3-Investments

All investment information disclosed in the accompanying financial statements and supplemental schedule, including investments held and notes receivable from participants at December 31, 2021 and 2020, and net appreciation (depreciation) in the value of investments, interest and dividends on investments, and interest income on notes receivable from participants for the year ended December 31, 2021, was obtained or derived from information supplied to the Plan Administrator and certified by Reliance Trust Company (the Trustee) as complete and accurate in accordance with Section 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information has not been examined by independent auditors.

Note 4-Fair value measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification Topic 820, Fair Value Measurement, are described as follows:

Level 1. Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2. Inputs to the valuation methodology include:

- a. Quoted prices for similar assets or liabilities in active markets;
- b. Quoted prices for identical or similar assets or liabilities in inactive markets;
- c. Inputs other than quoted prices that are observable for the asset or liability;
- d. Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3. Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The Plan's investments are valued by the Trustee. Following is a description of the valuation methodologies used for assets measured at fair value.

Mutual funds – valued at the quoted closing price on an active market held by the Plan at year-end. Mutual funds held by the Plan are registered with the Securities and Exchange Commission.

INTELLECTUAL TECHNOLOGY INC 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS-CONTINUED
December 31, 2021 and 2020

Note 4-Fair value measurements-continued

Common collective trust fund – As of December 31, 2021, the Plan changed its investment methodology of the common collective trust fund to classify such investments at contract value not within the fair value hierarchy. Prior to December 31, 2021, the Plan classified such investments at net asset value using the practical expedient available under Subtopic 820-10. This change in classification was retrospectively applied to investments held at December 31, 2020. There have been no other changes in the methodology used at December 31, 2021 and 2020.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies and assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets that are measured at fair value.

Description	Total	Fair Value Measurements at December 31, 2021		
		Level (1)	Level (2)	Level (3)
Mutual funds	\$ 4,514,602	\$ 4,514,602	\$ 0	\$ 0
Total investments in the fair value hierarchy	\$ 4,514,602	\$ 4,514,602	\$ 0	\$ 0

Description	Total	Fair Value Measurements at December 31, 2020		
		Level (1)	Level (2)	Level (3)
Mutual funds	\$ 3,672,070	\$ 3,672,070	\$ 0	\$ 0
Total investments in the fair value hierarchy	\$ 3,672,070	\$ 3,672,070	\$ 0	\$ 0

Under the terms of a trust agreement between the Trustee and the Plan Sponsor, the Trustee invests all contributions to the Plan in various fund options as directed by the individual participants.

Note 5– Fully benefit-responsive investment contracts

The Plan includes an account called the Invesco Stable Asset Fund (Stable Value Fund) as an investment option available to participants. The account is credited with participant contributions plus earnings and charged for participant withdrawals and administrative expenses. As of December 31, 2021 and 2020 the balance of the Stable Value Fund was \$882 and \$4,622, respectively.

The Stable Value Fund consists of depository assets with no formal underlying maturities and no unfunded commitments. The Stable Value Fund is considered fairly valued at contract value because of this specific distinction. Participant transactions (purchased and sales) may occur daily. Were the Plan to initiate a full redemption of the funds, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

INTELLECTUAL TECHNOLOGY INC 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS-CONTINUED
December 31, 2021 and 2020

Note 5– Fully benefit-responsive investment contracts-continued

Certain events limit the ability of the Plan to transact at contract value with the investment company and the financial institution issuer. Such events include (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Sponsor does not believe that the occurrence of any such events that would limit the Plan's ability to transact at contract value with participants is probable.

Note 6-Related party transactions and party in interest transactions

Certain plan investments are managed by the Recordkeeper, therefore, these transactions qualify as party in interest transactions. Fees incurred by the Plan for the investment management services are deducted directly from participant accounts. There have been no known prohibited transactions with a party in interest. The Plan made direct payments to the Trustees in the amount of \$40,581 during 2021.

Notes receivable from participants also qualify as party in interest transactions. Notes receivable from participants totaled \$149,409 and \$171,071 as of December 31, 2021 and 2020, respectively. Interest received on notes receivable from participants totaled \$9,492 for the year ended December 31, 2021.

Note 7-Federal income tax status

The Plan is designed based on a prototype plan established by ADP. The prototype plan has received a favorable opinion letter, dated July 16, 2014, from the IRS that the prototype plan as designed qualifies for federal income tax-exempt status. The prototype plan adopted by the Plan, as then designed, qualifies under Internal Revenue Code Section 401 (a), and therefore, the related trust is exempt from taxation. The Plan has not individually sought a determination from the IRS on its qualification status. The Plan has been amended since receiving the determination letter. However, the Plan Administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 8-Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances, and the amounts reported in the statements of net assets available for benefits.
