Re: Required communications between Marcum and Those Charged with Governance

In accordance with auditing standards generally accepted in the United States of America (“GAAS”), Marcum LLP (“Marcum” or the “Firm”), as auditors of LRP Publications, Inc. Plan (the “Plan”), is required to determine that certain matters related to the conduct of our audit are communicated to the body or individuals (including management) charged with governance (hereafter referred to as the “Those Charged with Governance”). GAAS requires the auditor to ensure that Those Charged with Governance receive additional information regarding the scope and results of the audit that may assist them in overseeing the financial reporting and disclosure process, for which management is responsible.

1. The Auditors’ Responsibility under U.S. Generally Accepted Auditing Standards

Marcum is responsible to communicate the auditors’ responsibilities under GAAS.

We have audited the financial statements of the Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit] for the year ended December 31, 2021 and we issued our report thereon dated October 7, 2022. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Fidelity Personal Trust Company, the Trustee, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and ERISA-required supplemental schedules, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our engagement letter dated May 3, 2022. Professional standards also require that we communicate to you the following information related to our audit.

Our responsibility, as prescribed by professional standards, is to plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement. An audit of financial statements includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control over financial reporting. Accordingly, as part of our audit, we considered the internal control of the Plan solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

2. Other Information in Documents Containing Audited Financial Statements

Those Charged with Governance should be informed as to the auditors' responsibility for other information in documents containing audited financial statements, as well as any procedures performed and the results.

Our responsibility does not extend beyond the financial information identified in the audit report, and we are not required to perform any procedures to corroborate any other information in documents containing our audit report. However, we are required to read the other information included in the Plan's Form 5500 as prescribed by AU-C 720, "Other Information in Documents Containing Audited Financial Statements," and to conclude whether there is any material inconsistency or material misstatement with the information presented in the Plan's financial statements. With respect to our audit of the Plan's financial statements, we are aware of no such material inconsistencies or material misstatements included in the other information contained in the documents with the audited financial statements.

3. Planned Scope and Timing of the Audit

The auditor should communicate an overview of the planned scope and timing of the audit. This communication may assist Those Charged with Governance in better understanding the consequences of the auditor's work for their oversight activities, discussing with the auditor issues of risk and materiality, and identifying any areas in which they may request the auditor to undertake additional procedures. Such communication may also assist the auditor in better understanding the Plan and its environment. Nevertheless, the auditor maintains sole responsibility to determine the overall audit strategy and the audit plan, including the nature, timing and extent of procedures necessary to obtain sufficient appropriate audit evidence.

We conducted our audit consistent with the planned scope and timing we previously communicated to you. We would be pleased to meet with you to further discuss any of the following matters at your request:

- *The allocation of responsibilities between Those Charged with Governance and management.*
- *The Plan's objectives and strategies, and the related business risks that may result in material misstatements.*
- *Matters you have identified that warrant particular attention during the audit, and any areas where you request additional procedures to be undertaken.*
- *Significant communications with regulators.*
- *Other matters you believe are relevant to the audit of the financial statements.*
- *The attitudes, awareness, and actions of Those Charged with Governance concerning (a) the Plan's internal control and its importance in the Plan, including how Those Charged With Governance oversee the effectiveness of internal control and (b) the detection or the possibility of fraud.*
- *The actions of Those Charged with Governance in response to developments in financial reporting, laws, accounting standards, corporate governance practices, and other related matters.*
- *The actions of Those Charged with Governance in response to previous communications with the auditor.*

4. Qualitative Aspects of the Plan's Significant Accounting Policies

The auditor should discuss the auditors' judgments about the quality, not just the acceptability, of the Plan's accounting principles as applied in its financial reporting, including the ramifications of alternative methods. The auditor should also discuss the initial selection of, and changes in, significant accounting policies, including the application of new accounting pronouncements. The discussion should be open and frank and generally should include such matters as consistency of the Plan's accounting policies and their application, and the clarity and completeness of the Plan's financial statements, which include related disclosures. The discussion should include items that have a significant impact on the representational faithfulness, verifiability and neutrality of the accounting information included in the financial statements. Particular emphasis should be placed on those policies and principles that are deemed critical. Critical accounting policies are those that are the most important to the portrayal of the Plan's financial condition and results and require management's most difficult, subjective or complex judgments.

There are no specific matters that we believe should be communicated to you. However, we would be pleased to meet with you at your convenience to discuss your significant accounting policies. Since the primary responsibility for establishing the Plan's accounting principles rests with management, such a discussion should generally include the Plan's management as a participant.

5. Management Judgments and Significant Accounting Estimates

Those Charged with Governance should be informed about the process used by management in formulating particularly sensitive accounting estimates and about the basis for the auditor's conclusions regarding the reasonableness of those estimates. Accounting estimates are an integral part of the financial statements prepared by management and are based on management's current judgments. Those judgments are normally based on knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ markedly from management's current judgments.

There were no significant estimates used during the period.

6. Financial Statement Disclosures

Those Charged with Governance should be informed about sensitive or otherwise significant financial statement disclosures. GAAP mandates many specific disclosures, and also requires that a complete set of financial statements include all other disclosure necessary to assure the financial statements are not misleading. The determination of appropriate disclosure requires significant judgment by management.

The most sensitive disclosures affecting the Plan's financial statement was Note 4: Fair Value Measurements and Note 1: Description of The Plan, sub-sections: Notes Receivable from Participants and Payment of Benefits, which covered the adoption of the SECURE Act and CARES Acts.

The financial statement disclosures are neutral, consistent and clear.

7. Significant Difficulties Encountered During the Audit

Significant difficulties encountered in dealing with management that related to the performance of the audit are required to be brought to the attention of Those Charged with Governance.

We encountered no significant difficulties in dealing with management relating to the performance of the audit.

8. Uncorrected and Corrected Misstatements

For purposes of this communication, professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that we believe are trivial, and communicate them to the appropriate level of management. Those Charged

with Governance should be informed that all audit adjustments which have been recorded in the books and records have been reviewed and approved by management and have been reflected properly in the financial statements and footnotes. Those Charged with Governance should also be informed about uncorrected misstatements that management determined were not material to the financial statements, either individually or in the aggregate, to the financial statements taken as a whole. All corrected or uncorrected adjustments that either individually or in the aggregate appear to indicate a weakness in the financial reporting process or may indicate the potential for fraud should be discussed.

We did not identify any material misstatements as a result of our audit procedures that were recorded by management.

9. Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, which could be significant to the Plan's financial statements or the auditors' report. However, a disagreement does not include a difference of opinion based on incomplete facts or preliminary information that is later resolved.

There were no such disagreements.

10. Management Consultations with Other Accountants

When the auditor is aware that management has consulted with other accountants about significant accounting or auditing matters, the auditors' views about the subject of the consultation should be communicated to Those Charged with Governance.

To our knowledge, no such consultations were made by management.

11. Other Matters

With respect to the supplementary information accompanying the financial statements, the auditor is required to read the supplementary information and note if there were any material inconsistencies with the accompanying audited financial statements, and whether the method of preparing it has changed from the prior period.

We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves and no discrepancies were noted.

12. Fraud or violations of Laws and Regulations

Those Charged with Governance should be adequately informed of fraud or violations of laws and regulations coming to the auditor's attention during the course of the audit.

There were no fraud or violations of laws and regulations that came to our attention during the course of our audit.

13. Independence

In order to issue an auditors' report, Marcum must be independent from the Plan in accordance with professional standards. The auditor may choose to communicate circumstances or relationships, such as financial interests, business or family relationships or nonaudit services provided or expected to be provided, that in the auditors' judgment may reasonably be thought to bear on independence, and that the auditor gave significant consideration to in reaching the conclusion that independence has not been impaired.

There are no matters identified that impair our independence.

This report is intended solely for the information and use of the Plan Administrator and management of the Plan and is not intended to be and should not be used by anyone other than these specified parties.

Very truly yours,

INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
LRP Publications, Inc. Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of LRP Publications, Inc. Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2021 financial statements.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for within one year after the date the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at year end) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 7, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 1 - DESCRIPTION OF PLAN

The following description of the LRP Publications, Inc. Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions. Copies of this document are available from the plan administrator.

GENERAL

The Plan document was established on January 1, 1989 for the benefit of the employees of LRP Publications, Inc. (the “Company” or the “Plan Sponsor”) who are eligible to participate. All non-leased employees of the Company are eligible for participation in the Plan after attaining the age of 21 and completing three consecutive months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”).

Effective May 1, 2018, the Plan was amended to adopt service for purposes of eligibility pursuant to the Plan document to include service to predecessor employers including Aspen Publishing Company Employees hired upon the March 23, 2004 acquisition, 1105 Media Inc. Company Employees hired upon the April 2, 2015 acquisition and Professional Media Group, LLC Employees acquired upon May 1, 2018.

The plan administrator is responsible for the oversight of the Plan and determines the appropriateness of the Plan’s investment offerings and monitors investment performance.

CONTRIBUTIONS

Contributions are made in the form of pre-tax or post-tax salary reductions by the participants. Salary deferrals cannot exceed Internal Revenue Code (the “Code”) guidelines (\$19,500 in 2021) as indexed for inflation or 100% of a participant’s eligible annual compensation. Participants who have attained age 50 before the end of the Plan year are eligible to make catchup contributions (\$6,500 in 2021). Participants may also contribute amounts representing distributions from other qualified plans (“Rollovers”). The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a default deferral rate set at 4% of eligible compensation. Contributions are automatically invested in a designated balanced fund until changed by the participant. The Company made matching contributions equal to 35% of the participant’s eligible contribution, up to a maximum of 6% of the eligible compensation that was contributed to the Plan in both 2021 and 2020. Additionally, the Company may make discretionary matching contributions. No discretionary matching contributions were made in 2021 and 2020.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

INVESTMENT OPTIONS

Upon enrollment in the Plan, a participant may direct elective deferrals into various investment options provided by the Plan. All investments are participant directed, including a self-directed brokerage account option.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contributions, Rollovers into the Plan, and allocations of (a) Company contributions and (b) Plan investment earnings or losses. Allocations are based on participant's elective contributions and account balances, as defined by the Plan document. Participant accounts are reduced by any withdrawals or distributions associated directly with the participant and an allocation of administrative expenses that are paid by the Plan. The benefit to which a participant is entitled is the benefit that can be provided by the participant's vested account balance.

VESTING

Participants are immediately 100% vested in their individual contributions, including Rollovers, to the Plan and earnings thereon. Company contributions and earnings thereon vest in accordance with the following schedule:

<u>Years of Service</u>	<u>Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Upon termination of employment, a participant's non-vested amounts are forfeited in accordance with the Plan document. The Plan provides for 100% vesting of Company contributions and earnings thereon upon death, disability, attainment of early retirement age of 55, or attainment of normal retirement age of 65.

LRP PUBLICATIONS, INC. PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

NOTES RECEIVABLE FROM PARTICIPANTS

The Plan allows participants to borrow against their vested balances (minimum loan of \$1,000). The maximum amount available for loans is the lesser of 50% of the participant's vested account balance or \$50,000, reduced by the highest outstanding loan balance during the prior 12-month period. The interest rate charged is based on prevailing interest rates charged by persons in the business of lending money for loans that would be made under similar circumstances. Interest rates are approximately 4.25% to 6.50% on outstanding loans as of December 31, 2021. Loan repayment periods are for a maximum of five years unless the loan is for the purchase of a primary residence, in which case a reasonable repayment period is determined at the time of the loan, not to exceed 10 years. Loan repayments are made through payroll deductions.

During 2020, the Plan adopted the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") which was signed into law on March 27, 2020. Pursuant to the CARES Act, plan participants could request a delay of note repayments that occurred between March 27, 2020 and December 31, 2020 for one year. The participant notes were re-amortized and included any interest accrued during the period of delay. The ability to request a delay in note repayments under the CARES Act ceased as of December 31, 2020. Additionally, the CARES Act temporarily permitted Plan participants to take loans during the 180 day period starting on the date of enactment, up to the lesser of either \$100,000, or the greater of \$10,000 or 100% of the participant's vested account balance.

PAYMENT OF BENEFITS

Upon attainment of age 65, normal retirement age, or upon disability, death, or termination of employment, a distribution of the vested account balance is permitted in a lump sum or systematic installment payments to the participant or named beneficiary. Withdrawals under the Plan are allowed for hardship (as defined in the Code) or the attainment of age 59-1/2.

During 2020, the Plan adopted the Setting Every Community Up for Retirement Enhancement Act ("SECURE Act") which was signed into law on January 1, 2020. The SECURE Act changes the minimum distribution age for which distributions must begin from 70 1/2 to 72.

Pursuant to the CARES Act, participants who were currently receiving required minimum distributions were offered the option to waive their 2020 distribution and participants who were due to receive the first required distribution in 2020 had their distribution automatically waived. The ability to request special waivers with respect to required minimum distributions under the CARES Act ceased as of December 31, 2020. Additionally, the CARES Act permitted Plan participants to request up to \$100,000 in coronavirus-related distributions, with repayment terms of up to three years.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

PAYMENT OF BENEFITS (CONTINUED)

The ability to request coronavirus-related distributions under the CARES Act ceased as of December 31, 2020.

HARDSHIP WITHDRAWALS

Under certain circumstances of financial hardships, the participant is allowed to withdraw funds from the Plan. For the years ended December 31, 2021 and 2020, there was approximately \$33,000 and \$308,000, respectively, in hardship distributions, which are included in benefits paid to participants in the accompanying Statements of Changes in Net Assets Available for Benefits.

FORFEITED ACCOUNTS

Forfeitures are those amounts of the Company contributions in which a participant is not fully vested at the time of termination. At December 31, 2021 and 2020, forfeited non-vested accounts totaled approximately \$23,000 and \$13,900, respectively, which are available to reduce future administrative expenses of the Plan or Company contributions. During the years ended December 31, 2021 and 2020, the Company used forfeitures to offset Company contributions of approximately \$15,000 and \$31,400, respectively.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF PRESENTATION

The Plan's financial statements are prepared on the accrual basis of accounting.

USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

LRP PUBLICATIONS, INC. PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

INVESTMENT VALUATION AND REVENUE RECOGNITION

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The plan administrator determines the Plan's valuation policies utilizing information provided by the trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on the trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes realized and unrealized gains and losses on investments bought and sold as well as held during the year. All gains and losses are reported in the accompanying Statements of Changes in Net Assets Available for Benefits.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. Delinquent loans are treated as distributions based upon the terms of the plan document.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

PLAN EXPENSES

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment fees and expenses, including fees and expenses in connection with providing of administrative services by Fidelity Management Trust Company ("Fidelity"), a party-in-interest to the Plan, are paid from Plan assets. Investment related expenses are included in net appreciation of fair value of investments. Other than loan origination fees and administrative expenses associated with participants who are no longer employees of the Company, as defined in the Plan document, administrative expenses are absorbed by the Plan Sponsor.

FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

RISKS AND UNCERTAINTIES

The Plan has investments in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risk. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the accompanying Statements of Net Assets Available for Benefits. The plan administrator monitors the Plan's investments and the risks associated therewith on a regular basis, which the plan administrator believes minimizes these risks.

RECENT ACCOUNTING PRONOUNCEMENTS

In August 2018, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") 2018-13, *Fair Value Measurement* (Topic 820) *Disclosure Framework – Changes to the Disclosure Requirements for Fair Value Measurement*, which modifies the disclosure requirements on fair value measurements under Accounting Standards Codification ("ASC") Topic No. 820, *Fair Value Measurements and Disclosures*, as amended. For nonpublic companies, ASU 2018-13, removes (a) the prior requirement to disclose the amount and reason for transfers between Level 1 and Level 2 of the fair value hierarchy, (b) the policy for timing of transfers between levels, (c) the valuation process used for Level 3 fair value measurements, and (d) the requirement to disclose changes in unrealized gains and losses for the period included in earnings for recurring Level 3 fair value measurements. For nonpublic companies, ASU 2018-13 also adds, among other things, a requirement to disclose transfers into and out of Level 3 of the fair value hierarchy, and purchases and issuances of Level 3 assets and liabilities, rather than reconcile the opening balances to the closing balances of recurring Level 3 fair value measurements. The amendment is effective for fiscal years, and interim periods within those fiscal years, beginning after December 15, 2019. Early adoption was permitted upon issuance of ASU 2018-13. The Plan adopted ASU 2018-13 effective January 1, 2020, however, it did not have a significant impact on the Plan's financial statements.

SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 7, 2022, the date the financial statements were available to be issued.

LRP PUBLICATIONS, INC. PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 3 – CERTIFIED INVESTMENTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest, and dividends and interest income on notes receivable from participants for the years then ended, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Personal Trust Company (the trustee of the Plan). This information has not been audited by the Plan's independent auditors.

NOTE 4 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value.

The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB Accounting Standards Codification ASC Topic 820, *Fair Value Measurements and Disclosures* are described as follows:

Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2

Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

LRP PUBLICATIONS, INC. PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 4 - FAIR VALUE MEASUREMENTS (CONTINUED)

Level 3 (CONTINUED)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds (Including Money Market Funds)

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission ("SEC"). These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Self-Directed Brokerage Accounts

Investment options consist of mutual funds and common stock, which are both valued at the daily closing price as reported by the fund or per share of common stock. All mutual funds and common stock offered are registered with the SEC. All offered funds and stocks are required to publish their daily net asset value and to transact at that price. All mutual funds and common stock offered by the self-directed brokerage option are deemed by the Plan to be actively traded.

Total Assets in the Fair Value Hierarchy	<u>\$ 36,130,514</u>	<u>\$ --</u>	<u>\$ --</u>	<u>\$ 36,130,514</u>

NOTE 5 - PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Fidelity. Fidelity is the trustee as defined by the Plan and, therefore, these transactions qualify as a party-in-interest transaction; however, they are exempt from the prohibited transactions rules under ERISA. Fees paid by the Plan to Fidelity for investments and administrative services were approximately \$1,500 and \$2,000 for the years ended December 31, 2021 and 2020, respectively.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 7 - TAX STATUS

The Plan Sponsor adopted a Non Standardized Pre-Approved Profit Sharing Plan with CODA (the “Defined Contribution Pre-Approved Plan”), which received an opinion letter from the Internal Revenue Service (“IRS”) dated June 30, 2020, that the Defined Contribution Pre-Approved Plan and related trust, as then designed, was in accordance with applicable sections of the Code. The Plan has been amended and certain provisions have been adopted since receiving the opinion letter. The Plan Administrator believes that the Plan is designed and is currently being operated, in compliance with the applicable requirements of the Code and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods.
