INDEPENDENT AUDITOR'S REPORT

September 29, 2022

To the Retirement Plan Committee of the
Catholic Charities of the Diocese of Rochester, Inc.
Employee Retirement Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of the Catholic Charities of the Diocese of Rochester, Inc. Employee Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

(Continued)

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

(Continued)

INDEPENDENT AUDITOR'S REPORT

(Continued)

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Other Matter - Supplemental Schedule Required by ERISA (Continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by qualified institutions. In our report dated August 18, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

CATHOLIC CHARITIES OF THE DIOCESE OF ROCHESTER, INC. EMPLOYEE RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

1. DESCRIPTION OF PLAN

The following brief description of the Catholic Charities of the Diocese of Rochester, Inc. Employee Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan document for complete information regarding the Plan and its provisions.

General

The Plan is a defined contribution 401(k) plan established for employees of Catholic Charities of the Roman Catholic Diocese of Rochester, Inc. (CCDR). In addition, the Plan allows for participation by employees of organizations affiliated with CCDR. Camp Stella Maris of Livonia, Inc., Bishop Sheen Ecumenical Housing Foundation, Inc. and Providence Housing Development Corporation, Inc. participate in the Plan under the terms of these provisions.

Administration

The Plan is administered by the authorized officers of CCDR. EPIC Advisors (EPIC) is the record-keeper of the Plan. National Bank Trust Wealth Management (NBT) is the custodian and trustee of the Plan's assets. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

Employees of CCDR and other participating organizations are eligible to begin salary deferrals upon attaining the age of 21 years. Employees are eligible to receive employer contributions after providing 1,000 hours of service or more in a 12 consecutive month period and attaining the age of 21 years.

Contributions

Participants may make tax-deferred contributions to the Plan subject to certain limitations of the Plan and the Internal Revenue Code (IRC).

CCDR and other participating organizations make matching contributions to the Plan at the discretion of the individual CCDR operating division or other participating organizations' Boards of Directors. For the 2021 and 2020 Plan years, these contributions ranged from 3% to 6% of eligible compensation.

Participant Accounts

Each participant's account is credited with the participant's contributions, employer contributions and Plan earnings/losses on investments. Allocations are based on participant earnings/losses on account balances, with an allocation of administrative plan expenses and investment fees according to specific terms provided by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

1. DESCRIPTION OF PLAN (Continued)

Vesting

Participants are immediately vested in their voluntary contributions and actual earnings/losses thereon. Participants are fully vested in employer contributions and actual earnings/losses thereon upon completion of five years of credited service, with partial vesting for credited service of one to five years.

Forfeitures

Forfeitures of non-vested participant accounts are used to reduce administration expenses for the Plan. Total forfeitures available were \$15,028 and \$9,250 in 2021 and 2020, respectively.

Payment of Benefits

Participants are eligible for benefits upon the later of attaining age 65 or the fifth anniversary of the first day of the first year in which the participant commenced participation in the plan, death, termination of the Plan, or disability. Participants normally receive benefits in the form of a lump-sum distribution.

The Plan automatically rolls over terminated participants' balances up to \$5,000 to an individual retirement account with an unrelated vendor, unless another payment option is elected by the participant.

Plan Changes

The Plan has implemented certain requirements by the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) that was signed into law on March 27, 2020 and provided relief options for retirement plan sponsors and participants who met certain eligibility requirements. The optional features that the Plan has implemented include, among others, allowing Coronavirus related distributions, increased loan limits, loan repayment deferrals, and suspending required minimum distributions. Most of the provisions of the CARES Act expired on December 31, 2020. Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and IRS guidance.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum amount equal to the lesser of \$50,000 or 50% of the participant's vested account balance, subject to certain conditions as defined in the Plan agreement. Following the enactment of the CARES Act, qualifying participants were allowed to borrow up to \$100,000 or 100% of the participants' vested accounts for those loans established from March 27, 2020 through September 22, 2020. The loan and interest thereon shall be repaid over a period not to exceed five years.

Hardship Withdrawals

Hardship withdrawals from the Plan are permitted from only the participant's elective contribution. All hardship withdrawals must comply with the rules relating to hardships, which are uniformly applicable to all participants.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan's financial statements are prepared in accordance with accounting principles generally accepted in the United States of America (GAAP).

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2021 and 2020, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Investments

The Plan's investments are participant directed. The Plan's cash and mutual funds are reported at fair value. Purchases and sales of securities are reflected on a trade date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Risks and Uncertainties

Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amount reported in the financial statements.

The United States is presently in the midst of a pandemic related to a virus, commonly known as Novel Coronavirus (COVID-19). As a result of COVID-19, there has been heightened market risk and volatility associated with the pandemic, and this could materially affect participants' account balances and the amounts reported in the financial statements. The duration of these uncertainties and the ultimate financial effects cannot be reasonably estimated at this time.

Fair Value Measurement - Definition and Hierarchy

GAAP establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are as follows:

- Level 1 - Valuations based on quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access. Valuation adjustments are not applied to Level 1 instruments. Since valuations are based on quoted prices that are readily and regularly available in an active market, valuation of these products does not entail a significant degree of judgment.
- Level 2 - Valuations based on quoted prices in markets that are not active or for which all significant inputs are observable, directly or indirectly.
- Level 3 - Valuations based on inputs that are unobservable and significant to the overall fair value measurement.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fair Value Measurement - Definition and Hierarchy (Continued)

An asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of available observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets measured at fair value by the Plan.

Mutual funds: Valued at the net asset value of shares held at year end which is based on quoted prices in active markets (Level 1).

Common/Collective Trusts: Valued at the net asset value (NAV) of units of a collective trust. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

There were no changes in valuation techniques during 2021 or 2020.

The methods used by the Plan may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Benefits Paid to Participants

Benefit payments are recorded when paid.

Investment Fees and Administrative Expenses

Investment fees and administrative expenses are paid by the Plan to the extent that forfeitures are available to pay them. Investment fees and administrative expenses that exceed available forfeiture balances are paid by CC DR.

Estimates

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

3. INVESTMENT INFORMATION

The following information was certified as accurate and complete by the trustee and is included in the accompanying financial statements and schedule:

	<u>2021</u>	<u>2020</u>
Statements of net assets available for benefits:		
Investments	<u>\$ 39,672,217</u>	<u>\$ 34,878,795</u>
Statements of changes in net assets available for benefits:		
Interest and dividend income	<u>\$ 1,667,658</u>	<u>\$ 1,111,020</u>
Net appreciation in fair value of investments	<u>\$ 3,650,901</u>	<u>\$ 3,975,777</u>
Schedule of Assets (Held at End of Year)	Schedule I	

4. FAIR VALUE MEASUREMENTS

The Plan's investments were measured at fair value on a recurring basis as follows:

	<u>December 31, 2021</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$ 38,121,943</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 38,121,943</u>
Investments, at fair value	<u>\$ 38,121,943</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 38,121,943</u>
Investments, measured using the net asset value as a practical expedient				<u>1,490,400</u>
Total investments				<u>\$ 39,612,343</u>

	<u>December 31, 2020</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$ 33,468,804</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 33,468,804</u>
Investments, at fair value	<u>\$ 33,468,804</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 33,468,804</u>
Investments, measured using the net asset value as a practical expedient				<u>1,385,513</u>
Total investments				<u>\$ 34,854,317</u>

In accordance with Subtopic 820-10, certain investments that are measured using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

4. FAIR VALUE MEASUREMENTS (Continued)

Net Asset Value (NAV) Per Share

The following tables for December 31, 2021 and 2020, set forth a summary of the Plan's investments with a reported NAV.

	Fair Value Using Net Asset Value per Share December 31, 2021	
	<u>Fair Value *</u>	<u>Unfunded Commitment</u>
Common/collective trust	\$ 1,490,400	\$ -

	Fair Value Using Net Asset Value per Share December 31, 2020	
	<u>Fair Value *</u>	<u>Unfunded Commitment</u>
Common/collective trust	\$ 1,385,513	\$ -

*The fair values of the investments have been estimated using the net asset value of the investment.

Common/collective trust – the fund's objective is to achieve high current income and principal stability. The fund invests in a portfolio of stable value products, consisting of guaranteed investment contracts, fixed income securities and other instruments that are consistent with its objective.

Redemptions from the stable value fund may be made daily at the current net asset value and are considered as made immediately after the daily valuation.

5. INCOME TAX STATUS

The Plan obtained its latest determination letter on March 31, 2014, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan administrator and its legal counsel believe that the Plan is currently designed and being operated in compliance with the applicable provisions of the IRC.

6. PARTY-IN-INTEREST TRANSACTIONS

EPIC is the Plan's record keeper. NBT is the custodian and trustee of the Plan's assets. As such, transactions between EPIC, NBT, and the Plan qualify as party-in-interest transactions. Notes receivable from participants are also considered party-in-interest transactions.

7. PLAN TERMINATION

While CCDR has not expressed any intent to discontinue the Plan, it has the right to do so at any time. In the event of termination, each participant will become 100% vested in his or her individual account.

8. RECONCILIATION TO FORM 5500

Certain items have been classified differently between the financial statements and Form 5500. Net assets available for benefits and changes in net assets available for benefits per the financial statements agree to Form 5500 in total as of and for the years ended December 31, 2021 and 2020.

9. SUBSEQUENT EVENTS

Subsequent events have been evaluated through September 29, 2022, which is the date the financial statements were available to be issued.
