INDEPENDENT AUDITORS' REPORT

To the Retirement Plan Committee of
Resilite Sports Products, Inc. 401(k) Retirement Plan
Northumberland, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Resilite Sports Products, Inc. 401(k) Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Resilite Sports Products, Inc. 401(k) Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Resilite Sports Products, Inc. 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Resilite Sports Products, Inc. 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Resilite Sports Products, Inc. 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule listed in the table of contents, is presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Resilite Sports Products, Inc. 401(k) Retirement Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 20, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2021 AND 2020 AND FOR THE YEAR ENDED DECEMBER 31, 2021

1. PLAN DESCRIPTION

The following is a brief description of the Resilite Sports Products, Inc. 401(k) Retirement Plan (the “Plan”) provided for general informational purposes. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General – The Plan is a defined contribution plan as permitted under Section 401(k) of the Internal Revenue Code (“IRC”). The Plan covers substantially all employees of Resilite Sports Products, Inc. (the “Company” or “Plan Sponsor”) who have completed three months of service and are twenty-one years of age. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Contributions – Each eligible employee may make both pre-tax and Roth contributions to the Plan up to 100% of eligible compensation, as defined in the Plan, not to exceed statutory limits. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute rollover amounts representing distributions from other qualified plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Company makes safe harbor matching contributions as defined in the Plan equal to 3% of the participant’s eligible compensation. The Company may contribute additional amounts at the discretion of the Company’s Board of Directors. The Company declared discretionary contributions of \$210,368 for the year ended December 31, 2021. Participants must complete one year of service, and be employed on the last day of the calendar year, to be eligible for the Company’s discretionary contribution.

Vesting – Participants are immediately vested in their contributions, the safe harbor matching contributions, and related investment earnings. Vesting in the Company’s discretionary contributions, plus actual earnings thereon, occurs on a graduated basis and is based on years of continuous service. A participant is 100 percent vested in discretionary contributions after six years of credited service.

Participant Accounts – Each participant’s account is credited with the participant’s contribution and allocations of the Company’s contributions, Plan earnings (losses), and charged with withdrawals and an allocation of administrative expenses. Allocations are based on the participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Payment of Benefits – On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant’s vested interest in his or her account, or annual installments. Upon termination of employment, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution, with the exception of the participant’s vested interest in profit sharing contributions and associated earnings which cannot be withdrawn until age 59 ½. Distributions will be made as soon as practical after a participant’s request. The Plan also allows for in-service withdrawals for employees who attain age 59 ½. Distributions are also permitted in the event of financial hardship, as defined by the Plan.

Plan Termination – Although it has not expressed any intent to do so, the Plan Sponsor has the right to terminate the Plan subject to the provisions of ERISA. In the event of termination, all participants shall become fully vested in their accounts at the date of such termination.

1. **PLAN DESCRIPTION (continued)**

Forfeited Accounts – Prior to August 1, 2021, forfeited accounts could be used to reduce administrative expenses, reduce employer contributions, or be reallocated to participants. During the year ended December 31, 2021, forfeitures of \$8,310 were used to reduce administrative expenses. Effective August 1, 2021, forfeited accounts are to be used to reduce employer contributions. Forfeitures available amounted to \$1,644 and \$8,272, as of December 31, 2021 **and 2020**, respectively. Forfeitures of \$1,644 were utilized to reduce employer contributions remitted in August 2022 relating to the 2021 plan year.

Administrative Expenses – Costs of administering the Plan are shared by the Plan and the Plan Sponsor. Fees related to requests for distributions are charged directly to the participant's account and are included in administrative expenses.

2. **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Basis of Accounting – The accompanying financial statements have been prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition – The Plan follows generally accepted accounting standards for determining the fair value of assets and liabilities which are subject to reporting at fair value. The Plan utilizes a hierarchy for the determination of fair value, as well as disclosure requires relative to those assets and liabilities. The hierarchy identifies three levels of input. Level 1 inputs are generally quoted market prices for identical assets or liabilities, which are actively traded on an exchange. Level 2 inputs generally consist of market prices for identical assets which are not actively traded or market prices of similar assets or liabilities which are actively traded on an exchange. Level 3 inputs are referred to as unobservable inputs and consist primarily of information derived by management where Level 1 and Level 2 inputs are not available. These may include such things as present value of expected future cash flows or other valuation methodologies. Under the hierarchy, Level 1 inputs are the most preferred, followed by Level 2, and Level 3 are to be used only where neither Level 1 nor Level 2 inputs are available.

An investment's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for investments measured at fair value as of December 31, 2021 and 2020:

Cash and cash equivalents: Based on the observable underlying cash and cash equivalent balance.

Mutual funds: Valued based on quoted market prices available on an active market, which represents net asset values of the shares held by the Plan at year end.

Stable value fund: The fund primarily invests in separately managed investment portfolios. The fund is valued based on the net asset values ("NAV") of the shares held by the Plan at year-end, and generally has no redemption restrictions or unfunded capital commitments.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in different fair value measurements at the reporting date.

Within the statement of changes in net assets available for benefits, the Plan presents the net appreciation in fair value of investments, which includes the net unrealized and realized gains and losses on investments that were held or sold during the year.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividend income is recognized on the ex-dividend date.

Payment of Benefits – Benefit payments to participants are recorded when paid.

Use of Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of net assets at the date of the financial statements and the reported amounts of changes in net assets during the reporting period. Actual results could differ from those estimates.

Risks and Uncertainties – The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest, market and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

Subsequent Events – Management has evaluated the effects of all subsequent events through October 4, 2022, the date the financial statements were available to be issued, to determine if events or transactions occurring through that date require potential adjustment or disclosure in the financial statements.

3. FAIR VALUE MEASUREMENTS

The Plan uses fair value measurements to record fair value adjustments to certain assets and to determine fair value disclosures. For additional information on how the Plan measures fair value, refer to Note 2 – Summary of Significant Accounting Policies. The following table sets forth, by level within the fair value hierarchy, the Plan's assets that are measured at fair value as of December 31, 2021 and 2020, respectively, with the exception of the stable value fund, which is measured at fair value using the NAV practical expedient. The fair value for the stable value fund is presented below to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

3. FAIR VALUE MEASUREMENTS (continued)

Total investments at fair value	<u>\$ 13,612,070</u>	<u>\$ 12,451,015</u>

4. INCOME TAX STATUS

The Plan Sponsor has adopted the Ascensus, Inc. Prototype Non-standardized Profit Sharing Plan with Cash or Deferred Arrangement (the "Prototype Plan"). The Prototype Plan received an Opinion Letter from the IRS dated June 30, 2020, stating that the form of the plan is acceptable under Section 401 of the Internal Revenue Code for use by employers for the benefit of their employees. Accordingly, no provision has been made for Federal income taxes in the accompanying financial statements.

5. SUMMARY OF TRUSTEE INFORMATION

The following is a summary of unaudited information regarding the Plan, included in the Plan's financial statements and supplemental schedule. The information was prepared by Ascensus Inc., the recordkeeper of the Plan, as agent for Ascensus Trust Company, the trustee of the Plan, and furnished to the Plan Sponsor. The agent for the trustee has certified that the information is complete and accurate.
