## INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Participants of the  
A. Bellavance & Sons, Inc. 401(k) & Profit Sharing Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements**

We have performed an audit of the accompanying financial statements of A. Bellavance & Sons, Inc. 401(k) & Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of A. Bellavance & Sons, Inc. 401(k) & Profit Sharing Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

### **Opinion on the 2021 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion on the 2021 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of A. Bellavance & Sons, Inc. 401(k) & Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about A. Bellavance & Sons, Inc. 401(k) & Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditors' Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of A. Bellavance & Sons, Inc. 401(k) & Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about A. Bellavance & Sons, Inc. 401(k) & Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## **Other Matters**

### ***2021 Supplemental Schedule Required by ERISA***

The supplemental schedule of assets held at year end as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing

and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

*Auditors' Report on the 2020 Financial Statements*

The 2020 financial statements of A. Bellavance & Sons, Inc. 401(k) & Profit Sharing Plan were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report dated October 11, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplemental schedule, and (b) the form and content of the information included in the financial statements and supplemental schedule other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**A. BELLAVANCE & SONS, INC. 401(K)  
& PROFIT SHARING PLAN  
NOTES TO FINANCIAL STATEMENTS  
December 31, 2021 and 2020**

**NOTE 1 – DESCRIPTION OF PLAN**

The following description of A. Bellavance & Sons, Inc. 401(k) & Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

*General:* The Plan is a defined contribution plan covering substantially all employees (as defined in the plan document) of Bellavance Trucking, Inc., RPR, LLC, and Bellavance Logistics, Inc. (the “Companies”) who are 18 years of age or older, on the first day of the month following 60 days of service (as defined by the Plan). It is subject to the provisions of the Employee Retirement Income Security Act (ERISA) of 1974. The Trustees oversee governance of the Plan.

The original effective date of the Plan was January 1, 1976 and it was most recently amended and restated as of February 23, 2021.

*Contributions:* Participants may elect to make contributions as defined in the Plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The amount of regular 401(k) deferrals that the participant contributes to the Plan is considered a deferral of compensation and will not be subject to federal income tax until it is withdrawn from the Plan. The amount of Roth 401(k) deferrals that the participant contributes to the Plan is subject to federal income taxes in the year of deferral. However, the Roth deferrals, and in most cases the earnings on the Roth deferrals, are not subject to federal income taxes when distributed to participants.

The Plan includes an auto-enroll provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 4% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. An employee may either complete a salary deferral agreement to select an alternative deferral amount or elect not to defer under the Plan, at any time during the year.

The Companies’ contribution may consist of a discretionary matching contribution and a discretionary profit sharing contribution. The matching contribution is allocated to each participant in a ratio based on compensation as defined in the plan document. The Companies have elected to match half of the participants’ first three percent and all of its next percent (maximum of 2.5%, when participants defer 4% or more) for the years ending December 31, 2021 and 2020. Contributions are subject to certain Internal Revenue Service (“IRS”) limitations.

**NOTE 1 – DESCRIPTION OF PLAN (Continued)**

*Participant Accounts:* Each participant's account is credited with the participant's contribution, the Companies' matching contribution and allocations of:

- (a) the Companies' profit sharing contribution, if any, and
- (b) Plan earnings (losses), and charged with an allocation of any investment and administrative expenses paid by the Plan.

Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

*Payment of Benefits:* On termination of service, a participant may receive a lump-sum amount equal to the value of the participant's vested interest in his or her account.

*Vesting:* Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Companies' match and profit sharing amounts vests according to the following schedule:

& PROFIT SHARING PLAN  
NOTES TO FINANCIAL STATEMENTS  
December 31, 2021 and 2020**

**NOTE 1 – DESCRIPTION OF PLAN (Continued)**

*Forfeitures:* Forfeitures are created when participants terminate employment before becoming entitled to their full benefits under the Plan. At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$35,890 and \$26,287, respectively. These accounts will be used to pay administrative expenses and/or reduce future employer contributions. For the years ended December 31, 2021 and 2020, \$39,062 and \$2,933, respectively, was used to reduce employer contributions from forfeited nonvested accounts.

*Plan Expenses:* Certain expenses of maintaining the Plan are paid directly by the Companies and are excluded from the financial statements. Fees related to the administration of notes receivable from participants are included in administrative expenses. Advisory/service provider fees are also included in administrative expenses. The Companies provide certain accounting and administrative services to the Plan for which no fees are charged. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

*Hardship Withdrawals:* Withdrawals due to financial hardship are permitted from a participant's deferral accounts that are 100% vested to enable the participant to satisfy certain immediate and heavy financial needs, as defined in the Plan.

*Investment Options:* Participants, upon enrollment in the Plan, may direct their contributions into various investment options. Such investment allocations may be changed at any time by the participant. All plan investments are participant directed. Participants should refer to a prospectus for a description of investment risk associated with each fund.

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

*Basis of Accounting:* The financial statements are prepared on the accrual basis of accounting.

*Estimates:* In preparing financial statements in conformity with accounting principles generally accepted in the United States of America, the plan administrator is required to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results may differ from those estimates.

*Investment Valuation and Income Recognition:* The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The plan administrator determines the Plan's valuation policies utilizing information provided by the investment advisors, trustees and insurance company. See note 4 for discussion of fair value measurements.

NOTES TO FINANCIAL STATEMENTS  
December 31, 2021 and 2020**

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES** *(Continued)*

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on accrual basis. Dividend income is recorded on the ex-dividend date. Net appreciation/depreciation in fair value of investments includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

*Notes Receivable from Participants:* Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2021 and 2020, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the plan document.

*Payment of Benefits:* Benefits are recorded when paid to participants.

*Excess Contributions Payable:* Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2021 and 2020 excess contributions to the applicable participants prior to March 15, 2022 and March 15, 2021, respectively.

**NOTE 3 – PARTY-IN-INTEREST TRANSACTIONS**

Certain Plan investments are shares of funds managed by John Hancock, the service provider, as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions which are exempt from the prohibited transaction rules. Loans to participants and the related interest income are also considered party-in-interest transactions.

**NOTE 4 – FAIR VALUE MEASUREMENTS**

The framework for measuring fair value provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of fair value hierarchy under FASB ASC 820 are described as follows:

**A. BELLAVANCE & SONS, INC. 401(K)  
& PROFIT SHARING PLAN  
NOTES TO FINANCIAL STATEMENTS  
December 31, 2021 and 2020**

**NOTE 4 – FAIR VALUE MEASUREMENTS** *(Continued)*

*Level 1 Fair Value Measurements*

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

*Level 2 Fair Value Measurements*

Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

*Level 3 Fair Value Measurements*

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020:

*Pooled Separate Accounts*

Valued at the Net Asset Value ("NAV") of units in collective investment accounts. A pooled separate account is maintained by an insurance carrier, which is regulated by a state agency. Although similar to mutual funds, the accounts are issued by an insurance company and are not publicly traded. The NAV is calculated based on the number of units held in the accounts and the unit value of the collective investments.

*Stable Value Collective Trust Fund Accounts*

Valued at the NAV of units in separate investment accounts maintained by John Hancock Trust Company, LLC at December 31, 2021 and John Hancock Life Insurance Company at December 31, 2020. The stable value fund is managed by John Hancock Life Insurance Company (USA). A stable value fund is composed primarily of fully benefit-responsive investment contracts that are valued at the net asset value of units of the collective trust. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The following tables set forth by level within the fair value hierarchy, the Plan's investments at fair value at December 31, 2021 and 2020:

& PROFIT SHARING PLAN  
NOTES TO FINANCIAL STATEMENTS  
December 31, 2021 and 2020**

**NOTE 7 – TAX STATUS**

The Companies adopted a prototype deferred contribution plan and standardized profit sharing 401(k) plan.

The prototype plan obtained its latest determination letter on June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. However, the plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**NOTE 8 – PLAN TERMINATION**

Although it has not expressed any intent to do so, the Companies have the right under the Plan to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

**NOTE 9 – SUBSEQUENT EVENTS**

Management has evaluated subsequent events through October 4, 2022, the date the financial statements were available to be issued. No significant subsequent events have been identified by management.

**NOTE 10 - RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

**NOTE 11 - SECURE ACT**

In January 2020, Congress passed the Setting Every Community Up for Retirement Enhancement Act of 2019 (SECURE). Effective on January 1, 2020, the age for required minimum distributions was increased to age 72 for individuals who were younger than 72 ½ on December 31, 2019. Effective December 31, 2019, the SECURE Act requires the entire participant's account to be distributed within 10 years following a participant's death. The new 10-year rule applies regardless of whether the participant dies before, on, or after the age for the required minimum distributions to begin.

**NOTE 12 – COVID-19**

On January 30, 2020, the World Health Organization ("WHO") announced a global health emergency because of a new strain of coronavirus originating in Wuhan, China (the "COVID-19 outbreak") and the risks to the international community as the virus spread globally beyond its point of origin. In March 2020, the WHO classified the COVID-19 outbreak as a pandemic, based on the rapid increase in exposure globally. The full impact of the COVID-19 outbreak continues to evolve as of the date of this report. This pandemic has adversely affected global economic activity and contributed to deterioration and instability in financial markets. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the fair values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits. Because the values of the Plan's individual investments have and will fluctuate in response to changing market conditions, the amount of losses that will be recognized in subsequent periods, if any, and the related impact on the Plan's liquidity cannot be determined at this time.

**NOTE 13 - CARES ACT**

On March 26, 2020, the Coronavirus Aid, Relief, and Economic Security (CARES) Act was passed by Congress. Pursuant to the CARES Act, participants who were currently receiving required minimum distributions and participants who were due to receive their first required distribution in 2020, were offered the option to waive their 2020 required distribution. The ability to request special waivers with respect to required minimum distributions under the CARES Act ceased as of December 31, 2020.
