To Those Charged with Governance and Management of
Neil Patel Digital 401(k) Plan
750 B St., Suite 1400
San Diego, CA 92101

We have conducted an ERISA Section 103(a)(3)(C) audit of the financial statements of Neil Patel Digital 401(k) Plan as of and for the year ended December 31, 2021 and have issued our report thereon dated September 24, 2022. Professional standards require that we advise you of the following information related to our audit.

Our Responsibility in Relation to the Financial Statement Audit

As communicated in our audit engagement letter for the audit of the financial statements mentioned above, our responsibility, as described by professional standards, is to conduct our audit in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Therefore, as permitted by ERISA Section 103(a)(3)(C), the audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution). For an ERISA Section 103(a)(3)(C) audit, the audit will not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirement of accounting principles generally accepted in the United States of America (GAAP). Accordingly, the objective of the ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

Planned Scope and Timing of the Audit

We conducted our audit consistent with the planned scope and timing we previously communicated to you.

Compliance with All Ethics Requirements Regarding Independence

The engagement team, others in our firm, as appropriate, our firm, and our network firms have complied with all relevant ethical requirements regarding independence.

In the normal course of our professional association with Neil Patel Digital 401(k) Plan, we generally discuss a variety of matters, including the application of accounting principles and auditing standards, significant events or transactions that occurred during the year, business conditions affecting the plan, and business plans and strategies that may affect the risks of material misstatement. None of the matters discussed resulted in a condition to our retention as Neil Patel Digital 401(k) Plan's auditors.

Qualitative Aspects of the Plans Significant Accounting Practices

Significant Accounting Policies

Management has the responsibility to select and use appropriate accounting policies. A summary of the significant accounting policies adopted by Neil Patel Digital 401(k) Plan is included in Note 2 to the financial statements. There have been no initial selection of accounting policies and no changes in significant accounting policies or their application during 2021. No matters have come to our attention that would require us, under professional standards, to inform you about (1) the methods used to account for significant unusual transactions and (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

Significant Accounting Estimates

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's current judgments. Those judgments are normally based on knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ markedly from management's current judgments. The most sensitive accounting estimates affecting the financial statements are:

Managements estimate of the fair value of investments is described in Note 4 to the financial statements. We evaluated the key factors and assumptions used to develop the fair value of investments and determined that it is reasonable in relation to the basic financial statements taken as a whole.

Financial Statement Disclosures

Certain financial statement disclosures involve significant judgment and are particularly sensitive because of their significance to financial statement users. The most significant disclosures affecting the financial statements are:

Fair Value Measurements disclosure note, which describes the valuation methodologies used to estimate the fair value of investments.

Significant Unusual Transactions

We encountered no significant unusual transactions during performance of the audit.

Significant Difficulties Encountered during the Audit

We encountered no significant difficulties in dealing with management relating to the performance of the audit.

Uncorrected and Corrected Misstatements

For purposes of this communication, professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that we believe are trivial, and communicate them to the appropriate level of management. Further, professional standards require us to also communicate the effect of uncorrected misstatements related to prior periods on the relevant classes of transactions, account balances or disclosures, and the financial statements as a whole. Management has corrected all identified misstatements.

In addition, professional standards require us to communicate to you all material, corrected misstatements that were brought to the attention of management as a result of our audit procedures. None of the misstatements identified by us as a result of our audit procedures and corrected by management were material, either individually or in the aggregate, to the financial statements taken as a whole.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter, which could be significant to Neil Patel Digital 401(k) Plans financial statements or the auditor's report. No such disagreements arose during the course of the audit.

Representations Requested from Management

We have requested certain written representations from management, which are included in the attached letter dated September 24, 2022.

Managements Consultations with Other Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters. Management informed us that, and to our knowledge, there were no consultations with other accountants regarding auditing and accounting matters.

Internal Control Matters

Except as discussed in the Our Responsibility in Relation to the Financial Statement Audit paragraph, in planning and performing our audit of the financial statements of Neil Patel Digital 401(k) Plan in accordance with auditing standards generally accepted in the United States of America, we considered the Plans internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and, therefore, material weaknesses or significant deficiencies may exist that were not identified. However, as discussed below, we identified certain deficiencies in internal controls. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Plan's financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis.

We identified the following deficiencies in the Plan's internal control:

Control Deficiency - *Review and Reconciliation*

Matters Identified: During our audit inquiries of Plan management, plan management noted they review Plan level trust statements but there is no reconciliation of Plan activity throughout the year. Periodic review and reconciliation of Plan level trust statements and activity throughout the year allows plan management and/or plan fiduciaries to identify and correct errors in a timely manner, as well as document oversight of the Plan and assist in mitigating fiduciary risk.

Recommendation: We recommend Plan management establish procedural controls to ensure that Plan level trust statements are periodically (quarterly or bi-annually) being reviewed and reconciled with plan sponsor payroll and other relevant records. The review and reconciliation process should be documented and consider items such as:

- Total Employee contributions withheld per payroll agrees to contributions deposited to the Plan by source, spot checking some individuals
- Total Employer contributions calculated per payroll agrees to contributions deposited to the Plan by source, spot checking some individuals
- Reviewing distributions, fees, and other activity for any unusual or unexpected transactions

Control Deficiency - *Employee Demographic Data*

Matters Identified: During our audit, we noted there are insufficient controls in place to ensure that employee data matches between the recordkeeping system and payroll system. We noted certain employee data did not match between service providers, specifically date of hire/rehire, and therefore, alternative procedures were used to ensure the discrepancies did not affect Plan operations. It is important that employee data in the recordkeeping system be accurate since this is the data used for Plan operations and to ensure the plan's compliance with laws and regulations.

Recommendation: We recommend Plan management put policies and procedures into place to ensure employee data captured in the recordkeeping system is reviewed for accuracy and relevance for proper Plan operations.

Control Deficiency - *Notification to Newly Eligible Employees*

Matters Identified: During our audit, we noted Plan management did not maintain all documentation to support newly eligible employees were timely notified and educated on their ability to participate in the Plan. We noted notification and education of certain newly eligible employees could not be corroborated by written documentation and therefore, alternative audit procedures were used to obtain audit evidence for sample testing. Written documentation of timely notification and education is important if there were ever any disagreement or allegations by employees that he or she was not invited to participate in the Plan upon meeting eligibility requirements, a violation of plan provisions and ERISA.

Recommendation: We recommend Plan management put policies and procedures in place to maintain adequate documentation that supports all eligible employees have been invited to participate in the Plan in a timely manner.

Control Deficiency - *Differences Between the Payroll Report and Recordkeeper Data*

Matters Identified: During our audit, we noted there are insufficient controls in place to ensure matching contributions to the plan agree with amounts calculated in the payroll file. We noted the follow participants with amounts deposited into the plan on 10-14-21 that do not correspond with amounts calculated in the payroll report.

Name	Contributions Per Ascensus	Contributions Per Payroll	Difference
Bobin,Bridgette	144.33	0.00	144.33
Germosen-vargas,Dessy	906.96	625.71	281.25
Lefebvre,Matthew	607.20	425.04	182.16
Mcclelland,Britney	1,162.00	850.75	311.25
Schlesinger,Brooke	360.90	277.20	83.70
Scoppetta,Kimberly	1,134.45	909.45	225.00
Tucker,Hunter	156.64	40.05	116.59

Correction Required: The Plan Sponsor needs to research each difference and make appropriate corrections if necessary.

Recommendation: We recommend Plan management implement policies and procedures to ensure accurate deposits of matching contributions in the plan.

Other Matters

The ERISA-required supplemental schedules, other than that agreed to or derived from the certified investment information, were subjected to the audit procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards (GAAS).

Our responsibility also includes communicating to you any information which we believe is a material misstatement of fact. We obtained and read a substantially complete draft of the Form 5500 prior to the dating of our auditor's report. Material inconsistencies with the information, or manner of its presentation, appearing in the financial statements are included in the financial statement footnote Reconciliation to Form 5500, if any. Our procedures are not sufficient nor are they intended to determine that the Form 5500 is completely and accurately prepared.

This communication is intended solely for the information and use of those charged with governance and management of Neil Patel Digital 401(k) Plan and is not intended to be, and should not be, used by anyone other than these specified parties.
