UNION JOINTS MULTIPLE EMPLOYER PLAN
FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

INDEPENDENT AUDITORS' REPORT

To the Trustee of Union Joints Multiple Employer Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Union Joints Multiple Employer Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Union Joints Multiple Employer Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Union Joints Multiple Employer Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Union Joints Multiple Employer Plan’s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan’s transactions that are presented and disclosed in the financial statements are in conformity with the plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors’ Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors’ report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Union Joints Multiple Employer Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Union Joints Multiple Employer Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4a - Schedule of Delinquent Participant Contributions and Schedule H, Line 4i - Schedule of Assets (Held at End of Year) are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Union Joints Multiple Employer Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 30, 2021, we indicated that (a) because of the significance of the information what we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

UNION JOINTS MULTIPLE EMPLOYER PLAN

NOTES TO FINANCIAL STATEMENTS

For the Years Ended December 31, 2021 and 2020

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Union Joints Multiple Employer Plan (formerly, Union Joints, LLC 401(k) Profit Sharing Plan and Trust) (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution 401(k) profit sharing plan and trust. The Plan is a multiple employer plan covering all eligible employees of participating employers as defined in the Union Joints Multiple Employer Plan document of Union Joints, LLC (the “Company”), who have attained the age of eighteen and completed three months of consecutive service. Upon attainment of the eligibility requirements an employee may enter the Plan on the next entry date. There are four entry dates each year, January 1, April 1, July 1 and October 1. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The Plan sponsor oversees governance of the Plan. The Company determines the appropriateness of the Plan’s investment offerings and monitors investment performance.

Plan Amendments

The Plan was originally effective on January 1, 2013 and was amended and restated effective January 1, 2017. The Plan was amended, effective January 1, 2016, to change the determination period for the calculation of the employer ADP test safe harbor matching contribution such that participant compensation and deferrals are determined on an annual basis.

Contributions

Each year, participants may contribute to the Plan a percentage of their compensation, up to the maximum dollar amount determined by the Internal Revenue Service, on a pretax or after tax (Roth) basis. Participants who are age 50 or over at the end of the calendar year are eligible to make catch-up contributions. Participants may elect to transfer funds into the Plan from other employers’ qualified plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and an investment contract managed by Nationwide (a fully benefit-responsive investment). The Company contributes a Safe Harbor Matching Contribution equal to the employee’s contributions up to 3% of the employee’s compensation, plus 50% of an employee’s salary deferral between 3% and 5% of compensation. The employee must make an elective contribution during a payroll period in order to receive the Safe Harbor Matching Contribution. See Plan amendment above. The Company may, at its discretion, make a profit sharing contribution to the Plan. There were no profit sharing contributions for the Plan years ended December 31, 2021 and 2020.

NOTES TO FINANCIAL STATEMENTS For the Years Ended December 31, 2021 and 2020

NOTE 1 – DESCRIPTION OF PLAN (continued)

Plan Operations

The Company has appointed Nationwide Trust Company, FSB (“Trustee”) to serve as Trustee and the Company to act as plan administrator. The Company appointed The Benefit Advantage, Inc. (“TBA”) to provide certain administrator services. The Trustee is responsible for holding the investment assets of the Plan, executing investment transactions, and making distributions to participants. The plan administrator interprets and communicates the provisions of the Plan and ensures that all government and participant reporting requirements are fulfilled.

Participant Accounts

Each participant’s account is credited with the (a) participant’s contribution and Company’s matching contribution and allocations of (b) the Plan’s earnings or losses and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account. See Vesting below.

Vesting

Participants are immediately vested in their elective contributions, rollover contributions, and the Company’s safe harbor matching contributions and profit sharing contributions plus actual earnings thereon.

Notes Receivable from Participants

Beginning in 2017, with the Plan amendment and restatement, participants are eligible to borrow up to the lesser of 50% of the value of their vested account balance or \$50,000. The minimum loan amount is \$1,000. Only one outstanding note receivable is permitted at any time and the note receivable prepayment schedule can be no longer than 5 years. The notes are secured by the balance in the participant’s account and bear interest at rates ranging from 4.25% to 6.50%, per annum, which is commensurate with local prevailing rates and considered reasonable by the Plan Administrator. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

Upon termination of service due to death, disability, normal retirement, or termination of employment a participant or their beneficiary may receive an amount equal to the value of the participant’s vested interest in his or her account in a lump sum, net of required income tax withholding, or as an eligible rollover. The Plan also permits hardship withdrawals of active participants’ elective contributions only in amounts necessary to satisfy financial hardship as defined by the Plan agreement. Benefits are recorded when paid.

NOTES TO FINANCIAL STATEMENTS For the Years Ended December 31, 2021 and 2020

NOTE 1 – DESCRIPTION OF PLAN (continued)

Coronavirus Aid, Relief, and Economic Security Act (CARES Act)

The Plan has implemented certain provisions permitted by the CARES Act and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act), which allows certain eligible individuals to receive coronavirus related relief for eligible distributions and loan repayments, as well as suspension of required minimum distributions for 2020. The features within these acts were implemented during the year ended December 31, 2020, as required by the Internal Revenue Service (IRS). Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and IRS guidance

Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. See Note 6.

Forfeited Accounts

Forfeited/retainer amounts may be applied to reduce employer contributions, pay Plan expenses and any remaining forfeitures/retainers are allocated to the remaining Plan participants. During 2021 and 2020, the Plan applied \$26,991 and \$26 to employer contributions. At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$4 and \$3,160, respectively.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

UNION JOINTS MULTIPLE EMPLOYER PLAN

NOTES TO FINANCIAL STATEMENTS For the Years Ended December 31, 2021 and 2020

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value with the exception of the insurance company general account (a fully benefit-responsive investment), which is valued at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for further discussion and disclosure related to fair value measurements. The Plan administrator determines the Plan's valuation policies utilizing information provided by the investment advisers and custodians. Contract value is the relevant measure for fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the Plan.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation of investments is determined using the value at the beginning of the year or purchase price if acquired since that date. Management fees and operating expenses charged to the Plan for investments in the mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2021 and 2020, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Date of Management's Review

The Plan has evaluated subsequent events through September 21, 2022, which is the date the financial statements were available to be issued.

UNION JOINTS MULTIPLE EMPLOYER PLAN

NOTES TO FINANCIAL STATEMENTS For the Years Ended December 31, 2021 and 2020

NOTE 3 – FAIR VALUE MEASUREMENTS

Except for the Plan's fully benefit-responsive investment, the Plan's investments are reported at fair value in the accompanying statement of net assets available for benefit. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB Accounting Standards Codification Topic 820, Fair Value Measurement, are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- a. Quoted prices for similar assets or liabilities in active markets;
- b. Quoted prices for identical or similar assets or liabilities in inactive markets;
- c. Inputs other than quoted prices that are observable for the asset or liability;
- d. Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

NOTES TO FINANCIAL STATEMENTS For the Years Ended December 31, 2021 and 2020

NOTE 3 – FAIR VALUE MEASUREMENTS (continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds – Valued at the daily closing price as quoted by the fund. The mutual funds held by the Plan are open-ended mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The Plan held no Level 2 or Level 3 investments at December 31, 2021 or December 31, 2020.

The following table sets forth, by level within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and December 31, 2020:

	Fair Value	Fair Value Measurements Using: Level 1
<u>December 31, 2021</u>		
Money Market Fund	\$ 6,405	\$ 6,405
Mutual Funds	<u>7,403,737</u>	<u>7,403,737</u>
Total	<u>\$ 7,410,142</u>	<u>\$ 7,410,142</u>
<u>December 31, 2020</u>		
Money Market Fund	\$ 33,716	\$ 33,716
Mutual Funds	<u>5,673,577</u>	<u>5,673,577</u>

UNION JOINTS MULTIPLE EMPLOYER PLAN

NOTES TO FINANCIAL STATEMENTS For the Years Ended December 31, 2021 and 2020

NOTE 4 – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan entered into a fully benefit-responsive investment contract with Nationwide during 2017. Nationwide maintains the contributions in an investment contract. The accounts are credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract is included in the financial statements at contract value as reported to the Plan by Nationwide. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

As described in Note 2, because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measure attributable for that portion of the net assets available for benefits attributable to the guaranteed investment contract.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at December 31, 2021 and 2020 was \$484,236 and \$436,853, respectively. The credit interest rate is based on the Composite Crediting Rate. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events limit the Plan's ability to transact at contract value with Nationwide. Such events include the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (b) changes to the plan's prohibition on completing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that causes a significant withdrawal from the plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants are probable of occurring.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

NOTES TO FINANCIAL STATEMENTS

For the Years Ended December 31, 2021 and 2020

NOTE 5 – INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103- 8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, all investment information included in the accompanying financial statements and supplemental schedules, including assets held at December 31, 2021 and 2020 net appreciation/depreciation in fair value of investments, interest and dividends for the years then ended, were obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Nationwide Trust Company, FSB (“Nationwide”) as of and for the years ended December 31, 2021 and 2020. The contract value of the guaranteed investment contract and related earnings were certified by Nationwide.

NOTE 6 – RELATED PARTY AND PARTY IN INTEREST TRANSACTIONS

For the years ended December 31, 2021 and 2020, Nationwide invested Plan funds in shares of mutual funds managed by Nationwide and certain investments are held in an investment contract managed by Nationwide. Nationwide is a trustee as defined by the Plan and, therefore these transactions qualified as party-in-interest transactions. Fees incurred by the Plan for these investment services are included in net appreciation in fair value of investments.

The Benefit Advantage (“TBA”) acts as third party administrator to assist the Company in the continuing operation and maintenance of the Plan to ensure compliance with applicable tax laws and to provide various additional administrative services. TBA is a party-in-interest to the Plan. The Plan paid direct expenses to TBA totaling \$6,103 and \$8,478 for the years ended December 31, 2021 and 2020, respectively. Nationwide serves as recordkeeper and custodian to the Plan. The Plan made direct payments to Nationwide the amount of \$54,614 and \$36,829 for the years ended December 31, 2021 and 2020 respectively. See Note 1.

These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 7 - NON EXEMPT PARTY-IN-INTEREST TRANSACTIONS

The Company remitted certain participant contributions and loan repayments to the Trust later than required by DOL Regulation 2510.3-102, in the amounts of \$22,984 and \$204,482 during 2021 and 2020, respectively. The contributions, loan repayments and lost earning have been remitted to the Trust as of the report date. The Company filed the required Form 5330 with the IRS and paid the required excise tax on the transactions and participant accounts were credited with the amount of investment income that would have been earned had the participant contributions been remitted on a timely basis as required by the DOL guidelines.

UNION JOINTS MULTIPLE EMPLOYER PLAN

NOTES TO FINANCIAL STATEMENTS

For the Years Ended December 31, 2021 and 2020

NOTE 8 – TAX STATUS

The Plan was restated and merged effective January 1, 2017 and the prototype plan used by the Plan obtained an opinion letter dated March 31, 2014, in which the Internal Revenue Service stated that the prototype plans, as then designed, were in compliance with the applicable requirements of the Internal Revenue Code. The Plan has not requested or received a plan determination letter. However, the Plan's administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and therefore believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE 9 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer contributions, if any.

NOTE 10 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in market or contract values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the statement of net assets available for benefits.

The spread of COVID-19 coronavirus has caused general business disruption throughout the United States of America and globally, which has led to significant economic uncertainty. It has also created financial market volatility. Due to the uncertainties regarding the duration and potential economic impact of COVID-19 the related long-term impact to the Plan cannot be reasonably estimated at this time. The Plan's financial statements do not include any adjustments that might result from the outcome of these uncertainties.
