Part I	Service Provider Information (see instructions)
---------------	--

You must complete this Part, in accordance with the instructions, to report the information required for **each person** who received, directly or indirectly, \$5,000 or more in total compensation (i.e., money or anything else of monetary value) in connection with services rendered to the plan or the person's position with the plan during the plan year. If a person received **only** eligible indirect compensation for which the plan received the required disclosures, you are required to answer line 1 but are not required to include that person when completing the remainder of this Part.

1 Information on Persons Receiving Only Eligible Indirect Compensation

- a** Check "Yes" or "No" to indicate whether you are excluding a person from the remainder of this Part because they received only eligible indirect compensation for which the plan received the required disclosures (see instructions for definitions and conditions)..... ☒ Yes ☐ No
- b** If you answered line 1a "Yes," enter the name and EIN or address of each person providing the required disclosures for the service providers who received only eligible indirect compensation. Complete as many entries as needed (see instructions).

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation
FIDELITY INVESTMENTS INSTITUTIONAL

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: SMITH LEWIS CHESS & COMPANY, LLP

(2) EIN: 25-1585317

d The opinion of an independent qualified public accountant is **not attached** because:

(1) ☐ This form is filed for a CCT, PSA, or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l.

During the plan year:

a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.).....

	Yes	No	Amount
4a		X	

	Yes	No	Amount
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)			
4b		X	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)			
4c		X	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)			
4d		X	
e Was this plan covered by a fidelity bond?	X		500000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		X	
4f		X	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?			
4g		X	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?			
4h		X	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	X		
4i	X		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)			
4j		X	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?			
4k		X	
l Has the plan failed to provide any benefit when due under the plan?			
4l		X	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)			
4m		X	
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.			
4n			
5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year?..... ☐ Yes ☒ No If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.			
5b If, during this plan year, any assets or liabilities were transferred from this plan to another plan(s), identify the plan(s) to which assets or liabilities were transferred. (See instructions.)

INDEPENDENT AUDITOR'S REPORT

Delaney Auto Group
Employee Savings Plan
626 Water Street
Indiana PA 15701

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Delaney Auto Group Employee Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the years ended December 31, 2021 and 2020, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Delaney Auto Group Employee Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution). Management has obtained certifications from a qualified institution as of December 31, 2021 and 2020, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Delaney Auto Group Employee Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Delaney Auto Group Employee Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Delaney Auto Group Employee Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt Delaney Auto Group Employee Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule of Assets held at year end are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**DELANEY AUTO GROUP
EMPLOYEE SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS**

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

A. BASIS OF ACCOUNTING:

The accompanying financial statements of the Delaney Auto Group Employee Savings Plan (Plan) have been prepared substantially on the accrual basis of accounting.

B. ESTIMATES:

The presentation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

C. INVESTMENT VALUATION AND INCOME RECOGNITION:

The Plan's investments are stated at fair values measured by quoted prices in an active market or actual market values.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

D. FAIR VALUE MEASUREMENTS:

Accounting Standards Codification Section 820 (formerly known as FAS 157), establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured to fair value.

Mutual Funds: Valued at the closing price reported on the active market on which the individual securities are traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while Plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Mutual funds	\$ 12,608,560	\$ -	\$ -
Cash	<u>10,798</u>	<u>-</u>	<u>-</u>
TOTAL	\$ <u>12,619,358</u>	\$ <u>-</u>	\$ <u>-</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Mutual funds	\$ 10,762,484	\$ -	\$ -
Cash	<u>3,375</u>	<u>-</u>	<u>-</u>
TOTAL	\$ <u>10,765,859</u>	\$ <u>-</u>	\$ <u>-</u>

2. DESCRIPTION OF PLAN:

The following description of the Delaney Auto Group Employee Savings Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution Plan covering all full-time employees of Delaney Automotive Group who have completed six months of service. The Plan administrator manages the operations and administration of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Funding Policy - The Plan is funded by elective participant salary deferrals and employer matching contributions.

Contributions - Each year, participants may contribute up to the maximum percentage of compensation (100%) and dollar amount allowed under the Internal Revenue Code (IRC). These pre-tax contributions were subject to a \$19,500 limit under the IRC for calendar years 2021 and 2020, respectively. Participants may make voluntary after-tax contributions from a minimum of 1% to a maximum of 25% of their compensation. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan also permits Plan Sponsor discretionary matching contributions. For the Plan years ended December 31, 2021 and 2020, the employer matching contribution was as follows: 1% deferral is a .5% match, 2% deferral is a 1% match, 3% deferral is a 1.5% match, 4% deferral is a 2% match, 5% deferral is a 2.5% match, and a deferral of 6% or more is a 3% match. To be eligible for the discretionary employer matching contributions, a participant must be employed by the Plan Sponsor on the last day of the Plan year. A participant must also have met the required 1,000 hours of service. The Plan Sponsor makes the matching contribution each pay period with the employee deferrals.

There may be participants who will exceed the dollar amount allowed under the Internal Revenue Service Code (IRC) during the Plan year. These amounts are determined during the annual compliance testing performed on the Plan. There are then refunds issued to the affected participants. This amount was approximately \$23,000 and \$8,000 for 2021 and 2020, respectively.

Participant Accounts - Individual accounts are maintained for each Plan participant to reflect the participant's contributions and allocation of a) the Plan Sponsor's contribution, and b) Plan earnings, and charged with an allocation of administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants are vested immediately in their contributions as adjusted for investment gains or losses. Vesting in the Plan Sponsor's matching portion of their accounts is based on years of continuous service. A participant is 100 percent vested after six years of credited service.

2. DESCRIPTION OF PLAN:

Participant Loans - Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. The loans are secured by the participant's vested account balance and/or other security that the Plan administrator accepts and finds to be adequate. The loans bear interest at the rate of 4.25-5.50% which is commensurate with local prevailing rates as determined monthly by the Plan administrator. Principal and interest is paid ratably through payroll deductions.

Notes receivable are recorded when the loan is distributed to the participant. Notes receivable are presented on the Statement of Net Assets Available for Benefits at the unpaid balance plus any accrued but unpaid interest, net of an allowance for doubtful accounts. Notes are written off when they are determined to be uncollectible. This determination is made by Plan management. There was no allowance for doubtful accounts determined to be necessary by Plan management for the years ended December 31, 2021 and 2020, respectively.

Payment of Benefits - On termination of service, a participant may elect to receive 1) a lump-sum amount equal to the value of the participant's vested interest in his or her account, 2) a life annuity, or 3) joint and survivor annuity. Benefits are recorded when paid.

Forfeited Accounts - At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$14,115 and \$7,871, respectively. These amounts will first be used to reduce future employer contributions, then used to offset Plan expenses, and, finally, added to the employer contributions under the Plan.

Plan Amendment - In 2009, the Plan was amended and restated to comply with federal requirements pursuant to EGGTRA. The Plan was also amended as follows: participants terminating due to retirement, disability or death will be exempt from 1,000 hours of service and the last day of employment requirement formerly required under the Allocation Accrual requirements for Employer Contributions. Also, the Plan document was updated to add the model amendment language for the finalized regulations under IRS Code Section 401 (a)(35) relating to the diversification requirements that apply to certain defined contribution plans. In addition, the Loan Policy Statement was amended eliminating the Truth in Lending Act disclosure requirements along with adding the Fair and Accurate Credit Transaction Act of 2003, which incorporates the Red Flag Rule that is designed to prevent, detect and mitigate identity theft in connection with the Plan's loan program.

Effective January 1, 2014, the service requirements were changed to 1,000 hours of service within the six months' time period following an employee's commencement of employment. The plan also was amended to allow rollover contributions to the Plan prior to meeting the eligibility requirements.

2. DESCRIPTION OF PLAN:

Plan Amendment - Effective April 1, 2016, the plan was amended to add a Roth deferral and an in-plan Roth conversion. It was resolved that these contributions would be available for in-service withdrawals without restrictions. Participants would be allowed to withdraw rollover contributions plus earnings for hardship withdrawals effective immediately upon signing this resolution for plan amendment.

3. INFORMATION PREPARED AND CERTIFIED BY TRUSTEE (UNAUDITED):

The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been prepared and certified to as complete and accurate by the Trustee.

	<u>2021</u>	<u>2020</u>
INVESTMENTS, AT FAIR VALUE:		
Mutual funds	\$ 12,619,358	\$ 10,765,859
Investment income (loss)	\$ 1,444,032	\$ 1,525,913

This information was summarized through the information provided by Fidelity Management Trust Company, the Trustee of the Plan, and furnished to the Plan administrator. The Plan administrator has obtained certifications from the Trustee that such information is complete and accurate.

4. PLAN TERMINATION:

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

5. TAX STATUS:

The Plan is a prototype Plan with CODA sponsored by Fidelity Management Trust Company. The Internal Revenue Service has determined and informed the Plan Sponsor by letter dated June 30, 2020, that the Plan and related trust are designed in accordance with the relevant sections of the IRC. The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Plan management believes that the Plan has no material uncertain tax positions for any years subject to examination and has not recorded a liability for unrecognized tax benefits as of December 31, 2021 and 2020, respectively. As of December 31, 2021 the previous three years of filed forms 5500 are open for examination by authorities.

6. EXPENSES OF THE PLAN:

Fees paid by the Plan to the Trustee for investment management services amount to \$51,752 and \$39,742 for the years ended December 31, 2021 and 2020, respectively. Fidelity Management Trust Company is the Trustee as defined by the Plan; therefore, these services qualify as party-in-interest transactions.

7. RISKS AND UNCERTAINTIES:

The Plan provides for various investment options in any combination of mutual funds. Each of these funds may invest in a combination of stocks, bonds, fixed-income securities, mutual funds and other investment securities in accordance with the objective of the fund. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

8. CONCENTRATION OF RISK:

The following funds comprise greater than 5% of net assets available for benefits at December 31, 2021 and 2020:

	<u>2021</u>	<u>2020</u>
Fidelity Freedom 2020	\$ 1,562,657	\$ 1,236,392
Fidelity Freedom 2025	2,088,393	1,863,037
Fidelity Freedom 2030	1,800,633	1,394,384
Fidelity Freedom 2035	2,525,483	1,913,369
Fidelity Freedom 2040	1,697,744	1,346,717
TOTAL	\$ <u>9,674,910</u>	\$ <u>7,753,899</u>

9. PARTIES IN INTEREST:

Delaney Auto Group provides to the Plan certain accounting and administrative services for which no fees are charged. The Plan pays administrative fees to the custodian of assets Fidelity Management Trust Company. See note 6. Other parties in interest are the plan auditor, Smith, Lewis, Chess & Company, LLP and the Plan Sponsor, Delaney Auto Group.

10. SUBSEQUENT EVENTS:

Plan management has evaluated subsequent events through the date the financial statements were available to be issued.

INDEPENDENT AUDITOR'S REPORT

Delaney Auto Group
Employee Savings Plan
626 Water Street
Indiana PA 15701

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Delaney Auto Group Employee Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the years ended December 31, 2021 and 2020, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Delaney Auto Group Employee Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution). Management has obtained certifications from a qualified institution as of December 31, 2021 and 2020, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Delaney Auto Group Employee Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Delaney Auto Group Employee Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Delaney Auto Group Employee Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt Delaney Auto Group Employee Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule of Assets held at year end are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**DELANEY AUTO GROUP
EMPLOYEE SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS**

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

A. BASIS OF ACCOUNTING:

The accompanying financial statements of the Delaney Auto Group Employee Savings Plan (Plan) have been prepared substantially on the accrual basis of accounting.

B. ESTIMATES:

The presentation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

C. INVESTMENT VALUATION AND INCOME RECOGNITION:

The Plan's investments are stated at fair values measured by quoted prices in an active market or actual market values.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

D. FAIR VALUE MEASUREMENTS:

Accounting Standards Codification Section 820 (formerly known as FAS 157), establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured to fair value.

Mutual Funds: Valued at the closing price reported on the active market on which the individual securities are traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while Plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Mutual funds	\$ 12,608,560	\$ -	\$ -
Cash	<u>10,798</u>	<u>-</u>	<u>-</u>
TOTAL	\$ <u>12,619,358</u>	\$ <u>-</u>	\$ <u>-</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Mutual funds	\$ 10,762,484	\$ -	\$ -
Cash	<u>3,375</u>	<u>-</u>	<u>-</u>
TOTAL	\$ <u>10,765,859</u>	\$ <u>-</u>	\$ <u>-</u>

2. DESCRIPTION OF PLAN:

The following description of the Delaney Auto Group Employee Savings Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution Plan covering all full-time employees of Delaney Automotive Group who have completed six months of service. The Plan administrator manages the operations and administration of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Funding Policy - The Plan is funded by elective participant salary deferrals and employer matching contributions.

Contributions - Each year, participants may contribute up to the maximum percentage of compensation (100%) and dollar amount allowed under the Internal Revenue Code (IRC). These pre-tax contributions were subject to a \$19,500 limit under the IRC for calendar years 2021 and 2020, respectively. Participants may make voluntary after-tax contributions from a minimum of 1% to a maximum of 25% of their compensation. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan also permits Plan Sponsor discretionary matching contributions. For the Plan years ended December 31, 2021 and 2020, the employer matching contribution was as follows: 1% deferral is a .5% match, 2% deferral is a 1% match, 3% deferral is a 1.5% match, 4% deferral is a 2% match, 5% deferral is a 2.5% match, and a deferral of 6% or more is a 3% match. To be eligible for the discretionary employer matching contributions, a participant must be employed by the Plan Sponsor on the last day of the Plan year. A participant must also have met the required 1,000 hours of service. The Plan Sponsor makes the matching contribution each pay period with the employee deferrals.

There may be participants who will exceed the dollar amount allowed under the Internal Revenue Service Code (IRC) during the Plan year. These amounts are determined during the annual compliance testing performed on the Plan. There are then refunds issued to the affected participants. This amount was approximately \$23,000 and \$8,000 for 2021 and 2020, respectively.

Participant Accounts - Individual accounts are maintained for each Plan participant to reflect the participant's contributions and allocation of a) the Plan Sponsor's contribution, and b) Plan earnings, and charged with an allocation of administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants are vested immediately in their contributions as adjusted for investment gains or losses. Vesting in the Plan Sponsor's matching portion of their accounts is based on years of continuous service. A participant is 100 percent vested after six years of credited service.

2. DESCRIPTION OF PLAN:

Participant Loans - Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. The loans are secured by the participant's vested account balance and/or other security that the Plan administrator accepts and finds to be adequate. The loans bear interest at the rate of 4.25-5.50% which is commensurate with local prevailing rates as determined monthly by the Plan administrator. Principal and interest is paid ratably through payroll deductions.

Notes receivable are recorded when the loan is distributed to the participant. Notes receivable are presented on the Statement of Net Assets Available for Benefits at the unpaid balance plus any accrued but unpaid interest, net of an allowance for doubtful accounts. Notes are written off when they are determined to be uncollectible. This determination is made by Plan management. There was no allowance for doubtful accounts determined to be necessary by Plan management for the years ended December 31, 2021 and 2020, respectively.

Payment of Benefits - On termination of service, a participant may elect to receive 1) a lump-sum amount equal to the value of the participant's vested interest in his or her account, 2) a life annuity, or 3) joint and survivor annuity. Benefits are recorded when paid.

Forfeited Accounts - At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$14,115 and \$7,871, respectively. These amounts will first be used to reduce future employer contributions, then used to offset Plan expenses, and, finally, added to the employer contributions under the Plan.

Plan Amendment - In 2009, the Plan was amended and restated to comply with federal requirements pursuant to EGGTRA. The Plan was also amended as follows: participants terminating due to retirement, disability or death will be exempt from 1,000 hours of service and the last day of employment requirement formerly required under the Allocation Accrual requirements for Employer Contributions. Also, the Plan document was updated to add the model amendment language for the finalized regulations under IRS Code Section 401 (a)(35) relating to the diversification requirements that apply to certain defined contribution plans. In addition, the Loan Policy Statement was amended eliminating the Truth in Lending Act disclosure requirements along with adding the Fair and Accurate Credit Transaction Act of 2003, which incorporates the Red Flag Rule that is designed to prevent, detect and mitigate identity theft in connection with the Plan's loan program.

Effective January 1, 2014, the service requirements were changed to 1,000 hours of service within the six months' time period following an employee's commencement of employment. The plan also was amended to allow rollover contributions to the Plan prior to meeting the eligibility requirements.

2. DESCRIPTION OF PLAN:

Plan Amendment - Effective April 1, 2016, the plan was amended to add a Roth deferral and an in-plan Roth conversion. It was resolved that these contributions would be available for in-service withdrawals without restrictions. Participants would be allowed to withdraw rollover contributions plus earnings for hardship withdrawals effective immediately upon signing this resolution for plan amendment.

3. INFORMATION PREPARED AND CERTIFIED BY TRUSTEE (UNAUDITED):

The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been prepared and certified to as complete and accurate by the Trustee.

	<u>2021</u>	<u>2020</u>
INVESTMENTS, AT FAIR VALUE:		
Mutual funds	\$ 12,619,358	\$ 10,765,859
Investment income (loss)	\$ 1,444,032	\$ 1,525,913

This information was summarized through the information provided by Fidelity Management Trust Company, the Trustee of the Plan, and furnished to the Plan administrator. The Plan administrator has obtained certifications from the Trustee that such information is complete and accurate.

4. PLAN TERMINATION:

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

5. TAX STATUS:

The Plan is a prototype Plan with CODA sponsored by Fidelity Management Trust Company. The Internal Revenue Service has determined and informed the Plan Sponsor by letter dated June 30, 2020, that the Plan and related trust are designed in accordance with the relevant sections of the IRC. The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Plan management believes that the Plan has no material uncertain tax positions for any years subject to examination and has not recorded a liability for unrecognized tax benefits as of December 31, 2021 and 2020, respectively. As of December 31, 2021 the previous three years of filed forms 5500 are open for examination by authorities.

6. EXPENSES OF THE PLAN:

Fees paid by the Plan to the Trustee for investment management services amount to \$51,752 and \$39,742 for the years ended December 31, 2021 and 2020, respectively. Fidelity Management Trust Company is the Trustee as defined by the Plan; therefore, these services qualify as party-in-interest transactions.

7. RISKS AND UNCERTAINTIES:

The Plan provides for various investment options in any combination of mutual funds. Each of these funds may invest in a combination of stocks, bonds, fixed-income securities, mutual funds and other investment securities in accordance with the objective of the fund. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

8. CONCENTRATION OF RISK:

The following funds comprise greater than 5% of net assets available for benefits at December 31, 2021 and 2020:

	<u>2021</u>	<u>2020</u>
Fidelity Freedom 2020	\$ 1,562,657	\$ 1,236,392
Fidelity Freedom 2025	2,088,393	1,863,037
Fidelity Freedom 2030	1,800,633	1,394,384
Fidelity Freedom 2035	2,525,483	1,913,369
Fidelity Freedom 2040	1,697,744	1,346,717
TOTAL	\$ <u>9,674,910</u>	\$ <u>7,753,899</u>

9. PARTIES IN INTEREST:

Delaney Auto Group provides to the Plan certain accounting and administrative services for which no fees are charged. The Plan pays administrative fees to the custodian of assets Fidelity Management Trust Company. See note 6. Other parties in interest are the plan auditor, Smith, Lewis, Chess & Company, LLP and the Plan Sponsor, Delaney Auto Group.

10. SUBSEQUENT EVENTS:

Plan management has evaluated subsequent events through the date the financial statements were available to be issued.
