INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee
Tocqueville Management Corporation Tax Deferred Savings Plan

Scope and Nature of ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Tocqueville Management Corporation Tax Deferred Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2021 and 2020, and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

The two firms operate as separate legal entities in an alternative practice structure. Citrin Cooperman is an independent member of Moore North America, which is itself a regional member of Moore Global Network Limited (MGNL).

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Information Required by ERISA

The supplemental schedule H - line 4i - assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

The two firms operate as separate legal entities in an alternative practice structure. Citrin Cooperman is an independent member of Moore North America, which is itself a regional member of Moore Global Network Limited (MGNL).

Supplemental Information Required by ERISA (Continued)

In our opinion -

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

TOCQUEVILLE MANAGEMENT CORPORATION TAX DEFERRED SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

1. DESCRIPTION OF PLAN

The following description of Tocqueville Management Corporation Tax Deferred Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan document (the "Plan Agreement") for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of Tocqueville Management Corporation (the "Sponsor"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan was adopted on January 1, 1990, and amended and restated on January 1, 2019. Mid Atlantic Trust Company (the "Trustee") serves as trustee to the Plan. The Administrative Committee is responsible for oversight of the Plan.

Eligibility

An employee who is age 21 or older and who has completed 250 hours of service within three consecutive months of service, or one year of service, is eligible to participate in the Plan. The participant's entry date will be the first day of the Plan year quarter following the date when the eligibility requirements are met. However, certain classes of employees are not eligible to participate in the Plan such as, union employees, leased employees and nonresident aliens with no earned income in the United States of America.

Contributions

Contributions to the Plan include (a) voluntary employee contributions equal to the amount of total compensation that each participant has elected to defer (up to the maximum amount allowed by law), including Roth 401(k) deferrals, (b) catch-up contributions for participants who have attained age 50, (c) an employer discretionary matching contribution in an amount equal to a uniform percentage of salary deferral, however not to exceed a certain dollar amount or a certain percentage of compensation, as defined, (d) a discretionary employer profit sharing contribution, and (e) amounts representing distributions from other qualified defined benefit or defined contribution plans. Contributions in any calendar year may not exceed the limits imposed under Internal Revenue Code ("IRC") Sections 401(k), 404 and 415.

Participants' Accounts

Each participant's account is credited with the participant's contribution and rollovers, if any, and allocations of (a) Sponsor contributions and (b) Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. All contributions made to these accounts are directed by the participant into investments offered by the Plan administrator, and the allocations between investments can be changed at will.

Notes Receivable from Participants

Participants may borrow from their fund accounts an amount equal to a minimum of \$1,000 and up to a maximum amount equal to the lesser of \$50,000 or 50% of their vested account balance.

In 2020, the Plan adopted certain provisions of the Coronavirus Aid, Relief and Economic Security Act, as amended (the "CARES Act"). The CARES Act provisions allow participants to defer loan repayments that would otherwise be due between March 27, 2020 and December 31, 2020. Loan repayments resumed starting January 1, 2021. Additionally, participants are allowed to withdraw loans of the lesser of a) \$100,000 or b) 100% of the participant's vested account balance.

DECEMBER 31, 2021 AND 2020

1. DESCRIPTION OF PLAN (CONTINUED)

Notes Receivable from Participants (Continued)

Loan repayment terms may not exceed five years unless the loan is for the purchase of a principal residence, in which case, the Plan administrator may permit a longer repayment term. The loans are secured by the remaining balance in the participant's account and bear interest at the Prime rate plus 1%, which is commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest are paid ratably through periodic payroll deductions. The maximum number of Plan loans outstanding at one time is two. At December 31, 2021 and 2020, the interest rate on outstanding loans ranged from 4.25% to 8.00%, maturing on various dates through March 2048.

Vesting

Participants are immediately vested in their employee contributions, rollover contributions, the Sponsor's matching contributions, and the Sponsor's profit sharing contributions, plus actual earnings thereon.

Payment of Benefits

Upon termination of service due to death, disability or retirement (normal retirement age is 65), a participant may elect to receive a lump-sum amount equal to the participant's vested interest in his or her account. Benefits of \$5,000 or less are subject to involuntary cash-out as soon as administratively practicable after termination of service. In addition, the Plan provides for participant withdrawals in the event of hardship, as defined in the Plan Agreement.

The CARES Act provisions that were adopted pertaining to benefit payments were as follows:

- (a) Participants that meet eligible CARES Act criteria could take penalty free withdrawals of up to \$100,000 from January 1, 2020 through December 30, 2020.
- (b) Participants will have the ability to repay the amount withdrawn within three years, though repayment is not required.
- (c) A CARES Act distribution will not be considered a hardship distribution, therefore a participant does not have to first obtain a loan or other available distributions under the Plan before requesting a distribution.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and changes in net assets available for benefits during the year. Accordingly, actual results could differ from those estimates. Any adjustments applied to estimated amounts are recognized in the year such adjustments are determined.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 8 for a discussion of fair value measurements.

TOCQUEVILLE MANAGEMENT CORPORATION TAX DEFERRED SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition (Continued)

Purchases and sales of securities are reflected on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Fair Value Measurements

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurement*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

Categorization within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. Under this standard, fair value is defined as the exit price, or the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants as of the measurement date.

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and, inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value and which are included in the fair value hierarchy. There have been no changes in the methodologies used at December 31.

Mutual funds: are valued at quoted market prices, which represent the net asset value of the securities held in such funds and are classified as Level 1 investments. The funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds are deemed to be actively traded.

TOCQUEVILLE MANAGEMENT CORPORATION TAX DEFERRED SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Fair Value Measurements (Continued)

Common collective trusts: are valued at the NAV of units of a bank collective trust. The NAV, as provided by the Trustee, is used as a practical expedient to estimating fair value. The NAV is based on the fair value of the underlying investments held by the fund, less its liabilities. The practical expedient is not used when it is possible that the fund will sell the investment for an amount different than the reported NAV.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan administrator believes its valuation methods are appropriate and consistent with those of other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan agreement. As of December 31, 2021 and 2020, participants defaulted on notes receivable amounting to \$87,489 and \$83,365, respectively.

Discretionary Profit Sharing Contributions

The Plan Sponsor may make a discretionary profit sharing contribution to the Plan each year for all eligible employees. At December 31, 2021 and 2020, included in employer contributions receivable were discretionary profit sharing contributions the Plan Sponsor elected to make of \$257,810 and \$235,041, respectively, which were funded by the Plan Sponsor in April 2022 and March 2021, respectively.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of the Plan are paid by the Plan, unless otherwise paid by the Sponsor. Expenses that are paid by the Sponsor are excluded from these financial statements. Certain expenses incurred by a participant based on the use of particular Plan features, such as distributions and participant loans, are charged directly to the participant's account and are included in administrative expenses.

Subsequent Events

In accordance with FASB ASC 855, *Subsequent Events*, the Plan has evaluated subsequent events through October 4, 2022, the date on which these financial statements were available to be issued. There were no material subsequent events that required recognition or additional disclosure in these financial statements.

3. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

4. PLAN TERMINATION

Although it has not expressed any intention to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

5. INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE (UNAUDITED)

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The following is a summary of information regarding the Plan as of December 31, 2021 and 2020, and for the year ended December 31, 2021, which was prepared by or derived from information prepared by the Trustee, and furnished to the Plan administrator. The Plan administrator has obtained certifications from the Trustee that such information, along with the information included in the schedule H, line 4(i) - assets (held at end of year) as of December 31, is complete and accurate.

	<u>2021</u>	<u>2020</u>
Cash	\$ 163,085	\$ 63,877
Collective trust	4,185,431	4,206,359
Mutual funds	<u>46,540,155</u>	<u>43,938,954</u>
Total certified assets	\$ <u>50,888,671</u>	\$ <u>48,209,190</u>
Net appreciation in fair value of investments	\$ <u>5,015,753</u>	
Dividend income	\$ <u>416,776</u>	
Other income	\$ <u>71,679</u>	

6. TAX STATUS

The Plan uses a prototype plan document sponsored by Benefits Consulting Group, Inc. ("BCG"). BCG received an opinion letter from the Internal Revenue Service ("IRS"), dated March 31, 2014, which states that the prototype document satisfied the applicable provisions of the IRC. The Plan itself has not received a determination letter from the IRS. Although the Plan has been amended since BCG received the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods.

7. REVENUE CREDIT PROGRAM AND PARTY-IN-INTEREST TRANSACTIONS

Certain excess revenue received in connection with Plan services that exceed agreed-upon compensation are credited to a revenue credit program account and are used to pay Plan expenses. Any excess of revenue over Plan expenses is credited to Plan participant accounts. During 2021, there were excess revenue credits of \$71,679 of which \$57,895 was related to mutual funds managed by Tocqueville Asset Management LP ("TAM"), a company affiliated with the Sponsor through common ownership; therefore, these transactions qualify as party-in-interest transactions. For the years ended December 31, 2021 and 2020, \$69,622 and \$54,800, respectively, was used to pay certain expenses of maintaining the Plan.

Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Certain Plan investment options consist of shares of mutual funds managed by an affiliate of the Trustee. Accordingly, these transactions qualify as party-in-interest transactions. Notes receivable from participants are also party-in-interest transactions.

8. FAIR VALUE MEASUREMENTS

The following tables summarize the Plan's assets measured at fair value on a recurring basis, categorized by U.S. GAAP's valuation hierarchy as of December 31, 2021 and 2020. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement:

	Total at December 31, 2021	Level 1	Level 2	Level 3
Assets in fair value hierarchy:				
Mutual funds	\$ 46,540,155	\$46,540,155	\$ -	\$ -

Investments measured at net asset value ⁽¹⁾	4,206,359			
Total investments at fair value	\$48,145,313			

⁽¹⁾ Includes a collective trust fund which is measured at NAV as a practical expedient and not classified in the fair value hierarchy. The fair value amounts presented in these tables are shown for the purpose of reconciling to the statements of net assets available for benefits.
