Independent Auditor's Report

The Plan Administrator
L'Oréal Caribe, Inc.
Employee Retirement Savings Plan
Berkeley Heights, New Jersey

Opinion

We have audited the financial statements of the L'Oréal Caribe, Inc. Employee Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2021 and 2020, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule H (Form 5500), Line 4i - Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional

procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying supplemental schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to Financial Statements

1. Description of the Plan

The following brief description of the L'Oréal Caribe, Inc. Employee Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan document for a complete description of the Plan's provisions.

General

The Plan is a participant-directed, defined contribution plan sponsored by L'Oréal Caribe, Inc. (the Company). As a tax-deferred Puerto Rico 1165(e) plan, it is a voluntary thrift plan available to eligible employees of the Company, as defined. The Plan provides for eligibility upon completing 90 days of eligible service with the Company.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Administration of the Plan

The Plan is administered by the L'Oréal USA, Inc. (L'Oréal USA, Inc.) Employee Benefits Plan Committee appointed by the Board of Directors of L'Oréal USA, Inc. The recordkeeper is T. Rowe Price Trust Company (TRP) and Banco Popular de Puerto Rico is the trustee for the Plan.

Contributions

Each year, participants may make tax-deferred contributions to the Plan through payroll deductions, of an amount specified by the participant, but which will not exceed the limit in effect for the Plan year under the PR Code Section 1165(e)(7)(A), reduced by any other elective deferrals of the participant through the Company or any affiliated employer for the same year. Participants who had attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans.

The Company matches 100% of the first 2% and 50% of the next 4% of the participant's tax-deferred contributions up to 6% of the participant's compensation, as defined. Supplemental contributions (i.e., contributions over 6%) are not matched by the Company.

Participants direct the investments of their contributions and the Company's matching contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and a collective trust as investment options for participants.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Company's contributions, and allocations of Plan earnings, and charged with withdrawals, allocation of Plan losses, and administrative expenses. Allocations are based on participant deferrals or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

L'Oréal Caribe, Inc. Employee Retirement Savings Plan

Notes to Financial Statements

Vesting

All participant contributions and the related accumulated earnings or losses are fully vested at all times. Company matching contributions made during the Plan year will vest to the participants as follows:

Years of Vesting Service	Graded Vesting Schedule (%)
Less than 1	-
1 but less than 2	20
2 but less than 3	40
3 but less than 4	60
4 but less than 5	80
5 or more	100

Company matching contributions shall be 100% vested upon death, permanent disability, or at retirement on or after normal retirement date.

Notes Receivable from Participants

The Plan allows participant loans, provided that the loan amount does not exceed the lesser of \$50,000, reduced by the highest outstanding balance during the past 12 months, or 50% of the participant's vested balance and not less than \$1,000. The notes receivable from participants have a fixed rate of interest of 2.0% over the prime interest rate at the origination of the loans. The term of general-purpose loans is from one to five years, and the term of loans related to the purchase of a principal residence may be up to 15 years. Participants are limited to a maximum of one outstanding loan. Principal and interest are paid ratably through payroll deductions.

Notes receivable from participants are stated at their unpaid principal balance, plus accrued but unpaid interest. Interest income is recorded on the accrual basis. Amounts outstanding from the loans are reflected as receivables of the Plan. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. Delinquent notes receivable are reclassified as distributions based on the terms of the Plan document.

Payment of Benefits

Upon termination of service, a participant may elect to receive an amount equal to the vested value in his or her account in either a full or partial lump sum or installment payments.

During employment, a participant may make withdrawals, without penalty, of amounts applicable to participant tax-deferred contributions if specified hardship criteria are met; accumulated earnings or losses on these contributions are not eligible for withdrawal. Also, while employed, a participant may make withdrawals from rollover accounts, and withdrawals of vested amounts when the participant is over age 59½.

On February 20, 2020, the Puerto Rico Treasury Department issued its Circular Letter of Internal Revenue No. 20-09 (CC RI 20-09), which allowed for special disaster distributions during the period from February 20, 2020 to June 30, 2020 to be made from Puerto Rico qualified retirement plans to Puerto Rico residents as a result of natural disaster that occurred in January 2020.

L'Oréal Caribe, Inc. Employee Retirement Savings Plan

Notes to Financial Statements

Terms of the special disaster distributions include the following:

- The first \$10,000 that is distributed within the term established by the Secretary, and after a Declaration of a Disaster by the Governor of Puerto Rico, will be excluded from the definition of gross income, pursuant to Section 1031.01 (b) (18) of the Code, and will not be subject to any type of withholding at source.
- Any distribution in excess of \$10,000 will be subject to a special tax of 10%, instead of any other tax imposed by the Code, including the Alternate Basic Tax, as long as the total amount of distributions made during the term established by the Secretary does not exceed \$100,000.
- In addition, the total of amount distributions from a Retirement Plan or an IRA Account does not exceed the limit of \$100,000 during the period established by the Secretary through a general communication.

On March 29, 2020, the Puerto Rico Treasury Department issued Internal Revenue Circular Letter No. 20-23 (CC RI 20-23), which amended Circular Letter No. 20-09 (CC RI 20-09), to allow for special disaster distributions from March 12, 2020 to June 30, 2020 relating to COVID-19 state of emergency. There were no changes to the terms of the special disaster distributions.

Forfeited Accounts

As of December 31, 2021 and 2020, forfeited non-vested accounts totaled \$6 and \$3,842, respectively. These accounts will be used to reduce future Company contributions and Plan expenses. During the years ended December 31, 2021 and 2020, the forfeiture account was reduced by the amount applied against Company contributions of \$4,405 and \$3,457, respectively.

Other Income

The Company has an agreement with TRP to maintain a Fee Credits account. In accordance with the agreement, the Fee Credits account is credited with revenues in excess of amounts owed to the trustee for services rendered and may be used to allocate to eligible participant accounts. During the years ended December 31, 2021 and 2020, the Plan allocated \$9,659 and \$7,365, respectively, to eligible participants. As of December 31, 2021 and 2020, the Fee Credits account totaled \$0 and \$0, respectively.

2. Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting, in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of Estimates

The preparation of financial statements in accordance with U.S. GAAP requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. These estimates include fair values of investments. Actual results could differ from those estimates.

L'Oréal Caribe, Inc. Employee Retirement Savings Plan

Notes to Financial Statements

Investment Valuation and Income Recognition

The investments of the Plan are reported at fair value. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Plan Expenses

Certain expenses of maintaining the Plan are paid by the Company and are excluded from these financial statements. The Plan allows for certain expenses to be paid out of forfeited non-vested accounts. Investment expenses relating to the investment funds are deducted from the income earned on the investments.

3. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market volatility, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

4. Fair Value Measurement

The Plan follows the provisions of Accounting Standards Codification (ASC) 820, *Fair Value Measurement*. Under ASC 820, fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.

L'Oréal Caribe, Inc. Employee Retirement Savings Plan

Notes to Financial Statements

- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the overall fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2021 and 2020.

Mutual Funds - These assets are valued at quoted market prices, which represent the net asset value (NAV) of shares owned by the Plan at year-end.

Collective Trust - This asset is stated at the NAV of the units of participation owned by the Plan at year-end, as determined by the trustee of the collective trust. The NAV is used as a practical expedient to estimate fair value. The practical expedient is used for purposes of these statements but is not used in situations when it is determined to be probable that the fund will sell the investments for an amount different than the reported NAV. The NAV is based on the underlying investments held by the collective trust, less its liabilities. The Plan is required to give notice one day in advance to redeem units of participation for purposes of benefit payments, participant loans, participant-directed investment transfers, and payment of administrative fees. In addition, the Plan is required to provide either 12 or 30 months' advance written notice to the trustee prior to total withdrawal of trust units. The notice period may be shortened or waived by the trustee in its sole discretion. The Plan has no unfunded commitments with the fund as of December 31, 2021 and 2020.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

L'Oréal Caribe, Inc. Employee Retirement Savings Plan

Notes to Financial Statements

The following tables set forth by level, within the fair value hierarchy, the Plan's net assets at fair value:

December 31, 2021

	Assets in the Fair Value Hierarchy			Total
	Level 1	Level 2	Level 3	
Investments in the fair value hierarchy:				
Mutual funds	\$ 6,583,187	\$ -	\$ -	\$ 6,583,187
Investment at NAV*:				
Collective trust				1,324,567
Total Investments, at fair value				\$ 7,907,754

December 31, 2020

	Assets in the Fair Value Hierarchy			Total
	Level 1	Level 2	Level 3	
Investments in the fair value hierarchy:				
Mutual funds	\$ 5,418,792	\$ -	\$ -	\$ 5,418,792
Investment at NAV*:				
Collective trust				1,852,556
Total Investments, at fair value				\$ 7,271,348

* Certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

The Plan had no financial assets that were measured on a nonrecurring basis during the years ended December 31, 2021 and 2020.

5. Party-in-Interest Transactions

Certain Plan investments are shares of mutual funds and units of participation of a collective trust managed by TRP (or its subsidiaries); therefore, these transactions qualify as party-in-interest transactions. Notes receivable from participants also qualify as party-in-interest transactions.

6. Plan Termination

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time, and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their Company contributions.

L'Oréal Caribe, Inc. Employee Retirement Savings Plan

Notes to Financial Statements

7. Tax Status

The Plan is qualified pursuant to PR Code Section 1165(a). The Plan has obtained a favorable tax determination letter from the Bureau of Income Tax of the Department of Treasury of the Commonwealth of Puerto Rico dated October 19, 2018. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed, and currently being operated, in compliance with the applicable requirements of the PR Code and, therefore, believe that the Plan is qualified.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Department of Treasury of the Commonwealth of Puerto Rico. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. Subsequent Events

On September 17, 2022, Internal Revenue Service (IRS) announced tax relief for Puerto Rico victims of Hurricane Fiona. Taxpayers who live or have business in the disaster area may qualify for tax relief. The IRS extended certain deadlines fillings, including filling of the Form 5500, to February 15, 2023.

There have been no other material subsequent events that occurred through October 7, 2022, the date on which the financial statements were available to be issued, that would require disclosure in these financial statements, as of or for the year ended December 31, 2021.
