INDEPENDENT AUDITORS' REPORT

To the Plan Administrator

Metrohm USA, Inc. and Its Affiliated Companies 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Metrohm USA, Inc. and Its Affiliated Companies 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Metrohm USA, Inc. and Its Affiliated Companies 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2021 financial statements.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Metrohm USA, Inc. and Its Affiliated Companies 401(k) Plan ability to continue as a going concern for within one year after the date the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial

likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Metrohm USA, Inc. and Its Affiliated Companies 401(k) Plan internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Metrohm USA, Inc. and Its Affiliated Companies 401(k) Plan ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The Supplemental Schedule of Delinquent Participant Contributions for the year ended December 31, 2021 and Supplemental Schedule of Assets (Held at End of Year) as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and

was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Metrohm USA, Inc. and Its Affiliated Companies 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 10, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of Metrohm USA, Inc. and Its Affiliated Companies 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

GENERAL

The Plan was established as a defined contribution plan on March 1, 2006. Effective January 1, 2020, the Plan was amended to be a multiemployer profit sharing and safe harbor 401(k) plan with a qualified automatic contribution arrangement (“QACA”) that automatically enrolls all employees who are 18 years or older with at least 30 days of employment of Brinkmann Instruments, Inc. d/b/a Metrohm USA, Inc., Innovative Photonic Solutions, MKS Technology, Inc., and B&W Tek, LLC (collectively, the “Companies”). Non-resident aliens, leased employees, and intern or seasonal workers are excluded from the Plan. There are no other eligibility conditions for employees to participate in the Plan. The Retirement Committee is responsible for oversight of the Plan. The Retirement Committee determines the appropriateness of the Plan’s investment offerings and monitors investment performance. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”).

During 2020, the Plan adopted the Setting Every Community Up for Retirement Enhancement Act (“SECURE Act”), which was signed into law on January 1, 2020. The SECURE Act changes the minimum distributions age from when distributions must begin from 70 ½ to 72.

In March 2020, the Coronavirus Aid, Relief and Economic Security Act (“CARES Act”) was signed into law. The CARES Act is designed to provide fast and direct economic assistance for workers in the midst of the COVID-19 pandemic. The CARES Act suspends required minimum distribution provision for the year ending December 31, 2020. In addition, the required minimum distribution requirement is waived for participants who turned 70 ½ in 2019 and postponed their first required minimum distribution until April 1, 2020. The CARES Act also allows participants to borrow up to \$100,000, or 100% of their vested account balance, and participants with outstanding loans are able to suspend any loan repayments due during the balance of 2020. Loan repayments restarted beginning in January 2021.

Effective January 1, 2021 Empower Retirement (“Empower”) acquired Massachusetts Mutual Life Insurance Company (“MassMutual”). A platform transition from MassMutual to Empower is scheduled for October 2022. Empower is the Plan’s custodian.

CONTRIBUTIONS

All eligible employees who do not affirmatively elect not to contribute or have a specific amount contributed to the Plan will automatically have their eligible compensation reduced by 3% as a contribution to the Plan invested in a predetermined account under the QACA. The automatic contribution increases by 1% annually unless chosen not to, subject to a maximum of 7% of the eligible employee's compensation.

In lieu of the automatic deferral, the Participants have the option to make a salary deferral election in which they may contribute up to 100% of pre-tax annual compensation and up to 10% of after-tax annual compensation, as defined in the Plan document, subject to the maximum deferral amount allowed by the Internal Revenue Code, or elect not defer all together. Any participant who receives an automatic deferral and does not wish to participate in the Plan may withdraw such contributions (and earnings attributable thereto) within 90 days of the date the first automatic contribution was withheld from the participant's gross income, and any match and earnings credited to the participant's account related to those withdrawn deferrals will be forfeited. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined plans (rollovers). Contributions are subject to certain Internal Revenue Code ("IRC") limitations.

Participants may elect to contribute up to the lesser of \$19,500 for 2021 and 2020 plus catch up contributions, as defined in the Plan document or 100% of their compensation to the Plan on a pre-tax or after-tax basis. Catch up contributions are limited to \$6,500 for 2021 and 2020.

Under the Plan, the Companies are required to make a safe harbor matching contribution equal to 100% of a participant's contribution to the Plan during a Plan year up to 1% of participant compensation, then 50% of each participant's contributions up to 6% of participant compensation. The Companies may make additional matching contributions at its discretion during the Plan year. The Companies may also make profit-sharing contributions at their discretion, subject to additional eligibility requirements. Total employers' safe harbor matching contributions were \$988,352 and \$1,016,675 for the years ended December 31, 2021 and 2020, respectively. There were no discretionary or profit-sharing employers' contributions made for the years ended December 31, 2021 and 2020.

USE OF ESTIMATES

Actual results could differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Retirement Committee determines the Plan's valuation policies utilizing information provided by the trustee, investment advisor, and investment custodian. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make the scheduled repayments and the plan administrator deems the participant to be in default, the participant's note receivable is reduced and a benefit payment is recorded.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

ADMINISTRATIVE EXPENSES

Certain expenses of maintaining the Plan are paid directly by the Plan, unless otherwise paid by the Companies. Expenses paid by the Companies are excluded from these financial statements. Investment related expenses are included in net appreciation in fair value of investments.

RISKS AND UNCERTAINTIES

The Plan has investments in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risk. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the accompanying Statements of Net Assets Available for Benefits.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

RECENTLY ISSUED ACCOUNTING PRONOUNCEMENTS

In August 2018, the Financial Accounting Standards Board (“FASB”) issued Accounting Standards Update (“ASU”) 2018-13, *Fair Value Measurements* (“Topic 820”) *Disclosure Framework – Changes to the Disclosure Requirements for Fair Value Measurement*, which modifies the disclosure requirements on fair value measurements under ASC Topic 820, *Fair Value Measurements and Disclosures*, as amended. For nonpublic companies, ASU 2018-13, removes (a) the prior requirement to disclose the amount and reason for transfers between Level 1 and Level 2 of the fair value hierarchy, (b) the policy for timing of transfers between levels, (c) the valuation process used for Level 3 fair value measurements, and (d) the requirement to disclose changes in unrealized gains and losses for the period included in earnings for recurring Level 3 fair value measurements. For nonpublic companies, ASU 2018-13 also adds, among other things, a requirement to disclose transfers into and out of Level 3 of the fair value hierarchy, and purchases and issuances of Level 3 assets and liabilities, rather than reconcile the opening balances to the closing balances of recurring Level 3 fair value measurements. The amendment is effective for fiscal years, and interim periods within those fiscal years, beginning after December 15, 2019. Early adoption was permitted upon issuance of ASU 2018-13. The Plan adopted ASU 2018-13 effective January 1, 2020; however, it did not have a significant impact on the Plan’s financial statements.

SUBSEQUENT EVENTS

The Plan’s management has evaluated subsequent events through October 7, 2022, which is the date the financial statements were available to be issued.

The Plan was amended and restated effective January 1, 2022 to conform to new tax laws, include and exclude certain forms of eligible compensation, revise the automatic contribution increase maximum to 9% of the eligible employee’s compensation, and increase the safe harbor matching contribution equal to 100% of a participant’s contribution to the plan during a plan year up to 1% of participant compensation, then 50% of each participant’s contributions up to 9% of participant compensation.

NOTE 3 - INFORMATION CERTIFIED BY THE TRUSTEE AND CUSTODIAN

Certain information related to investments and notes receivables from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule of assets (held at end of year), including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and interest on notes receivables from participants for the years ended December 31, 2021 and 2020, was obtained by management and agreed to or derived from information certified as complete and accurate by Reliance Trust Company (the trustee of the Plan) and Empower Retirement LLC (the custodian of the Plan). This information has not been audited by the Plan's independent auditors.

NOTE 4 - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board Accounting Standards Codification ("ASC 820"), *Fair Value Measurements*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. It applies to fair value measurements already recognized or permitted by existing standards. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs used in valuation models (Level 3 measurements).

The three levels of the fair value hierarchy under ASC 820 are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets. Level 2 inputs include those other than quoted prices that are observable for the asset or liability. Level 2 inputs are derived principally from, or corroborated by, observable market data by correlation or other means. If the asset or liability has a specified term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NOTE 4 - FAIR VALUE MEASUREMENTS (CONTINUED)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used should maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	<u>\$ 40,012,010</u>	<u>\$ --</u>	<u>\$ --</u>	<u>\$ 40,012,010</u>

	2020			
	Level 1	Level 2	Level 3	Total
Mutual funds	<u>\$ 36,851,266</u>	<u>\$ --</u>	<u>\$ --</u>	<u>\$ 36,851,266</u>

NOTE 5 - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan has a fully benefit-responsive guaranteed investment contract with MassMutual that is reported at contract value. MassMutual maintains the contributions in a general account. The account is credited with contributions and earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than 1%. Such interest rates are reviewed on a quarterly basis for resetting.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 5 - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT (CONTINUED)

The Plan's ability to receive amounts due in accordance with the fully benefit-responsive investment contract is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. These events may be different under each contract. Examples of such events include the following:

1. The Plan's failure to qualify under Section 401(a) of the IRC or the failure of the trust to be tax-exempt under Section 501(a) of the IRC
2. Premature termination of the contracts
3. Plan termination or merger
4. Changes to the Plan's prohibition on competing investment options
5. Bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spinoffs of a subsidiary) that significantly affect the Plan's normal operations

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Those events may be different under each contract. Examples of such events include the following:

1. An uncured violation of the Plan's investment guidelines
2. A breach of material obligation under the contract
3. A material misrepresentation
4. A material amendment to the agreement without the consent of the issuer

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

NOTE 6 - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of funds managed by the trustee and custodian and, therefore, these transactions qualify as party-in-interest transactions. The Plan allows participants to take loans against their account balances, which also qualify as exempt party-in-interest transactions.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Companies have the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 8 - TAX STATUS

The Plan adopted a Volume Submitter Profit Sharing Plan with a cash or deferral arrangement. The Plan obtained its latest opinion letter on March 31, 2014, in which the Internal Revenue Service (“IRS”) stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan has been amended and restated since receiving the determination letter.

However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan’s financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that is more-likely-than not would not be sustained upon examination by the applicable taxing authorities. For 2021 and 2020, no uncertain tax positions were taken by the Plan. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods pending or in progress.

NOTE 9 - NET ASSETS TRANSFERRED IN

Effective January 1, 2020, Innovative Photonics Solutions 401(k) Profit Sharing Plan and Trust and MKS Technology, Inc. 401(k) Plan merged into the Plan. Furthermore, participant accounts and assets of B&W Tek, Inc. 401(k) Profit Sharing Plan were transferred into the Plan effective May 1, 2020. During the year ended December 31, 2020, the Plan was amended to allow employees of related employers to participate in the Plan, subject to the defined eligibility requirements. The specified related employers are the predecessor plan sponsors of the Plans identified above. Service with these predecessor employers is counted for purposes of determining eligibility and vesting.

NOTE 9 - NET ASSETS TRANSFERRED IN (CONTINUED)

In connection with these amendments, the following protected benefits were incorporated into the Plan:

1. Safe harbor match contributions transferring from the Innovative Photonic Solutions 401(k) Profit Sharing Plan and Trust are 100% vested and available for in-service withdrawals upon attainment of age 59 ½.
2. Company match contributions transferring from the B&W Tek, Inc. 401(k) Profit Sharing Plan are subject to the following vesting schedule: one year of service-25%, two years of service-50%, three years of service 75%, and four years of service-100%. The Company match contributions are not available for in-service withdrawals.

The approximate net assets transferred to the Plan in conjunction with the mergers and participant account transfers for the year ended December 31, 2020 are as follows:

	<u>Amount Merged/ Transferred In</u>
Innovative Photonics Solutions 401(k) Profit Sharing Plan and Trust	\$ 1,764,000
MKS Technology, Inc. 401(k) Plan	1,101,000
B&W Tek, Inc. 401(k) Profit Sharing Plan	<u>4,559,000</u>
	<u>\$ 7,424,000</u>

There were no net assets transferred to the Plan in conjunction with mergers and participant account transfers for the year ended December 31, 2021.

NOTE 10 - DELINQUENT CONTRIBUTION CORRECTION

For the Plan years ended December 31, 2021 and 2020, participant contributions (inclusive of notes receivable payments) totaling approximately \$4,000 and \$11,000, respectively, were not remitted timely to the Plan. The Department of Labor (“DOL”) requires that participant contributions be remitted to the Plan on the earliest date on which they can be reasonably segregated from the Company’s general assets. Failure to remit participant contributions to the Plan in a timely manner results in a prohibited transaction which must be separately reported to the DOL and may result in penalties to the Plan Sponsor. The lost interest and earnings related to the 2021 and 2020 late remittances were paid and corrected during 2022. The accompanying supplemental Schedule H, Line 4a - Schedule of Delinquent Contributions presents the prohibited transactions of the Plan.
