Independent Auditor's Report

Plan Administrator
BCI Burke Company, LLC 401(k) & Profit Sharing Plan
Fond du Lac, Wisconsin

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of BCI Burke Company, LLC 401(k) & Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of BCI Burke Company, LLC 401(k) & Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of BCI Burke Company, LLC 401(k) & Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about BCI Burke Company, LLC 401(k) & Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of BCI Burke Company, LLC 401(k) & Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about BCI Burke Company, LLC 401(k) & Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of BCI Burke Company, LLC 401(k) & Profit Sharing Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 8, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

BCI Burke Company, LLC 401(k) & Profit Sharing Plan

Notes to Financial Statements

Note 1: Plan Description

The following description of the BCI Burke Company, LLC 401(k) & Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all full-time employees of BCI Burke Company, LLC (the "Company"), who have completed one month of service. Seasonal and summer employees are eligible to participate in the Plan after attaining age 21 and completion of 1,000 hours of service. Once meeting these requirements, employees are eligible to enter the Plan on the first day of the following month. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Management of the Company is responsible for oversight of the Plan, including the appropriateness of the Plan's investment offerings and monitoring of investment performance.

Contributions

Each year, participants may contribute up to 100% of annual compensation, as defined in the plan document, on a pre-tax or Roth basis. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Contributions are subject to certain Internal Revenue Service ("IRS") limitations. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans ("rollover contributions"). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan also includes an auto-enrollment provision whereby all newly eligible full-time employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan or elect an alternate deferral rate. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant.

The Company contributes a safe harbor matching contribution equal to 100% of the first 3% and 50% of the next 2% of compensation that a participant contributes to the Plan. Rollover contributions are not matched. The Company also has the option to make additional discretionary matching and profit sharing contributions to eligible participants, as defined in the plan document. Eligible participants must be employed on the last day of the plan year to receive any discretionary profit sharing contributions. No discretionary matching or profit sharing contributions were made into the Plan during the 2021 Plan year.

Participant Accounts

Each participant's account is credited with the participant's contributions, Company safe harbor and discretionary matching contributions, and allocations of (a) Company discretionary profit sharing contributions, (b) plan earnings (losses), and (c) forfeitures of terminated participants' nonvested accounts. Participant accounts are reduced by withdrawals and charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

BCI Burke Company, LLC 401(k) & Profit Sharing Plan

Notes to Financial Statements

Note 1: Plan Description (Continued)

Vesting

Participants are vested immediately in their voluntary contributions and Company safe harbor matching contributions, plus actual earnings thereon. Vesting in the Company's discretionary matching and profit sharing contributions, plus actual earnings thereon, is based on years of continuous service. Participants vest at 10% after the first year of service, 20% after the second year of service, 40% after the third year of service, 60% after the fourth year of service, 80% after the fifth year of service, and become fully vested after six years of service, or upon death or disability.

Payment of Benefits

On termination of service due to death, disability, normal retirement (age 65), or termination of employment, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or installment payments. In addition, hardship distributions are permitted if certain criteria are met. The Plan also allows for in-service distributions upon attaining age 59 1/2. Participants may withdraw their rollover contributions at any time.

Forfeitures

At December 31, 2021 and 2020, there were no forfeited nonvested accounts. Forfeiture balances are to be used at the discretion of the Company, in accordance with the plan document, to reduce future Company contributions, to pay administrative expenses of the Plan, or to allocate to participants as additional Company contributions. During the year ended December 31, 2021, Company contributions were reduced by \$5,678 from forfeited nonvested accounts.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from these estimates.

BCI Burke Company, LLC 401(k) & Profit Sharing Plan

Notes to Financial Statements

Note 2: Summary of Significant Accounting Policies (Continued)

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Administrative and Investment Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment management fees paid directly by the Plan are allocated proportionately to plan participants based on their respective account balances and are reflected as investment expenses and are included in net investment income. Certain fees related to distributions are charged directly to the participant's account and are included in administrative expenses. All other expenses paid directly by the Plan are allocated proportionately to plan participants based on their respective account balances and are included in administrative expenses.

Subsequent Events

The Plan has evaluated subsequent events through October 3, 2022, which is the date the financial statements were available to be issued.

Note 3: Fair Value Measurements

GAAP establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority level; Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1); and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 2 or Level 3 inputs for the periods presented.

BCI Burke Company, LLC 401(k) & Profit Sharing Plan

Notes to Financial Statements

Note 3: Fair Value Measurements (Continued)

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used as of December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables set forth by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2021 and 2020. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement:

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Investment assets in the fair value hierarchy -				
Mutual funds	\$ 8,486,188	\$ 0	\$ 0	\$ 8,486,188
Total investment assets at fair value	\$ 8,486,188	\$ 0	\$ 0	\$ 8,486,188

Assets at Fair Value as of December 31, 2020				
	Level 1	Level 2	Level 3	Total
Investment assets in the fair value hierarchy -				
Mutual funds	\$ 7,243,347	\$ 0	\$ 0	\$ 7,243,347
Total investment assets at fair value	\$ 7,243,347	\$ 0	\$ 0	\$ 7,243,347

Note 4: Information Prepared and Certified by the Trustee

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Certain information disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2021 and 2020, and net appreciation in fair value of investments and interest and dividends for the year ended December 31, 2021, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Fidelity Management Trust Company ("Fidelity"), the trustee of the Plan.

BCI Burke Company, LLC 401(k) & Profit Sharing Plan

Notes to Financial Statements

Note 5: Party-in-Interest Transactions

Certain plan investments are managed by Fidelity, the trustee, as defined by the plan document; therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan to Fidelity for administrative services were \$686 for the year ended December 31, 2021. Triad Hybrid Solutions LLC ("Triad") is the investment advisor of the Plan; therefore, fees paid to Triad qualify as party-in-interest transactions. Fees paid by the Plan to Triad for investment management fees were \$22,082 for the year ended December 31, 2021.

Note 6: Tax Status

The Plan adopted a volume submitter document with an IRS notification letter dated June 30, 2020, which states the volume submitter plan document, as then designed, is in compliance with the applicable sections of the Internal Revenue Code ("IRC"). Although the plan document has been amended since receipt of the notification letter, the plan administrator believes the Plan is designed and being operated in compliance with the applicable requirements of the IRC and has no income subject to unrelated business income tax. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Note 7: Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the plan document to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their Company discretionary contributions.

Note 8: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of BCI Burke Company, LLC 401(k) & Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of BCI Burke Company, LLC 401(k) & Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of BCI Burke Company, LLC 401(k) & Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about BCI Burke Company, LLC 401(k) & Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of BCI Burke Company, LLC 401(k) & Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about BCI Burke Company, LLC 401(k) & Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of BCI Burke Company, LLC 401(k) & Profit Sharing Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 8, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

BCI Burke Company, LLC 401(k) & Profit Sharing Plan

Notes to Financial Statements

Note 1: Plan Description

The following description of the BCI Burke Company, LLC 401(k) & Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all full-time employees of BCI Burke Company, LLC (the "Company"), who have completed one month of service. Seasonal and summer employees are eligible to participate in the Plan after attaining age 21 and completion of 1,000 hours of service. Once meeting these requirements, employees are eligible to enter the Plan on the first day of the following month. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Management of the Company is responsible for oversight of the Plan, including the appropriateness of the Plan's investment offerings and monitoring of investment performance.

Contributions

Each year, participants may contribute up to 100% of annual compensation, as defined in the plan document, on a pre-tax or Roth basis. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Contributions are subject to certain Internal Revenue Service ("IRS") limitations. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans ("rollover contributions"). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan also includes an auto-enrollment provision whereby all newly eligible full-time employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan or elect an alternate deferral rate. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant.

The Company contributes a safe harbor matching contribution equal to 100% of the first 3% and 50% of the next 2% of compensation that a participant contributes to the Plan. Rollover contributions are not matched. The Company also has the option to make additional discretionary matching and profit sharing contributions to eligible participants, as defined in the plan document. Eligible participants must be employed on the last day of the plan year to receive any discretionary profit sharing contributions. No discretionary matching or profit sharing contributions were made into the Plan during the 2021 Plan year.

Participant Accounts

Each participant's account is credited with the participant's contributions, Company safe harbor and discretionary matching contributions, and allocations of (a) Company discretionary profit sharing contributions, (b) plan earnings (losses), and (c) forfeitures of terminated participants' nonvested accounts. Participant accounts are reduced by withdrawals and charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Note 1: Plan Description (Continued)

Vesting

Participants are vested immediately in their voluntary contributions and Company safe harbor matching contributions, plus actual earnings thereon. Vesting in the Company's discretionary matching and profit sharing contributions, plus actual earnings thereon, is based on years of continuous service. Participants vest at 10% after the first year of service, 20% after the second year of service, 40% after the third year of service, 60% after the fourth year of service, 80% after the fifth year of service, and become fully vested after six years of service, or upon death or disability.

Payment of Benefits

On termination of service due to death, disability, normal retirement (age 65), or termination of employment, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or installment payments. In addition, hardship distributions are permitted if certain criteria are met. The Plan also allows for in-service distributions upon attaining age 59 1/2. Participants may withdraw their rollover contributions at any time.

Forfeitures

At December 31, 2021 and 2020, there were no forfeited nonvested accounts. Forfeiture balances are to be used at the discretion of the Company, in accordance with the plan document, to reduce future Company contributions, to pay administrative expenses of the Plan, or to allocate to participants as additional Company contributions. During the year ended December 31, 2021, Company contributions were reduced by \$5,678 from forfeited nonvested accounts.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from these estimates.

Note 2: Summary of Significant Accounting Policies (Continued)

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Administrative and Investment Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment management fees paid directly by the Plan are allocated proportionately to plan participants based on their respective account balances and are reflected as investment expenses and are included in net investment income. Certain fees related to distributions are charged directly to the participant's account and are included in administrative expenses. All other expenses paid directly by the Plan are allocated proportionately to plan participants based on their respective account balances and are included in administrative expenses.

Subsequent Events

The Plan has evaluated subsequent events through October 3, 2022, which is the date the financial statements were available to be issued.

Note 3: Fair Value Measurements

GAAP establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority level; Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1); and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 2 or Level 3 inputs for the periods presented.

Note 3: Fair Value Measurements (Continued)

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used as of December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables set forth by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2021 and 2020. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement:

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Investment assets in the fair value hierarchy -				
Mutual funds	\$ 8,486,188	\$ 0	\$ 0	\$ 8,486,188
Total investment assets at fair value	\$ 8,486,188	\$ 0	\$ 0	\$ 8,486,188

Assets at Fair Value as of December 31, 2020				
	Level 1	Level 2	Level 3	Total
Investment assets in the fair value hierarchy -				
Mutual funds	\$ 7,243,347	\$ 0	\$ 0	\$ 7,243,347
Total investment assets at fair value	\$ 7,243,347	\$ 0	\$ 0	\$ 7,243,347

Note 4: Information Prepared and Certified by the Trustee

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Certain information disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2021 and 2020, and net appreciation in fair value of investments and interest and dividends for the year ended December 31, 2021, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Fidelity Management Trust Company ("Fidelity"), the trustee of the Plan.

Notes to Financial Statements

Note 5: Party-in-Interest Transactions

Certain plan investments are managed by Fidelity, the trustee, as defined by the plan document; therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan to Fidelity for administrative services were \$686 for the year ended December 31, 2021. Triad Hybrid Solutions LLC ("Triad") is the investment advisor of the Plan; therefore, fees paid to Triad qualify as party-in-interest transactions. Fees paid by the Plan to Triad for investment management fees were \$22,082 for the year ended December 31, 2021.

Note 6: Tax Status

The Plan adopted a volume submitter document with an IRS notification letter dated June 30, 2020, which states the volume submitter plan document, as then designed, is in compliance with the applicable sections of the Internal Revenue Code ("IRC"). Although the plan document has been amended since receipt of the notification letter, the plan administrator believes the Plan is designed and being operated in compliance with the applicable requirements of the IRC and has no income subject to unrelated business income tax. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Note 7: Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the plan document to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their Company discretionary contributions.

Note 8: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
