Report of Independent Auditors

To the Participants and Lantech 401(k) Plan Committee of
Lantech 401(k) Savings Plan
Louisville, Kentucky

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Lantech 401(k) Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibility for the Audit of the 2021 Financial Statements, continued

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental Schedule H Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2021 and Schedule H, line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

Other Matters, continued

2021 Supplemental Schedules Required by ERISA , continued

The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

The 2020 financial statements of the Plan were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report dated October 14, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the 2020 financial statements and supplemental schedule, and (b) the form and content of the information included in the 2020 financial statements and supplemental schedule other than that derived from the certified information, were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

LANTECH 401(K) SAVINGS PLAN

Notes to the Financial Statements

1. Description of the Plan

The following description of the Lantech 401(k) Savings Plan (the Plan) provides only general information. Participants should refer to the Summary Plan Description or Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution retirement plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), and became effective January 1, 1976 and was restated effective February 18, 2022. The Plan covers all eligible employees of Lantech.com, LLC and subsidiaries (the Plan Sponsor and Administrator).

Eligibility

Employees are eligible to participate in the Plan if they are 18 years of age and have 60 days of service. Eligible participants can enter the Plan on the first day of the month on or following their 60 day service requirement. At that time, participants can begin deferring compensation into the Plan, and become eligible for both the employer matching and employer discretionary or nonelective contributions. If an employee is a nonresident alien or is covered by a collective bargaining agreement between the Plan Sponsor and employee representatives on the subject of retirement benefits, they are not eligible to participate in the Plan.

Contributions

Participants may contribute up to the maximum allowable annual contribution as defined by the Internal Revenue Code (IRC). Participants can elect to make monthly contributions of at least 1% of their compensation. The first 6% of participant contributions are subject to a 75% employer match. The Plan also allows participants who have reached the age of 50 by the end of the Plan year to make catch-up contributions up to certain amounts in excess of all applicable limits. A participant may contribute any rollover contribution to which the participant is entitled from another qualified trust. Such rollover contributions are deposited in the participant's account. The Plan Sponsor may elect to contribute a discretionary or nonelective contribution to be determined by the Plan Sponsor.

Participant Accounts

Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contribution and an allocation of the Plan Sponsor's contributions, Plan earnings, forfeitures of participants' nonvested accounts, and administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

Participants direct the investment of their contributions into various investment options offered by the Plan. If no such direction is made, participant accounts are invested in accordance with default investment alternatives as established under the Plan.

LANTECH 401(K) SAVINGS PLAN

Notes to the Financial Statements, continued

1. Description of the Plan, continued

Vesting

Participants are vested immediately in their contributions and qualified nonelective contributions plus actual earnings thereon. Vesting in the remainder of their account is based on years of continuous service according to the following schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
0 to 2	0%
3 or more	100%

A participant is entitled to 100% of his or her account balance upon retirement, death or disability.

Participant Loans

Participants may borrow up to a maximum of the lesser of \$50,000 or 50% of their vested balance, reduced by the highest outstanding loan balance in the preceding 12 months. The loans are secured by the balance in the participant's account and bear interest at 1% over the Prime rate on the first business day of the month when the funds are borrowed. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant or their beneficiaries may elect to receive a lump-sum amount equal to the value of the participant's fully vested interest in his or her account. Participants may also request distributions at any time upon attainment of normal retirement age of 65 or due to the occurrence of hardships (as defined by the Plan document).

Forfeited Accounts

Forfeited amounts are first applied to the restoration of any forfeiture of former participants that have rejoined the Plan within five years of termination, under certain conditions. Any remaining forfeitures may be used to pay Plan expenses or offset employer contributions, and any remaining forfeitures will be allocated to participant accounts. Forfeited nonvested accounts totaled \$94 for the year ended December 31, 2021. There were no forfeited nonvested accounts as of December 31, 2020. During 2021, forfeitures totaling \$10,941 were used to reduce employer contributions.

Risks and Uncertainties

The Plan provides for various investment options in mutual funds, pooled separate accounts and a stable value collective trust. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

LANTECH 401(K) SAVINGS PLAN

Notes to the Financial Statements, continued

1. Description of the Plan, continued

Administrative Expenses

The Plan is responsible for its administrative expenses unless paid by the Plan Sponsor.

2. Summary of Significant Accounting Policies

The financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America (GAAP) which require management to make estimates and assumptions that affect the reported amounts and disclosures in the financial statements. Actual results could differ from those estimates. The following is a summary of the significant accounting policies consistently followed by the Plan in the preparation of its financial statements:

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains or losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Participant loans are classified as notes receivable from participants and measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent loans are treated as distributions based on the terms of the Plan document.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Subsequent Events

The Plan's management has evaluated subsequent events for accounting and disclosure requirements through August 24, 2022, the date that the financial statements were available to be issued.

LANTECH 401(K) SAVINGS PLAN

Notes to the Financial Statements, continued

3. Information Certified or Provided by Trustee

The Plan's asset information included in this note and throughout the Plan's financial statements and supplemental schedules was prepared by or derived from information provided by Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company (Principal), the trustee of the Plan, and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the trustee that asset information provided to the Plan Administrator by the trustee is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to asset information in this note and which appears throughout the financial statements and the ERISA-required supplemental schedules.

The following table presents the fair value of assets in the Plan that were certified by Principal.

	<u>2021</u>	<u>2020</u>
Mutual funds	\$ 47,713,214	\$ 39,081,893
Pooled separate accounts	9,624,181	8,112,451
Stable value collective trust	<u>3,870,208</u>	<u>7,222,575</u>
Total investments	<u>\$ 61,207,603</u>	<u>\$ 54,416,919</u>
Notes receivable from participants	<u>\$ 654,138</u>	<u>\$ 773,300</u>

Principal also certified to the completeness and accuracy of \$7,228,294 of net realized and unrealized appreciation in the fair value of investments, \$437,624 of interest and dividends related to the investments, and \$41,419 of interest income on notes receivable from participants for the year ended December 31, 2021.

4. Fair Value Measurements

The Plan classifies its investments based on a hierarchy consisting of: Level 1 (valued using quoted prices from active markets for identical assets), Level 2 (not traded on an active market but for which observable market inputs are readily available), and Level 3 (valued based on significant unobservable inputs). The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value on a recurring basis:

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

LANTECH 401(K) SAVINGS PLAN

Notes to the Financial Statements, continued

5. Fair Value Measurements, continued

Pooled separate accounts: Valued at net asset value (NAV) per share based on quoted market prices of underlying investments.

Stable value fund: Valued at the NAV of shares held by the Plan at year end. The underlying investments are designed to maintain a stable NAV.

There have been no changes in the valuation methodologies used at December 31, 2021 and 2020.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan Administrator believes the valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
<u>2021</u>				
Investments measured at fair value:				
Mutual funds	\$ <u>47,713,214</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>47,713,214</u>
Total investments in fair value hierarchy	\$ <u><u>47,713,214</u></u>	<u>-</u>	<u>-</u>	47,713,214
Investments measured at NAV:				
Pooled separate accounts				9,624,181
Stable value fund				<u>3,870,208</u>
Total investments measured at NAV				<u>13,494,389</u>
Total investments at fair value				\$ <u><u>61,207,603</u></u>

LANTECH 401(K) SAVINGS PLAN

Notes to the Financial Statements, continued

5. Fair Value Measurements, continued

<u>2020</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Investments measured at fair value:				
Mutual funds	\$ <u>39,081,893</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>39,081,893</u>
Total investments in fair value hierarchy	\$ <u>39,081,893</u>	<u>-</u>	<u>-</u>	39,081,893
Investments measured at NAV:				
Pooled separate accounts				8,112,451
Stable value fund				<u>7,222,575</u>
Total investments measured at NAV				<u>15,335,026</u>
Total investments at fair value				\$ <u>54,416,919</u>

To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period. Plan management evaluates the significance of transfers between levels based upon the nature of the investment and size of the transfer relative to total net assets available for benefits. For the year ended December 31, 2021, there were no significant transfers in or out of Level 3.

5. Exempt Party-in-Interest Transactions

Certain Plan investments are shares of mutual funds managed by Principal. Principal is the custodian as defined by the Plan and therefore, these transactions qualify as party-in-interest. Administrative expenses of \$60,734 for the year ended December 31, 2021 are comprised of fees paid by the Plan to Principal for investment management services and withdrawal charges.

Additionally, indirect fees are paid to Principal based on investment account values. These fees range from 0.05% to 0.79% of the investment account value. The fees reduce net appreciation in fair value of investments on the statement of changes in net assets available for benefits.

6. Tax Status

The Plan uses a prototype Plan document sponsored by Principal Life Insurance Co. Principal Life Insurance Co. received an opinion letter from the Internal Revenue Service (IRS), dated June 30, 2020, which states that the prototype document satisfies the applicable provisions of the IRC. The Plan itself has not received a determination letter from the IRS. However, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

LANTECH 401(K) SAVINGS PLAN

Notes to the Financial Statements, continued

7. Plan Termination

Although it has not expressed any intention to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA.

8. Excess Contributions Payable

During 2022, payment of \$52,223 were made to certain active participants to return to them excess deferral contributions as required to satisfy the relevant nondiscrimination provisions of the Plan for the Plan year ended December 31, 2021.

9. Prohibited Transactions

During the year ended December 31, 2021, participant withholdings in the amount of \$35,288 were not remitted within the appropriate time period by the Plan Sponsor. These transactions constitute a prohibited transaction as defined by ERISA. The Plan Sponsor is aware of the occurrences and has taken the appropriate steps to correct the situation by implementing procedures to ensure all future remittances are completed within the prescribed time period.

10. Reconciliation to Form 5500

A reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of December 31, 2021 and 2020, is as follows:

	<u>2021</u>	<u>2020</u>
