Independent Auditors' Report

Plan Administrator, Trustees, and Participants
Direct Distributors, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Direct Distributors, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the

information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Direct Distributors, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Direct Distributors, Inc. 401(k) Plan' ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such

procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Direct Distributors, Inc. 401(k) Plan' internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Direct Distributors, Inc. 401(k) Plan' ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule H, line 4i schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Direct Distributors, Inc. 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 7, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Direct Distributors, Inc. 401(k) Plan
Notes to Financial Statements
December 31, 2021

1. DESCRIPTION OF PLAN

The following description of Direct Distributors, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

- a. General – The Plan is a defined contribution plan established on July 1, 1996. The Plan is designed to conform to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). All employees of Direct Distributors, Inc. (the "Company" and "Plan Sponsor") and its affiliates (Agri-Supply Company, Agri-Supply, Inc. of Greenville, Midsouth Distributors, Inc., Agri-South, Inc., Agri-Supply, Inc. of Lumberton, Agri-VA, Inc., Agri-Direct, Inc., Agri-Supply of Valdosta, Inc., Agri-Supply, Inc. of Statesboro, and Agri Supply of Monroe, LLC) who are 21 years of age and have completed ninety days of service are eligible to participate in the Plan. The Trustees are responsible for oversight of the Plan. Plan management determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan's Trustees.
- b. Contributions – Participants may contribute up to 100% of pre-tax and/or after-tax annual compensation each year, as defined by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). The Plan document provides for a discretionary matching contribution by the Company. The Company elected to contribute 50% of the first 6% of compensation that a participant contributed to the Plan. Company profits are not required for the employer to make contributions. The Company may also make a discretionary qualified matching contribution at the option of the Company's Board of Directors. The Company did not elect to make a discretionary qualified matching contribution in 2021. Participants direct the investment of all contributions made on their behalf into various investment options offered by the Plan. Contributions are subject to annual limits established by the Internal Revenue Service.
- c. Participant Accounts – Each participant's account is credited with (1) the participant's contribution, (2) the employer discretionary matching contribution, and (3) allocation of (a) Plan earnings (b) administrative expenses that are paid by the Plan and (c) employer discretionary qualified matching contribution. Allocations are based on participant's plan compensation or participant account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
- d. Vesting – Participants are vested immediately in their contributions plus actual earnings thereon. Effective January 1, 2007, vesting of the Company's contribution portion of their accounts is based on the following schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than two	0%
2	20%
3	40%
4	60%
5	80%
Six or more	100%

Participants will automatically become 100% vested upon attainment of normal retirement age (65) or retirement due to disability or death.

1. DESCRIPTION OF PLAN (Continued)

- e. Notes Receivable from Participants – Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at prime plus 1.00% as of the first of the month in which the loan is issued. Interest rate charged on the outstanding loans as of December 31, 2021 and 2020, ranged from 4.25% to 7.50% and these loans mature at varying dates from 2022 through 2026. Loans must be repaid within 5 years. Principal and interest is paid ratably through biweekly payroll deductions.
- f. Payment of Benefits – Upon termination of service due to death, disability, retirement, or any other reason, the participant or beneficiary may elect to receive either a lump sum or annuity payments equal to the vested portion of the value of the funds credited to the participant's account. In addition, during active service, a participant can take hardship distributions if certain conditions are satisfied, and a participant over the age of 59 ½ can take in-service distributions from their accounts in which they are vested. Effective January 1, 2019, participants are no longer voluntarily suspended from the Plan for six months.
- g. Forfeited Accounts – At December 31, 2021 and 2020, there were \$53,461 and \$37,370 in forfeited nonvested accounts, respectively. Forfeitures of terminated participants' nonvested accounts are used to reduce employer contributions or pay Plan expenses. In 2021, forfeitures were used to pay Plan expenses of \$2,250.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value, except for the guaranteed investment contract (See Note 7), which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the investment advisors, trustee, and recordkeeper. See Note 5 for discussion on fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is accrued on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Direct Distributors, Inc. 401(k) Plan
Notes to Financial Statements
December 31, 2021

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. Delinquent participant loans are reclassified as deemed distributions based upon the terms of the Plan document and loan agreement.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding increase in corrective distributions. The Plan distributed the 2021 excess contributions to the applicable participants prior to March 15, 2022.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid directly by the Plan and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statement of changes in net assets available for benefits. In addition, certain investment-related expenses are included in net appreciation or depreciation in fair value of investments and guaranteed investment contract interest.

3. TRUSTEE INFORMATION

The plan trustees are Barry Partlo and Waverly Barnes, an officer and an employee, respectively of the Company. The trustees have designated United of Omaha Life Insurance Company, agent for MG Trust Company, L.L.C., the custodian of the Plan, to hold the Plan's invested assets and to execute investment transactions through January 4, 2021. Effective January 5, 2021, the trustees have designated Great-West Trust Company, LLC as plan trustee and Empower Retirement, LLC as recordkeeper.

4. CUSTODIAN AGREEMENT

The appointed custodians of the Plan's assets is United of Omaha Life Insurance Company, agent for MG Trust Company, L.L.C. (through January 4, 2021) and Great-West Trust Company, LLC. (as of January 5, 2021). In addition to executing investment transactions, the custodian agreement provides for the administration of the Plan as it pertains to contributions and benefit payments upon the direction and request of the Plan administrators.

5. FAIR VALUE MEASUREMENTS

The Plan follows FASB ASC 820, *Fair Value Measurements*, which defines fair value as the price that would be received from selling an asset in an orderly transaction between market participants at the measurement date. When determining the fair value measurements for assets required to be recorded at fair value, the Plan considers the principal or most advantageous market in which it would transact and considers assumptions that market participants would use when pricing the asset or liability, such as inherent risk, transfer restrictions, and risk of nonperformance.

FASB ASC 820 also establishes a fair value hierarchy that requires the Plan to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The categorization of each investment type within the fair value hierarchy is based upon the lowest level of input that is significant to the fair value measurement.

FASB ASC 820 establishes three levels of inputs that may be used to measure fair value: Level 1: Quoted prices in active markets for identical assets or liabilities at the measurement date; Level 2: Inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices in active market for similar assets or liabilities, quoted prices for identical or similar assets or liabilities in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities; or Level 3: Unobservable inputs that are supported by little or no market activity and that reflect the Plan's own assumptions about market participants and prices. However, in accordance with ASC 820-10, certain investments measured at fair value using the net asset value per share (or its equivalent) practical expedient are not classified in the fair value hierarchy (see Pooled Separate Accounts note below).

Investment Valuation

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Pooled Separate Accounts

Valued at the net asset value ("NAV") of units of a fund. The NAV is based on the fair value of the underlying mutual funds registered with the Securities and Exchange Commission held by the fund, as determined by quoted prices of identical assets in an active market, less its liabilities. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the pooled separate account, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

Mutual Funds

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

6. INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN

The Plan administrator has elected the method of annual reporting compliance permitted by ERISA section 103(a)(3)(c) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by United of Omaha Life Insurance Company, agent for MG Trust Company, L.L.C. and Great-West Trust Company, LLC, qualified institutions, except for comparing such information certified by the qualified institutions to information included in the Plan's financial statements and supplemental schedule.

	<u>2021</u>	<u>2020</u>
Mutual fund accounts	\$ 11,823,037	\$ -
Pooled separate accounts	-	9,596,714
Insurance company general accounts	-	655,350
Notes receivable from participants	229,930	158,826
Interest on notes receivable from participants	9,174	N/A
Net investment income (loss)	1,241,714	N/A

7. GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan has a fully benefit-responsive investment contract with United of Omaha Life Insurance Company ("United") totaling \$655,350 at December 31, 2020. United maintains the contributions in a pooled separate account held as a part of United's general asset account. United guarantees the principal of contributions and the interest earned on those contributions, for participant-initiated transactions.

Because the investment contract is fully benefit-responsive, contract value is the relevant measurement attributable for that portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract value, as reported by United, represents the value of the fund as of the last business day in the plan year plus any accrued interest through the last day of the plan year.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events are limited to employer initiated events, including, but not limited to, a merger, layoffs, bankruptcy and a full or partial Plan termination. Additionally, if the Plan administrator chooses to offer a "Competing Fund" (a fund with similar investment strategy) for participant investment outside of the United contract offerings, participant's transfers must be held by another United investment for 90 days prior to the transfer being completed. In addition, if an unusually high volume of participant directed transfers or withdrawals occur United could conclude that an employer initiated event has taken place.

If an employer initiated event took place a liquidation charge could be assessed against the participant's account prior to the distribution being processed. The liquidation charge is calculated based on terms of the insurance contract. In addition, United reserves the right to delay payment of the contract account balance held in the Guaranteed Account for up to 6 months if an employer initiated event took place. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date. The Plan's administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

7. GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY (Continued)

The average yield for the year ending December 31, 2020 was approximately 0.92%.

On January 6, 2021 all funds from the investment contract with United were transferred to mutual funds.

8. PLAN TERMINATION

Although the Company intends to continue the Plan, it reserves the right to amend or terminate the Plan at any time subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their account balances.

9. INCOME TAX STATUS

Effective January 5, 2021, the Company adopted Great-West Trust Company's Defined Contribution Prototype Plan and Trust which received a favorable opinion letter from the Internal Revenue Service (IRS) on March 31, 2014 which stated that the Plan is designed in accordance with applicable sections of the Internal Revenue Code. Effective September 23, 2021, the Company adopted Great-West Trust Company, LLC's Defined Contribution Pre-Approved Plan which received a favorable opinion letter from the IRS on June 30, 2020 which stated that the Plan is designed in accordance with applicable sections of the Internal Revenue Code. Plan's administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

10. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Great-West Life & Annuity Insurance Company, also referred to as Empower, is the recordkeeper of the Plan; therefore, transactions between the Plan and the recordkeeper qualify as party-in-interest transactions. For the year ended December 31, 2021 Great-West Life & Annuity Insurance Company was paid \$21,779, for plan administration.

First Citizens Bank and Trust provides investment advice to the Plan Sponsor and participants, therefore, they are a party-in-interest to the Plan. For year ended December 31, 2021 the Plan paid direct compensation of \$27,500 to First Citizen's Bank and Trust.

Advised Assets Group, LLC provides investment management services through Empower; therefore, they are a party-in-interest to the Plan. For the year ended December 31, 2021 Advised Assets Group, LLC was paid \$250 for investment management services.

11. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

12. CARES ACT

During 2020, as permitted by the Coronavirus Aid, Relief, and Economic Security Act (CARES Act), required minimum distributions were suspended.

13. SUBSEQUENT EVENTS

For the year-ended December 31, 2021, the Plan Sponsor evaluated subsequent events for potential recognition and disclosure through October 4, 2022, the date of financial statement issuance.

Subsequent to year end, the Plan's investments experienced significant decreases in market value due to market fluctuations. The long-term impact of this matter is not presently determinable and, as a result, no adjustment has been made to these financial statements.
