Report of Independent Auditor

To the Profit Sharing Administrative Committee
Heritage Group Profit Sharing Plan
Charlotte, North Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Heritage Group Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule of Delinquent Participant Contributions – Form 5500, Schedule H, Part IV, Line 4a for the year ended December 31, 2021, and Schedule of Assets (Held at End of Year) – Form 5500, Schedule H, Part IV, Line 4i, as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Heritage Group Profit Sharing Plan. As permitted by 29 CFR 2520.103-8 of DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 8, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion and, accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements, other than that derived from the certified information, were presented in compliance with DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

HERITAGE GROUP PROFIT SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

Note 1—Description of the Plan

The following description of the Heritage Group Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Summary Plan Description for a more complete description of the Plan’s provisions.

General – The Plan is a defined contribution plan established by Heritage Encon Group, Inc. and Subsidiaries Atlantech, Inc.; Unitherm, Inc.; and UTX, Inc. (collectively the “Company” or “Employer” or “Plan Sponsor”) on December 20, 1943, which was most recently amended and restated effective February 4, 2021 to be in compliance with current rules and regulations. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Administration – The Plan is administered by the Company, which serves without compensation. The Plan administrator has the overall responsibility and authority as the named fiduciary to manage and control the operations and administration of the Plan and may designate one or more individuals to perform those responsibilities. The Company has outsourced the recordkeeping function of the Plan to Great-West Trust Company, LLC (the “Custodian”).

Eligibility – All employees excluding collective bargaining (union) and non-resident alien employees of the Company who work 1,000 hours or more a year are eligible to participate in the Plan upon completion of one year of service and the attainment of 21 years of age. Participants must be employed by the Company on the last day of the Plan year to be eligible for any Employer contribution.

Contributions – Eligible hourly employees may elect to contribute up to 100% of their pre-tax compensation, as defined in the Plan, up to the maximum limits provided under the Internal Revenue Code (“IRC”). Employee contributions are recognized in the period in which they are deducted from employees’ pay. The Company matches 25% to 50% of the first 6% of eligible compensation contributed by participants to the Plan depending on years of service. The Employer-match contribution was \$71,299 for the year ended December 31, 2021.

For eligible salaried employees, the Company makes an annual profit-sharing contribution to the Plan at the discretion of the Company’s Board of Directors. The profit-sharing contribution is allocated to participants in the same ratio as a participant’s compensation bears to the total compensation of all participants. The Employer discretionary profit-sharing contribution was \$294,425 for the year ended December 31, 2021.

The total Employer contribution receivable was \$365,724 and \$356,100 as of December 31, 2021 and 2020, respectively. Contributions are subject to certain limitations. Participant contributions are not permitted for salaried employees under the provisions of the Plan document. The Plan does not allow for catch-up contributions.

Rollovers – Employees may rollover eligible amounts from other qualified plans.

Participant Accounts – Each participant’s account is credited with participant contributions and Company matching, if applicable, and an allocation of Company profit-sharing contributions and Plan earnings and charged with payment of benefits and an allocation of Plan losses based on account balances, as defined. Each salaried participant who is employed by the Company as of the end of the Plan year and meets the eligibility requirements participates in the allocation of the Company’s profit-sharing contributions and of forfeitures of terminated participants’ nonvested accounts.

Investment Options – Participants direct the investment of contributions into various investment options offered by the Plan. As of December 31, 2021, the Plan offers mutual funds and a stable value fund as investment options for participants. Participants may change or transfer their investment options at any time via telephone or the Internet.

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

Note 1—Description of the Plan (continued)

Vesting – Participants are immediately vested in their contributions and the earnings thereon. Participants are vested in Employer contributions based on years of continuous service. A participant is 100% vested after six years of credited service or upon death or attainment of their normal retirement date, as defined by the Plan document. Vesting percentages are based upon the following schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 2 years	0%
2 years but less than 3 years	20%
3 years but less than 4 years	40%
4 years but less than 5 years	60%
5 years but less than 6 years	80%
6 years or more years	100%

Notes Receivable from Participants – Participants may borrow from their accounts a minimum of \$2,500 up to a maximum equal to the lesser of \$50,000 reduced by their highest outstanding loan balance during the preceding 12-month period or 50% of their vested account balance. Participants may have up to two notes outstanding at one time and the notes are secured by the balance in the participant's account. The notes bear fixed interest rates commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest are paid ratably through payroll deductions. Loan terms range from 1 to 10 years.

Payment of Benefits – Upon termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum distribution or installment payments equal to the value of the participant's vested account balance. If the participant's vested balance does not exceed \$5,000, the Plan requires a lump-sum distribution. Upon termination of service for other reasons, distribution of the value of the participant's vested interest in his or her account will begin as soon as possible after the participant's request. Withdrawals prior to attaining age 59½ are not permitted, except in the event of disability. Certain income tax penalties may apply to withdrawals or distributions prior to age 59½.

Forfeitures – Forfeited nonvested accounts related to profit-sharing contributions are reallocated to eligible participants. Forfeited nonvested accounts related to matching contributions reduce future matching contributions. As of December 31, 2021 and 2020, forfeited nonvested accounts derived from Company profit-sharing contributions totaled \$24,417 and \$18,129, respectively. During the year ended December 31, 2021, \$21,631 of forfeited nonvested accounts were reallocated to eligible profit-sharing participants. The forfeited, nonvested balances related to matching contributions totaled \$2,786 and \$431 as of December 31, 2021 and 2020, respectively. During the year ended December 31, 2021, no forfeitures were used to offset matching contributions.

Note 2—Summary of significant accounting policies

Basis of Presentation – The accompanying financial statements have been prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates – The preparation of financial statements in conformity with U.S. GAAP requires Plan management to make estimates and assumptions that affect certain reported amounts of net assets available for benefits and changes therein. Accordingly, actual results could differ from those estimates.

HERITAGE GROUP PROFIT SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

Note 2—Summary of significant accounting policies (continued)

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Investment Valuation and Income Recognition – The Plan's investments are stated at fair value. The net appreciation in the fair value of investments, as reflected in the statement of changes in net assets available for benefits, consists of the gains and losses of those investments.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned. Dividends are recorded on the ex-dividend date.

Administrative Expenses – All administrative expenses related to the administration and operation of the Plan are paid by the Company.

Payment of Benefits – Benefit payments to participants are recorded upon distribution.

Risks and Uncertainties – The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect the amounts reported in the financial statements.

Fair Value Measurements – U.S. GAAP defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction value hierarchy which requires an entity to maximize the use of observable inputs when measuring fair value.

U.S. GAAP describes three levels of inputs that may be used to measure fair value:

Level 1 – Inputs to the valuation methodology are quoted prices available in active markets for identical investments as of the reporting date;

Level 2 – Inputs to the valuation methodology are other than quoted prices in active markets, which are either directly or indirectly observable as of the reporting date, and fair value can be determined through the use of models or other valuation methodologies; and

Level 3 – Inputs to the valuation methodology are unobservable inputs in situations where there is little or no market activity for the asset or liability and the reporting entity makes estimates and assumptions related to the pricing of the asset or liability including assumptions regarding risk.

HERITAGE GROUP PROFIT SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

Note 2—Summary of significant accounting policies (continued)

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The following are descriptions of the valuation methodologies used for instruments measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy.

Mutual Funds – These investments are public investment vehicles valued using the net asset value (“NAV”) provided by the administrator of the fund. NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. NAV is a quoted price in an active market and classified within Level 1 of the valuation hierarchy.

Stable Value Fund – This investment uses NAV provided by the administrator of the fund. NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. The fair value of the stable value fund is stated at NAV as a practical expedient.

The Plan believes its valuation methods are appropriate and consistent with other market participants; however, the use of methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 3—Information certified by the Custodian (unaudited)

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Great-West Trust Company, LLC, the qualified institution, has certified the following data included in the accompanying financial statements and supplemental schedules as complete and accurate:

- Investments, at fair value and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2021 and 2020.
- Net appreciation in fair value of investments, dividends and interest, and interest income on notes receivable from participants, as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2021.
- Schedule of Assets (Held at End of Year) – Form 5500, Schedule H, Part IV, Line 4i, as of December 31, 2021.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedules.

Note 4—Stable value fund

The Plan invests in the Stable Return Signature Fund (the “Fund”), a collective investment trust which invests in investment contracts with Wells Fargo Bank, N.A. (the “Bank”). An investment contract is a contract issued by a financial institution to provide a stated rate of return to the buyer of the contract for a specified period of time. The Bank maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Fair value represents contributions made under the contract, plus accrued interest, less participant withdrawals.

HERITAGE GROUP PROFIT SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

Note 4—Stable value fund (continued)

Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at NAV. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The guaranteed investment contract generally does not permit the Bank to terminate the agreement prior to the scheduled maturity date.

Certain events limit the Plan's ability to transact at NAV with the Bank. Such events include, but are not limited to, the following: (a) material amendments to the Fund's structure or administration; (b) changes to the participating plans' competing investment options (including the elimination of equity wash provisions); (c) complete or partial termination of the Fund (including a merger with another fund); (d) the failure of the Fund to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA; (e) the redemption of all or a portion of the interests in the Fund held by a participating plan at the direction of the participating plan sponsor (for example, the closing or sale of a subsidiary, employing unit, or affiliate); (f) any change in law, regulation, ruling, administrative or judicial position, or accounting requirement, applicable to the Fund or participating plans; and (g) the delivery of any communication to plan participants designed to influence a participant not to invest in the Fund. The Plan does not believe any events that would limit the Fund's ability to transact at NAV with Plan participants are probable of occurring.

The Bank has purchased a wrapper contract to protect the Fund in extreme circumstances. The wrap issuer has agreed to pay the Fund the difference between the book value and the market value of the covered assets once the Fund's market value has been totally exhausted.

Note 5—Fair value measurements

The Plan's financial instruments carried at fair value are classified by the following fair value hierarchy levels as of December 31:

	2021				
	Level 1	Level 2	Level 3	Other ^(a)	Total
Mutual funds	\$ 10,719,393	\$ -	\$ -	\$ -	\$ 10,719,393
Stable value fund	-	-	-	691,431	691,431
Total investments, at fair value	\$ 10,719,393	\$ -	\$ -	\$ 691,431	\$ 11,410,824

	2020				
	Level 1	Level 2	Level 3	Other ^(a)	Total
Mutual funds	\$ 9,745,791	\$ -	\$ -	\$ -	\$ 9,745,791
Stable value fund	-	-	-	648,984	648,984
Total investments, at fair value	\$ 9,745,791	\$ -	\$ -	\$ 648,984	\$ 10,394,775

^(a) The Fund has no unfunded commitments, redemption frequency restrictions, or other redemption restrictions. The Fund seeks safety of principal and consistency of returns while attempting to maintain minimal volatility. Certain investments that are measured at fair value using NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

HERITAGE GROUP PROFIT SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

Note 6—Party-in-interest transactions

Certain Plan investments are shares of mutual funds managed by Great-West Trust Company, LLC. Great-West Trust Company, LLC is the Custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. However, these transactions are exempt from the prohibited transaction rules under ERISA. Notes receivable from participants also qualify as party-in-interest transactions.

Note 7—Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination, participants will become fully vested in their accounts and the accounts shall be distributed to the participants or their beneficiaries under the terms of the Plan document.

Note 8—Tax status

The Company has adopted a non-standardized form for a prototype plan sponsored by the Custodian. The Internal Revenue Service ("IRS") informed the prototype plan by a letter dated June 30, 2020, that the prototype plan and related trust constitutes a qualified plan and trust under the applicable sections of the IRC. The prototype plan has been amended since receiving the determination letter. However, the Plan Sponsor believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and has no income subject to business income tax and, therefore, the Plan and related trust continue to be tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Plan management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to audit by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 9—Subsequent events

The Plan has evaluated subsequent events through October 7, 2022 in connection with the preparation of these financial statements, which is the date the financial statements were available to be issued.

During 2021, the Employer failed to timely remit to the Plan's qualified institution participant contributions totaling \$9,065, within the period prescribed by DOL's regulations. The Employer has estimated the missed earnings for this time period to be approximately \$16 and will remit this amount to the Plan to compensate the impacted participants for potential lost income due to the delays.
