Independent Auditors' Report

To the Trustee
Washington Real Estate Investment Trust Employees' 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Washington Real Estate Investment Trust Employees' 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits - modified cash basis as of December 31, 2021, and the related statement of changes in net assets available for benefits - modified cash basis for the year then ended, and the related notes to the financial statements ("2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting described in Note 2.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Washington Real Estate Investment Trust Employees' 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting, this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Washington Real Estate Investment Trust Employees' 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Washington Real Estate Investment Trust Employees' 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Washington Real Estate Investment Trust Employees' 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year), as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Washington Real Estate Investment Trust Employees' 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 4, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

WASHINGTON REAL ESTATE INVESTMENT TRUST EMPLOYEES' 401(K) PLAN

Notes to Financial Statements Modified Cash Basis

December 31, 2021 and 2020

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Washington Real Estate Investment Trust Employees' 401(k) Plan ("the Plan") provides only general information. Participants should refer to the plan document and any amendments thereto for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution profit sharing plan covering all full-time and part-time employees of Washington Real Estate Investment Trust ("WashREIT", or "the Company").

Contributions - Participants who meet the age and service requirements can defer up to 100 percent of their eligible compensation to the Plan, up to the maximum established by law. The Plan also allows for catch up contributions by employees aged 50 years and older before the end of the Plan year. The Plan also allows for Roth 401(k) deferrals. Participants may also contribute amounts representing distributions from other qualified plans, as defined in the Plan's provisions (rollover contributions). Participants direct the investment of their contributions into various investment options offered by the Plan. For eligible employees electing to participate, WashREIT may make a discretionary matching contribution to the Plan. During 2021, no discretionary employer matching contribution was made.

Effective January 1, 2016, WashREIT elected the provisions of a Qualified Automatic Contribution Arrangement ("QACA") safe harbor plan. Under these provisions, all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 6 percent of eligible compensation with escalations of 1 percent per year thereafter, up to 10 percent. These contributions are invested in a designated fund until changed by the participant. Employer contributions under the QACA safe harbor plan are 100 percent of a participant's elective deferrals that do not exceed 1 percent of the participant's eligible compensation, plus 50 percent of the next 5 percent of the participant's eligible compensation contributed to the Plan.

In addition, WashREIT may make a non-elective profit sharing contribution to the Plan. Participation in the profit sharing contribution is applicable only to those eligible employees who have completed 501 hours of service or more within six consecutive months after the employee's employment commencement date, as defined in the Plan. For the year ended December 31, 2021, no non-elective profit sharing contribution was made.

Contributions are subject to certain Internal Revenue Service ("IRS") limitations.

Participant Accounts - Each participant's account is credited with the participant's contributions, including amounts rolled over from other qualified plans, and WashREIT's matching and non-elective profit sharing contributions, if any, and plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined in the plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants are immediately vested in their elective deferral contributions and rollover contributions, plus actual earnings thereon. Vesting in WashREIT's contributions is based on years of continuous service. Participants become fully vested upon attainment of normal retirement age, total disability, or death.

Prior to January 1, 2016, participants vested in their employer non-elective profit sharing contributions ratably over five years, beginning with the second year of Plan participation. Effective January 1, 2016, participants are fully vested in their discretionary employer matching contributions, and QACA safe harbor matching contributions, ratably over two years beginning with their first year of participation in the Plan.

WASHINGTON REAL ESTATE INVESTMENT TRUST EMPLOYEES' 401(K) PLAN

Notes to Financial Statements Modified Cash Basis

December 31, 2021 and 2020

NOTE 1 - DESCRIPTION OF PLAN - CONTINUED

Participants that terminated prior to January 1, 2016 are vested in their employer contributions according to the Plan's prior vesting schedule, which was ratably over five years, beginning with the second year of Plan participation. Participants continue to vest in their employer non-elective profit sharing contributions ratably over five years, beginning with the second year of Plan participation.

Investment Options - Upon enrollment in the Plan and thereafter, a participant may direct his or her contributions, as well as the employer's contributions, into any of the available investment options. Participants may change the allocation of their accounts among the investment options at any time. The Plan currently offers various mutual funds and a collective trust as investment options for participants.

Notes Receivable from Participants - A participant may borrow from his or her account a minimum of \$1,000 up to a maximum equal to the lesser of (i) \$50,000 reduced by the highest outstanding balance of any prior loans from the Plan during the prior one-year period, or (ii) 50 percent of the participant's vested account balance. Repayment terms generally cannot exceed five years except where the loan is for the purchase of the participant's primary residence in which case the loan cannot exceed twenty years. The notes are secured by the vested balance in the participant's account and bear interest at the prime rate plus 1.0 percent. As of December 31, 2021 and 2020, outstanding notes bear interest at rates ranging from 4.25 percent to 6.50 percent. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits - Upon termination of service and at any point in time thereafter, a participant, or his or her designated beneficiary, may receive the value of the vested interest in his or her account as a lump sum distribution. Participants may also elect to withdraw from their accounts in the event of proven financial hardships. In the event a distribution is taken due to a proven financial hardship, the participant is prohibited from making salary deferrals to the Plan for a period of six months following the hardship distribution.

Upon termination of service, if the vested value of a participant's account is less than \$5,000, his or her account will be distributed in a single lump-sum payment with or without consent. If the vested value of a participant's account exceeds \$5,000, he or she must consent to a distribution and can elect to receive either a lump-sum amount, have the entire distribution paid in a direct rollover to another qualified plan, or a combination of the above.

Forfeited Accounts - The Company maintains separate forfeiture accounts with Fidelity Management Trust Company ("Fidelity"), the plan trustee. When an employee terminates prior to full vesting, the Plan's cumulative unvested discretionary matching and non-elective profit sharing contributions made on behalf of the participant, as well as earnings thereon, are transferred to the Plan's forfeiture account. Forfeitures occur at the earlier of the last day of the Plan year in which the participant incurs five consecutive one-year breaks in service, or the distribution of the entire vested portion of the participant's account.

Under the terms of the Plan, forfeitures may be used to reduce any employer contributions, or may be reallocated to the other active participants. At December 31, 2021 and 2020, forfeited accounts totaled \$6,357 and \$10,746, respectively. In 2021, employer contributions were reduced by \$15,118 from forfeited nonvested accounts.

Basis of Accounting - The accompanying financial statements are presented on the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America ("U.S. GAAP"). Accordingly, the financial statements are not intended to present the net assets available for benefits and changes in net assets available for benefits of the Plan in accordance with U.S. GAAP. Contributions and investment income are recognized when received, and disbursements are recognized when made. Investments are reflected at fair value.

Had the financial statements been prepared in accordance with U.S. GAAP, the effect would not be material to the net assets available for benefits as of December 31, 2021 and 2020.

WASHINGTON REAL ESTATE INVESTMENT TRUST EMPLOYEES' 401(K) PLAN

Notes to Financial Statements Modified Cash Basis

December 31, 2021 and 2020

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Use of Estimates - The preparation of financial statements using the modified cash basis of accounting requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from estimated amounts.

Investment Valuation and Income Recognition - Investments held by the Plan are reported at fair value, including the collective trust, which holds indirect investments in fully benefit-responsive investment contracts.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisors and custodian. See Note 3 for additional information related to fair value measurements.

The Plan's shares of mutual funds are valued at quoted market prices which represent the Net Asset Value ("NAV") of shares held by the Plan at each year end.

The collective trust includes investments in the Putnam Stable Value Fund ("Putnam SVF"). The fair values of participation units held in the Putnam SVF are based on NAV to reflect all Putnam SVF investments at fair value, including direct and indirect interests in fully benefit-responsive contracts. The Plan's management elected the practical expedient to use NAV in measuring the fair value. The Putnam SVF generally permits redemptions daily. If the fund experiences periods of insufficient liquidity then the Putnam SVF may defer honoring any payment request until liquidity is sufficient. The Plan is permitted to redeem investment units at NAV on the measurement date.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Purchases and sales of securities are recorded principally on a settlement-date basis. Interest and dividend income are recorded when received. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable from Participants - Notes receivable from participants are measured at the unpaid principal balances. Interest income is recorded when received. Related fees are recorded as administrative expenses and are expensed when they are paid. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Payment of Benefits - Benefits are recorded when paid.

Administrative Expenses - Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by WashREIT. Expenses that are paid by WashREIT are excluded from these financial statements. Fees related to the administration of notes receivable from participants and the processing of distributions are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation of fair value of investments.

NOTE 3 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification ("ASC") No. 820, Fair Value Measurements and Disclosures, (ASC 820) are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following table sets forth by level within the fair value hierarchy, the Plan's assets measured at fair value on a recurring basis as of December 31, 2021:

	December 31, 2021			
	Total	Level 1	Level 2	Level 3
Mutual funds	\$ 28,746,062	\$ 28,746,062	\$ -	\$ -

NOTE 3 - FAIR VALUE MEASUREMENTS - CONTINUED

The following table sets forth by level within the fair value hierarchy, the Plan's assets measured at fair value on a recurring basis as of December 31, 2020:

	December 31, 2020			
	Total	Level 1	Level 2	Level 3
Mutual funds	\$ 24,426,240	\$ 24,426,240	\$ -	\$ -

Total	\$ 25,558,786	\$ 24,426,240	\$ -	\$ -

- a) Certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table summarizes investments measured at fair value based on NAV, as practical expedient, per share as of December 31, 2021 and 2020, respectively.

	Fair Value		Unfunded Commitment	Redemption Frequency	Redemption Notice Period
	2021	2020

NOTE 4 - INFORMATION CERTIFIED BY TRUSTEE

The trustee has certified that certain information related to investments and notes receivable from participants included in the accompanying financial statements and supplemental schedule is complete and accurate.

The following table summarizes the information included in the Plan's financial statements, which was prepared by Fidelity for the years ended December 31, 2021 and 2020 and furnished to the plan administrator. The plan administrator has obtained a certification from the Trustee that such information is complete and accurate.

	2021	2020

NOTE 4 - INFORMATION CERTIFIED BY TRUSTEE - CONTINUED

For the year ended December 31, 2021, the trustee has also certified to the completeness and accuracy of the activity related to the investment income as follows:

Net appreciation in fair value of investments	\$	2,692,981
Interest and dividends		1,623,209
Interest income on notes receivable from participants		13,610

The Plan's investments in the Franklin Growth Fund and the T. Rowe Price Retirement 2040 Fund each comprised approximately 12 percent, of the Plan's net assets available for benefits as of December 31, 2021. The Plan's investments in the Franklin Growth Fund and the T. Rowe Price Retirement 2040 Fund comprised approximately 12 percent and 10 percent, respectively, of the Plan's net assets available for benefits as of December 31, 2020. No other investments represented a significant concentration of net assets available for benefits as of December 31, 2021 and 2020.

NOTE 5 - INVESTMENTS IN PUTNAM STABLE VALUE FUND

The Plan holds investments in the Putnam Stable Value Fund ("the Fund"), a fund established and maintained by Putnam Fiduciary Trust Company ("PFTC") as the Fund's Trustee. PFTC has hired its affiliate, The Putnam Advisory Company, to provide certain non-discretionary investment advisory and administrative services to PFTC in connection with the Fund. The Fund invests in high-quality guaranteed investment contracts ("GICs") and similar contracts issued by insurance companies, banks, and other financial institutions. The Fund also invests up to 75 percent of its assets in security backed investment contracts, including separate pooled account products of insurance companies. The Fund strives to maintain at least 5 percent of its assets in high-quality money market instruments, cash, cash equivalents and stable value funds with investment policies and other provisions similar to those of the Fund and may invest without limit on these investments.

NOTE 6 - RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

WashREIT is the sponsor of the Plan, and as such, executes the normal duties associated therewith. Costs incurred for audit, legal, and other administrative functions are paid by the plan sponsor on behalf of the Plan. There were no non-exempt financial transactions recorded between the plan sponsor and the Plan. Notes receivable from participants also qualify as exempt party-in-interest transactions.

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits - modified cash basis.

In March 2020, the World Health Organization declared COVID-19 a global pandemic. The effects of COVID-19 are evolving, and the full impact and duration of the virus are unknown. The financial impact from COVID-19 cannot be reasonably estimated at this time, but could negatively impact the Plan.

WASHINGTON REAL ESTATE INVESTMENT TRUST EMPLOYEES' 401(K) PLAN

Notes to Financial Statements Modified Cash Basis

December 31, 2021 and 2020

NOTE 7 - RISKS AND UNCERTAINTIES - CONTINUED

On March 27, 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security ("CARES") Act. The CARES Act provided temporary relief for retirement plan sponsors and their participants with respect to employer contributions, distributions, and participant loans. The provisions of the CARES Act are effective and operationalized immediately, prior to amending the plan document. Plan Management has approved the implementation of certain relief provisions included in the CARES Act, including suspending loan repayments due between March 27, 2020 and December 31, 2020 by twelve months, allowing Coronavirus-related distributions up to \$100,000 to be taken without an early-withdrawal penalty, and waiving required minimum distributions in 2020. The future effects of these provisions on the Plan's net assets available for benefits are uncertain.

NOTE 8 - PLAN TERMINATION

Although it has not expressed any intent to do so, WashREIT has the right under the Plan to suspend or discontinue its contributions at any time and to terminate the Plan in whole or in part subject to the provisions of ERISA. In the event of complete or partial plan termination, participants will become 100 percent vested in their accounts.

Under ERISA, a partial plan termination may occur if a significant percentage of the plan participants are terminated due to actions taken by the plan sponsor. In 2021, the plan sponsor sold certain assets which resulted in a reduction in its workforce. The reduction resulted in a partial plan termination and the affected participants became fully vested in their account balances at the termination date.

NOTE 9 - INCOME TAX STATUS

Effective October 9, 2019, the Plan adopted a volume submitter plan sponsored by Fidelity. The volume submitter plan has received an opinion letter from the IRS as to the volume submitter plan's qualified status. Effective June 22, 2021, the Plan adopted an amended and restated volume submitter plan sponsored by Fidelity. The volume submitter plan has received an opinion letter from the IRS as to the volume submitter plan's qualified status. The volume submitter plan opinion letter has been relied upon by this Plan. The plan administrator believes that the Plan is designed and is being operated in compliance with the applicable provisions of the IRC.

U.S. GAAP requires the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 10 - SUBSEQUENT EVENTS

In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through the report date of these financial statements, the date the accompanying financial statements were available to be issued.
