Independent Auditor's Report

Administrative Committee
HB Global 401(k) Plan
Harrisburg, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of HB Global 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statement comprise the statements of net assets available for benefits as of December 31, 2021 and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the 2021 financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of, and for the year then ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year from issuance.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

Other Matter

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets held at end of year are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to, or is derived from, the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated August 25, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

HB GLOBAL 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2021
(with comparative information at December 31, 2020)

1. Description of the Plan and summary of significant accounting policies:

The following description of HB Global 401(k) (the Plan), previously known as H.B. McClure Company Employees' Profit Sharing Plan, is provided for general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General:

The Plan was established on April 1, 1978 as a defined contribution plan. The Plan covers substantially all employees of the Company. Employees become eligible to participate in the Plan on the January 1, April 1, July 1 or October 1 after the date upon completion of three months of employment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

In 2019, the Company acquired North Shore Mechanical Contractors, Inc (NSMC) which had a 401(k) Retirement Plan. The NSMC 401(k) merged with the Plan effective January 6, 2020. Effective January 1, 2020, all eligible participants of NSMC were enrolled in the Plan on such date and retained their prior service for purposes of determining eligibility and years of service for the Plan.

Effective January 1, 2020, Spectrum Mechanical and Service Contracts, LLC (Spectrum) was acquired by the Company. The Spectrum 401(k) Plan merged with the Plan and became a participating employer in the Plan effective October 1, 2020. All eligible participants were enrolled in the Plan on such date and retained their prior service for purposes of determining eligibility and years of service for the Plan.

Effective September 4, 2020, William R. Nash, LLC (WR Nash) was acquired by the Company. The WR Nash 401(k) Plan merged with the Plan and became a participating employer in the Plan effective January 1, 2021. All eligible participants were enrolled in the Plan on such date and retained their prior service for purposes of determining eligibility and years of service for the Plan.

Effective March 31, 2021, Nash Mechanical, Inc. was acquired by the Company. The Nash Mechanical, Inc. 401(k) Plan merged with the Plan and became a participating employer in the Plan effective July 30, 2021. All eligible participants were permitted to enter the Plan on July 1, 2021 and retained their prior service for purposes of determining eligibility and years of service for the Plan.

Effective July 15, 2021, the Plan sponsorship was transferred from H.B. Global, LCC to HBG, Inc (the Company).

Contributions:

401(k) elective deferral contributions - Eligible participants may elect to defer up to 80% of their annual compensation into the Plan. No more than the Internal Revenue Service permissible amount may be contributed in any calendar year. All eligible employees are automatically enrolled in the Plan with a 4% deferral contribution unless they elect otherwise.

1. Description of the Plan and summary of significant accounting policies (continued):

Contributions:

Employer profit sharing contributions - The Company may also contribute to the Plan, for each Plan year, a profit sharing amount determined by its Board of Directors at its sole discretion. With the exception of the one-time special profit sharing contribution discussed below, no additional profit sharing contribution was offered in 2021 or 2020.

Prevailing wage contributions - The Plan also allows Company contributions on behalf of a participant under the Davis-Bacon Act and state prevailing wage laws.

Participant accounts:

Each participant's account is credited or charged with the participant's contribution and an allocation of: 1) the Company's discretionary matching and profit sharing contributions and prevailing rate wage contribution, 2) Plan earnings or losses and 3) certain administrative expenses. Allocations are based upon participant account balances, compensation or hours worked, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

The Plan also provides for the participants to self-direct the investment of their individual account balances.

Vesting:

Participants are immediately vested in their contributions, rollover contributions and the prevailing rate wage contribution, plus actual earnings thereon. Vesting in the remainder of their accounts is based on years of service. A participant is 100% vested after six years of credited service or upon death or disability.

Notes receivable from participants:

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their account balance. Loan terms range from one to five years or may be greater than five years, for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with the local prevailing prime rate plus 1% as determined by the Plan Administrator at the time of the loan. Principal and interest are paid ratably through weekly installments.

1. Description of the Plan and summary of significant accounting policies (continued):

Notes receivable from participants:

Under the Coronavirus Aid, Relief, and Economic Security Act (CARES Act), participants were able to borrow up to a maximum equal to the lesser of $100,000 or 100% of their account balance for loans made between March 27, 2020, and September 22, 2020. The CARES Act also allowed for the suspension of loan payments due from March 27, 2020, through December 31, 2020 for up to one year, though interest continued to accrue on the owed balance.

Payment of benefits:

On termination of service, participants are entitled to receive a lump-sum distribution.

Alternatively, effective December 1, 2017, participants may elect to receive monthly installment payments, as an optional form of payment, over a period of years that meets the distribution requirements in accordance with Plan provisions.

Benefits are recorded when paid.

Forfeitures:

Forfeitures resulting from terminated participants shall be used to, first, reduce the administrative expenses, and then the employer's contributions.

Plan termination:

Although it has not expressed any intention to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions set forth by ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Basis of presentation:

The accompanying financial statements have been prepared on the accrual basis of accounting.

Income and contribution recognition:

Gains and losses on sales are recognized when realized, while unrealized gains and losses on investments are recognized as they occur. Contributions and investment income are recorded on the accrual basis.

1. Description of the Plan and summary of significant accounting policies (continued):

Notes receivable from participants:

Notes receivable from participants are stated at their unpaid principal balance, plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Valuation of investments:

Money market funds and mutual funds are stated at fair value as determined by quoted market prices.

Certain investments in Schwab Personal Choice Retirement Accounts, self-directed brokerage accounts, are valued based on the quoted market values of the underlying securities which are comprised of mutual funds, common stock and exchange-traded funds. Another certain investment, corporate debt, is valued based on yields currently available on comparable securities of issuers with similar credit ratings.

Benefits:

Benefits are recorded as a deduction during the period participants are entitled to receive payment, which generally is the period when benefits are paid.

Administrative expenses:

The Plan's administrative services and custodial (including investment management) expenses are paid directly from Plan assets. Forfeitures can be used to offset the expenses of the Plan. Fees related to the administration of notes receivable from participants are charged directly to the participant's account. Fees related to the administration of participant benefit payments are charged directly to the participant's account. Administrative expenses paid by the Plan are included in administrative expenses on the statement of changes in net assets available for benefits. Certain fees incurred by the Plan for the investment management services or recordkeeping are included in net appreciation in fair value of investments, as they are paid through revenue sharing, rather than a direct payment. Remaining Plan expenses are paid directly by the Company and are excluded from these financial statements.

Use of estimates:

The preparation of financial statements in accordance with generally accepted accounting principles requires the Plan's management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Accordingly, actual results may differ from those estimates.

1. Description of the Plan and summary of significant accounting policies (continued):

Impact of COVID-19 pandemic:

The 2019 novel coronavirus (COVID-19) pandemic sparked a global health and economic crisis. The impact resulting from the COVID-19 pandemic on the Plan is uncertain and will depend on future developments. In response to the COVID-19 pandemic, the CARES Act was signed into law in March 2020. The CARES Act contains several provisions that temporarily impact retirement savings plans. These provisions were effective and operationalized appropriately, prior to amending the Plan. Written amendments to the Plan are pending and will be executed within the time frame required by law.

2. Plan asset transfers:

Effective January 1, 2021, the WR Nash Plan merged with the Plan. Effective July 30, 2021, the Nash Mechanical, Inc. 401(k) Plan merged with the Plan.

The Plan was amended in 2021 so that any employee who had a cash balance in the BBEC Employee Stock Ownership Plan (ESOP) that merged with, and into the HB Global ESOP, and had not been credited with any hours of service after August 1, 2018, had their remaining ESOP cash balance transferred to the Plan.

Participants who are also participants in the HB Global ESOP and who are eligible to diversify their ESOP account, may transfer their diversification amounts to their 401(k) account.

The net assets available for benefits transferred into the Plan in 2021 from these transactions were as follows:

WR Nash	$ 10,125,685
Nash Mechanical, Inc.	409,426
BBEC Employee Stock Ownership Plan	435,258
HB Global Employee Stock Ownership Plan	287,959
Total assets transferred into the Plan	$ 11,258,328

Effective January 6, 2020, the NSMC Plan merged with the Plan. Effective October 1, 2020, the Spectrum Plan merged with the Plan.

2. Plan asset transfers (continued):

The net assets available for benefits transferred into the Plan in 2020 from these transactions were as follows:

NSMC	$ 4,921,870
Spectrum	262,979
Total assets transferred into the Plan	$ 5,184,849

3. Certification of Plan assets and transactions:

The Plan's investments are held by Charles Schwab Bank, the custodian. Investment information disclosed in the accompanying financial statements and schedule of assets held at end of year, specifically investments held at December 31, 2021 and 2020, and money market interest, dividends and net appreciation of fair value of investments for the year ended December 31, 2021, was obtained, or derived from, information supplied to the Plan administrator and certified as complete and accurate by the custodian.

The Plan had a pending trade reported on its certified investment statement as of December 31, 2021. The net impact of these pending trades was reported on the settlement basis in 2022 and did not impact the Plan assets held by the custodian as of December 31, 2021.

4. Fair value measurement:

The Plan ranks investments required to be reported at fair value in a three-level hierarchy for fair value measurements based upon the transparency of inputs to the valuation of an asset. Inputs may be observable or unobservable and refer broadly to the assumptions that market participants would use in pricing the asset. Observable inputs reflect the assumptions market participants would use in pricing the asset based on market data obtained from sources independent of the reporting entity. Unobservable inputs reflect the reporting entity's own assumptions about the assumptions that market participants would use in pricing the asset developed based on the best information available in the circumstances. The three levels of the fair value hierarchy are described below:

Level 1 – Quoted prices in active markets for identical investment.

Level 2 – Other significant observable inputs (including quoted prices for similar investments, interest rates, prepayment speeds, credit risk, etc.).

Level 3 – Significant unobservable inputs (including the Plan's own assumptions in determining the fair value of investments). The Plan does not hold any Level 3 investments.

4. Fair value measurement (continued):

See Note 1 for a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021.

Assets reported at fair value and required to be disclosed according to the fair value measurement hierarchy at December 31, 2021 and 2020 were as follows:

		Fair value measurements using	
2021	Fair value	Level 1	Level 2
Interest-bearing cash, money market fund	$ 167,233	$ 167,233	
Mutual funds	65,807,981	65,807,981	
Schwab Personal Choice Retirement Accounts, self-directed brokerage accounts	5,237,992	4,615,673	$ 622,319
Total	$ 71,213,206	$ 70,590,887	$ 622,319
2020			
Interest-bearing cash, money market fund	$ 112,037	$ 112,037	
Mutual funds	47,917,009	47,917,009	
Schwab Personal Choice Retirement Accounts, self-directed brokerage accounts	5,116,317	4,535,331	$ 580,986
Total	$ 53,145,363	$ 52,564,377	$ 580,986

5. Income tax status:

On January 1, 2015, the Plan restated its Plan document under the Conrad Siegel Actuaries Volume Submitter Profit Sharing Plan (Volume Submitter Plan), with an effective restatement date of March 31, 2014. Conrad Siegel Actuaries received an opinion letter for this Volume Submitter Plan on March 31, 2014, in which the Internal Revenue Service stated that the Volume Submitter Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC).

5. Income tax status (continued):

The Plan has been amended and restated, however, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

6. Risks and uncertainties:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities could occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

7. Related party and party-in-interest transactions:

Certain Plan investments are managed by Charles Schwab Bank. Charles Schwab Bank is the custodian as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for custodial services are included in administrative expenses on the statement of changes in net assets available for benefits. Certain fees incurred by the Plan for the investment management services or recordkeeping are included in net appreciation in fair value of investments, as they are paid through revenue sharing, rather than a direct payment. Additionally, notes receivable from participants are considered related party transactions.

8. Concentrations:

Three investments accounted for approximately 56% and 54% of investments at December 31, 2021 and 2020, respectively.

9. Subsequent events:

Effective January 1, 2022, the Plan sponsor amended and restated the plan under the Conrad Siegel Actuaries Volume Submitter Profit Sharing Plan. Conrad Siegel Actuaries received an opinion letter for this Volume Submitter Plan on June 30, 2020, in which the Internal Revenue Service stated that the Volume Submitter Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code.

9. Subsequent events (continued):

The Plan Sponsor acquired all the membership interests of the Bell Group (the Bell Company, LLC, Bell BCI Company, LLC, Bell Constructors, LLC and John P. Bell and Sons, LLC) on December 1, 2021. The Plan was amended on April 1, 2022, for the Bell 401(k) to be merged into the Plan. The amendment included provisions that allowed employees to be credited for years of service with their previous employer and be permitted to enter the Plan if they meet the eligibility requirements.

The Plan has evaluated subsequent events through August 16, 2022, the date which the financial statements were available to be issued.
