INDEPENDENT AUDITOR'S REPORT

To the Participants and Plan Administrator of the
Dixie Landscape 401(k) Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Dixie Landscape 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT (Continued)

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Dixie Landscape 401(k) Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Dixie Landscape 401(k) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITOR'S REPORT (Continued)

Auditor's Responsibilities for the Audit of the 2021 Financial Statements (Continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Dixie Landscape 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.

DIXIE LANDSCAPE 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2021

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Description of the Plan

The following description of the Dixie Landscape 401(k) Retirement Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement and amendment for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan adopted by the Board of Directors of Dixie Landscape, LLC (the plan sponsor) and is subject to the provisions of the Internal Revenue Code and the Employee Retirement Income Security Act of 1974 (ERISA). The Plan is a qualified automatic contribution arrangement 401(k) plan. A qualified automatic contribution arrangement 401(k) plan is a plan designed to make safe harbor matching contributions that enable the employer to simplify plan administration by ensuring that non-discrimination regulations are met.

Eligibility

All non-excluded employees of the plan sponsor are eligible to participate in the Plan after completing 6 months of service and having reached the age of 21.

Entry Date

For the purpose of salary deferrals, matching contributions, and profit sharing contributions, entry date will be the first day of the Plan year quarter coinciding with or next following the date the eligibility requirements are satisfied.

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting.

Contributions

Participants may elect to contribute a percentage and or portion of their annual pretax compensation, subject to statutory maximums. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other plans and certain individual retirement accounts (IRA). Under Internal Revenue Service (IRS) Code Section 402(g)(1), the maximum deferral of pretax earnings was $19,500 for the years ended December 31, 2021 and 2020, respectively. Participants who have reached age 50 could have contributed an additional $6,500 during both 2021 and 2020. The plan sponsor will make safe harbor matching contributions equal to 100% of the first 5% of the participant's compensation that is contributed to the plan, not to exceed more than 5% of the participant's total compensation.

Additional profit sharing amounts may be contributed at the discretion of the plan sponsor. No additional profit sharing amounts were contributed during 2021.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Participant Accounts

Each participant's account is credited with the participant's contribution as well as an allocation of the plan sponsor's contribution and Plan earnings or losses. Participant accounts are charged with an allocation of certain other administrative expenses, such as loan fees, specific to each participant. Allocations of the Plan's earnings or losses in each investment option and plan sponsor contributions are made to the participant's accounts based on the ratio of each participant's current account balance in each investment option to total participant's account balances in the investment option. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Forfeitures of the non-vested account balances of participants are used to reduce employer contributions and pay Plan expenses. For the year ended December 31, 2021, there were $65 in the forfeiture account to be used to offset future employer contributions.

Vesting

Participants are immediately vested in salary reduction contributions, voluntary contributions, transfer contributions and any safe harbor contributions. Participants are vested in the employer's profit sharing and matching contribution based on years of service as follows:

Years of Vesting Service	Vested
Less than 2	-%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Payment of Benefits

Participant contributions and the vested portion of the plan sponsor's matching contributions are available for distribution upon attainment of age 59½, death, disability, termination of employment or normal retirement age. If the participant's vested account balance is less than $5,000 at the date of the distribution, then that balance shall be distributed in a single lump-sum payment. If the participant's vested account balance exceeds $5,000 at the date of distribution, then that balance shall be distributed in a single lump-sum payment or partial withdrawals of at least $1,000 equal to the required minimum distribution rules as defined by the IRS. If the participant's vested account balance is more than $5,000 at the date of the distribution, then the participant must consent to the distribution before it may be made.

Contributions are also available for distribution in the form of a hardship withdrawal.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Payment of Benefits (Continued)

In the event of death while employed by the plan sponsor, the participant becomes 100% vested and the amount of the account will be used to provide the participant's beneficiary with a death benefit.

A participant becomes 100% vested in their accounts if they become permanently disabled as defined by the Plan document.

Termination of the Plan

Although it has not expressed any intent to do so, the plan sponsor has the right to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Investments

Security transactions are recorded on a trade date basis, which is the date the order to buy or sell is executed. Interest income and expenses are accrued on a daily basis. Dividend income and distributions to participants are recorded on the ex-dividend date. The Plan's investments are stated at fair value. Shares of mutual funds and bond funds are valued at quoted market prices which represent the net asset value of shares held by the Plan at year end.

Investment Options

Upon enrollment in the Plan, a participant may direct contributions to any of the various Nationwide investment options (see Note 3). Participants may change their investment options at any time.

Risks and Uncertainties

The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in these risks and uncertainties in the near term would materially affect participant account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles (GAAP) requires the Plan to make estimates and assumptions that affect the reported amounts of net assets available for benefit and disclosure of contingent net assets available for benefit at the date of the financial statements and the reported amounts of additions to and deductions from net assets available for benefits during the reporting period. Actual results may differ from those estimates.

Administrative Expenses

Certain administrative and accounting functions are performed by the plan sponsor's employees, who receive no compensation from the Plan. Administrative expenses, such as professional fees and other, are paid directly by the plan sponsor.

NOTE 2. INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIAN

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Nationwide has certified to the completeness and accuracy of all investments reflected on the accompanying statements of net assets available for benefits as of December 31, 2021 and 2020, and has certified to the completeness and accuracy of the related investment activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2021, and the information reflected on the supplementary schedule Form 5500 – Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021.

Allocations among the underlying investments are participant directed. The accounts are credited with earnings on the underlying investments (principally mutual funds) and charged for Plan withdrawals and administrative expenses.

During the year ended December 31, 2021, the Plan's underlying investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by approximately $995,000. This was reported as net appreciation in fair value of investments in the statement of changes in net assets available for benefits.

NOTE 3. FAIR VALUE MEASUREMENTS

GAAP provides a framework for measuring fair value, expands disclosures about fair value measurements, and establishes a fair value hierarchy which prioritizes the inputs used in measuring fair value summarized as follows:

Level 1: Inputs using the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

NOTE 3. FAIR VALUE MEASUREMENTS (Continued)

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual term), the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of the unobservable inputs.

The following is a description of the valuation methods used for assets measured at fair value.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

	Level 1	Level 2	Level 3	Total
Mutual funds	$ 6,806,674	$ 389,856	$ -	$ 7,196,530

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020:

	Level 1	Level 2	Level 3	Total
Mutual funds	$ 5,400,585	$ 241,550	$ -	$ 5,642,135

For the year ended December 31, 2021 net investment income, including net appreciation in fair value of investments and interest, amounted to approximately $995,000.

NOTE 4. NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants consists entirely of loans to participants. A loan cannot exceed the lesser of one-half of the vested interest of a participant's account balance or $50,000 and must be at least $1,000. The loans are secured by the participant's vested account balance and bear interest at the prime rate of interest, as published in the Wall Street Journal, on the day the loan is requested, plus 1% (the prime rate of interest being 3.25% as of December 31, 2021 and 2020, respectively). During 2021 and 2022, the interest rate on notes receivable from participants ranged from 4.25% to 6.75%. Notes receivable from participants were approximately $138,000 and $71,000 as of December 31, 2021 and 2020, respectively.

All loans must be repaid within a five-year period unless it is for the purchase of a principal residence, which allows for longer repayment terms.

NOTE 5. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Nationwide, custodian of the Plan; therefore, these transactions qualify as party-in-interest.

NOTE 6. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Nationwide, custodian of the Plan; therefore, these transactions qualify as party-in-interest.

NOTE 6. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

NOTE 8. COVID-19 CONSIDERATIONS

The Plan's ongoing funding may experience instability and estimates included in the financial statements may change due to current political and economic conditions as a result of public health concerns related to the novel coronavirus, or COVID-19. The duration and intensity of these impacts and resulting disruption to which these events affect the Plan's net position will depend on future developments, which are highly uncertain and cannot be predicted at this time.

NOTE 9. SUBSEQUENT EVENTS

Management has evaluated subsequent events through October 3, 2022, the date the financial statements were available to be issued.
