INDEPENDENT AUDITOR'S REPORT

To the Retirement Plan Committee of
MW&E Savings and Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of MW&E Savings and Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated July 6, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

MW&E SAVINGS AND RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

1. DESCRIPTION OF PLAN

The following description of MW&E Savings and Retirement Plan (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees (staff and associate attorneys), individual partners, and corporate partners of McDermott Will & Emery (the Firm) who have adopted the Plan, and employees of these corporate partners. Employees and partners become eligible to participate in the Plan beginning on the first date on which they are employed by or associated with the Firm. An individual partner having either a capital interest or income interest in the Firm exceeding 10% of the aggregate of such interest of all partners is not eligible to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

A participant may elect to have the Firm make a 401(k) contribution to the Plan on his or her behalf in an amount ranging from 1% to 75% of the participant's earnings, as defined in the Plan. A participant may also make voluntary (after-tax) contributions to the Plan ranging from 1% to 10% of his or her earnings. 401(k) and voluntary contributions in the aggregate are limited to 75% of the participant's earnings. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Effective May 1, 2021, the Plan was amended so employees hired on or after May 1, 2021 were automatically enrolled and have their deferral percentage set at 6% of eligible compensation. Employees hired prior to May 1, 2021 are automatically enrolled and have their deferral rate set at 3% of eligible compensation. Contributions are invested in a designated balance fund until changed by the participant. Automatically enrolled participants have their deferral rate increased at a rate of 1% per year on January 1 up to a maximum of 15% of eligible compensation unless otherwise changed by the participant.

The Plan was amended January 1, 2020 to remove the Firm matching contribution effective March 1, 2020. Prior to March 1, 2020, the Firm made a matching contribution equal to 25% of the first 4% of an eligible participant's 401(k) contribution, after the participant has met a one-year service requirement.

1. DESCRIPTION OF PLAN (Continued)

Contributions (Continued)

Effective March 1, 2020, the Plan was amended to increase the Firm's additional annual contribution equal to the sum of 7.50% of the participant's earnings plus 5.70% of the participant's earnings in excess of the Social Security wage base for the year, and decrease the service requirement from two years to one year. Prior to March 1, 2020, after a participant has completed two years of service, the Firm makes an additional annual contribution equal to the sum of 6.50% of the participant's earnings plus 5.70% of the participant's earnings in excess of the Social Security wage base for the year, provided the participant is employed by or associated with the Firm on the last day of the year.

In addition, the Firm may make a discretionary contribution at a rate, if any, specified by the Firm for income partners over the age of 45 and capital partners who have met a two-year service requirement (amended to one year service requirement effective March 1, 2020). For the years ended December 31, 2021 and 2020, the Firm made a discretionary contribution equal to 2.8826% and 2.72%, respectively, of eligible compensation. Additionally, in any year, the Firm may also make a discretionary contribution at a rate, if any, specified by the Firm for employees not specifically excluded in the Plan document, and are not considered income partners over the age of 45 or capital partners who have met the service requirement. The Firm did not elect to make any discretionary contributions to these participants during the years ended December 31, 2021 and 2020.

Contributions are subject to certain limitations as mandated by the Internal Revenue Code (IRC).

Investment Options

Participants may direct all their contributions among one or more funds subject to the allocation limitations set forth in the Plan. Changes in allocation of future contributions and transfers among funds of presently invested contributions are permitted pursuant to the Plan's provisions.

Participant Accounts

Each participant's account is credited with the participant's contributions, any Firm contributions, and an allocation of the Plan's earnings (losses). Allocations of earnings (losses) are based on participant earnings, account balances, or specific participant transactions, as defined. Certain plan administrative expenses are charged to the account of the participant to which they relate. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account balance.

1. DESCRIPTION OF PLAN (Continued)

Vesting

Each participant is fully vested in his or her account at all times. The benefit to which a participant is entitled consists of the entire amount credited to his or her plan account.

Notes Receivable from Participants

Participants may take loans against their balance, limited to the lesser of 50% of their account balance, less defaulted loans (if any) or \$50,000, with a maximum of three loans outstanding at any one time. During 2020, the Plan also allowed for loans up to a maximum of \$100,000 or 100% of their account balance for loans issued from March 27, 2020 through September 22, 2020. In addition, certain loan payments have been elected to be suspended through December 31, 2020. The minimum loan allowed is \$1,000. The loans are secured by the balance in the participant's account and bear interest at rates that range from 3.75% to 6.00%, which commensurate with the local prevailing rates at the date of origination, as determined by the plan administrator. Principal and interest are repaid through payroll deduction over a period of up to five years.

Payment of Benefits

When a participant becomes entitled to a payment under the Plan, the total amount of the participant's account will be paid in a lump sum amount and/or by purchase of an annuity contract issued on his or her life. If the participant is married, payment of a portion of the participant's account will be in the form of a qualified joint and survivor annuity, unless waived by the participant with the spouse's consent. Under certain conditions, participants may receive a hardship distribution. In addition, during 2020, the Plan allowed for distributions up to \$100,000 for participants impacted by COVID-related illness or financial burden.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Firm and are excluded from these financial statements. Loan administration and distribution fees are charged directly to the participant's account and are included in administrative expenses. Additionally, if a participant utilizes an advisor on their Personal Choice Retirement Account (PCRA), advisor fees will be charged directly to the participant's PCRA account. Certain plan administration fees may be paid from plan assets. The Plan also pays certain investment advisory and plan administration fees from plan assets. Certain investment-related expenses are included in net appreciation of fair value of investments.

In addition, the Firm is eligible for expense reduction credits from the trustee. These credits are allocated to the plan participants based on each participant's average daily balance in each applicable fund.

MW&E SAVINGS AND RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS (Continued)

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Forfeited Accounts

The following table sets forth a summary of changes in the forfeiture account for the years ended December 31, 2021 and 2020. The amounts result from participants who received a Firm contribution but were not yet eligible. Remaining forfeitures will be used in accordance with the applicable Plan provisions.

	2021	2020
BALANCE, BEGINNING OF YEAR	\$ -	\$ 99
Additions to forfeitures	38,639	72,482
Used to reduce expenses	(19,947)	(2,399)
Used to reduce employer contributions	(3,127)	(69,810)
Investment income (loss)	1,988	(372)
BALANCE, END OF YEAR	\$ 17,553	\$ -

Use of Estimates

The preparation of financial statements is in conformity with accounting principles generally accepted in the United States of America (US GAAP) and requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are stated at fair value as determined by the trustee of the Plan. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Retirement Plan Committee determines the Plan's valuation policies utilizing information provided by the investment adviser and trustee. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis and dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest less amounts defaulted (if any). Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. Defaulted notes receivable from participants are recorded as a distribution based upon the terms of the plan document.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

Subsequent events are events or transactions that occur after year end but before financial statements are issued or are available to be issued. These events and transactions either provide additional evidence about conditions that existed at year end, including the estimates inherent in the process of preparing financial statements (that is, recognized subsequent events), or provide evidence about conditions that did not exist at year end but arose after that date (that is, nonrecognized subsequent events).

The Plan has evaluated subsequent events through October 5, 2022, which was the date that these financial statements were available for issuance, and determined that there were no significant nonrecognized subsequent events through that date.

3. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Topic 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access at the measurement date.

Level 2: Inputs to the valuation methodology other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- a. Quoted prices for similar assets or liabilities in active markets,

3. FAIR VALUE MEASUREMENTS (Continued)

Level 2: (Continued)

- b. Quoted prices for identical or similar assets or liabilities in inactive markets,
- c. Inputs other than quoted prices that are observable for the asset or liability, and,
- d. Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full-term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the mutual fund. Mutual funds held by the Plan are open-ended investments that are registered with the U.S. Securities and Exchange Commission. These investments are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Pooled separate account: Investments in units of pooled separate accounts held with an insurance company are stated at estimated fair market value and are valued by the insurance company based on the net asset value of units held by the Plan at year end. The net asset value is determined by the insurance company based on the market value of the underlying investments held in the pooled fund.

Self-directed brokerage accounts: Accounts consist of U.S government bonds, common stock and preferred stock, corporate bonds, unit investment trusts, exchange-traded funds, and real estate investment trusts, valued based on the market value of the underlying investments held within the self-directed brokerage accounts.

MW&E SAVINGS AND RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS (Continued)

3. FAIR VALUE MEASUREMENTS (Continued)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

Description	Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 991,225,260	\$ -	\$ -	\$ 991,225,260

TOTAL INVESTMENTS AT FAIR VALUE	\$ 1,003,232,283	\$ 5,443,777	\$ -	\$ 1,008,676,060

4. CERTIFICATION OF FINANCIAL INFORMATION

The following financial data included in the accompanying financial statements and supplemental schedule as of and for the years ended December 31, 2021 and 2020 has been certified as complete and accurate by Charles Schwab Trust Bank, a qualified institution, and has not been audited by the independent auditors for the Plan: investments at fair value, notes receivable from participants, interest and dividends, interest on notes receivable from participants, and net appreciation in fair value of investments.

5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Firm has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Firm may determine.

6. TAX STATUS

The Internal Revenue Service (IRS) has determined and informed the Firm by letter dated April 18, 2018, that the Plan is designed in accordance with applicable sections of the IRC. Although the Plan has been amended since the date of the letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable provisions of the IRC.

US GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are managed by an affiliate of Charles Schwab Trust Bank, the trustee; therefore, these transactions qualify as party-in-interest. Fees paid by the Plan for investment management services were included as a reduction of the return earned on each fund. Certain administrative expenses were paid by the Plan or the Company. The Plan issues loans to participants, which are secured by the vested balance in the participant's account. These transactions qualify as party-in-interest. Employees of the Firm provide administrative services to the Plan for which no fees are charged.

8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.
