INDEPENDENT AUDITORS' REPORT

To the Trustees and Participants of
The Geweke Company 401(k) Plan & Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit
We have performed an audit of the financial statements of The Geweke Company 401(k) Plan & Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of The Geweke Company 401(k) Plan & Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion
In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT (continued)

Basis for Opinion
We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Geweke Company 401(k) Plan & Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements
Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Geweke Company 401(k) Plan & Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements
Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITORS' REPORT (continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Geweke Company 401(k) Plan & Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Geweke Company 401(k) Plan & Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA
The supplemental Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter — Auditor's Report on the 2020 Financial Statement
We were engaged to audit the 2020 financial statements of the The Geweke Company 401(k) Plan & Trust for the 2020 Plan Year. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform auditing procedures with respect to the information certified by a qualified institution. In our report dated October 14, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Note 1: Description of Plan

The following description of the Geweke Company 401(k) Plan & Trust ("the Plan") provides only general information. Participants should refer to the Summary Plan Description and the Adoption Agreement for a more complete description of the Plan's provisions.

General. The Plan is a defined contribution plan established on January 1, 1986 covering all eligible full-time employees of The Geweke Company, dba Geweke Ford and Geweke Kia, ("the Company") who are 21 years old and have twelve months of service. The Plan is subject to the provisions of the Employee Retirement Security Act of 1974 (ERISA).

Administration. Under the terms of the Plan, certain corporate officer's of the sponsor, The Geweke Company, are designated as Plan Trustee. The Plan has contracted with John Hancock Life Insurance Company U.S.A. ("John Hancock") to act as custodian, and Nicholas Pension Consultants, Inc. ("NPC") as the third-party administrator to manage certain operations of the plan and to process and maintain certain participant records.

Contributions. Each year, participants may contribute from 1% to 100% of included compensation, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified plans. The Company may match employee contributions at the discretion of the Board of Directors or contribute an amount which it designates as a qualified nonelective contribution. The Company made matching contributions equal to 50% of each participant's deferral on the first 4% of wages.

Participant Accounts. Each participant's account is credited with the participant's contribution and allocation of (a) the Company's contribution, if any, (b) Plan earnings and forfeitures of terminated participants' nonvested accounts, and (c) Plan expenses as applicable to the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Certain investment and fund fees are charged by the underlying mutual funds held by the plan and are included in the plan investment income and losses. Fees at the fund level range from .90% to 1.52%, dependent on the investment selected. Participants should refer to the mutual funds' prospectuses for details of these fees.

Vesting. Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the remainder of their accounts is based on years of continuous service. A participant is one hundred percent vested after five years of credited service. Participants become fully vested in the event of death, disability, retirement, or plan termination.

Forfeitures. The total non-vested portion of terminated employees account balances can be used to reduce future employer discretionary contributions or can be used to pay plan expenses. There were $1,148 of forfeitures generated in 2021, and none were used. There are forfeitures of $7,348 available as of December 31, 2021 to be used by the Plan to pay administrative fees, or to reduce employer matching contributions.

Notes Receivable from Participants. Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. Loan transactions are treated as a transfer to (from) the investment fund from (to) the participant notes fund. Loans must be repaid over a reasonable period of time not to exceed five years, unless the loan proceeds are used to purchase a primary residence, in which case the repayment period may be longer. The loans are secured by the balances in the participants' accounts and bear interest at the prime rate plus 1%.

Note 1: Description of Plan (continued)

Investment Options. Upon enrollment in the Plan, a participant may direct employee contributions in various increments to the investments administered by John Hancock. Participants may change their investments daily and choose from over fifty investment options.

Payment of Benefits. On termination of service due to death, disability or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump sum amount, or in deferred installments. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. All investments available in the plan, except for the Stable Value Fund, allow for daily redemptions with no redemption notice period required. The Stable Value Fund normally allows for daily redemptions, but may apply restrictions. See note 4 for details of the Stable Value Fund.

Amendments. There were no amendments to the plan during the year ending December 31, 2021.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting - The financial statements of the Plan are prepared using the accrual method of accounting.

Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that effect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investments - The Plan's investments primarily consist of pooled separate accounts and are stated at fair value as reported by John Hancock. The Plan's John Hancock Stable Value Fund Collective Investment Trust (CIT) is stated at contract value as determined by John Hancock.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are recorded as distributions based on the terms of the Plan document.

Risks and Uncertainties - The Plan provides for various investment options which are exposed to a variety of risks, including interest rate, market fluctuations, valuation, and credit risks. Due to the level of risk associated with certain investments, it is possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits and the statement of changes in net assets available for benefits.

Payment of Benefits - Benefits are recorded when paid.

Subsequent Events - Plan management has evaluated subsequent events through October 6, 2022, the date the financial statements were available to be issued.

Note 3: Certified Information

John Hancock USA, the Custodian of the Plan, has certified as to the completeness and accuracy of all investments, and participant notes receivable reflected on the accompanying Statements of Net Assets Available for Benefits as of December 31, 2021 and 2020, the investment activities and interest on participant notes reflected on the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2021, and all investment information reflected in the supplemental Schedule of Assets (Held at End of Year) as of December 31, 2021, in accordance with 29 CFR 2520.103-8(c) of the Department of Labor's Rules and Regulation for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The information is summarized below:

	2021	2020
Investments at fair value	$ 7,523,927	$ 6,447,944
Investments at contract value	104,848	103,292
Notes Receivable from Participants	287,890	312,581
Net appreciation in fair value of investments	813,735	
Interest Income from notes receivable from participants	14,540	

Note 4: John Hancock Stable Value Fund

Contributions to the John Hancock Stable Value Fund are invested solely in shares of the John Hancock Stable Value Fund Collective Investment Trust, a trust managed by John Hancock. The John Hancock Stable Value Fund Collective Trust seeks to preserve principal and provide book value liquidity on a daily basis for plan-permitted, participant-directed withdrawals while maintaining a competitive rate of interest. There is no guaranteed minimum crediting rate. The investment is considered fully benefit responsive and normal participant withdrawals and transfers from the Stable Value Fund are processed at contract value. If the Plan were to request a liquidation, surrender charges and/or market value adjustments may apply. The Trustee of the underlying John Hancock Stable Value Fund Collective Trust has the right to delay any participant-initiated withdrawal for up to 30 days if it determines that immediate withdrawal may have and adverse impact on the Trust. In addition, the Trust has the right to delay, for up to 12 months, any other withdrawal, including the withdrawal of all or a portion of the Plan's investment in the fund. The Stable Value Fund is stated at contract value as determined by John Hancock as follows:

	2021	2020
Traditional Stable Value Fund	$ 104,848	$ 103,292

Note 5: Fair Value Measurements

Financial Accounting Standards Board ASC 820-10 establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820-10 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

Quoted prices for similar assets or liabilities in active markets;

Quoted prices for identical or similar assets or liabilities in inactive markets;

Note 5: Fair Value Measurements (continued)

Inputs other than quoted prices that are observable for the asset or liability;

Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Pooled Separate Accounts: Valued at fair value as determined by John Hancock, based on the number of units held and quoted market prices of the underlying mutual fund investments.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020.

	Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Fair Value
Pooled Separate Accounts	$ -	$ 7,523,927	$ -	$ 7,523,927
Total assets at fair value	$ -	$ 7,523,927	$ -	$ 7,523,927

	Assets at Fair Value as of December 31, 2019			
	Level 1	Level 2	Level 3	Fair Value
Pooled Separate Accounts	$ -	$ 6,447,944	$ -	$ 6,447,944
Total assets at fair value	$ -	$ 6,447,944	$ -	$ 6,447,944

Note 6: Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100 percent vested in their accounts.

Note 7: Tax Status

The trust established under the Plan to hold the Plan's assets is qualified pursuant to the appropriate section of the Internal Revenue Code, and, accordingly, the trust's net investment income is exempt from income taxes. The Plan has obtained a favorable tax determination letter from the Internal Revenue Service dated March 31, 2014. The Plan has been amended since receiving the determination letter, and the Plan sponsor believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administration has analyzed the tax positions taken by the plan, and has concluded that as of December 31, 2021, there are no uncertain positions. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

Note 8: Administrative Fees

Administrative expenses totaling $1,903 were paid from Plan assets during the year ending December 31, 2021 to John Hancock and NPC for certain participant transactions such as loans and distributions. John Hancock also receives indirect compensation from each underlying mutual fund investment of .85% of invested assets. Total fund level fees, including this record keeping fees range from .90% to 1.52% and averaging 1.29% of invested assets.

Note 9: Party-In-Interest Transactions

Parties-in-interest are defined under DOL regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. Some of the plan investments are pooled separate accounts issued by John Hancock, the custodian. John Hancock receives record keeping fees and investment management fees from the underlying John Hancock managed mutual funds, and therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan to John Hancock for administrating these pooled separate accounts are included as a reduction of the return on each fund. Notes receivable from participants also reflect party-in-interest transactions.

Note 10: Excess Contributions

For the years ended December 31, 2021 and 2020, the Plan was required to return excess employee contributions of $32,895 and $11,372, respectively, to certain active participants as required to satisfy the relevant nondiscrimination provisions of the Plan. These amounts are included in the plan's statement of net assets available for benefits as excess contributions payable at December 31, 2021 and 2020.
