INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
iVenture Solutions, Inc. 401(k) Profit Sharing Plan

REPORT ON THE FINANCIAL STATEMENTS

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of iVenture Solutions, Inc. 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021 and 2020 and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2021 and 2020 and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedule, Form 5500 Schedule H Line 4i Schedule of Assets Held at End of Year as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

1. Description of Plan:

The following description of the iVenture Solutions, Inc. 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of iVenture Solutions, Inc. (the Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act of 2020 (the "CARES Act") was passed by Congress. The CARES Act, among other things, includes several temporary relief provisions available to tax qualified retirement plans and their participants. Plan management evaluated the impact of the CARES Act on the Plan and approved changes to the Plan in 2020 to temporarily add COVID-19-related distributions of up to \$100,000 for eligible participants. This temporary CARES Act provision expired at the end of 2020. The Plan is required to make appropriate amendments for these changes by December 31, 2022.

Eligibility

An employee is eligible to participate in the Plan on the first day of the month following the completion of one month of service.

Contributions

Each year participants may elect to contribute up to 90% of their annual compensation, as defined by the Plan up to the maximum allowable under the Internal Revenue Code.

For the 2021 Plan year, the Company elected to make safe harbor matching contributions equal to 100 percent of the first four percent of eligible compensation. Employees must meet one year of service to be eligible for the safe harbor matching contribution.

Investment Options

The Plan permits every participant to direct their investments under the Plan. The Plan offers mutual funds and common collective trusts as the primary investment options. The Plan allows participants to invest in the Principal Self-Directed Brokerage Account, which enables each participant to self-direct his or her money into a full range of investment options, including individual stocks and bonds, as well as allowing access to additional mutual funds. The Fidelity Self-Directed Brokerage Account is presented as "self-directed brokerage account" in the accompanying statements of net assets available for benefits as of December 31, 2021 and 2020.

Participant Accounts

Each participant's account is credited with the participant's contributions, allocations of Company matching contributions and Plan earnings and charged with an allocation of administrative expenses. Allocations are based on participant earnings and account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants may direct the investment of their account balances into various investment options offered by the Plan.

1. Description of Plan (Continued):

Participant Loans Receivable

Participants may borrow from their fund accounts the lesser of \$50,000 or 50% of their account balance reduced by the excess of their highest outstanding balance of plan loans during the one-year period ending on the day before the loan is made over the outstanding balance of plan loans on the date the loan is made, or one-half the present value of the participant's vested interest in their account. The loans are secured by the balance in the participant's account and must be repaid in level payments through payroll deductions over a five-year period, except for loans for the purchase of a principal residence which may be repaid over a reasonable period of time that may be longer than five years. The loans bear interest at a reasonable rate of interest as determined by the Administrator based on the prevailing interest rates charged by persons in the business of lending money for loans which would be made under similar circumstances, and currently range from 4.25% to 6.25%.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's discretionary profit-sharing contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. Employees are immediately vested 100% in employer safe harbor matching contributions.

Participant vesting in employer discretionary profit-sharing contributions is as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
1 year	20%
2 but less than 3	40%
3 but less than 4	60%
4 but less than 5	80%
5 or more	100%

Payment of Benefits

On termination of service due to death, disability, retirement or other reasons, a participant may elect to receive a lump-sum distribution equal to the value of the participant's vested interest in their account in accordance with Plan provisions. Additionally, under certain circumstances of financial hardship, the participant is allowed to withdraw funds from the Plan.

Account balances that are under \$5,000 may be automatically distributed upon termination of service as a lump sum without consent of the participant.

Forfeited Accounts

Forfeitures of non-vested participant balances are first used to pay Plan expenses and then reduce future employer contributions. At December 31, 2021 and 2020, there were no forfeited non-vested accounts. During 2021, there were no forfeitures used to pay Plan expenses or reduce employer contributions.

2. Summary of Accounting Policies:

Basis of Accounting

The accompanying financial statements of the Plan are prepared using the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets and changes therein. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The investments of the Plan are reported at fair value. The fair value of a financial instrument is the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (the exit price). See Note 3 for a discussion of fair value measurement.

Purchases and sales of the investments within the Plan are reflected on a trade-date basis. Dividend income is recorded on the ex-dividend date. Interest income is recorded on the accrual basis.

Plan Expenses

Management fees and operating expenses charged to the Plan for investments in the mutual funds are deducted from participant's account balances on a quarterly basis calculated based on a participant's daily account balance.

For the 2021 Plan year, fees paid by the Plan for trustee and recordkeeping services amounted to \$22,255 and were allocated to participants proportionally based on the value of their account balances. The Plan also utilizes the services of an investment advisory group. Investment advisory fees are calculated based on total plan assets and are assessed to participant accounts at the beginning of each Plan year quarter. Investment advisory fees are allocated on a pro-rata basis to participants based on their total account balance at the beginning of the Plan year quarter. For the 2021 Plan year, \$13,170 in investment advisory fees were allocated to participant accounts.

For the 2021 Plan year, fees of \$575, for the administration of participant loans receivable and participant distributions, were deducted directly from the applicable participant's account. The Plan also provided personalized planning and advice ("PPA") professional money management customized to the Plan's investment options directly to participants. Total PPA fees of \$16,761 were deducted directly from the applicable participant's account for the 2021 Plan year.

Certain other expenses to maintain the Plan were paid by the Company.

2. Summary of Accounting Policies (Continued):

Payment of Benefits

Benefits are recorded when paid.

Participant Loans Receivable

Loans receivable from participants are valued at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans, if any, are reclassified as distributions to participants based upon the terms of the Plan document.

Risks and Uncertainties

The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risk in the near term would materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits and the statement of changes in net assets available for benefits.

3. Fair Value Measurements:

The Financial Accounting Standards Board Accounting Standards Codification Topic 820 (ASC 820), establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted market prices in active markets for identical assets or liabilities (Level 1 measurements) and gives the lowest priority to unobservable inputs (Level 3 measurements). The three levels of inputs within the fair value hierarchy are defined as follows:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the Plan has the ability to access as of the measurement date.

Level 2: Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly.

Level 3: Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

In many cases, a valuation technique used to measure fair value includes inputs from multiple levels of the fair value hierarchy. The lowest level of significant input determines the placement of the entire fair value measurement in the hierarchy. The following descriptions of the valuation methods and assumptions used by the Plan to estimate the fair values of investments apply to investments held directly by the Plan.

Mutual funds: The fair values of mutual fund investments are determined by obtaining quoted prices on nationally recognized securities exchanges (Level 1 inputs).

iVenture Solutions, Inc. 401(k) Profit Sharing Plan
Notes to Financial Statements

3. Fair Value Measurements (Continued):

Self-directed brokerage accounts: The self-directed brokerage accounts are valued based on the fair value of the underlying investments. The underlying investments are carried at fair value based on quoted market prices.

Common/collective trusts: Stated at fair value as determined by the issuers of the funds on the fair market value of the underlying investments, which is valued at net asset value (NAV) as a practical expedient to estimate fair value. The practical expedient would not be used if it is determined to be probable that the funds will sell the investment for an amount different from the reported NAV.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan investment assets at fair value as of December 31, 2021 and 2020:

<i>December 31,</i>	Fair Value			
	Level	2021		2020
Mutual funds	1	\$	6,625,341	\$ 4,988,884
Self-directed brokerage accounts	1		79,774	62,327
Total			6,705,115	5,051,211
Common collective trust measured at NAV (a)			202,458	198,168
Total investments at fair value		\$	6,907,573	\$ 5,249,379

(a) In accordance with ASC Subtopic 820-10, investments that were measured at net asset value have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line item Total investments at fair value, in the Statements of Net Assets Available for Benefits.

4. Information Certified by the Plan Trustee:

The following investments included in the statements of net assets available for benefits as of December 31, 2021 and 2020 and the interest, dividends, and net appreciation in fair value of investments included in the statement of changes in net assets available for benefits for the year ended December 31, 2021, have been derived from information certified as complete and accurate by Fidelity Management Trust Company (Fidelity), the trustee during the year ended December 31, 2021, in accordance with 29 CFR 2520.103-5(c) of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

4. Information Certified by the Plan Trustee (Continued):

<i>Year ended December 31,</i>	<i>2021</i>
Net appreciation in fair value of investments	\$ 509,881
Dividends	414,050
Interest on participant loans receivable	1,169

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related financial statements and supplemental schedule.

5. Related Party Transactions:

Certain Plan investments were managed by Fidelity during 2021 and 2020. The Plan also utilizes the services of an investment advisory group for which investment advisory fees were allocated to participant account balances for the Plan year 2021. Therefore, transactions with Fidelity and the investment advisory group have been identified as party-in-interest transactions. Substantially all Plan expenses were paid to Fidelity and the investment advisory group during 2021.

6. Plan Termination:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all participants become 100 percent vested in their accounts.

7. Tax Status:

The Plan operates under a Fidelity Volume Submitter Defined Contribution Plan. The submitter plan received a favorable opinion letter from the Internal Revenue Service on March 31, 2014, which stated the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Management has evaluated the Plan's tax positions and concluded that the Plan has taken no uncertain tax positions that require recognition of liability (or asset) in the accompanying financial statements. With few exceptions, the Plan is no longer subject to income tax examination by the U.S. federal, state or local tax authorities for years before 2018.

8. Reconciliation of Financial Statements to the Form 5500:

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 at December 31, 2021:

<i>December 31,</i>	2021
Net assets reflected on Form 5500	\$ 6,947,190
Certain deemed distributions of participant loans	2,549
Net assets reflected in the financial statements	<u>\$ 6,949,739</u>

The following is a reconciliation of the increase in Plan assets per the financial statements to the Form 5500 for the year ended December 31, 2021:

<i>Year ended December 31,</i>	2021
Net income per Form 5500	\$ 1,656,672
Certain deemed distributions of participant loans	2,549
Net increase per the financial statements	<u>\$ 1,659,221</u>

9. Subsequent Events:

Management has evaluated subsequent events through October 3, 2022 the date the financial statements were available to be issued and has determined that there were no material events requiring recognition or disclosure.
