INDEPENDENT AUDITORS' REPORT

To the Board of Trustees
Sandhills Independent School Corporation
Defined Contribution Retirement Plan
Southern Pines, North Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Sandhills Independent School Corporation Defined Contribution Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Sandhills Independent School Corporation Defined Contribution Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Sandhills Independent School Corporation Defined Contribution Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Sandhills Independent School Corporation Defined Contribution Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Sandhills Independent School Corporation Defined Contribution Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Sandhills Independent School Corporation Defined Contribution Retirement Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 24, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

SANDHILLS INDEPENDENT SCHOOL CORPORATION
DEFINED CONTRIBUTION RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

1. Description of Plan

The following description of the Sandhills Independent School Corporation Defined Contribution Retirement Plan (the "Plan") provides only general information for the Plan sponsored by Sandhills Independent School Corporation (the "School"). Participants in the Plan should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan became effective on January 1, 1978. The Plan covers all full-time employees of the School except for students or employees who normally work fewer than 20 hours per week. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan is a "Tax Deferred Annuity" or "403(b)" Plan. Assets of the Plan are held by a plan trustee and three custodians selected by the plan sponsor. The School acts as the plan sponsor.

Effective January 1, 2020, the Plan was amended whereby non-resident aliens and union employees are no longer excluded from eligibility to participate in the Plan, new loans are only allowed through Newport Trust Company, and the provisions for additional discretionary employer matching contributions and discretionary employer non-elective contributions have been removed.

Contributions

Each year, participants may contribute up to 100% of their pre-tax annual compensation, subject to the contribution limits imposed by the Internal Revenue Code ("IRC"). The School makes matching contributions in the amount equal to 100% of the first 4% of employees' eligible compensation. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. The Plan also permits rollover contributions from other qualifying retirement plans.

Participant Accounts

Each participant's account is credited with the participant's contribution, the School's contribution, and allocations of plan earnings. Allocations are based on participants' compensation or account balances, as defined. A participant is entitled to the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately 100% vested in the salary reduction amount contributed to the Plan and the employer matching contributions.

Forfeited Accounts

At December 31, 2021, forfeited non-vested accounts totaled \$83. Forfeited accounts are used to restore forfeitures, reduce the employer match contribution or to pay Plan expenses as permitted by the Plan's provisions.

1. Description of Plan (Continued)

Payment of Benefits

Generally, the participant becomes eligible to receive benefits on their normal retirement age (65), death, disability, termination of employment, or reasons of proven financial hardship. For retirement, death or disability, the participant may receive 100% of their account balance in a lump sum amount, partial payment, or installment payments. Participants who terminate their employment will receive their vested account balance under the same options as above. Participants are also allowed to take in-service withdrawals once they attain age 59 ½.

Hardship Withdrawals

Upon approval by the plan administrator, a participant may withdraw all or part of their elective contributions for immediate and severe financial need. In accordance with Internal Revenue Service ("IRS") regulations, the participant must exhaust all other assets available prior to obtaining the hardship withdrawal. Effective January 1, 2019, the Plan adopted the provisions of the Bipartisan Budget Act of 2018 which included the following changes to the rules for hardship withdrawals: (1) the requirement that a participant obtain a loan from the Plan before requesting a hardship withdrawal was eliminated; (2) earnings on elective deferral contributions can be included as part of a hardship withdrawal; and (3) the requirement that a participant suspend their contributions for a six-month period after receipt of a hardship withdrawal was eliminated.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of 50% of the participant's vested account or \$50,000 reduced by the highest outstanding balance of all other loans from the Plan in the past 12 months. The loans are secured by the balance in the participant's account and bear interest at a rate to be fixed by the plan administrator which takes into consideration interest rates currently being charged on similar commercial loans as of the date of the new loan. Principal and interest are paid ratably through payroll deductions. At December 31, 2021 and 2020, there were no outstanding notes receivable from participants.

Coronavirus Aid, Relief, and Economic Security Act

The COVID-19 outbreak in the United States caused business disruption through mandated and voluntary closings of businesses in numerous industries. On March 27, 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") that included numerous employee benefit plan provisions to assist plan sponsors and participants. A participant must be a qualified individual in order to receive a COVID related loan or distribution. A participant is considered a qualified individual if one or more of the following criteria are met:

- (a) The participant, spouse or dependent is diagnosed with COVID-19.
- (b) The participant experiences adverse financial consequences as a result of being quarantined, furloughed, laid off, or having hours reduced due to COVID-19; unable to work due to lack of child care due to COVID-19; or closing or reduced hours of a business owned or operated by an individual due to COVID-19.

1. Description of Plan (Continued)

Coronavirus Aid, Relief, and Economic Security Act (Continued)

A description of the CARES Act provisions for COVID related loans and distributions is summarized below.

COVID Related Loans

For plan loans made to a qualified individual between March 27, 2020 and September 22, 2020, the loan limitation may be increased up to the lesser of (1) \$100,000 (less outstanding plan loans of the participant) or (2) 100% of the participant's vested balance.

If a loan is outstanding on or after March 27, 2020 and any repayment on the loan is due from March 27, 2020 to December 31, 2020, the due date may be delayed under the Plan for up to one year and any payments after the suspension period will be adjusted to reflect the delay and any interest accruing during the delay.

COVID Related Distributions

The 10% federal tax penalty is waived for COVID related distributions up to \$100,000 for qualified individuals through December 31, 2020. Participants have the option to pay tax on the income from the COVID related distribution over a three-year period or to repay the amount withdrawn back to the Plan over a three-year period. Repayments are not subject to contribution limits.

The Plan will be amended for the adoption of the CARES Act by December 31, 2022.

2. Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reported period. Actual results could differ from those estimates.

Cash and Cash Equivalents

The Plan considers all invested cash balances to be cash equivalents.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The plan sponsor determines the Plan's valuation policies utilizing information provided by the investment advisers. See Note 6 for a discussion of fair value measurements.

NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

2. Significant Accounting Policies (Continued)

Investment Valuation and Income Recognition (Continued)

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. The change in net unrealized appreciation/depreciation is included with realized gains/losses as net change in value of investments in the accompanying statement of changes in net assets available for benefits.

Payment of Benefits

Benefits are recorded when paid.

Plan Expenses

Certain plan expenses are paid by the plan sponsor as provided by the plan document. Expenses related to specific participant transactions (notes receivable from participants and distributions) are charged directly to the participant's account.

Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the plan document.

Reclassifications

Certain amounts in the 2020 financial statements have been reclassified to conform to the current year presentation. These reclassifications had no impact on net assets available for benefits.

3. Federal Income Taxes

The Plan is a qualified Prototype Volume Submitter 403(b) Plan that received an opinion letter from the IRS on March 31, 2017 stating that the Plan is qualified under Section 403(b) of the Internal Revenue Code ("IRC") and, therefore, the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan has been amended since receiving the opinion letter; however, the plan administrator and the Plan's tax counsel believe that the Plan is currently designed and operating in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would be sustained upon examination by the applicable authorities. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that, as of December 31, 2021, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in process.

4. Plan Termination

Although it has not expressed any intent to do so, the School has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

5. Investments

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The following information included in the accompanying financial statements and supplemental schedule was obtained or derived from information certified as complete and accurate by Newport Trust Company, the trustee, and TIAA and CREF, Equitable Financial Life Insurance Company, and Horace Mann Life Insurance Company, the custodians, and was not subject to audit for the years ended December 31:

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

Level 1 Inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority.

Level 2 Inputs are based on significant other observable inputs such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specific (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs are unobservable and significant to the fair value measurement.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. The Plan uses Level 2 inputs when market prices are not attainable but other observable inputs are available to arrive at a fair value, and Level 3 inputs were only used when Level 1 or Level 2 inputs were not available. There were no Level 2 investments in the Plan.

Level 1 Fair Value Measurements

The fair value of mutual funds and pooled separate accounts is based on quoted net asset values of the shares held by the Plan at year end.

6. Fair Value Measurements (Continued)

Level 3 Fair Value Measurements

The guaranteed investment contracts are not actively traded and significant other observable inputs are not available. Thus, the fair value of guaranteed investment contracts is determined by the amount plan participants or plan sponsors would receive currently if they were to withdraw or transfer funds within the Plan prior to their maturity. Guaranteed investment contracts are calculated by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the creditworthiness of the issuer.

The following tables provide further details of the Level 3 fair value measurements:

Fair Value Measurements Using Significant Unobservable Inputs (Level 3):

	<u>Guaranteed Investment Contracts</u>
<u>December 31, 2021:</u>	
<i>Beginning Balance</i>	\$ 1,367,719
<i>Interest Credited</i>	45,579
<i>Transfers</i>	59,279
<i>Issuances, Settlements</i>	<u>(156,931)</u>
Total	<u><u>\$ 1,315,646</u></u>
<u>December 31, 2020:</u>	
<i>Beginning Balance</i>	\$ 1,411,544
<i>Interest Credited</i>	50,501
<i>Transfers</i>	(2,833)
<i>Issuances, Settlements</i>	<u>(91,493)</u>
Total	<u><u>\$ 1,367,719</u></u>

Gains and losses (realized and unrealized) are reported in the statement of changes in net assets available for benefits for the year ended December 31, 2021 and included in net change in value of investments.

7. Collective Investment Trust Fund

The Horace Mann Fixed Account (the "Fund") is a fully benefit-responsive collective trust fund, whose principal objective is to maintain a competitive fixed interest rate and a minimum guaranteed rate of return. The fixed account is invested in the general asset account of Hartford Life Insurance Company and is guaranteed by Horace Mann Life Insurance Company claims paying ability. Horace Mann Life Insurance Company's general account is primarily invested in investment grade fixed income securities.

SANDHILLS INDEPENDENT SCHOOL CORPORATION
DEFINED CONTRIBUTION RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

7. Collective Investment Trust Fund (Continued)

The fixed account is credited with interest at a rate declared by Horace Mann Life Insurance Company on a quarterly basis. The declared interest rate is determined for any quarter at the discretion of the Horace Mann Life Insurance Company. They will guarantee the declared interest rate applicable to any quarter to the end of the quarter in which the change was applied. The declared interest rate will be declared before the start of the quarter to which the rate applies. Horace Mann Life Insurance Company will determine the minimum guaranteed interest rate such that the net surrender value shall meet or exceed the non-forfeiture amount pursuant to the state's standard non-forfeiture law.

8. Party-in-Interest Transactions

Plan investments are managed by Newport Trust Company, TIAA and CREF, Equitable Financial Life Insurance Company and Horace Mann Life Insurance Company. These companies are the trustee and custodians as defined by the Plan. Therefore, transactions with these companies qualify as party-in-interest transactions. Fees paid by the Plan to the trustee and custodians by the Plan for administrative services were \$6,357 for the year ended December 31, 2021. All of these transactions are exempt from being prohibited transactions by ERISA.

9. Risks and Uncertainties

The Plan invests in various investment securities as directed by its participants. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

As a result of the spread of COVID-19, economic uncertainties have arisen which are likely to negatively impact investment income and other plan transactions. Other financial impact could occur though such potential impact is unknown at this time.

10. Subsequent Events

The School has evaluated events and transactions for potential recognition or disclosure in the financial statements through September 29, 2022, which is the date the financial statements were available to be issued.

Plan management intends to amend the Plan for the adoption of the CARES Act provisions by December 31, 2022, which is the deadline for making the amendment.
