INDEPENDENT AUDITORS' REPORT

The Plan Administrator and Plan Participants
Imagineers, LLC Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Imagineers, LLC Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Imagineers, LLC Retirement Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2021 financial statements.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Imagineers, LLC Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Imagineers, LLC Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Imagineers, LLC Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying

accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Imagineers, LLC Retirement Savings Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 12, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

IMAGINEERS, LLC RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the Imagineers, LLC Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan document and any amendments thereto for a more comprehensive description of the Plan's provisions.

GENERAL AND ELIGIBILITY

The Plan is a defined contribution profit sharing plan containing a deferred arrangement described in Internal Revenue Code Section 401(a), covering substantially all eligible employees of Imagineers Holdings, LLC and subsidiaries (Imagineers, LLC and Imagineers Property Management, LLC), (the Plan Sponsor, the Employer, or the Company). The Plan excludes union employees, leased employees, and nonresident aliens. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan Sponsor is responsible for oversight of the Plan, determines the appropriateness of the Plan's investment offerings and monitors investment performance. Employees are eligible for Plan participation upon attainment of age 21. After obtaining eligibility, entry into the Plan is allowed on the first day of the following month.

CARES ACT

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) was enacted, which included provisions, which among others, provide temporary relief for those retirement Plan participants affected by the coronavirus disease (COVID-19). Participants who met certain criteria could take a penalty-free hardship withdrawal, borrow from their accounts at higher limits and suspend making payments on their participant loans until 2021. During the period between March 27, 2020 and September 22, 2020, participants impacted by COVID-19 (as defined in the Plan document) could borrow from their account up to the lesser of \$100,000 or the vested account balance and could suspend loan repayments due during that period until January 2021.

The CARES Act also removed the 10% early withdrawal penalty for a coronavirus-related distribution up to \$100,000 made during 2020. Participants who took a coronavirus-related distribution could spread the income over a three-year period for income tax purposes or avoid income taxes if the distribution is repaid with the three-year period following the distribution. The voluntary adoption of this provision by the Plan was effective March 27, 2020. As of December 31, 2021, the Plan has not been formally amended, as a formal amendment is not required until the Plan year ended December 31, 2025. The Plan intends to formally adopt the amendment upon a future restatement of the Plan, prior to this date.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 1 – DESCRIPTION OF THE PLAN (CONTINUED)

EMPLOYEE CONTRIBUTIONS

Participants may elect to defer up to 100% of their annual compensation, as defined in the Plan, up to up the annual limit prescribed by the Internal Revenue Code (IRC), (\$19,500 for 2021). Participants who have attained age 50 by the end of the year are eligible to make additional catch up contributions up to the annual limit prescribed by the IRC (\$6,500 for 2021). Participant contributions are recorded in the period during which the Company makes payroll deductions from the participants' earnings. Participants may also make certain rollover contributions from other qualified plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

EMPLOYER CONTRIBUTIONS

The Company makes matching contributions equal to 50% of the first 3% of base compensation, as defined, that a participant contributes to the Plan. The Company made matching contributions totaling \$119,495 in 2021. The Company may also make a discretionary profit sharing contribution, which is determined annually by the Company's Board of Directors. All eligible participants employed on the last day of the Plan year are eligible to share in profit sharing contributions. To qualify for employer matching and profit sharing contributions, participants must have completed one year of service and be employed on the last day of the Plan year.

There was no discretionary profit sharing contribution made in 2021.

PARTICIPANT INVESTMENT OPTIONS

Upon enrollment in the Plan, participants may direct salary deferral contributions and Company matching and vested discretionary profit sharing contributions to selected investments as made available and determined by the Plan Administrator. Participants may change their investment options any time via direct telephone or internet access to the Plan's custodians.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contributions and the Employer's matching contribution and allocations of (a) the Employer's discretionary profit sharing contributions (if any), (b) Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant salaries or account balances as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

IMAGINEERS, LLC RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 1 – DESCRIPTION OF THE PLAN (CONTINUED)

VESTING

Participants are immediately vested in their contributions, Company matching contributions, and any income earned thereon. Vesting in the Company's discretionary profit sharing contributions is based on years of continuous service. After two years of service a participant is 20% vested with an additional 20% for each year of service thereafter. Participants are fully vested in Company discretionary profit sharing contributions after six years of credited service.

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest commensurate with local prevailing rates as determined by the Plan Administrator. Participants may have one loan outstanding at any time and loan refinancing is allowed under the terms of the Plan. Loans are repaid over a period not to exceed five years, except when the proceeds are used for the purchase of a primary residence. Principal and interest are paid ratably through regular payroll deductions or by lump sum payments without a prepayment penalty. All outstanding loan balances are due in full upon termination of employment unless directly rolled over to another qualifying plan. Delinquent notes receivable from participants are recorded as a distribution based upon terms of the Plan document. Deemed distributions totaled \$29,513 in 2021 and are included in benefits paid to participants in the accompanying statement of changes in net assets available for benefits.

PAYMENT OF BENEFITS

On termination of service due to death, disability, retirement, or other reasons, a participant or their beneficiaries may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account, or may elect a direct rollover to another qualified plan.

A participant may request a withdrawal, subject to limitations, upon demonstration by the participant to the Plan Administrator that the participant is suffering from "hardship". Hardship is defined in the applicable regulations promulgated or to be promulgated pursuant to Section 401 of the IRC or standards established by the Secretary of the Treasury or his delegate.

FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 1 – DESCRIPTION OF THE PLAN (CONTINUED)

FORFEITURES

In accordance with the Plan document, any discretionary profit sharing contributions with respect to a participant's account which have not vested upon termination of the participant's employment with the Plan Sponsor are forfeited. Amounts forfeited from non-vested accounts can be used to reduce future Employer contributions or expenses of the Plan upon instruction by the Plan Administrator. As of December 31, 2021 and 2020, forfeitures to be used to reduce future expenses or employer contributions totaled \$4,859 and \$3,184, respectively. During 2021, there were \$1,600 forfeitures used to pay for Plan expenses.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

USE OF ESTIMATES

The preparation of financial statements in conformity with GAAP requires management to make significant estimates and assumptions that affect certain reported amounts of net assets available for benefits at the date of the financial statements, the changes in net assets available for benefits during the reporting period and, when applicable, disclosures of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan holds a fully benefit-responsive contract with Great-West Life & Annuity Insurance Company (GWLAC) that is held in a general account. The guaranteed income fund is a fixed account that is part of the general account of GWLAC. Contract value, as reported to the Plan by GWLAC, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan's investments are stated at fair value, excluding its fully benefit-responsive investment contract which is stated at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (see Note 4 – Fair Value Measurements).

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses (realized and unrealized) on investments bought and sold as well as held during the year. The Plan's Administrator determined the Plan's valuation policies utilizing information provided by the investment advisors, custodians and insurance company.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. Interest rates on outstanding loans range from 4.25% to 7.75% per annum at December 31, 2021 and 2020. The outstanding loans mature at various times through August 2026.

EXCESS CONTRIBUTIONS PAYABLE

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service (IRS) are recorded as a liability with a corresponding reduction to participants contributions revenue. The Plan distributed excess contributions to the applicable participants in the first quarter of 2022 for 2021.

PAYMENT OF BENEFITS

Benefits to participants are recorded when paid.

IMAGINEERS, LLC RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

ADMINISTRATIVE EXPENSES

Fees related to the administration of notes receivable from participants and distributions are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net depreciation in fair value of investments. Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements.

INCOME TAX STATUS

The Plan has adopted a volume submitter plan that received a favorable opinion letter from the IRS, dated March 31, 2014, updated June 30, 2020, that it was in compliance with the applicable requirements of the IRC. The Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan Administrator believes that the Plan is qualified and the related trust is tax exempt.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognizes a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods pending or in progress.

RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

IMAGINEERS, LLC RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

RISKS AND UNCERTAINTIES (CONTINUED)

Certain mutual funds offered by the Plan invest in securities of foreign companies, which involves special risks and considerations not typically associated with investing in U.S. companies. These risks include devaluation of currencies, less reliable information about issuers, different securities transaction clearance and settlement practices, and possible adverse political and economic developments. Moreover, securities of many foreign companies and their markets may be less liquid and their prices more volatile than similar types of securities in comparable U.S. companies.

NEWLY-ADOPTED ACCOUNTING PRONOUNCEMENTS

In July 2019, the Auditing Standards Board of the American Institute of Certified Public Accountants (AIPCA) issued Statement on Auditing Standards Update (ASU) No. 136, Forming an Opinion and Reporting on Financial Statements of Employee Benefit Plans Subject to the Employee Retirement Income Security Act of 1974 (ERISA). SAS 136 made significant changes to many aspects of employee benefit plan audits covered by ERISA. One of the biggest changes was the creation of Section 103(a)(3)(C), which effectively replaces the limited scope audit provision with new rules. The effective date for this change is for audit periods ending on or after December 15, 2021. At the time of adoption, “Limited-Scope Audits” will be referred to as ERISA Section 103(a)(3)(C) audits. Management has evaluated the impact that the adoption has on the recognition of revenue and has determined that it has not had a material impact on the financial statements.

NOTE 3 – INFORMATION CERTIFIED BY THE CUSTODIANS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends and interest on notes receivable for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by GWLAC and Great-West Trust Company, LLC (Great West), the custodians of the Plan. This information has not been audited by the Plan's independent auditors.

NOTE 4 – FAIR VALUE MEASUREMENTS

GAAP establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

IMAGINEERS, LLC RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 4 – FAIR VALUE MEASUREMENTS (CONTINUED)

Pooled separate accounts: Investments in pooled separate accounts are valued using NAV per share as a practical expedient and provided by Great West. NAV is based on the fair value of its underlying investments, which are generally securities traded on an active market. This practical expedient is not used when it is determined to be probable that the pooled separate accounts will sell the investment for an amount different than the requested NAV. There were no unfunded commitments as of December 31, 2021 and 2020. The pooled separate accounts may be redeemed on a daily basis with no redemption restrictions.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of:

	December 31, 2021			Total
	Level 1	Level 2	Level 3	
Mutual funds	<u>\$12,355,311</u>	<u>\$ --</u>	<u>\$ --</u>	\$12,355,311
Investments valued at net asset value (a)				<u>30,259</u>
Total investments				<u><u>\$12,385,570</u></u>

	December 31, 2020			Total
	Level 1	Level 2	Level 3	
Mutual funds	<u>\$10,457,745</u>	<u>\$ --</u>	<u>\$ --</u>	\$10,457,745
Investments valued at net asset value (a)				<u>13,529</u>
Total investments				<u><u>\$10,471,274</u></u>

(a) In accordance with Accounting Standards Codification Section 820, *Fair Value Measurement*, certain investments that were measured at NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 5 – INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan has a fully benefit-responsive investment contract with GWLAC. Contributions to the contract are maintained by GWLAC in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise and no specific securities in the general account that back the liabilities of this annuity contract. The crediting interest rate is based on a formula established by GWLAC and the minimum interest rate will never be less than 0% for the life of the contract. The crediting interest rate resets quarterly based on market conditions.

The investment contract held by the Plan meets the fully benefit-responsive investment contract criteria and is therefore reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan.

Generally, there are no events that could limit the ability of the Plan to transact at contract value paid within 90 days or in rare circumstances, contract value paid over time.

There are no events that allow the issuer to terminate the contract and which require the Plan Sponsor to settle at an amount different than contract value paid either within 90 days or over time.

Amounts held in the fully benefit-responsive investment contracted totaled \$1,050,811 and \$967,928 as of December 31, 2021 and 2020, respectively.

NOTE 6 – PLAN TERMINATION

Although it has not expressed any intent to do, the Plan Sponsor has the right to terminate the Plan at any time. Upon full or partial termination, all amounts credited to participants shall become 100% vested and will not be subject to forfeiture.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 7 – PARTY-IN-INTEREST TRANSACTIONS

During 2021, there were transactions involving the investment of Plan assets in the pooled separate account, mutual funds, and the fully benefit-responsive investment contract managed by GWLAC and Great West, parties-in-interest as defined in Section 3(14) of ERISA. The Plan allows participants to take loans against their account balances, which also qualify as exempt party-in-interest transactions. In addition, the Plan Sponsor provides certain accounting, administrative and investment management services to the Plan for which no fees are charged.

NOTE 8 – SUBSEQUENT EVENTS

The Plan has evaluated all subsequent events through October 10, 2022, the date the accompanying financial statements were available to be issued. Except as described below, no events requiring recognition or disclosure in the accompanying financial statements were identified. In July 2022, the Plan was amended to comply with required IRS language.
