## INDEPENDENT AUDITOR'S REPORT

To the Plan Trustees  
Umpqua Health and Affiliated Companies Employee Savings Plan  
Roseburg, Oregon

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements***

We have performed an audit of the financial statements of Umpqua Health and Affiliated Companies Employee Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statement comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### ***Opinion on the 2021 Financial Statements***

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion on the 2021 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 financial statements section of our report. We are required to be independent of Umpqua Health and Affiliated Companies Employee Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the 2021 Financial Statements***

Management is responsible for the preparation and fair presentation of the 2021 financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the 2021 financial statements.

In preparing the 2021 financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Umpqua Health and Affiliated Companies Employee Savings Plan 's ability to continue as a going concern for one year after the date the 2021 financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the 2021 financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the 2021 Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 financial statements section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we—

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Umpqua Health and Affiliated Companies Employee Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Umpqua Health and Affiliated Companies Employee Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Other Matters***

#### **2021 Supplemental Schedules Required by ERISA**

The supplemental schedules, as listed in the table of contents, as of and for the year ended December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

#### **Auditor's Report on the 2020 Financial Statements**

We were engaged to audit the 2020 financial statements of Umpqua Health and Affiliated Companies Employee Savings Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 8, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## UMPQUA HEALTH AND AFFILIATED COMPANIES EMPLOYEE SAVINGS PLAN NOTES TO FINANCIAL STATEMENTS

### **1. Plan Description**

The following description of Umpqua Health and Affiliated Companies Employee Savings Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions. The Plan's most recent restatement was effective January 1, 2017.

#### **General**

The Plan is a defined-contribution plan covering all eligible employees of Umpqua Health, LLC (the Employer). Collective bargaining, leased, and non-resident alien employees are excluded from participating in the Plan. Employees become eligible after 3 months of employment. There are no hour or age requirements. Non-excluded employees of the Employer become eligible participants of the Plan on the first day of the calendar quarter coinciding with or following the date they meet the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Trustees oversees the governance of the Plan.

#### **Employer Contributions**

The Employer matches 100 percent of elective deferrals up to 6 percent of participant eligible compensation in accordance with the Plan's safe harbor provisions. For the years ended December 31, 2021 and 2020, employer matching contributions were \$560,257 and \$592,351, respectively.

The Employer will also determine a profit-sharing contribution, if any, which will be contributed to the Plan. This contribution will be allocated to participant accounts utilizing the Social Security Integration Level, while not exceeding the cumulative, permitted, disparity limit. In order to be eligible for profit-sharing contributions, the participant must have worked at least 1,000 hours during the Plan year or must be employed on the last day of the Plan year unless the severance of employment was the result of death, disability, or retirement after attaining 65 years of age. For the years ended December 31, 2021 and 2020, no profit-sharing contributions have been made to the Plan.

Additionally, the Employer may make discretionary matching contributions equal to a dollar amount or percentage of a participant's compensation to be determined by the Employer on a uniform basis for all eligible participants. For the years ended December 31, 2021 and 2020, no discretionary matching contributions have been made to the Plan.

#### **Employee Voluntary Contributions**

The Plan includes a salary-deferral provision which provides for pre-tax and Roth contributions. Each participant may elect to contribute to the Plan a portion of his or her total annual compensation up to the maximum allowed under the Internal Revenue Code (IRC). Participants may also contribute amounts representing distributions from other qualified plans (rollovers).

UMPQUA HEALTH AND AFFILIATED COMPANIES EMPLOYEE SAVINGS PLAN  
NOTES TO FINANCIAL STATEMENTS

**1. Plan Description, continued**

**Participant Accounts**

Each participant's account is credited with the participant's contribution and the Employer's matching contribution, allocations of Plan earnings or losses, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit provided from the participant's vested account.

The Plan offers a variety of investment options and allows for participant directed investment. Participant contributions are maintained in separate accounts.

**Vesting**

Employee voluntary contributions, as well as the Employer's matching contributions, are 100 percent vested at all times. Vested interest in the profit-sharing contributions are calculated at 25 percent per year of service, beginning with the participant's second full year of service and reaching 100 percent at the end of five years of credited service of at least 1,000 hours per year.

**Forfeited Accounts**

Forfeitures of terminated participants' non-vested portions of Employer contributions may be used to reduce future Employer contributions. At December 31, 2021 and 2020, there were no forfeitures available to offset future contributions and no unvested amounts were forfeited from participant accounts.

**Participant Loans**

Participant loans are not allowed.

**Payment of Benefits**

On termination of service due to death, disability, or retirement as defined in the Plan document, a participant or their survivor become eligible to receive a full, lump sum of account balances. In-service withdrawals are permitted on fully vested funds once the participant has reached 59 ½ years of age.

Under Coronavirus Aid, Relief and Economic Security Act (the CARES Act), signed into law on March 27, 2020, qualifying participants affected by the COVID-19 coronavirus pandemic were eligible to take early withdrawals up to \$100,000, subject to special rules under the CARES Act.

**2. Summary of Significant Accounting Policies**

**Basis of Reporting**

The financial statements of the Plan are prepared on the accrual basis of accounting.

UMPQUA HEALTH AND AFFILIATED COMPANIES EMPLOYEE SAVINGS PLAN  
NOTES TO FINANCIAL STATEMENTS

**2. Summary of Significant Accounting Policies, continued**

**Use of Estimates**

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of changes in net assets during the reporting period. Actual results could differ from those estimates.

**Investment Valuation and Income Recognition**

The Plan's investments in registered investment companies are stated at fair value. Fair value is the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of the valuation of the Plan's investments in insurance contracts. See Note 5 for additional information on fair value measurements.

Purchases and sales of securities are recorded on a settlement-date basis. Interest and dividend income are recorded on the accrual basis of accounting. Net change in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Payment of Benefits**

Benefits are recorded when paid.

**Administrative Expenses and Fees**

General Plan administrative expenses, investment management fees, and other fees are paid directly from participant accounts. Investment-related expenses are included in net change in fair value of investments.

**3. Information Certified by Custodian**

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Charles Schwab Trust Bank, acting as the custodian for the Plan, has certified that the following information included in the accompanying financial statements and supplemental schedules is complete and accurate as of and for the years ended December 31:

|                                                | <u>2021</u>   | <u>2020</u>   |

UMPQUA HEALTH AND AFFILIATED COMPANIES EMPLOYEE SAVINGS PLAN  
NOTES TO FINANCIAL STATEMENTS

#### 4. Insurance Contract

The Plan is invested in a fully benefit-responsive, investment contract with Standard Insurance Company (The Standard). The Standard maintains the contributions in a pooled account (Stable Value Asset A), which is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. All assets in the stable value fund are credited with interest using a declared quarterly rate determined by The Standard and stated in advance of the coming quarter. There is no specific portfolio of assets in which the stable value fund invests. The credited interest rate is backed by the income received from assets held in The Standard's general account. The crediting rate for the Plan year ended December 31, 2021 and 2020 was 2.21 percent and 2.42 percent, respectively. The rate will never be below 1 percent and has no maximum interest rate for the Stable Value Option, and it is not considered a guaranteed interest contract or a common/collective trust. Certain events, such as the premature termination of the contract by the Plan or the termination of the Plan, would limit the Plan's ability to transact at contract value with The Standard. The Plan Administrator believes the occurrence of such events that would also limit the Plan's ability to transact at contract value with the Plan participants is not probable. Based on these factors, The Standard has certified that the fair value of the insurance contracts is equal to the current contract value.

#### 5. Fair Value Measurements

Financial Accounting and Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, provides a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

**5. Fair Value Measurements, continued**

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to their fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2021 and 2020.

*Registered investment companies:* The Plan's investments are units of mutual funds held within a group annuity contract. These funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded and considered to have a readily determinable fair value.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair value. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level within the fair value hierarchy the Plan's assets at fair value as of December 31, 2021 and 2020:

| Assets at Fair Value as of December 31, 2021 |               |         |         |               |

**6. Related Party and Party in Interest Transactions**

Certain Plan investments are managed by The Standard, acting as the third party administrator for the Plan, and therefore these transactions qualify as party in interest transactions. Administrative fees paid to The Standard for 2021 and 2020 totaled \$30,290 and \$25,947, respectively. These party in interest transactions are exempt from the prohibited transaction rules of ERISA.

**7. Plan Termination**

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of full or partial Plan termination, affected participants will become 100 percent vested in their accounts.

**8. Tax Status**

The Internal Revenue Service (IRS) has determined and informed the Employer by a letter dated September 20, 2017, that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

**9. Risks and Uncertainties**

The Plan provides for various options that have different investment strategies. These investment securities are exposed to various risks, such as interest rate, market, and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

**10. Non-exempt Transactions**

There were no nonexempt transactions during the year ended December 31, 2021. During the year ended December 31, 2020, participant contributions totaling \$450 were not remitted to the Plan within the appropriate time period by the Employer. These transactions constitute prohibited transactions as defined by ERISA. The Employer has taken the appropriate steps to correct the situation in 2021 by reimbursing employees for lost earnings and interest, and has further implemented a procedure to ensure that all future remittances are made within the prescribed time period.

**11. Subsequent Events**

Management evaluates events and transactions that occur after the statement of net assets available for benefits date as potential subsequent events. Management has performed this evaluation through the date of the independent auditor's report.
