INDEPENDENT AUDITOR'S REPORT

To the Participants and Administrator of the
Able Roofing 401(k) & Profit Sharing Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Able Roofing 401(k) & Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of Form 5500, Schedule H, Part IV, Line 4a–Schedule of Delinquent Participant Contributions, for the year ended December 31, 2021 and Form 5500, Schedule H, Part IV, line 4i–Schedule of Assets (Held at End of Year), as of December 31, 2021 (unaudited) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by two qualified institutions. In our report dated October 12, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Able Roofing 401(k) & Profit Sharing Plan

Notes to Financial Statements

December 31, 2021 and 2020

1. DESCRIPTION OF THE PLAN

The following description of the Able Roofing 401(k) & Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan’s provisions.

General—The Plan is a defined contribution 401(k) plan which was established January 1, 1994 for the exclusive benefit of eligible employees of Able Roofing LLC (the “Company”), as defined in the Plan document.

Contributions—Each year, participants may contribute up to a maximum of 100% of their annual compensation, as defined in the Plan. However, these contributions shall not exceed the maximum amount permitted by the Internal Revenue Code. All newly hired, full-time employees are automatically enrolled the first day of the new month following 90 days of consecutive service.

The Company’s match for those participants eligible for the Plan is 100% of the first 2% of employee deferrals and 50% of the next 2% of employee deferrals, for a maximum of 3%. For the years ended December 31, 2021 and 2020, the Company contributed matching funds of \$674,120 and \$654,927 respectively. For the year ended December 31, 2021, \$7,056 is included within the employer contributions due to lost earnings on the 2019 contribution true up (see note 10). The Company may, at its sole discretion for each plan year, make discretionary contributions to the Plan. No discretionary contributions were made to the Plan for 2021 and 2020.

Upon enrollment, a participant may direct employee and employer contributions into any of the Plan’s investment options.

Participant Accounts—Each participant’s account is credited with the participant’s contributions and allocations of (a) Plan earnings or losses and (b) any Company matching or discretionary contributions. Earnings or losses of the Plan are allocated to individual participant accounts based on the participant’s account balance in the applicable fund.

Notes Receivable from Participants—Loans to participants are not permitted under the Plan.

Vesting—Amounts contributed by participants and related earnings thereon become immediately vested. The Company’s matching and/or discretionary contributions and related earnings or losses become 100% vested upon entry into the Plan.

Withdrawals—Any participant can withdraw all or any portion of participant contributions as a result of financial hardship or attainment of age 59-1/2. Financial hardship shall include qualified medical expenses, tuition for post-secondary education, expenses incurred for the purchase of a primary residence or the need to prevent the eviction or foreclosure on a participant’s principal residence.

Able Roofing 401(k) & Profit Sharing Plan

Notes to Financial Statements (Continued)

December 31, 2021 and 2020

Benefits Paid to Participants or Beneficiaries—On termination of employment other than death, a participant will receive a lump-sum amount equal to the vested value of his or her account if the participant's account does not exceed \$1,000. Terminated participants who have balances greater than \$1,000 may elect to receive a cash distribution, rollover the balance or continue to participate in the Plan. Death benefits will be paid to the participant's designated beneficiary, which generally requires payment by the end of the calendar year following the date of death.

The Coronavirus Aid, Relief and Economic Security Act (the "CARES Act") was signed into law on March 27, 2020, which provides relief to Plan participants who have been affected by the novel coronavirus pandemic as specified in the CARES Act. The Plan is operating in accordance with the CARES Act and executed a formal amendment within the timeframe required by law.

Plan Termination—Although it has not expressed any intention to do so, the Company has the right, at any time, to terminate the Plan.

2. SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting—The financial statements of the Plan are prepared on the accrual basis of accounting.

Administrative Expenses—Substantially all administrative expenses of the Plan are paid by the Company. Additionally, the Company provides certain accounting and administrative services at no cost to the Plan.

Benefits Paid to Participants or Beneficiaries—Benefits paid to participants or beneficiaries are recorded in the statements of changes in net assets available for benefits when paid. At December 31, 2021 and 2020 there was no amounts due to participants who had elected to withdraw from the Plan.

Use of Estimates—The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition—Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividend and interest income are recorded on the cash basis. Net appreciation or (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Able Roofing 401(k) & Profit Sharing Plan

Notes to Financial Statements (Continued)

December 31, 2021 and 2020

Forfeitures—Based on the current vesting provisions in the Plan, the participants will not forfeit any of their account balance. Amounts left over from prior plan provisions for vesting, will be used first to reduce future employer contributions and the remaining balance.

Forfeitures totaled \$17,406 and \$0 in 2021 and 2020, respectively. During 2021 and 2020, \$26,955 and \$0 from the forfeiture account were utilized to reduce 2021 and 2020 employer contributions and pay plan expenses. During 2020, fees that Fifth Third Bank over charged the Plan of \$1,423 were transferred to the forfeiture account. At December 31, 2021 and 2020 forfeitures in the amount of \$0 and \$9,533, respectively, were available for reduction of future employer contributions.

Subsequent Events— The Plan has evaluated subsequent events through October 10, 2022, the date the financial statements were available to be issued and has determined that there were no transactions or events that required disclosure through the evaluation date.

3. INFORMATION CERTIFIED BY TRUSTEES (UNAUDITED)

Fifth Third Bank was a trustee from January 1, 2020 through July 27, 2020, as the Goldman Sachs Stable Value Collective Trust was not available for redemption until 12 months after notification of the Plan's request to redeem this asset. Reliance Trust Company was a trustee from January 1, 2020 through December 31, 2021.

The following is a summary of the unaudited information regarding the Plan, which was prepared by or derived from information prepared by Reliance Trust Company and Fifth Third Bank, the trustees of the Plan, and furnished to the plan administrator. The plan administrator has obtained certifications from the trustees that such information is complete and accurate.

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Stable Value Common Collective Trust: A stable value fund that is composed primarily of benefit-responsive contracts that is valued at the NAV of units of the common collective trust. The NAV is used as a practical expedient to estimate fair value. This practical

Able Roofing 401(k) & Profit Sharing Plan

Notes to Financial Statements (Continued)

December 31, 2021 and 2020

expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner. The Plan does not have any contractual obligations to further invest in this fund.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

Assets at Fair Value as of December 31, 2021

	Level 1	Level 2 & 3	Total
Mutual funds	\$ 11,623,759	\$ -	\$ 11,623,759
Total assets in the fair value hierarchy	11,623,759	-	11,623,759
Investments measured at NAV ^(a)	-	-	66,008
Total assets at fair value	\$ 11,623,759	\$ -	\$ 11,689,767

Assets at Fair Value as of December 31, 2020

	Level 1	Level 2 & 3	Total
Mutual funds	\$ 9,007,753	\$ -	\$ 9,007,753
Total assets in the fair value hierarchy	9,007,753	-	9,007,753
Investments measured at NAV ^(a)	-	-	77,473
Total assets at fair value	\$ 9,007,753	\$ -	\$ 9,085,226

- (a) In accordance with Subtopic 820-10 of ASC 820, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

5. PARTIES-IN-INTEREST

Certain Plan investments are collective trust funds managed by Reliance Trust Company. These transactions qualify as party-in-interest transactions. The trustee and affiliate of Reliance Trust Company maintain and manage common collective trusts in the Plan for which they receive management fees. These management fees are part of the annual operating expenses of each fund that range and result in a reduction of earnings from investments. All of these transactions are exempt from the prohibited rules of the Employee Retirement Income Security Act of 1974.

Able Roofing 401(k) & Profit Sharing Plan

Notes to Financial Statements (Continued)

December 31, 2021 and 2020

6. TAX STATUS

The IRS has determined and informed the Company by a letter dated March 31, 2008, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the plan administrator believes that the Plan is designed, and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with various investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

8. PROHIBITED TRANSACTION

During 2020, the Company failed to remit the contribution for one pay period to the Plan in a timely manner, as defined by ERISA. The prohibited transaction was corrected outside the Department of Labor's Voluntary Fiduciary Correction Program (VFCP) during 2021.

9. BENEFITS PAID TO PARTICIPANTS OR BENEFICIARIES IN ERROR

During 2020, the record keeper, Transamerica Retirement Solutions incurred a failure in their record keeping system that affected the Plan. The failure forced out participants with balances less than \$5,000 into a Merrill Lynch IRA, regardless of the participants' status within the Plan. Benefits paid to participants or beneficiaries in error during 2020 were \$163,945. The error was identified and corrected in February 2021. The correction included funding the participants with earnings/losses within the mutual fund or stable value fund they were participating in. The 2020 certification from the trustee, Reliance Trust Company, did not adjust the year end certified statements to reflect this receivable due to the Plan.

Able Roofing 401(k) & Profit Sharing Plan
Notes to Financial Statements (Continued)
December 31, 2021 and 2020

10. EMPLOYER TRUE UP CONTRIBUTIONS

During 2019, the Plan sponsor determined the employer true up contribution funded in 2020 incorrectly funded specific participants while also not properly funding specific participants of the plan. On March 5, 2021, the Plan contributed the missed employer contribution to all employees that were due funds based on the 2019 employer true up contribution for \$29,564. Additionally, the participants still within the Plan forfeited the misapplied contributions for \$17,055. The Plan sponsor did not factor earnings missed, which was calculated as \$7,056, and is included within the employer contribution receivable to the Plan as of December 31, 2021. The employer contribution receivable in relation to the employer true contribution error was funded by the date of this report.
