Independent Auditor's Report

Plan Administrator
Keller North America Retirement Savings Profit Sharing Plan
Hanover, Maryland

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of **Keller North America Retirement Savings Profit Sharing Plan**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the Statement of Net Assets Available for Benefits as of December 31, 2021, and the related Statement of Changes in Net Assets Available for Benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of **Keller North America Retirement Savings Profit Sharing Plan's** financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

-1-

Independent Auditor's Report (continued)

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of **Keller North America Retirement Savings Profit Sharing Plan** and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **Keller North America Retirement Savings Profit Sharing Plan's** ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Independent Auditor's Report (continued)

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **Keller North America Retirement Savings Profit Sharing Plan's** internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **Keller North America Retirement Savings Profit Sharing Plan's** ability to continue as a going concern for a reasonable period of time.

Independent Auditor's Report (continued)

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental Schedules of Assets (Held at End of Year) as of December 31, 2021 and Delinquent Participant Contributions for the year then ended are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Independent Auditor's Report (continued)

In our opinion -

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditor's Report

Plan Administrator
Keller North America Retirement Savings Profit Sharing Plan
Hanover, Maryland

We were engaged to audit the accompanying Statement of Net Assets Available for Benefits of **Keller North America Retirement Savings Profit Sharing Plan** (the "Plan") as of December 31, 2020, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the *Basis for Disclaimer of Opinion* paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Prudential Retirement Insurance and Annuity Company and Prudential Bank & Trust, FSB, the insurance company and custodian of the Plan, except for comparing such information with the related information included in the financial statement. We have been informed by the Plan administrator that the insurance company and custodian hold the Plan's investment assets and execute investment transactions. The Plan administrator has obtained certifications from the insurance company and custodian as of December 31, 2020, that the information provided to the Plan administrator by the insurance company and custodian is complete and accurate.

Independent Auditor's Report (continued)

Disclaimer of Opinion

Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statement.

Report on Form and Content in Compliance With DOL Rules and Regulations for 2020 Financial Statement

The form and content of the information included in the 2020 financial statement, other than that derived from the information certified by the insurance company and custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Keller North America Retirement Savings Profit Sharing Plan

Notes to Financial Statements

-
- 1. Description of the Plan** The following description of the Keller North America Retirement Savings Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering substantially all employees of Keller Management Services, LLC and its affiliates (collectively, the "Company") who are at least 18 years old and who have completed four months of service, except for nonresident aliens, employees covered by a collective bargaining agreement, leased employees, self-employed individuals, and any employee who is a resident of Puerto Rico. The age requirement for employees of affiliate Suncoast Post-Tension Ltd. ("Suncoast") is age 21. Employees of Suncoast must also complete one year of service of 1,000 hours to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The Plan was amended effective July 13, 2021, to add Remedial Construction Services, LP as a participating employer. Prior service was granted for eligibility, vesting, and allocation purposes to employees of the entity for periods prior to July 13, 2021. Participants were permitted to transfer outstanding loan balances to the Plan. Approximately \$300,000 of such transfers is included in transfers from other plans in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2021.

Effective August 31, 2021, the Plan was amended to provide for the merger in of The Moretrench American Corporation 401(k) Plan. In September, the assets of The Moretrench American Corporation 401(k) Plan of approximately \$29.5 million were transferred into the Plan and is included in transfers from other plans in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2021.

The Plan was amended effective December 1, 2021 to grant prior service for eligibility and vesting purposes to employees of Voges Drilling Company, Inc. for periods prior to December 1, 2021.

In response to the spread of the coronavirus ("COVID-19") and its impact on the economy, Congress passed legislation in March 2020 that eased restrictions on distributions and loans from retirement plans. Management adopted certain provisions of this legislation in 2020 in Plan operations. Written amendments to the Plan to reflect these operational changes were adopted in 2020 in accordance with applicable law and Internal Revenue Service ("IRS") guidance.

Keller North America Retirement Savings Profit Sharing Plan

Notes to Financial Statements

Contributions: Each year, participants may contribute up to 100 percent of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollovers). The Plan provides for automatic enrollment. Any newly eligible employee who has not affirmatively elected to contribute to the Plan or has not affirmatively declined to participate in the Plan will be automatically enrolled in the Plan with a two percent withholding of pretax annual compensation. The Company, with the exception of Suncoast, contributes a qualified matching contribution (safe harbor contribution) of 100 percent of the first three percent of compensation and 50 percent of the next two percent of compensation that a participant contributes to the Plan. Participants must complete twelve months of service to receive a safe harbor contribution. The Plan provides for discretionary matching contributions for all eligible participants of Suncoast (regular matching contributions). Qualified nonelective contributions (referred to as discretionary nonelective contributions) may be contributed at the discretion of the Company. Participants not employed by Suncoast must complete twelve months of service to receive a discretionary nonelective contribution. During 2021, approximately \$2,221,000 of discretionary nonelective contributions were made to the Plan. Contributions are subject to certain limitations.

Participant accounts: Each participant's account is credited with the participant's contributions, the Company's safe harbor matching contributions, as well as allocations of the Company's discretionary nonelective contributions, if any, regular matching contributions, if any, and Plan earnings. Investment earnings and losses are allocated based upon the investment performance of each investment in the participant's account. Company nonelective contributions, if any, are determined separately for each affiliate and are allocated based on the ratio of the participant's compensation to the total compensation of all eligible participants for the affiliate for the Plan year. Eligible participants need to be employed at any point during the last pay period of the Plan year in order to receive the nonelective contributions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Payment of benefits: Benefits are payable upon retirement at age 65, early retirement at age 55 with 5 years of service, disability, death, or termination of employment. Hardship withdrawals and in-service withdrawals at age 59 1/2 are also permitted, subject to provisions described in the Plan document. Withdrawals from rollover contributions are permitted at any time. Benefits are payable in lump sum, annuities and installment payments.

Keller North America Retirement Savings Profit Sharing Plan

Notes to Financial Statements

Vesting: Participants are vested immediately in their contributions and discretionary nonelective contributions plus actual earnings thereon. All employees except those of Suncoast are also immediately fully vested in employer matching contributions. Vesting in matching contributions for Suncoast participants is based on years of continuous service. Participants are 20% vested after one year of service is completed, and vest an additional 20% per year until full vesting after five years. Different vesting schedules may apply to account balances of participants due to prior Plan provisions as described in the Plan document.

Forfeited accounts: At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$79,121 and \$133,369, respectively. These accounts will be used to reduce future Company contributions or to pay Plan expenses. During 2021, \$170,507 of forfeited nonvested accounts was used to reduce Company contributions and no forfeited nonvested accounts were used to pay Plan expenses.

Notes receivable from participants: Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from one to five years or fifteen years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a reasonable fixed rate of interest as determined by the plan administrator. Principal and interest are paid through payroll deductions.

Administrative expenses: Certain expenses of maintaining the Plan are paid by the Company. Transaction expenses, such as loan and distribution administration fees, are charged directly to the participant's account and are included in administrative expenses. Participants also pay an asset based fee for recordkeeping services.

2. Significant accounting policies

Basis of accounting: The financial statements of the Plan are prepared under the accrual method of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measurement attribute for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Keller North America Retirement Savings Profit Sharing Plan

Notes to Financial Statements

Investment valuation and income recognition: Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan administrator determines the Plan's valuation policies utilizing information provided by the custodian. See Note 4 for a discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent loans are reclassified as distributions based upon the terms of the Plan document.

Payment of benefits: Benefits are recorded when paid.

Use of estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Subsequent events: The Plan has evaluated subsequent events for disclosure in these financial statements through September 30, 2022, which is the date the financial statements were available to be issued.

Keller North America Retirement Savings Profit Sharing Plan

Notes to Financial Statements

3. Certified information Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividend income, and interest income from notes receivable from participants for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Prudential Retirement Insurance and Annuity Company and Prudential Bank & Trust, FSB, the insurance company and custodian of the Plan.

4. Fair value measurements The Plan reports its assets at fair value based on a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1. Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2. Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, and inputs that are derived from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3. Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Keller North America Retirement Savings Profit Sharing Plan

Notes to Financial Statements

The fair value of the shares of mutual funds owned by the Plan is based on quoted net asset values on the last business day of the Plan year.

The fair value of the units of pooled separate accounts is based on the net asset value ("NAV") on the last business day of the Plan year provided by the entity holding the accounts. The NAV is used as a practical expedient to estimate fair value and is determined by the insurance company and custodian based on fair value of the underlying assets in the account, less the liabilities.

The fair value of the collective trust funds is based on the NAV on the last business day of the Plan year provided by the entity holding the trust funds. The NAV of the collective trust is used as a practical expedient to estimate fair value and is determined by the fund trustee based on the fair value of underlying assets in the trust, less its liabilities.

The fair value of assets is as follows:

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 137,223,082	\$ -	\$ -	\$ 137,223,082

(a) In accordance with ASC 820, certain investments that were measured at net asset value per share (or its equivalent) as of December 31, 2021 and 2020 have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

Investments in all collective trust funds (\$42,779,998 and \$28,064,926 at December 31, 2021 and 2020, respectively) can be redeemed immediately at the current net asset value based on the fair value of the underlying assets for participant initiated transactions. The Mid Cap Growth Fund Class I1 and Mid Cap Value Fund Class I1 collective trusts require the Plan sponsor to provide five days advance written notice for Plan sponsor directed withdrawals that will exceed one million dollars or 10% of the assets invested in the trusts. There are no other withdrawal limits, redemption frequency limits or redemption notice periods for the collective trusts. Investments in all pooled separate accounts (\$58,667,598 and \$45,009,094 at December 31, 2021 and 2020, respectively) can be redeemed immediately at the current net asset value based on the fair value of the underlying assets. There are no withdrawal limits, redemption frequency limits or redemption notice periods for the pooled separate accounts. There were no unfunded commitments for these investments as of December 31, 2021 and 2020.

Notes to Financial Statements

-
- 5. Guaranteed income fund** The Plan participates in a traditional benefit responsive investment contract with Prudential Retirement Insurance and Annuity Company ("Prudential") via an investment in a Guaranteed Income Fund ("GIF"). Prudential commingles the assets of the GIF with other assets in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Prudential is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. Contract value, as reported to the Plan by Prudential, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct withdrawals or transfer all or a portion of their investment at contract value. The contract has no maturity date and there is no market value adjustment upon discontinuance. Prudential has determined that fair value approximates the contract value of the investment.
- There are no reserves against contract value for credit risk of the contract issuer or otherwise. There are no events that could limit the ability of the Plan to transact at contract value with Prudential, nor are there any events that allow Prudential to terminate the contract and settle at amounts other than contract value.
- 6. Risks and uncertainties** The Plan provides for investments in various securities that are exposed to risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in future statements of net assets available for benefits.
- The COVID-19 pandemic continues to evolve with direct and indirect economic impacts for companies world-wide. As of the date of issuance, the ultimate duration and severity of the pandemic cannot be reasonably estimated. Management will continue to monitor the impact of COVID-19 on the Plan and will reflect the consequences, as appropriate, in the Plan's financial records.
- 7. Tax status** The Internal Revenue Service ("IRS") has determined and informed the Plan administrator by letter dated January 25, 2017, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Notes to Financial Statements

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

- 8. Plan termination** Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts.
- 9. Party-in-interest transactions** Certain Plan investments are managed by affiliates of Prudential Bank & Trust, FSB ("Prudential"). Prudential is the custodian and recordkeeper as defined by the Plan. The plan pays fees to Prudential for these services. These transactions qualify as exempt party-in-interest transactions.

During 2021, the Company failed to remit to the custodian certain loan repayments totaling \$8,381 within the period prescribed by Department of Labor regulations. These delinquent remittances are considered nonexempt party-in-interest transactions.

The Plan is party to a revenue sharing agreement with Prudential. Under this agreement, Prudential will deposit amounts to an expense reimbursement account which may be used to pay Plan administrative expenses. In 2021, the Plan received \$97,803 under this agreement, which is netted against administrative expenses, and used the funds to pay \$50,806 of administrative expenses of the Plan. In addition, \$10,591 was received from the expense reimbursement account of The Moretrench American Corporation 401(k) Plan when the plans were merged. The balance in this account at December 31, 2021 and 2020, was \$117,628 and \$58,254, respectively, and is included with investments in the accompanying Statements of Net Assets Available for Benefits.

11. Subsequent events

The Plan was amended and restated effective January 1, 2022. Effective with the restatement, Suncoast employees must attain age 18 and complete four months of service to be eligible to participate in the Plan. Also effective with the January restatement, the maximum contribution percentage participants can contribute to the Plan was reduced to 80 percent. In addition, the Plan was amended to discontinue the Company's regular matching contributions and to increase the Safe Harbor matching contribution to 100 percent of the first six percent of compensation that a participant contributes to the Plan. Effective January 1, 2022, Suncoast employees are eligible to receive the Safe Harbor matching contribution and participants who are employed on January 1, 2022 are 100% vested in all regular matching contributions.
