Independent Auditor's Report

To the Plan Administrator of the Southland Container Corporation
D/B/A Concept Packaging Group 401(k) Retirement Savings Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for 2021 Financial Statements

We have performed an audit of financial statements of Southland Container Corporation D/B/A Concept Packaging Group 401(k) Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the 2021 financial statements, referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern over the twelve months from the report date.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of the Plan, as listed in the accompanying index, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Southland Container Corporation D/B/A Concept Packaging Group 401(k) Retirement Savings Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 28, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Southland Container Corporation D/B/A Concept Packaging Group 401(k) Retirement Savings Plan

Notes to Financial Statements December 31, 2021 and 2020

Note 1: Description of Plan

The following description of the Southland Container Corporation D/B/A Concept Packaging Group 401(k) Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General

Southland Container Corporation (the Company or Plan Sponsor) established the Plan effective December 1, 1991. The Plan is a defined contribution plan, covering employees of Southland Container Corporation, Southland Container Corporation of Kentucky, and Concept Management Corporation. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

Employees who have attained the age of 18 are eligible to participate in the Plan monthly following the completion of six months of service.

Contributions

Employees participate on a voluntary basis and may contribute from 2% up to 100% of their yearly compensation subject to the maximum allowed under the Internal Revenue Code (IRC), which was \$19,500 in 2021. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions up to \$6,500 in 2021.

Employees are automatically enrolled in the Plan to defer 2% of compensation for each payroll period, unless the employees elect to opt out of the Plan.

The Company may provide a discretionary matching contribution of up to 50% of the participants' first 4% contribution. The discretionary matching contribution was \$215,981 in 2021 and is reviewed annually. In addition, the Company may elect to make an additional annual discretionary contribution to the Plan. The Company did not make any additional discretionary contributions to the Plan in 2021.

Administration

The Company serves as the Plan Administrator. The Plan Administrator has the responsibility to administer the Plan for the exclusive benefit of the participants and their beneficiaries. These duties include, but are not limited to, establishing procedures, maintaining records, interpreting provisions of the Plan and making determinations regarding questions that may affect eligibility for benefits. The Plan Administrator has engaged Principal Trust Company (Principal or the Trustee) as the Trustee of the Plan and to assist in the administration of the Plan (see Notes 3 and 8).

As Trustee, Principal is responsible for the administration of investments for the benefit of the participants and their beneficiaries. Principal receives all contributions made under the Plan, holds Plan assets, pays benefits as directed by the Plan Administrator and assists in the administration of the Plan. Principal serves as the intermediary for all asset purchases and redemptions and manages certain plan investment options (see Notes 3 and 8).

Participant Accounts

Each participant's account is credited with the participant's pre-tax and after-tax contributions and allocations of the Company's discretionary matching and additional contributions and plan earnings and losses, and charged with certain administrative expenses. Earnings, expenses, and gains and losses on investments are allocated based on participant account balances, as defined in the Plan Document.

Vesting

Participant vesting in Plan Sponsor contributions and income earned thereon is based on the number of years of continuous service with the Plan Sponsor from the date of hire. All participants become 100% vested after five years of service. The vesting percentages are as follows:

Years of Service	Percentage
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5	100%

Participants also become 100% vested upon termination of the Plan, death, disability, upon reaching normal retirement age of 65, or early retirement age of 55 with the completion of five years of service with the Company.

Investment Options

Participants are required to make participant-directed allocations of their accounts in increments totaling 100% among various investment options, including certain options for which the Trustee or its affiliates serve as investment advisors (Note 8), selected by the Plan Administrator.

Payment of Benefits

Upon normal retirement, termination of employment, disability or death, a participant or beneficiary may elect to receive the value of the vested account by transfer to another qualified plan or individual retirement account or through a lump sum distribution or annuity. The Plan may, upon termination of service of a participant for any reason, automatically pay the benefits owed in a lump sum if the account balance is \$5,000 or less.

Financial hardship withdrawals are also permitted under certain circumstances, as defined in the Plan Document.

Participants may receive an in-service distribution of their vested account balance after attaining the age 59 ½.

Distributions from the Plan will normally be subject to income taxes and in certain circumstances may also be subject to Internal Revenue Service (IRS) penalties, unless the distribution is transferred to another qualified plan or individual retirement account.

Forfeitures

Any unvested employer contributions at the time of any employee's termination and withdrawal of vested funds or the employee's death are applied first to the administrative expenses of the Plan, then to the employer's discretionary matching contributions, and then to annual discretionary contributions and allocated among participants. Under certain re-employment conditions forfeited amounts are restored to the participant. Forfeitures totaled \$20,650 and \$23,715 in 2021 and 2020, respectively. There were no forfeitures available for future use as of December 31, 2021 and 2020.

Expenses

Administrative expenses of the Plan are obligations of the Plan but may be paid by the Company. These expenses include, but are not limited to, legal, accounting, recordkeeping fees and investment expenses. For administrative expenses not paid by the Company, a proportionate share of fees and expenses paid by the Plan is charged to each participant's account. Fees associated with distributions to participants are paid by the affected participant.

CARES Act

Effective March 27, 2020, the Plan adopted the distribution and loan rules of the Coronavirus Aid, Relief, and Economic Security Act (CARES Act). The CARES Act permitted retirement plans to provide qualified individuals (as defined in the CARES Act) who were impacted by the novel coronavirus (COVID-19) expanded distribution options and certain loan relief. Participants should refer to plan documents for specific changes made to the Plan. Written amendments to the Plan to reflect those operational changes will be adopted at a later date in accordance with applicable laws and IRS guidance.

Note 2: Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates in Financial Statements

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the accompanying financial statements and disclosures. Actual results could differ from those estimates.

Payments of Benefits

Benefit payments are recorded when paid by the Plan.

Risks and Uncertainties

The Plan's invested assets ultimately consist of stocks, bonds, fixed income securities and other investment securities. Investment securities are exposed to various risks, such as interest rate risk, market risk and credit risk. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the accompanying statements of net assets available for benefits and statement of changes in net assets available for benefits.

Note 3: Information Certified by Trustee (Unaudited)

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Trustee, except for comparing such information certified by the Trustee to information included in the Plan's financial statements and supplemental schedule of assets (held at end of year):

	2021	2020
Statements of net assets available for benefits:		
Investments, at fair value	\$ 14,512,312	\$ 12,697,795
Investments, at contract value	1,685,800	2,666,436
Statement of changes in net assets available for benefits:		
Investment income:		
Net appreciation in fair value of investments	\$ 1,883,904	
Interest and dividends	207,407	

Note 4: Fair Value Measurements

The accounting standard for fair value measurements provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the closing price reported on the active market on which the individual securities are traded.

Pooled separate accounts (PSAs): PSAs are privately managed through investment companies and are not publicly quoted. PSAs are valued by the Custodian at net asset value (NAV) which is based on the value of the underlying assets owned by the PSA, minus any liabilities, and then divided by the number of shares outstanding. The Plan has concluded that the NAVs reported by the investment companies are used as a practical expedient to approximate the fair value of the investments and are not classified in the fair value hierarchy. This practical expedient would not be used if it is determined to be probable that the investments will sell for an amount different from the reported NAV. There are currently no redemption restrictions or unfunded commitments on these investments.

Guaranteed interest contracts: Valued at fair value by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the creditworthiness of the issuer.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Net appreciation in the fair value of investments represents the change in fair value during the year, including realized and unrealized gains and losses, net of investment expenses charged by the Trustee. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value:

Assets at fair value as of December 31, 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 2,162,682	\$ -	\$ -	\$ 2,162,682
Pooled separate accounts (a)	-	-	-	11,796,440
Guaranteed interest contract	-	-	553,190	553,190
Total	<u>\$ 2,162,682</u>	<u>\$ -</u>	<u>\$ 553,190</u>	<u>\$ 14,512,312</u>

Assets at fair value as of December 31, 2020:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 1,729,548	\$ -	\$ -	\$ 1,729,548
Pooled separate accounts (a)	-	-	-	10,457,518
Guaranteed interest contract	-	-	510,729	510,729
Total	<u>\$ 1,729,548</u>	<u>\$ -</u>	<u>\$ 510,729</u>	<u>\$ 12,697,795</u>

(a) These investments are measured using NAV as a practical expedient and are not classified in the fair value hierarchy. The fair value amounts presented in this table are shown for the purpose of reconciling to the statement of net assets available for benefits.

The following sets forth a summary of changes in the fair value of the Plan's Level 3 assets:

	2021	2020
Beginning balance	\$ 510,729	\$ 522,067
Purchases	138,522	77,422
Sales	(92,764)	(104,019)
Net (depreciation) appreciation	<u>(3,297)</u>	<u>15,259</u>
Ending balance	<u>\$ 553,190</u>	<u>\$ 510,729</u>

The amount of total gains or losses for the year included in changes in net assets available for benefits attributable to the changes in unrealized gains or losses relating to assets held at the end of the reporting period were a loss of (\$8,963) and a gain of \$8,549 in 2021 and 2020, respectively.

Note 5: Fully Benefit-Responsive Investment Contract

The common collective trust is a fully benefit-responsive investment that provides that participants execute plan transactions at contract value, which is presented in the accompanying statements of net assets available for benefits. Certain events such as plan termination or a plan merger initiated by the Plan Sponsor, may limit the ability of the Plan to transact at contract value. The Plan Sponsor does not believe that any events that may limit the ability of the Plan to transact at contract value are probable. The contract value of the common collective trust accounts totaled \$1,685,800 and \$2,666,436 as of December 31, 2021 and 2020, respectively, and is reported as investments at contract value on the statements of net assets available for benefits.

Note 6: Reconciliation to Form 5500

The financial information of the Plan, as reported on Form 5500, does not include all amounts necessary for reporting on the accrual basis of accounting. A reconciliation of the amounts appearing on Form 5500 to the accompanying financial statements follows:

Net Assets Available for Benefits	2021	2020
Net assets, as reported on Form 5500	\$ 16,220,427	\$ 15,469,563
Adjustment to accrue excess contributions payable	(78,909)	(79,757)
Adjustment to record fully benefit-responsive investments at contract value	(22,315)	(105,332)
Net assets, as reported in the accompanying financial statements	<u>\$ 16,119,203</u>	<u>\$ 15,284,474</u>

Changes in Net Assets Available for Benefits

Increase in net assets, as reported on Form 5500	\$ 750,864
Adjustment to accrue excess contributions payable	(78,909)
Adjustment for prior year excess contributions payable	79,757
Adjustment to record fully benefit-responsive investments at contract value current year	(22,315)
Reverse prior year adjustment to record fully benefit-responsive investment at contract value	<u>105,332</u>
Increase in net assets, as reported in the accompanying financial statements	<u>\$ 834,729</u>

Note 7: Tax Status

The Plan Sponsor has adopted a prototype plan sponsored by Principal. The prototype plan received a favorable opinion letter from the IRS dated March 31, 2014, which states that the prototype plan and related trust have been designed in accordance with applicable sections of the IRC. The Plan itself has not received a determination letter from the IRS; however, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2018.

Note 8: Party-in-Interest Transactions

Principal performed services for and sold products to and managed and maintained certain investments of the Plan for which fees were charged to the Plan.

Such transactions, while considered party-in-interest transactions under ERISA, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

Note 9: Excess Contributions Payable

During 2021 and 2020, the Plan was not in compliance with IRC Section 401(k)(3). As a result, excess contributions totaling \$78,909 and \$79,757 were payable to certain participants at December 31, 2021 and 2020, respectively. Such amounts were deducted from participant contributions in the accompanying statement of changes in net assets available for benefits and are included as excess contributions payable in the statements of net assets available for benefits.

Note 10: Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

Note 11: Subsequent Events

The Plan Sponsor has evaluated for subsequent events between the statement of net assets available for benefits date of December 31, 2021 and the report date, the date these financial statements were available for issuance, and has concluded that all subsequent events requiring recognition or disclosure have been incorporated into these financial statements.
