To the 401(k) Plan Administrative Committee
ATR International, Inc. 401(k) Plan

We have audited the financial statements of ATR International, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit] for the year ended December 31, 2021, and we will issue our report thereon dated September 28, 2022. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Fidelity Management Trust Company (Fidelity), the trustee, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and supplemental schedules, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated June 13, 2022. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Findings

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note B to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during the year ended December 31, 2021. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

The financial statement disclosures are neutral, consistent, and clear.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. In addition, no material misstatements were detected as a result of audit procedures, either individually or in the aggregate, to the financial statements taken as a whole.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated September 28, 2022.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matters

With respect to the ERISA-required supplemental schedule accompanying the financial statements, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the ERISA-required supplemental schedule to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

This information is intended solely for the use of the Board of Trustees and management of the Plan and is not intended to be, and should not be, used by anyone other than these specified parties.

Very truly yours,

A handwritten signature in cursive script that reads "Petrinovich Pugh & Company, LLP".

INDEPENDENT AUDITORS' REPORT

To the 401(k) Plan Administrative Committee
ATR International, Inc. 401(k) Plan
Santa Clara, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of ATR International, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note H to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements (continued)

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule of assets held at end of year is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter – Auditors' Report on 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 6, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosures under ERISA.

ATR INTERNATIONAL, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE A - DESCRIPTION OF THE PLAN

The following description of the ATR International, Inc. 401(k) Plan (the Plan), provides only general information. Participants should refer to the Plan's adoption agreement and amendments for a more complete description of the Plan's provisions.

General: The Plan, a defined contribution plan qualified under Section 401(k) and related provisions of the Internal Revenue Code, was established effective January 1, 1993. The Plan was designed to provide participants with a means to defer a portion of their compensation for retirement funds and to provide benefits in the event of disability, death, or financial hardship. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Administrator: ATR International, Inc., (the Company) is the administrator of the Plan, and as such, carries out the duties imposed under ERISA. The Company has delegated the responsibility for the operation and administration of the Plan to Fidelity Management Trust Company. Certain expenses of the Plan are paid by the Company. Administrative costs paid by the Company were \$47,884 and \$38,862 for 2021 and 2020, respectively.

Eligibility: Any employee who is 21 years of age or older and has worked at least 1,000 hours during a one-year period from date of employment is eligible to participate in the Plan. The entry date for employee contributions is the first of the month following the date the eligibility requirements are met.

Contributions: Contributions to a qualified plan are tax deferred and therefore are not included in a participant's compensation for federal income tax purposes until distributed to the participant. Under the Plan, participants may elect to contribute annually 60% of their annual compensation on a pretax basis up to a maximum of \$19,500 for 2021 and 2020. The maximum contribution is normally adjusted annually by an inflation index. Participants are also allowed to rollover contributions from other qualified employer sponsored retirement plans. Such contributions are deposited in the appropriate investment funds in accordance with the participants' directives. Eligible participants age 50 or older are permitted to make catch-up contributions. The maximum catch-up contribution for each year is determined by the Internal Revenue Service and was \$6,500 for 2021 and 2020.

The Company may make discretionary matching or qualified non-discretionary matching contributions. The discretionary employer matching contributions are equal to 50% of the participating employee's salary deferral contribution, but not to exceed 3% of the employee's compensation. Discretionary employer contributions were made to the Plan in the amount of \$143,338 and \$103,885 in 2021 and 2020, respectively. There were no qualified non-discretionary matching contributions made for the years ended December 31, 2021 and 2020.

Participant Accounts: Each participant's account is credited with the participant's contributions and employer's contributions and an allocation of the Plan earnings and administrative expenses. Allocations are based on the ratio of the participant's balance to all participants' account balances. Each participant directs how contributions made to the Plan are to be invested among the investment options available under the Plan.

ATR INTERNATIONAL, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE A - DESCRIPTION OF THE PLAN (CONTINUED)

Vesting: The value of each participant's account is fully vested and non-forfeitable for participant contributions, rollover contributions and the interest and earnings on those dollars. Any employer contributions are fully vested after seven years for contributions made prior to 2002. Effective January 1, 2002, the employer matching and earnings thereon vest at a rate of 20% per year beginning at two years of service and are fully vested after six years.

Forfeitures: Forfeitures are created when participants terminate employment before becoming entitled to their full benefits under the Plan or result from violation of the discrimination limit applicable to employer matching contributions. Forfeitures can be applied to reduce employer contributions or pay administrative expenses payable by the Plan. The unapplied forfeited non-vested accounts totaled \$25,123 and \$428 on December 31, 2021 and 2020, respectively. Forfeitures applied to reduce employer contributions were \$18,949 and \$66,104 for the years ended December 31, 2021 and 2020, respectively.

Distributions to Participants: Distributions from the Plan are available upon any of the following situations: termination of employment at the Company, retirement, total disability, death, employee's reaching age 59-1/2 or qualified "financial hardship." Following termination of employment, if a participant's vested account balance does not exceed \$5,000, a distribution of the participant's vested account balance will be made as soon as administratively feasible following termination, regardless of participant consent. If the automatic distribution is greater than \$1,000, and the participant does not elect to receive or roll over the distribution, the distribution will be automatically rolled over into an IRA. All distributions from the Plan will be taxed as ordinary income for federal income tax purposes unless the participant elects to directly roll his or her distribution into an Individual Retirement Account (IRA) or the distribution qualifies for special tax treatment.

As permitted by the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act), during the period January 1, 2020 through December 31, 2020, the Plan allowed eligible participants to receive special Coronavirus Distributions, up to a total of \$100,000 or 100% of a participant's vested account balance. These Coronavirus Distributions are not subject to early withdrawal penalties, are taxable over a 3-year period, and can be repaid to the Plan by the participant during the 3-year period to exclude the distribution as taxable income on the participant's tax return. As permitted by the CARES Act, the Plan relied solely on a participant's self-certification as to whether they met the qualifications of an eligible participant.

ATR INTERNATIONAL, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE A - DESCRIPTION OF THE PLAN (CONTINUED)

Notes Receivable from Participants: The Plan allows participants to borrow a minimum of \$1,000 and up to the lesser of \$50,000 or 50% of their vested account balance (reduced by the highest outstanding loan balance incurred in the previous one-year period). The loans are secured by the participants' vested balance. The term of the loan shall not exceed five years except in the case of a loan for purchasing the principal residence of the participant in which case the term of a loan may not exceed ten years. The interest rate is based upon a rate reasonable at the time of application, considering the purpose of the loan and the rate being charged by representative commercial banks in the local area for a similar loan. All existing loans have interest rates that range from 4.25% to 6.50%. Loans are considered in default if any scheduled repayment remains unpaid as of the last business day of the calendar quarter following the calendar quarter in which a loan is initially considered past due. In the event of default, death, disability or termination of employment, the entire outstanding principal and accrued interest shall be immediately due and payable. During the year ended December 31, 2021, there were no deemed distributions. During the year ended December 31, 2020, loans in the amounts of \$2,142, were reported as deemed distributions.

The Plan allowed eligible participants to take Coronavirus-related loans, for up to the lesser of \$100,000 or 100% of their vested account balance in accordance with the CARES Act during the period April 20, 2020 through September 22, 2020. The Plan relied solely on a participant's self-certification as to their qualification as an eligible participant

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition: Investments are stated at fair value. For more information on valuation methods and inputs, please refer to Note F - Fair Value Measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. The Plan's investments are held in a trust administered by Fidelity Management Trust Company.

Contributions: Contributions from Plan participants are recorded in the year in which the participant contributions are withheld from amounts paid. Discretionary matching contributions are recognized upon authorization as the underlying compensation is recognized. All participant and employer contributions are participant directed.

ATR INTERNATIONAL, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Payment of Benefits: Benefits are recorded when paid.

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make repayments and the Plan Administrator deems the notes receivable from participants to be in default, the notes receivable from participants' balance is reduced and a benefit payment is recorded. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

Subsequent Events: ASC 855-10 *Subsequent Events* requires additional disclosure for events or transactions that occur after the statement of net assets available for benefits date. The Plan had no significant subsequent events as of September 28, 2022, which is the date the financial statements were available to be issued.

NOTE C - INCOME TAX STATUS

The Plan received a determination letter from the Internal Revenue Service on June 30, 2020, that the Plan qualifies under Sections 401(a) and 401(k) of the Internal Revenue Code and is therefore exempt from federal income taxes under Section 501(a) of the Code. The Plan is also exempt from state income taxes. Therefore, no provision for income taxes has been included in the Plan's financial statements. The Plan was amended in 2021 for new Coronavirus-Related distribution and loan guidelines.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the various taxing authorities and government agencies. The plan administrator has analyzed the tax position taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes that the Plan is no longer subject to income tax examinations for tax years prior to 2018.

ATR INTERNATIONAL, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE D - RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are shares of mutual funds managed by Fidelity Management Trust Company. Fidelity Management Trust Company is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

NOTE E - PLAN TERMINATION

While the Company has not expressed any intent to terminate the Plan, it is free to do so at any time subject to the provisions of ERISA. In the event of termination, the employees' accounts will be paid in accordance with the provisions of the Plan as soon as practicable.

NOTE F - FAIR VALUE MEASUREMENTS

ASC 820-10, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under ASC 820-10 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

ATR INTERNATIONAL, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE F - FAIR VALUE MEASUREMENTS (CONTINUED)

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Interest-bearing Cash: Valued at the daily closing price.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds and money market funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds and money market funds held by the Plan are deemed to be actively traded.

Common Stocks: Valued at the closing price reported on the active market on which the individual securities are traded.

Stable Value Collective Trust Fund: A stable value fund that is composed primarily of fully benefit-responsive investment contracts that is valued at the net asset value of units of the bank collective trust. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months' notification to ensure that securities liquidations will be carried out in an orderly business manner.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTES TO FINANCIAL STATEMENTS

NOTE F - FAIR VALUE MEASUREMENTS (CONTINUED)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:
