INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of
Holloway-Houston, Inc. 401(k) Plan
Houston, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Holloway-Houston, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Holloway-Houston, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Holloway-Houston, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Holloway-Houston, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Holloway-Houston, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Holloway-Houston, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Auditors' Responsibilities for the Audit of the Financial Statements - Continued

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Holloway-Houston, Inc. 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 14, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion, and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**HOLLOWAY-HOUSTON, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020**

1. Plan Description

The following description of the Holloway-Houston, Inc. 401(k) Plan (Plan) as of December 31, 2021 and 2020 provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established in 1998 covering all employees of Holloway-Houston, Inc. (Company) who complete one year of service for the Company and are age twenty-one or older. It is subject to the provisions of the Employee Retirement Income Securities Act of 1974 as amended (ERISA).

Contributions

Participants are allowed to make salary deferral contributions to the Plan pursuant to Section 401(k) of the Internal Revenue Code. On April 1, 2010, the Company elected to make safe harbor matching contributions to all participants' accounts based on their deferral contribution in an amount equal to 100% of the first 3% of their compensation and 50% of the next 2% of their compensation that is contributed to the Plan. The Company may also, at the discretion of its Board of Directors, make a discretionary matching contribution equal to a uniform percentage of each participant's compensation. All contributions are self directed by the participants among various registered investment company funds offered by the Plan. Contributions are subject to certain limitations. For the years ended December 31, 2021 and 2020 the Company has not made any discretionary matching contributions to the Plan.

Participant Accounts

Three types of accounts are maintained for most participants. The first account is maintained for each participant that elects to have a percentage of their salary contributed to the Plan. The second is for those participants that elect to roll over balances from another plan. The third is the employer's matching account for employer contributions. Each eligible participant's account is credited with investment earnings, losses and expenses, an allocation of forfeitures of terminated participants' non-vested accounts, and an allocation of employer's matching and discretionary contributions. Allocations are based on participant compensation or account balances, as defined. Forfeitures can be used at the Company's election to reduce the employer's matching contribution or Plan expenses, if any, for the year.

Participant Loans

Loans are made to participants of the Plan pursuant to the loan policy of the Plan. Generally, the duration of the outstanding loans range from two to five years. The present interest rate on the promissory notes is 2%. Each participant's loan is secured by the balance of the participant's account. Participants may borrow from their account a minimum of \$1,000 up to a maximum of the lesser of \$50,000 or 50% of their vested account balance. Loan transactions are treated as a transfer to (from) the investment fund from (to) the participant loan fund. Principal and interest is paid ratably through monthly payroll deductions.

Forfeited Amounts

Forfeitures of non-vested account balances are to be used to directly reduce administrative expenses or matching profit sharing contributions. The Plan did not have any non-vested forfeited accounts available at December 31, 2021 and 2020, respectively.

Vesting

Participants' vesting of discretionary contributions, if any, is based on years of continuous service and are considered 100% vested upon completion of six years of credit service. A participant is always 100% vested in their salary deferral contribution account, roll over contribution account and the employer matching contribution.

Payment of Benefits

On termination of service, due to death, disability or retirement, a participant receives a lump-sum amount equal to the value of his or her vested accounts.

1. Plan Description - Continued

Payment of Benefits - Continued

For termination of service due to other reasons, a participant may elect to receive the value of the vested interest in his or her account as a lump-sum distribution.

Hardship withdrawals from the participant's deferral contribution account are allowed, subject to a \$1,000 minimum amount.

Investment Options

Upon enrollment in the Plan, a participant may direct employee contributions and employer matching contributions into numerous investment options provided by Fidelity Management Trust Company. Participants may change their investments options daily.

Qualified Disaster Relief

The Plan is also authorized to provide qualified disaster distributions not to exceed \$100,000 in aggregate. Under this provision the maximum loan limit is also increased to \$100,000 and loan repayment may be delayed for one year.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (see Note 4).

Quoted market prices are used to value investments. Pooled separate accounts are valued at the net asset value of the shares held by the Plan at year end. Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Participant Loans

Loans to participants are reported at their unpaid principal balances plus any accrued or unpaid interest.

Payment of Benefits

Benefits are recorded when paid.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

2. Summary of Significant Accounting Policies - Continued

Administrative Expenses

The Company bears the majority of costs administering the Plan and these expenses are not reflected in these financial statements. Certain expense of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Investment related expenses generally are included in net appreciation of fair value of investments.

3. Information Certified by Trustee (Unaudited)

At December 31, 2021 and 2020, the Plan's investments were held by Fidelity Management Trust Company (trustee). The following is a summary of the Plan's financial information that is included in these financial statements based on information certified by the trustee as complete and accurate in accordance with Section 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under the ERISA.

	2021	2020
Investments, at fair value:		
Interest-bearing cash	\$ 1,583,636	\$ 1,609,316
Interest in registered investment companies	11,898,199	9,685,026
Total investments at estimated fair value	<u>\$ 13,481,835</u>	<u>\$ 11,294,342</u>
Changes in Net Assets for the year ended December 31, 2021:		
Contributions		\$ 808,201
Interest and dividends		983,151
Net investment appreciation		733,792
Benefits paid to participants		(272,434)
Administrative expenses		<u>(3,200)</u>
		<u>\$ 2,249,510</u>

Participant Loans

Loans were made to the participants of the Plan pursuant to the loan policy of the Plan. As of December 31, 2021 and 2020 the participant directed portion of the Plan had outstanding a total of \$406,826 and \$344,809 in participant loans, respectively (see Note 1).

4. Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits as required by the Fair Value Measurements and Disclosures Topic of the FASB Accounting Standards Codification. This Topic establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value.

The hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 have the lowest priority. The Plan uses appropriate valuation techniques based on available inputs to measure fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are used only when Level 1 and Level 2 inputs are not available.

Level 1 Fair Value Measurements

The fair value of the registered investment company funds is based on the published closing net asset value per share quoted by the mutual fund market.

4. Fair Value Measurements - Continued

The following table sets forth by year the Plan's Level 1 assets at fair value as of December 31, 2021 and 2020:

	2021	2020
Interest-bearing cash	\$ 1,583,636	\$ 1,609,316
Interest in registered investment companies	11,898,199	9,685,026
Total	<u>\$ 13,481,835</u>	<u>\$ 11,294,342</u>

There were no level 2 or 3 investments at December 31, 2021 and 2020.

5. Tax Status and Plan Compliance

The Plan was amended by adopting a Fidelity Volume Submitter Defined Contribution Plan with an effective date of April 13, 2009. This Fidelity plan obtained its latest opinion letter on March 31, 2008, in which the Internal Revenue Service (IRS) stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The plan administrator believes, except for the period of time described below, the Plan is designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Upon termination, employees would receive benefits, based on their account balances, accumulated to the date of termination of the Plan.

7. Related Party Transactions and Party-in-Interest Transactions

The Plan investments are shares of mutual funds managed by Fidelity. Fidelity is the Trustee as defined by the Plan and, therefore, these transactions qualify as parties-in-interest transactions. Fees paid by the Plan for administrative and trustee services amounted to \$3,200 for the year ended December 31, 2021.

8. Changes in Audit Standards

In accordance with Statement on Auditing Standards (SAS) 136, "Forming an Opinion and Reporting on Financial Statements of Employee Benefit Plans subject to ERISA", the plan has implemented the provisions of the SAS in the subsequent year. The audit under the SAS provisions no longer considers the use of certified documents as an audit scope limitation, but requires the auditor to issue an opinion. The audit is now be considered an "ERISA Section 103(a)(3)(C) audit".

FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020**

8. Changes in Audit Standards - Continued

The SAS requires new responsibilities of the Plan sponsor as follows:

Plan sponsors who elect to have an "ERISA Section 103(a)(3)(c)" audit have to assess whether the entity issuing the certification is a qualified institution.

Plan sponsors are responsible for ensuring the certification meets ERISA requirements and for gaining an understanding as to which investments are disclosures are certified.

Plan sponsors have to acknowledge, in writing, as to whether all the conditions are met.

Responsibilities for both management and the auditors for the financial statements have also been expanded.

9. Subsequent Events

The Company and the Plan's trustees and administrators have evaluated events that occurred subsequent to December 31, 2021 through the date of issuance of these financial statements on October 10, 2022. There were no material recognized or non-recognized subsequent events during this period.
