INDEPENDENT AUDITORS' REPORT

To the Administrative Committee
Gunton Corporation Retirement Savings Plan
Bedford Heights, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Gunton Corporation Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2021, and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Gunton Corporation Retirement Savings Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal controls. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — 2021 Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Gunton Corporation Retirement Savings Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 5, 2021, we indicated that (a) because of the significance of the information we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

GUNTON CORPORATION RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 1 - SUMMARY OF THE PLAN

General

The following description of the Gunton Corporation Retirement Savings Plan ("Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions. The Plan is a defined contribution plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

Eligibility

Each employee of Gunton Corporation, Oculus Building Solutions (prior to December 8, 2021), Oculus Building Systems, LTD. (effective December 8, 2021), and Company X, LLC (collectively, the "Company" or "Plan Administrator"), may become a participant in the Plan on the first entry date following the date the employee attains the age of 21 and meets specific hours of service and length of employment criteria. Additionally, the Plan provides for automatic enrollment upon attaining the above eligibility requirements. Participants can elect out of the automatic enrollment or can elect a deferral percentage other than the 6% default rate, subject to certain limitations.

Contributions

Participants may elect to contribute a portion of their annual compensation not to exceed limits imposed by the Internal Revenue Code ("IRC"). The Plan permits after-tax ("Roth") contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Certain employees of the Company who complete six months of eligible service, as defined, are eligible to receive a Company contribution based on a percentage of compensation, which is determined at the discretion of the Board of Directors of the Company. The Company made a discretionary contribution for the year ended December 31, 2021 in the amount of \$771,182 which was funded in April 2022. The Plan permits differentiation among Company divisions with regard to this contribution. Forfeitures are additional non-elective contributions allocated to each participant's account pro rata, based upon the ratio of the participant's annual compensation to the total compensation of all participants in the same division at the valuation dates. The balance of unallocated forfeitures was \$6,778 and \$24,115 at December 31, 2021 and 2020, respectively.

Participant Loans

The Plan allows participants to borrow up to 50% of their vested account balance up to a maximum of \$50,000. The loans are secured by the balance in the participant's account. The rate of interest charged is determined by the Plan administrator and may not be less than 0.5% above the current prime rate. Normally, the maturity period may not exceed five years; however, under specified conditions, the maturity period may be as long as 15 years. Principal and interest are paid ratably through periodic payroll deductions.

GUNTUN CORPORATION RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

Vesting

Participants are 100% vested in the elective deferral amounts contributed to the Plan. Participants' vested interest in the employer discretionary contributions is based on the employees' years of service. Following is the vesting schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 2 years	0%
2 years	20%
3 years	40%
4 years	67%
5 or more years	100%

Distributions

Benefits are payable (subject to certain restrictions) in a lump sum or installments upon normal retirement, termination of service, or death. Hardship and attained age withdrawals are allowed for active participants.

Plan Administration

The Company administers the Plan through an agreement with Great-West Trust Company, LLC ("Empower Retirement"), the Trustee of the Plan.

Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying statements are prepared on the accrual basis of accounting.

Notes Receivable from Participants

Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

GUNTON CORPORATION RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes realized gains and losses and unrealized appreciation and depreciation on those investments.

Administrative Expenses

Some of the expenses relating to the administration of the Plan are borne by the Company. Certain administrative expenses are paid by the Plan directly and are reflected in the accompanying Statement of Changes in Net Assets Available for Benefits.

Risks and Uncertainties

The Plan generates a significant portion of its income from investments in domestic and international equity and bond mutual funds. As a result, the Plan's revenues and net assets available for plan benefits could vary based on the performance of financial markets.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions pending completion of related events. These estimates and assumptions affect the reported amounts of net assets available for benefits, the disclosure of contingent liabilities at the date of the financial statements and reported amounts of changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Subsequent Events

The Plan has evaluated subsequent events through October 6, 2022, the date the financial statements were available to be issued. See Note 7.

GUNTON CORPORATION RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 3 - INFORMATION CERTIFIED BY THE TRUSTEE

As permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA, and as instructed by the Plan administrator, no audit procedures have been performed on certain information certified as complete and accurate by the Trustee, except to compare such information to the information included in the accompanying financial statements and supplemental schedule. Information certified by the Trustee includes investments and notes receivable from participants included in the Statements of Net Assets Available for Benefits at December 31, 2021 and 2020, investment related income and interest on notes receivable from participants as included in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2021, and investments included in the Schedule of Assets (Held at End of Year).

NOTE 4 - FAIR VALUE MEASUREMENTS

FASB ASC 820 establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for the identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

GUNTON CORPORATION RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

The valuation of investments has been provided by the Trustee and represents fair value. Mutual funds are valued at published market prices of shares held by the Plan at year end. Investments in the GWI Fixed Account are valued at the net asset value ("NAV") of the underlying investments held by the fund, less their liabilities. Net asset value is used as a practical expedient to estimate fair value.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value:

2021			
	Level 1	Level 2	Level 3
Mutual funds	\$ 63,925,839	\$ -	\$ -
Investments measured using NAV as a practical expedient:			
GWI Fixed Account			3,576,726
Total investments at fair value			\$ 67,502,565

2020			
	Level 1	Level 2	Level 3
Mutual funds	\$ 55,753,497	\$ -	\$ -
Investments measured using NAV as a practical expedient:			
GWI Fixed Account			4,310,193
Total investments at fair value			\$ 60,063,690

The Plan's investments in the GWI Fixed Account may be redeemed on a daily basis and have a daily redemption notice period. There are no unfunded commitments related to these investments.

GUNTON CORPORATION RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 5 - TAX STATUS

The Company has adopted a prototype non-standardized plan sponsored by Great-West Trust Company, LLC. Great-West Trust Company, LLC has received an opinion letter dated March 31, 2014 from the Internal Revenue Service on its prototype plan. The Plan has subsequently been amended. The Plan administrator believes that as of December 31, 2021 and 2020, the Plan was being operated in compliance with the applicable provisions of the IRC and, therefore, no taxes have been provided on Plan earnings.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions.

NOTE 6 - PARTY-IN-INTEREST TRANSACTIONS

There were no non-exempt prohibited transactions during the year with a party-in-interest, as defined by ERISA.

NOTE 7 - SUBSEQUENT EVENTS

In February 2022, the Plan transferred approximately \$2.4 million of assets to the Pella of Columbus Retirement Savings Plan. This transfer was made in connection with a restructuring of the Company's Columbus, Ohio division.
