## **Report of Independent Auditors**

To the Participants and Plan Administrator  
Harrison Memorial Hospital 401(k) Retirement Plan  
Cynthiana, Kentucky

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements**

We have performed an audit of the financial statements of Harrison Memorial Hospital 401(k) Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits (modified cash basis) as of December 31, 2021, the related statement of changes in net assets available for benefits (modified cash basis) for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion on the 2021 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion on the 2021 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Emphasis of Matter**

We draw attention to Note 2 to the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than GAAP. Our opinion is not modified with respect to this matter.

### **Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

### **Auditor's Responsibility for the Audit of the 2021 Financial Statements, continued**

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Other Matters**

#### ***2021 Supplemental Schedule Required by ERISA***

The supplemental schedules of Schedule of Assets (Held at End of Year) (Modified Cash Basis), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

**Other Matters, continued**

***2021 Supplemental Schedule Required by ERISA, continued***

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Auditor's Report on the 2020 Financial Statements***

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated July 22, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

## HARRISON MEMORIAL HOSPITAL 401(K) RETIREMENT PLAN

### Notes to the Financial Statements

#### 1. Description of Plan

The following brief description of the Harrison Memorial Hospital 401(k) Retirement Plan (the Plan) is provided for general information purposes only. Participants should refer to the *Plan Adoption Agreement* for a more complete description of the Plan's provisions.

##### General

The Plan is a defined contribution retirement plan which became effective January 1, 1997, and was restated in its entirety effective April 11, 2017. The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA). The Plan is administered by a trust, the trustee of which is Capital Bank and Trust Company (Capital Bank).

##### Eligibility

Employees are eligible to participate in the Plan upon satisfaction of eligibility conditions, which require an employee to perform six months of service and to be at least 18 years of age. All employees, except PRN status, temporary, and seasonal employees (as defined by the Plan), of Harrison Memorial Hospital (the Plan Sponsor and Administrator) may immediately participate in the Plan upon meeting eligibility requirements. At that time, participants can begin deferring compensation into the Plan, and become eligible for the Plan Sponsor's safe harbor matching contribution and any discretionary nonelective contribution. In addition, employees must be actively employed on the last day of the plan year or must have completed 501 hours of service (or be employed for at least 91 consecutive calendar days under the Elapsed Time Method) during the year terminated to be eligible for the discretionary nonelective contribution.

##### Contributions

Each year, participants may elect to contribute up to the maximum allowable amount of pretax annual compensation, as defined in the Plan. Additionally, participants may designate all or a portion of their elective deferral contributions as after-tax Roth contributions instead of pre-tax contributions. Participants may also contribute amounts representing rollover distributions from other qualified plans. Participants direct the investment of all contributions into various investment options offered by the Plan. The Plan Sponsor matches 100% of the first 4% of base compensation that a participant contributes to the Plan. The Plan currently offers mutual funds and a collective trust fund as investment options for participants. Contributions are subject to certain *Internal Revenue Code* (IRC) limitations.

##### Participant Accounts

Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contribution and the Plan Sponsor's contributions, an allocation of Plan earnings or losses, and an allocation of administrative expenses, if any. Allocations are based on participant earnings or account balances, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### 1. Description of Plan, continued

##### Vesting

Participants are vested immediately in their contributions, Plan Sponsor safe harbor matching contributions, and actual earnings thereon. Vesting in the Plan Sponsor's nonelective contribution portion of their accounts is based on years of continuous service. Participants become 25% vested in Plan Sponsor contributions and related earnings thereon after one year of service of 1,000 hours or more, and vest 25% each additional year of service up to 100% after four years.

##### Participant Loans

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum of the lesser of \$50,000 or 50% of their account balance, reduced by the highest outstanding loan balance in the preceding 12 months. The loans are secured by the balance in the participant's account and bear an interest rate between 4.25% and 6.50%, which is granted at 1 percentage point over the prime interest rate. Principal and interest is paid ratably through bi-weekly payroll deductions. The maximum term of a loan for the purchase of a primary residence is 15 years. The maximum term of all other loans is 5 years. For the year ended December 31, 2021, \$88,927 of loans were deemed distributions, which were included in benefits paid to participants on the statement of changes in net assets available for benefits (modified cash basis).

##### Forfeited Accounts

As of December 31, 2021 and 2020, forfeited nonvested accounts totaled \$188 and \$1,486, respectively. These accounts are used to reduce future employer contributions or pay Plan expenses. The Plan did not use any forfeited nonvested accounts to reduce employer contributions during the year ended December 31, 2021. There were no forfeited participant balances during 2021.

##### Payment of Benefits

On termination of service due to death, disability, retirement, or other reasons, a participant whose vested account balance is greater than \$5,000 (including amounts attributable to rollover contributions) may elect to receive either a single lump sum amount equal to the value of the participant's vested interest in his or her account, or annual installments. On termination of service, a participant whose vested account balance is not greater than \$5,000 (including amounts attributable to rollovers) will receive his or her benefits as a single lump sum payment. Benefits are recorded when paid.

#### 1. Description of Plan, continued

##### Risk and Uncertainties

The Plan provides for participant directed investment options in various securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. The Plan does not obtain collateral or other security to support those funds. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of the investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits (modified cash basis) and the statement of changes in net assets available for benefits (modified cash basis).

#### 2. Summary of Significant Accounting Policies

The accompanying financial statements of the Plan are prepared on the modified cash basis of accounting which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America (GAAP). Other than for employee and employer contributions, income and expenses are accounted for on the basis of cash receipts and disbursements. Although the modified cash basis of accounting represents a departure from GAAP, it is an allowable method of accounting for employee benefits under the reporting requirements of ERISA. The following is a summary of the significant accounting policies consistently followed by the Plan in the preparation of the financial statements:

##### Investment Valuation and Income Recognition

The Plan's investments are stated at fair value based on quoted market prices. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade date basis. Dividends are recorded when received. Net appreciation or depreciation includes the Plan's gains or losses on investments bought and sold as well as held during the year.

The fair value of certain alternative investments is determined using net asset value (NAV) per share as a practical expedient when the fair value is not readily determinable, unless it is probable that the investment will be sold at something other than NAV.

##### Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes are treated as distributions based on the terms of the *Plan Adoption Agreement*.

#### 2. Summary of Significant Accounting Policies, continued

##### Administrative and Investment Expenses

Administrative and investment expenses may be paid by the Plan Sponsor or the Plan at the Plan Sponsor's discretion. The Plan Sponsor absorbs significant administrative expenses of the Plan. Fees related to processing participant distributions are paid by the participant and included in administrative expenses on the statement of changes in net assets available for benefits (modified cash basis). Investment related expenses are included in net appreciation of fair value of investments.

##### Subsequent Events

The Plan's management has evaluated subsequent events for accounting and disclosure requirements through October 6, 2022, the date the financial statements were available to be issued.

#### 3. Information Prepared and Certified by Trustee

The Plan's asset information included in this note and throughout the Plan's financial statements and supplemental schedule were prepared by or derived from information provided by Capital Bank and Trust Company (Capital Bank), the trustee of the Plan, and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the trustee that asset information provided to the Plan Administrator by the trustee related to the asset information is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) *Rules and Regulations for Reporting and Disclosure* under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to asset information in this note and which appears throughout the financial statements and the supplemental schedule.

The following table presents the fair value of investments in the Plan that were certified by Capital Bank:

|                       | <u>2021</u>          | <u>2020</u>          |
|-----------------------|----------------------|----------------------|
| Mutual funds          | \$ 25,311,576        | \$ 23,542,654        |
| Collective trust fund | <u>924,709</u>       | <u>1,412,825</u>     |
| Total investments     | <u>\$ 26,236,285</u> | <u>\$ 24,955,479</u> |

The trustee certified the accuracy of the \$2,362,929 of net realized and unrealized appreciation in the fair value of investments and \$1,526,994 of interest and dividends related to the investments for the year ended December 31, 2021.

#### 3. Information Prepared and Certified by Trustee, continued

The trustee also certified to the completeness and accuracy of \$637,477 and \$601,122 of notes receivable from participants for December 31, 2021 and 2020, respectively, and \$31,151 in interest on notes receivable from participants for the year ended December 31, 2021.

#### 4. Fair Value Measurements

The Plan classifies its investments based on a hierarchy consisting of: Level 1 (valued using quoted prices from active markets for identical assets), Level 2 (not traded on an active market but for which observable market inputs are readily available), and Level 3 (valued based on significant unobservable inputs). The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value on a recurring basis:

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily (net asset value) NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Collective trust fund:* Valued based on the NAV of units of the common collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimating fair value. The NAV is based upon the fair value of the underlying investments comprising the trust less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

There have been no changes in the valuation methodologies used at December 31, 2021 and 2020.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan Administrator believes the valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

In accordance with accounting standards, investments in 2021 and 2020 that are measured at fair value using the NAV practical expedient have not been classified as Level 1, 2 or 3 in the fair value hierarchy, but are included above to permit reconciliation of the fair value hierarchy tables to the amounts presented in the statements of net assets available for benefits (modified cash basis).

#### 4. Fair Value Measurements, continued

The following table summarized investments measured at fair value based on NAV per share as of December 31, 2021 and 2020:

|                          | Fair Value<br>December 31,<br><u>2021</u> | Fair Value<br>December 31,<br><u>2020</u> | Unfunded<br><u>Commitment</u> | Redemption<br><u>Frequency</u> | Redemption<br><u>Notice Period</u> |

| Collective trust<br>fund | <b>\$924,709</b>                          | \$1,412,825                               | N/A                           | Daily                          | Daily                              |

To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value level to another.

#### 5. Indirect Fees

Certain Plan investments are shares of mutual funds managed by Capital Group Retirement Plan Services (Capital Group) or its related companies. Capital Bank and Trust, a member of Capital Group, is the trustee of the Plan and therefore, these transactions qualify as party-in-interest. Administrative expenses of \$70,519 for the year ended December 31, 2021 are comprised of fees paid by the Plan to Capital Group or its related companies for investment management services and withdrawal charges.

Additionally, indirect fees are paid to Capital Group based on investment account values. These fees range from 0.05% to 0.65% of the investment account value. The fees are included within net appreciation in fair value of investments on the statement of changes in net assets available for benefits.

#### 6. Tax Status

The Plan uses a prototype Plan document sponsored by American Fund Distributors, Inc. American Fund Distributors, Inc. received an opinion letter from the Internal Revenue Service (IRS), dated March 31, 2014, which states that the prototype document satisfies the applicable provisions of the IRC. The Plan itself has not received a determination letter from the IRS. However, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

#### 7. Plan Termination

Although it has not expressed any intention to do so, the Plan Administrator has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the rights of all affected participants to amounts contributed by them and the Plan Sponsor and related earnings thereon would become fully vested.

Attention: Mr. Greg Wills, Chairperson of the Finance Committee

This letter is to inform the Finance Committee of Harrison Memorial Hospital 401(k) Retirement Plan (the Plan) about significant matters related to the conduct of our audit as of and for the year ended December 31, 2021, so that it can appropriately discharge its oversight responsibility and we comply with our professional responsibilities.

Auditing standards generally accepted in the United States of America (GAAS) (AU-C 260, *The Auditor's Communication With Those Charged With Governance*) require the auditor to promote effective two-way communication between the auditor and those charged with governance. Consistent with this requirement, the following summarizes our responsibilities regarding the financial statement audit as well as observations arising from our audit that are significant and relevant to your responsibility to oversee the financial reporting process.

#### **Our Responsibilities With Regard to the Financial Statement Audit**

Our responsibility under GAAS has been described in our arrangement letter dated April 20, 2022. The audit of the financial statements does not relieve management or those charged with governance of their responsibilities, which are also described in that letter.

As management determined it is permissible in the circumstances and elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C), the audit did not extend to any certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the applicable reporting framework.

#### **Overview of the Planned Scope and Timing of the Financial Statement Audit**

We have issued a separate communication dated April 20, 2022 regarding the planned scope and timing of our audit and identified significant risks.

#### **Significant Accounting Practices, Including Policies, Estimates and Disclosures**

We have previously discussed our views about the qualitative aspects of the Plan's significant accounting practices, including accounting policies, significant unusual transactions, accounting estimates and financial statement disclosures. You may wish to monitor the fair value measurement of investments for your oversight responsibilities of the financial reporting process.

### **Audit Adjustments**

Management corrected the material misstatements that were identified as a result of our audit procedures. The adjustments that were recorded are included with the management representation letter, a copy of which is attached.

### **Uncorrected Misstatements**

We are not aware of any uncorrected misstatements other than misstatements that are clearly trivial.

### **Form 5500 Filing**

GAAS require that we obtain and read a draft of the Plan's Form 5500 that is substantially complete prior to the dating of our auditor's report in order to identify material inconsistencies, if any, with the Plan's audited financial statements. We read the Plan's draft Form 5500 filing for consistency with information in the financial statements. We did not identify material inconsistencies with the audited financial statements.

### **ERISA-Required Supplemental Schedule**

We subjected the information included in the ERISA-required supplemental schedule, other than that agreed to or derived from the certified investment information, to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or the financial statements themselves, and other additional procedures in accordance with GAAS. The objective of these audit procedures was to determine whether the ERISA-required supplemental schedule, other than the certified investment information, is fairly stated in all material respects in relation to the financial statements as a whole, whether the form and content of the ERISA-required supplemental schedule is presented in conformity with the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure Under ERISA, and whether the certified investment information in the supplemental schedule agrees to, or is derived from, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). We will include an other-matter paragraph in our auditor's report for the ERISA-required supplemental schedules. We did not identify inconsistencies with the audited financial statements or with the certified investment information.

### **Disagreements With Management**

We encountered no disagreements with management over the application of significant accounting principles, the basis for management's judgments on any significant matters, the scope of the audit, or significant disclosures to be included in the financial statements.

### **Consultation With Other Accountants**

We are not aware of any consultations management had with other accountants about accounting or auditing matters.

### **Significant Issues Discussed or Subject to Correspondence With Management**

No significant issues arising from the audit were discussed with or the subject of correspondence with management.

### **Difficulties Encountered in Performing the Audit**

We did not encounter any significant difficulties in dealing with management during the audit.

### **Management Representations**

A copy of the management representation letter has been attached.

### **Closing**

We will be pleased to respond to any questions you have about the foregoing. We appreciate the opportunity to continue to be of service to the Plan.

This report is intended solely for the information and use of the Board of Directors and Plan Administrator and is not intended to be, and should not be, used by anyone other than these specified parties.

This representation letter is provided in connection with your audit of the financial statements of Harrison Memorial Hospital (Plan Sponsor) 401(k) Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2021, the related statement of changes in net assets available for benefits (modified cash basis) for the year then ended, and the related notes to the financial statements.

We elected to have the audit of the plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. We acknowledge that the audit did not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier, that is regulated, supervised and subject to periodic examination by a state or federal agency, a qualified institution, that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. We have determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. We have also determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5 and that the certified information is appropriately measured, presented and disclosed in accordance with accounting principles generally accepted in the United States of America (GAAP).

The purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with GAAP and that the assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the certified investment information.

We confirm, to the best of our knowledge and belief, that as of the date of this letter:
