INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Reames Concrete Company, Inc. 401(k) Profit Sharing Plan
Valdosta, Georgia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Reames Concrete Company, Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Reames Concrete Company, Inc. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Reames Concrete Company, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Reames Concrete Company, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

To the Plan Administrator
Reames Concrete Company, Inc. 401(k) Profit Sharing Plan
Valdosta, Georgia

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Reames Concrete Company, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Reames Concrete Company, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

To the Plan Administrator
Reames Concrete Company, Inc. 401(k) Profit Sharing Plan
Valdosta, Georgia

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

REAMES CONCRETE COMPANY, INC. 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1 - Description of Plan

The following description of the Reames Concrete Company, Inc. 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a single employer defined contribution plan covering all full-time employees of the related companies of Reames Concrete Company, Inc., Reames and Son Construction Company, Inc., and Reames Leasing Company (collectively the "Plan Sponsors") who have six months of service and are age twenty-one or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility: The Plan provides that an employee shall become eligible to participate in the Plan on the first day of any month of the Plan year coinciding with or next following the date the employee satisfies the eligibility requirements. Participation entitles the employee to an allocation of the Company's contributions and forfeitures.

Contributions: Participants may elect to contribute any percentage, not to exceed 100% of pretax annual compensation, subject to maximum contribution limitations established by the Internal Revenue Code. Participants may also contribute amounts representing distributions from other qualified plans. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. During the year, the Plan Sponsors were required to make matching contributions to the individual account of each eligible participant equal to 100 percent of the amount of the employee's elective deferrals that do not exceed three percent of compensation. In addition, the Plan Sponsors may elect to make additional discretionary contributions to the Plan on an annual basis, but are not required to do so. Participants direct the investment of their account into various investment options offered by the Plan, which currently includes various mutual funds.

Participant Accounts: Each participant's account is credited with the participant's contribution, the sponsor's matching contribution, and allocations of (a) the sponsor's discretionary contribution; and (b) plan earnings; and charged with an allocation of certain administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are vested immediately in their contributions, the sponsor's matching contributions, plus actual earnings thereon. Vesting in the sponsor's discretionary contributions is based on years of continuous service under a six-year graded vesting schedule of 0% at less than two years, 20% at two years, 40% at three years, 60% at four years, 80% at five years, and 100% at six or more years of service.

Notes Receivable from Participants: Participants may borrow from their fund accounts a minimum of \$1,000. The loans are secured by the balance in the participant's account and bear interest at prime plus 1%. Principal and interest is paid ratably through payroll deductions. Notes receivable from participants are measured at their principal balance plus any accrued but unpaid interest. As of December 31, 2021 and 2020, participant loans totaled \$91,946 and \$126,394, respectively. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document. During the years ended December 31, 2021 and 2020, participant loans reclassified as distributions totaled \$7,715 and \$2,163, respectively.

Note 1 - Description of Plan (Continued)

Payment of Benefits: On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over the participant's life expectancy. For termination of service for any other reasons, distribution of a participant's vested interest is made in a lump-sum payment.

Coronavirus Aid Relief and Economic Security Act: In response to the COVID-19 pandemic, the Coronavirus Aid, Relief, and Economic Security ("CARES") Act was enacted on March 27, 2020. The CARES Act, among other benefits, provides certain relief for retirement plan sponsors and their participants with respect to employer contributions, distributions, and participant loans. The provisions of the CARES Act may be effective and operationalized immediately, prior to amending the Plan agreement. The Plan Administrator has adopted certain relief provisions included in the CARES Act as applicable to the Plan. Specifically, the adopted provisions allow qualifying participants to delay loan principal repayments that would otherwise have been due between March 27, 2020 and December 31, 2020, and also provides for qualified coronavirus related distributions from the Plan up to \$100,000. Plan management has until 2022 to adopt formal amendments to the Plan as necessary.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting: The accompanying financial statements have been prepared on the accrual basis of accounting.

Contributions: Discretionary employer contributions are recorded when they are approved by the Board of Directors. Participant and employer matching contributions are recorded as soon as amounts are determined.

Excess Contributions Payable: Amounts payable to participants totaling \$3,316 and \$30,358 for the years ended December 31, 2021 and 2020, respectively, for contributions in excess of amounts allowed by the IRS are recorded as contributions payable.

Payment of Benefits: Benefits are recorded when paid.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition: The Plan's investments are stated at fair value. Quoted market prices are used to value investments. Shares of mutual funds are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year-end. Purchases and sales of investments are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. See Note 7 for discussion of fair value measurements.

Related Party Transactions: Certain plan investments are shares of mutual funds managed by John Hancock Life Insurance Company. John Hancock is the custodian of the plan's investments and, therefore, all investment transactions related to investments managed by John Hancock are considered to be party-in-interest transactions. The Plan Sponsors provide the Plan with certain accounting and administrative services for which no fees are charged. Fees paid during the year for accounting and other professional services provided by party-in-interest, Fowler, Holley, Rambo & Stalvey, P.C., were based on customary and reasonable rates for such services.

Note 2 - Summary of Significant Accounting Policies (Continued)

Administrative Expenses: Significant costs of plan administration are absorbed by the Company. Investment-related expenses are included in net appreciation of fair value of investments.

Subsequent Events: The plan has evaluated subsequent events through October 5, 2022, the date the financial statements were available to be issued.

Note 3 - Investments

Some of the mutual funds held as investments by the Plan may invest in derivatives to achieve certain investment goals. Derivatives may involve risks different from, and possibly greater than, the risk associated with investing directly in securities and other traditional investments.

Note 4 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become one hundred percent (100%) vested in their accounts.

Note 5 - Tax Status

The Internal Revenue Service issued its latest letter on March 31, 2014, which stated that the Plan qualified under the applicable provisions of the Internal Revenue Code and therefore is exempt from Federal Income tax. Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes the Plan has operated within the terms of the Plan and should remain qualified under the applicable provisions of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service, Department of Labor, or Georgia Department of Revenue.

The plan administrator has analyzed the tax positions taken by the plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

Note 7 - Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.
- Level 2 Inputs to the valuation methodology include:
- quoted prices for similar assets or liabilities in active markets;
 - quoted prices for identical or similar assets or liabilities in inactive markets;
 - inputs other than quoted prices that are observable for the asset or liability;
 - inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

ASSETS AT FAIR VALUE AS OF DECEMBER 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual funds:	\$ 5,339,728	-	-	5,339,728

ASSETS AT FAIR VALUE AS OF DECEMBER 31, 2020				
	Level 1	Level 2	Level 3	Total
Mutual funds:	\$ 4,321,207	-	-	4,321,207

Note 8 – Related Party Transactions

John Hancock Life Insurance Company acts as trustee of the Plan. Certain investments of the Plan are in mutual funds managed directly by or by an affiliate of the trustee and represent party-in-interest investments. The Plan also incurred fees for investment management services for the years ended December 31, 2021 and 2020, which were paid by the plan sponsor.

Note 9 – Risks and Uncertainties

The Plan utilizes various investment instruments. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
