INDEPENDENT AUDITORS' REPORT

To the Board of Trustees and Retirement Committee
Ronetco Supermarkets, Inc. Thrift Savings 401(k) Plan
Ledgewood, New Jersey

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Ronteco Supermarkets, Inc. Thrift Savings 401(k) Plan ("Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to, or derived from, the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP"); and
- The information in the accompanying 2021 financial statements related to assets held by, and certified to by, a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due, or which may become due, to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year), as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to, or derived from, the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to, or is derived from, the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to, or derived from, the certified investment information, including its form and content, is presented in conformity with the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to, or is derived from, the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA.
- The information in the supplemental schedule related to assets held by, and certified to by, a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA, the Plan Administrator instructed us not to perform and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 11, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion and, accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information, were presented in compliance with the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA.

The Ronetco Supermarkets, Inc. Thrift Savings 401(k) Plan ("Plan") is administered by Ronetco Supermarkets, Inc. ("Company" or "Plan Sponsor"). The following description of the Plan is provided for general information purposes only. Participants should refer to the Summary Plan Description and Plan Document for a more complete description of the Plan's provisions.

General:

The Plan is a defined-contribution 401(k) plan covering all full-time employees of the below listed companies (collectively, "Company") who are not subject to a collective bargaining agreement and who have six consecutive months of service and reached the age of 20 ½.

Ronetco Supermarkets, Inc.
Hackettstown Beverage, Inc.
Byram Beverage, Inc.
Franklin 897, LLC.
Forward Thinking, LLC
VLR, LLC
Sparta 908, LLC
Pat's Beverage, LLC
Newton Bar and Liquor, Inc.
Newton 830 LLC (added to Plan for plan year 2021), and
Roxbury 832 LLC (added to Plan for plan year 2021)

The Plan is currently operating as a multiple-employer plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Eligibility:

Employees become eligible to participate in the Plan after six consecutive months of service with a minimum threshold of hours worked per month, as defined by the Plan. Participants may enter the Plan on January 1, April 1, July 1, or October 1 in the year they become eligible. Unionized and leased employees are not eligible to participate in the Plan.

Contributions:

Each year, participants may contribute up to 100% of pretax annual compensation, as defined in the Plan. Participants, age 50 or older, may make an additional pretax contribution subject to the annual Internal Revenue Service limitations. Participants may also contribute amounts representing distributions from other qualified benefit plans. The Company will make a safe harbor matching contribution equal to 100% of salary deferrals that do not exceed 3% of a participant's compensation plus 50% of salary deferrals between 3% and 5% of the participant's compensation. Contributions are subject to certain limitations.

Participants' Accounts:

Each participant's account is credited with the participant's contribution, allocation of the Company's contribution and Plan earnings, and charged with an allocation of administrative expenses based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

RONETCO SUPERMARKETS, INC. THRIFT SAVINGS 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1 - DESCRIPTION OF PLAN: (Continued)

Vesting:

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company's matching contribution portion of their accounts plus actual earnings thereon is based on years of continuous service, as defined in the Plan Document. For Company matching contributions prior to January 1, 2018, a participant is 100% vested after five years of credited service at the rate of 20% per year. Beginning January 1, 2018, a participant is immediately 100% vested in the Company safe harbor match.

Notes Receivable from Participants:

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan transactions are treated as a transfer to (from) the investment fund from (to) the participants' loan fund. Loan terms range from 0-5 years. However, if the loan is used to acquire a principal residence, the repayment term can be up to 20 years. Loans are secured by the vested balances in the participants' accounts. Loans bear a rate of interest as determined by the Plan Administrator, based on the prevailing interest rates charged by persons in the business of lending money for notes that would be made under similar circumstances. The interest rates on loans range from 4.25% to 9.25% as of December 31, 2021. Principal and interest are paid ratably through weekly payroll deductions.

Payment of Benefits:

On termination of service, a participant may elect to receive the value of the vested interest in their account either as a lump-sum distribution, in installments, or in the form of a joint-and- survivor annuity.

Hardship withdrawals are subject to approval by the Plan Administrator and also subject to income tax withholding and penalties.

In-service Withdrawals:

Participants may request in-service withdrawals under the following conditions:

- Attainment of age 59 ½
- Minimum required distributions for those who have reached age 72
- Attainment of normal retirement age (age 65)
- Rollover contributions
- Hardship withdrawals
- Qualified military service

RONETCO SUPERMARKETS, INC. THRIFT SAVINGS 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1 - DESCRIPTION OF PLAN: (Continued)

For the period April 6, 2020 to December 31, 2020, a new distribution option was added to the Plan. The Coronavirus Aid, Relief, and Economic Security ("CARES") Act distribution allowed qualified individuals to withdraw up to \$100,000 of Plan funds without a 10% early withdrawal penalty. CARES Act distributions were subject to regular income taxes, but such taxes may be spread over three years. The \$100,000 limit was an aggregate across all of a qualified individual's retirement plans, and amounts withdrawn from the Plan may be eligible for repayment. Qualified individuals included those who were diagnosed with COVID-19; whose spouse or dependent was diagnosed with COVID-19, or experienced adverse financial consequences as a result of being quarantined, furloughed, laid off, hours reduced, or other factors as determined by the Secretary of Treasury during the COVID-19 pandemic. Qualification for a CARES Act distribution was self-certified by the individual requesting the distribution.

Forfeitures and Reimbursed Fees:

Forfeitures represent the amount of employer contributions that remain unvested when participants leave the Company before fulfilling the service requirement for vesting, and may be used to offset employer contributions and administrative expenses. For the years ended December 31, 2021 and 2020, \$23,482 and \$1,850 was used to offset the employer's contributions, respectively.

The Plan is also reimbursed for investment fees. The reimbursed fees may be used to pay Plan expenses or may be reallocated to participants. For the years ended December 31, 2021 and 2020, the Plan was reimbursed investment fees of \$44,422 and \$40,452, respectively. At December 31, 2021 and 2020, \$23,482 and \$33,779 was reallocated to active participants, respectively. The forfeiture and reimbursed fees balance at December 31, 2021 and 2020, was \$68,391 and \$45,337, respectively.

Investment Options:

Upon enrollment in the Plan, participants may direct their contributions in 1% increments in any of the investment options available. A separate account is maintained for each participant, and interest and dividends earned by each fund are reinvested in that fund. Participants may change their investment options at the times permitted by the Plan Administrator.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of Accounting:

The financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("US GAAP").

RONETCO SUPERMARKETS, INC. THRIFT SAVINGS 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Continued)

Use of Estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition:

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Quoted market prices are used to value investments, if readily available. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividend income is recorded on the ex-dividend date. Interest income is recorded as earned on the accrual basis. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Notes Receivable from Participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent participant loans are recorded as distributions in accordance with the provision of the Plan. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments or the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Administrative Expenses and Participant Transaction Fees:

The Plan's expenses are paid either by the Plan or the Plan Sponsor, as provided by the Plan Document. Expenses that are paid directly by the Plan Sponsor are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statements of changes in net assets available for benefits. In addition, certain investment-related expenses are included in net appreciation in fair value of investments presented in the accompanying statements of changes in net assets available for benefits.

Benefit Payments:

Benefits are recorded when paid.

RONETCO SUPERMARKETS, INC. THRIFT SAVINGS 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Continued)

Mutual Fund Fees:

Investments in mutual funds may be subject to sales charges in the form of front-end loads, back-end loads or 12b-1 fees. Allowable fees under Section 12b-1 of the Investment Company Act of 1940 are annual fees deducted to pay for marketing and distribution costs of the funds. These fees are deducted prior to the allocation of the Plan's investment earnings activity and thus not separately identifiable as an expense.

Subsequent Events:

The Company has evaluated its subsequent events and transactions occurring after December 31, 2021 through October 6, 2022, the date that the financial statements were available to be issued.

NOTE 3 - INVESTMENTS CERTIFIED BY THE CUSTODIANS:

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the years ended December 31, 2021 and 2020, was obtained by management and agreed to or derived from information certified as complete and accurate by Great-West Trust Company, LLC and Great-West Life & Annuity Insurance Company ("Great-West"), the Custodians of the Plan.

NOTE 4 - FAIR VALUE MEASUREMENTS:

The Financial Accounting Standards Board established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted, quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

RONETCO SUPERMARKETS, INC. THRIFT SAVINGS 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 4 - FAIR VALUE MEASUREMENTS: (Continued)

The three levels of the fair value hierarchy are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2021.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. (Level 1 input)

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

RONETCO SUPERMARKETS, INC. THRIFT SAVINGS 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 4 - FAIR VALUE MEASUREMENTS: (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value for the years ended December 31, 2021 and 2020:

December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 57,604,457	\$ -	\$ -	\$ 57,604,457
Total Investments at Fair Value	\$ 57,604,457	\$ -	\$ -	\$ 57,604,457

December 31, 2020				
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 51,904,847	\$ -	\$ -	\$ 51,904,847
Total Investments at Fair Value	\$ 51,904,847	\$ -	\$ -	\$ 51,904,847

NOTE 5 - GUARANTEED INVESTMENT CONTRACT:

The Plan entered into a benefit-responsive guaranteed investment contract with Great-West. This contract meets the fully benefit-responsive investment contract criteria and, therefore, is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Great-West maintains the contributions in a general account. The account is credited with earnings on the underlying investments and is charged for participant withdrawals and administrative expenses.

The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than 0%. Such interest rates are reviewed on a semiannual basis for resetting.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

RONETCO SUPERMARKETS, INC. THRIFT SAVINGS 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 5 - GUARANTEED INVESTMENT CONTRACT: (Continued)

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan Document (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events that cause a significant withdrawal from the Plan, (4) the Plan's failure to qualify under Section 401(a) of the Internal Revenue Code or the failure of the trust to be tax-exempt under section 501(a) of the Internal Revenue Code, or (5) the failure of the Plan to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator believes that no events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer and that also would limit the ability of the Plan to transact at contract value with the participants.

Certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Those events may be different under each contract. Examples of such events include the following:

1. An uncured violation of the Plan's investment guidelines
2. A breach of material obligation under the contract
3. A material misrepresentation
4. A material amendment to the agreements without the consent of the issuer

NOTE 6 - RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Subsequent to December 31, 2021, the Plan's investments depreciated in value by approximately 20% through October 6, 2022, the date the financial statements were available to be issued.

RONETCO SUPERMARKETS, INC. THRIFT SAVINGS 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 7 - TAX STATUS:

The Plan Sponsor adopted a non-standardized prototype plan that received its latest Internal Revenue Service opinion letter on March 31, 2008. The Plan has been amended; however, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Generally accepted accounting principles in the United States of America require management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is, more likely than not, based on technical merits, to be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2021 and 2020, there are no uncertain tax positions taken, or expected to be taken, that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are no audits for any periods in progress.

NOTE 8 - PLAN TERMINATION:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Plan Document describes. Upon termination of the Plan, participants will become 100% vested and entitled to their full account balance, including all Company-matching contributions, as of the termination date.

NOTE 9 - PARTY-IN-INTEREST TRANSACTIONS:

The Plan has a guaranteed investment contract with Great-West Life & Annuity Insurance Company. Great-West Life Trust Company, LLC, an affiliate of Great-West Life & Annuity Insurance Company, are the Custodians as defined by the Plan and, therefore, this transaction qualifies as a party-in-interest transaction.

Notes receivable from Plan participants qualify as party-in-interest transactions. Additionally, certain administrative functions are performed by employees of the Plan Sponsor who do not receive compensation from the Plan for such functions.

NOTE 10 - RECONCILIATION OF FORM 5500 TO FINANCIAL STATEMENTS:

The following is a reconciliation of the changes in net assets per Form 5500 to the financial statements for the years ended December 31, 2021 and 2020:

	<u>2021</u>	<u>2020</u>
Net Assets available for benefits per financial statements	\$ 64,385,704	\$ 59,526,832
Deemed distributions from Plan assets	<u>(5,714)</u>	<u>-</u>
Net Assets Available for Benefits per Form 5500	<u>\$ 64,379,990</u>	<u>\$ 59,526,832</u>

	<u>2021</u>	<u>2020</u>
Changes in net assets available for benefits per financial statements	\$ 4,858,872	\$ 6,960,467
Changes in deemed distributions from Plan assets	<u>(5,714)</u>	<u>-</u>
Changes in Net Assets Available for Benefits per Form 5500	<u>\$ 4,853,158</u>	<u>\$ 6,960,467</u>

Deemed distributions represent participant loans pending foreclosure. Per Internal Revenue Service regulations, all participant loans pending foreclosure related to active participants are required to be reported as Plan assets until a distributable event occurs. Accordingly, a difference occurs between net assets available for benefits per the financial statements to Form 5500 as Department of Labor regulations require loans pending foreclosure be reported as deemed distributions on Form 5500.
