The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2021 and 2020, and for the years then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### *Opinion*

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### ***Other Matter - Supplemental Schedule Required by ERISA***

The supplemental schedule, Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# RouteOne 401(k) Plan

## Notes to Financial Statements

---

### 1. Description of the Plan

The following description of the RouteOne 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

#### *General*

The Plan was adopted effective March 1, 2003 by RouteOne, L.L.C. (the Company). The Plan is a defined contribution plan covering eligible participants. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

#### *Trustee and Administration of the Plan*

The Company has created a trust to hold the assets of the Plan. The trustee of the Plan is Fidelity Personal Trust Company, FSB (Fidelity or Trustee). The custodian of the Plan is Fidelity Institutional Wealth Services. The recordkeeper of the Plan is Sentinel Benefits & Financial Group. The former recordkeeper, ABG Portfolio Strategies, Inc., was acquired by Sentinel Benefits & Financial Group effective January 1, 2020. The administrator of the Plan is the Company. The Company has given the Trustee the authority to hold the assets of the Plan and to invest, control and disburse all assets of the Plan in accordance with the Plan document. The Board of Directors of the Company has appointed the Compensation Committee for RouteOne LLC Employees (the Compensation Committee) to control and manage the operation and administration of the Plan.

#### *CARES Act*

March 27, 2020, President Trump signed into law the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act). The CARES Act, among other things, includes several relief provisions available to tax-qualified retirement plans and their participants. Plan management has evaluated the relief provisions available to plan participants under the CARES Act and has implemented the following provisions:

- Special coronavirus distributions up to \$100,000.
- Increased the available loan amount to the lesser of \$100,000 or 100% of the participant's vested account balance.
- Extended the period for loan repayments, if applicable, up to one year.
- Suspended required minimum distributions for 2020.

#### *Eligibility*

Salaried employees of the Company, except union employees and non-resident aliens, who have completed at least three months of service following their first day of employment become eligible to participate in the Plan and are eligible for the employer safe harbor nonelective contribution and the employer discretionary contribution (profit sharing). Employees are enrolled on the first day of the month following their eligibility being met.

# RouteOne 401(k) Plan

## Notes to Financial Statements

---

Hourly employees of the Company who have completed 1,000 hours during a 12-month period become eligible to participate in the Plan and are eligible for the employer nonelective safe harbor contribution and the employer discretionary contribution.

### ***Contributions***

Contributions to the Plan include (i) salary reduction contributions authorized by participants, (ii) employer nonelective safe harbor contributions, (iii) employer discretionary contributions (profit sharing), and (iv) participant rollovers from other plans.

Participants may contribute a percentage of their eligible compensation to the Plan each year, subject to the limitations, as defined in the Plan document. Such contributions are excluded from the participant's taxable income for federal income tax purposes until received as a withdrawal or distribution from the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 5% of eligible compensation which auto-escalates by 1% on the first day each year, to a maximum of 15%, unless the participant elects not to auto-escalate or if the participant elects a different rate of contribution. Participants are permitted to make elective participant compensation deferral contributions in an amount up to 100% of eligible compensation, not to exceed \$19,500 in 2021 and 2020. All employees who are eligible to make salary deductions under this Plan and who have attained age 50 before the close of the Plan year are eligible to make catch-up contributions in accordance with the Plan document, and subject to Internal Revenue Service (IRS) limitations, which were limited to \$6,500 in 2021 and 2020. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). The Plan also offers a Roth 401(k) deferral option.

During the years ended December 31, 2021 and 2020, the Company made \$1,092,118 and \$973,452, respectively, of employer nonelective safe harbor contributions to each participant's account equal to 3% of the amount of the participant's eligible compensation. Additional amounts may be contributed at the discretion of the Compensation Committee.

During the years ended December 31, 2021 and 2020, the Company made \$293,593 and \$284,538, respectively, in employer discretionary contributions to the Plan. Contributions are subject to certain IRS limitations.

### ***Participant Accounts***

Individual accounts are maintained for each participant of the Plan. Each participant's account is credited with the participant's contribution, nonelective safe harbor and discretionary employer contributions, and Plan earnings. Participant accounts are charged with withdrawals and an allocation of Plan losses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

### ***Vesting***

Participants are vested immediately in their contributions plus actual earnings thereon upon entry into the Plan. The Company's nonelective and discretionary contributions are also vested immediately.

# RouteOne 401(k) Plan

## Notes to Financial Statements

---

### ***Notes Receivable from Participants***

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the participant's vested account balance, reduced by the balance of any outstanding loans. The loans are secured by the balance of the participant's account and bear interest at a rate commensurate with local prevailing rates at the time funds are borrowed, as determined by the Plan administrator. The interest rates during 2021 and 2020 ranged from 5.25% to 7.50%. Principal and interest are paid ratably through payroll deductions or as a lump sum for the outstanding loan balance. Participants may have a maximum of two loans outstanding at one time, and loan terms may not exceed five years, unless it is for the purchase of a primary residence. In these instances, the loan term may not exceed ten years.

### ***Payment of Benefits***

On termination of service due to death, disability, or retirement, a participant may generally elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. Employees who reach age 59½ may withdraw any of the funds they have contributed.

Participants are also eligible to make hardship withdrawals in the event of certain financial hardships.

## **2. Summary of Accounting Policies**

### ***Basis of Accounting***

The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

### ***Use of Estimates***

The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

### ***Investment Valuation and Income Recognition***

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Compensation Committee determines the Plan's valuation policies utilizing information provided by the investment adviser and Trustee. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

# RouteOne 401(k) Plan

## Notes to Financial Statements

---

### ***Notes Receivable from Participants***

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. As participant loans are repaid through payroll deductions, the amounts are allocated to the investment fund according to the participant's most recent election with respect to current contributions. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and expensed when incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020.

### ***Payment of Benefits***

Benefits are recorded when paid.

### ***Administrative Expenses***

Certain expenses of maintaining the Plan are paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in the administrative expenses. Additional participant activities within the Plan may be assessed a fee which is charged at the time the service takes place and the amount is deducted from the participant's account balance. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

### ***Subsequent Events***

The Plan has evaluated subsequent events through October 7, 2022, the date the financial statements were available to be issued. As disclosed in Note 6, the Company has adopted a volume submitter defined contribution plan provided by Sentinel Benefits & Financial Group, Inc. (Sentinel). Sentinel obtained an opinion letter dated November 30, 2020 from the IRS pursuant to a requirement to restate pre-approved plan documents every six years in order to maintain the Plan's tax-qualified status. As a result, on July 1, 2022, the Company restated the Plan to reflect remedial amendments associated with Sentinel's restatement of its pre-approved defined contribution plan.

Besides the above, there were no other subsequent events impacting the Plan which require recognition or disclosure in the financial statements.

## **3. Fair Value Measurements**

Accounting Standards Codification (ASC) 820, *Fair Value Measurements*, provides for a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under ASC 820 are described as follows:

*Level 1* - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

*Level 2* - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.

# RouteOne 401(k) Plan

## Notes to Financial Statements

---

- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

*Level 3* - Inputs in the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

*Mutual Funds* - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Short-Term Investments* - The investment seeks to generate income consistent with the preservation of capital and liquidity. The investments are valued at carrying value, which approximates fair value.

*Collective Investment Trusts (CIT)* - Valued at the NAV of units of a collective trust fund. The NAV, as provided by the trustee of the CIT, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. The CITs are direct filing entities.

The Reliance Trust Stable Value Fund (SVF) is a stable value fund that is composed primarily of fully benefit-responsive investment contracts and is valued at the NAV of units of the collective trust. The NAV is used as a practical expedient to estimate fair value. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. The SVF is a direct filing entity.

There are no unfunded commitments or redemption restrictions related to the CITs as of December 31, 2021 and 2020.

## 4. Certified Investment Information

The Plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity, a qualified institution, has certified that the following investment information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments as shown in the statements of net assets available for benefits as of December 31, 2021 and 2020.
- Investment income as shown in the statements of changes in net assets available for benefits for the years ended December 31, 2021 and 2020.
- Investment information included in the Schedule of Assets (Held at End of Year) as of December 31, 2021, as shown on the ERISA-required supplemental schedule.

## Notes to Financial Statements

---

At the request of the Plan administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

### 5. Stable Value Fund

The Plan's investments include the Reliance Trust Stable Value Fund, a collective trust fund that invests entirely in MetLife Group Annuity Contract 25157 (the GAC), issued by Metropolitan Life Insurance Company (MetLife). The GAC consists of separately managed investment portfolios directed by Reliance Trust Company.

The GAC provides that the Reliance Trust Stable Value Fund executes transactions at contract value. MetLife guarantees the contract value, which represents contributions, plus interest, less participant-initiated withdrawals or transfers.

The GAC provides a fixed interest rate for a fixed period that will apply to the contract value. The interest rate is reset every quarter as determined by MetLife with consideration of the fair value of the separate portfolios, the anticipated market yields-to-maturity of benchmark indices of the separate portfolios, expected payments into and out of the GAC, amortization of the difference, if any, between the fair value of the separate accounts and the contract value of the GAC, and the fees allowed under the GAC.

The GAC has certain restrictions that affect the ability of the Plan to collect the full contract value. For example, if a withdrawal from the GAC was made as a result of an event initiated by the Company, such as partial plan termination before the contract ends and the GAC's fair value equals or exceeds the contract value, payment is made at an amount equal to the amount of the contract value. If the GAC's fair value is less than the contract value, the amount paid is equal to the contract value reduced by the amount of the fair value deficit allocable to the Plan. Plan management believes that the occurrence of events that would cause the Plan to transact at less than contract value is not probable. Reliance may not terminate the contract at any amount less than the contract value.

### 6. Income Tax Status

The Plan uses a volume submitter plan from Sentinel Benefits & Financial Group, which received an opinion letter from the IRS on November 26, 2014, which states that the volume submitter plan, as then designed, satisfies the applicable provisions of the Internal Revenue Code (IRC). The Plan itself has not received a determination letter from the IRS. Although the Plan has been amended since the date of the opinion letter, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC; therefore, no provision for income tax has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

### **Notes to Financial Statements**

---

#### **7. Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

#### **8. Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

#### **9. Related Party and Party-in-Interest Transactions**

Certain Plan investments are managed by the Trustee, and, therefore, these transactions qualify as party-in-interest transactions. The Company pays certain expenses of the Plan. The Plan paid for third-party administrator fees incurred for investment management services. The Plan also issues loans to participants which are secured by the vested balance of the participants' accounts. These transactions are party-in-interest transactions, which are exempt from prohibited transaction rules.
