INDEPENDENT AUDITOR'S REPORT

To the Trustees, Participants,
and Beneficiaries
Acorn Distributors, Inc. 401(k) Profit Sharing Plan
Indianapolis, Indiana

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Acorn Distributors, Inc. 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution, Nationwide Trust Company, FSB, and Nationwide Life Insurance Company, as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 6, is complete and complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT - Continued

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements - continued

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Acorn Distributors, Inc. 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution, Nationwide Trust Company, FSB, and Nationwide Life Insurance Company, as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 6, is complete and complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT - Continued

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

ACORN DISTRIBUTORS, INC. 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021

NOTE 1 PLAN DESCRIPTION

The following description of Acorn Distributors, Inc.'s 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan was established to provide for the retirement of Acorn Distributors, Inc. (the "Company") employees. The Plan is a defined contribution plan covering all employees who are not covered by a collective bargaining agreement. The Plan entrance dates are the first day of each month. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Eligibility

Employees are eligible to participate in the Plan when they have attained the age of twenty-one and have completed six months of eligible service.

Participant Accounts

Each participant's account is credited with the participant's contributions, rollover contributions, and an allocation of the Company's contributions and Plan earnings (losses). Participant accounts are charged with an allocation of any administrative expense paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. All investments of the Plan are participant-directed.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. The Plan provides that the Company's matching and discretionary nonelective contributions, including earnings thereon, vest fully at the end of six years or if they die, become permanently disabled, or reach early or normal retirement age.

Upon termination of employment and distribution of participant's entire vested account balance for any reason other than death or permanent disability, the Company's matching and discretionary nonelective contributions on their behalf, not then vested, are transferred to a forfeiture account. A forfeiture occurs in a plan year in which a one-year "break in service" occurs. If the participant is re-employed within a five-year period or before five consecutive "break in service" years, all or part of their forfeited non-vested account is restored through current year forfeitures and an employer contribution, if necessary.

NOTE 1 PLAN DESCRIPTION - continued

Contributions

Each year, participants may contribute up to the maximum amount allowable by the Internal Revenue Code of the their compensation, as defined by the Plan. Participants may elect to contribute funds on a before-tax elective deferral basis (salary deferral contributions), on a post-tax elective basis (Roth account contributions), or a combination of the two. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover contributions). The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 4% of eligible compensation, with an automatic increase of 1% per year up to a maximum of 10% of eligible compensation, and their contributions invested in designated mutual funds until changed by the participant. The Company may make a discretionary matching contribution equal to a uniform percentage of the participant's salary deferral contributions. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers guaranteed investments and various mutual funds.

Additional discretionary nonelective amounts may be contributed at the option of the Company's Board of Directors. There were no discretionary nonelective contributions to the Plan for the years ended December 31, 2021 and 2020. Contributions are subject to certain statutory limitations.

Payment of Benefits

Upon termination of employment, death, disability, or retirement, the participant may receive a lump sum distribution as soon as administratively feasible following the date on which a distribution is requested or is otherwise payable.

Participant Loans (Notes Receivable from Participants)

Participant loans are permitted under the Plan. The minimum amount of a loan is \$1,000. Loans cannot exceed the lesser of \$50,000 or 50% of a participant's vested balance. Repayment of loans shall not exceed five years except if the loan proceeds are used to acquire the participant's principal residence. An administrative fee is charged for establishing and maintaining the loan. The loans are secured by the balance in the participant's account and bear interest. Loans are repaid ratably through payroll deductions. Loans outstanding were \$191,287 and \$239,871 as of December 31, 2021 and 2020, respectively.

Forfeitures

Forfeitures are first used to pay Plan expenses or to reduce the Company's contributions. Forfeitures for 2021 and 2020 were \$6,880 and \$899, respectively. As of December 31, 2021 and 2020, forfeited nonvested account totals were \$6,426 and \$3,871, respectively.

NOTE 2 SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Concentration of Credit Risk

The Plan invests in investment companies (funds) administered by Nationwide Trust Company, FSB and Nationwide Life Insurance Company. The funds' investments are not insured and are affected by the fluctuations in the stock and bond markets.

Payment of Benefits

Benefit distributions to participants are recorded when paid.

Plan Expenses

Investment advisory fees for portfolio management are paid directly from fund earnings; they are included in the fund expense ratio and will not reduce assets of the Plan. All other expenses including administrative costs, legal fees, auditing fees, and other costs are paid by the Plan or Plan sponsor.

Valuation of Investments and Income Recognition

Except for certain contracts held by Nationwide Life Insurance Company and described in Note 7, investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 8 for discussion of fair value measurements.

Security transactions are accounted for on the date securities are purchased or sold (trade date). Dividend income is recorded on the ex-dividend date. Interest income is recorded on an accrual basis. Capital gain distributions are included in dividend income. Net appreciation and depreciation of the fair value of investments consists of the unrealized appreciation or depreciation of investments held during the year and the realized gain or loss on investments sold during the year.

NOTES TO FINANCIAL STATEMENTS

NOTE 2 SIGNIFICANT ACCOUNTING POLICIES - continued

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results may differ from those estimates.

On January 30, 2020, the World Health Organization declared the coronavirus (COVID-19) outbreak a "Public Health Emergency of International Concern" and on March 10, 2020, declared it to be a pandemic. Actions taken around the world to help mitigate the spread of the coronavirus include restrictions on travel, and quarantines in certain areas, and forced closures of certain types of public places and businesses. The coronavirus and actions taken to mitigate it have had and are expected to continue to have an adverse impact on the economies and financial markets of many countries. It is unknown how long these conditions will last and what the complete financial effect will be to the Plan. It is reasonably possible that the Plan is vulnerable to the risk of a near-term severe impact and that estimates made in the financial statements (including the Plan's investment valuations) have been, or will be, materially and adversely impacted in the near term as a result of these conditions.

Additionally, it is reasonably possible that estimates made in the financial statements have been, or will be, materially and adversely impacted in the near term as a result of these conditions, including credit losses on receivables and investments.

Reclassifications

Certain amounts from the prior year have been reclassified to conform with the current year presentation.

Evaluation of Subsequent Events

The Plan has evaluated subsequent events through October 07, 2022, which is the date the financial statements were available to be issued.

NOTE 3 PLAN TERMINATION

Although the Company has not expressed any intent to do so, it has the right, by action of its directors, to terminate the Plan subject to the provisions of the ERISA. In the event of Plan termination, amounts credited to the participants' accounts will become fully vested and nonforfeitable.

NOTE 4 PARTIES IN INTEREST

There were no known prohibited transactions with known parties in interest as defined in ERISA Section 3(14) and regulations thereunder, including those transactions set forth in ERISA Sections 406 and 407(a) and Internal Revenue Code Section 4975(c).

Certain Plan investments are invested in mutual funds and an insurance contract sponsored by the Custodian of the Plan. Transactions in such investments qualify as party-in-interest transactions which are exempt from the prohibited transaction rules.

NOTE 5 INCOME TAX STATUS

The Company adopted a Volume Submitter Profit Sharing Plan, sponsored by American Pension Advisors LTD, with a cash or deferral arrangement that received a favorable opinion letter from the Internal Revenue Service ("IRS") on March 31, 2014. The plan document has been amended since receiving the opinion letter. However, the Plan Administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Management has evaluated the Plan's tax positions and concluded that the Plan had maintained its tax exempt status and had taken no uncertain tax positions that require adjustment to the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements.

NOTE 6 SUMMARY OF FINANCIAL DATA CERTIFIED

The following is a summary of the Plan's asset information as of December 31, 2021 and 2020, and for the years ended December 31, 2021 and 2020, included throughout the Plan's financial statements and supplemental schedules, that was prepared by or derived from information provided by the custodian and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the custodian that information provided to the Plan Administrator by the custodian related to the following assets is complete and accurate.

NOTES TO FINANCIAL STATEMENTS

NOTE 7 INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan entered into a fully benefit-responsive investment contract with Nationwide Life Insurance Company. Nationwide Life Insurance Company maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. These contracts are included in the financial statements at contract value, as reported to the Plan by Nationwide Life Insurance Company. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (a) amendments to the Plan documents (including complete or partial plan termination or merger with another plan), (b) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

The value of the investment contract was \$12,542 and \$11,779 at December 31, 2021 and 2020, respectively. The crediting interest rate is based on a formula agreed upon with the issuer, but may not be less than 1%. The interest rates are reviewed on an annual basis for resetting.

NOTE 8 FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board Statement ASC 820, *Fair Value Measurements*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

- Level 1** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2** Inputs to the valuation methodology include:
- Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the closing price reported on the active market on which the individual securities are traded.

NOTE 10 PLAN AMENDMENTS AND CHANGES

On December 20, 2019, the SECURE Act was signed into law. One of the provisions was an automatic adoption to amend the Plan's required minimum distribution. The Secure act stated if you reached the age of 70 1/2 in 2019 the prior rule applies and you must take your first RMD by April 1, 2020. If you reach age 70 1/2 in 2020 or later you must take your first RMD by April 1 of the year after you reach 72.

The Plan's hardship withdrawal provision was changed effective January 1, 2020 to relax the restrictions on hardship withdraws, including: (a) the removal of the requirement for a participant to suspend deferrals for 6 months following a hardship withdrawal; (b) the removal of the requirement for a participant to exhaust all other options, including taking out the maximum loan before taking a hardship withdrawal.

NOTE 10 PLAN AMENDMENTS AND CHANGES - continued

The Plan was also amended and restated in July 2021 to adopt certain special relief provisions of the CARES Act resulting from the COVID-19 pandemic. The provisions were effective as of March 27, 2020 and included:

In-service Coronavirus Related Distribution ("CRD") allowable for any Plan participant affected by COVID-19, up to \$100,000 and made between January 1, 2020 and December 31, 2020. The normal 10% early withdrawal penalty is waived for any CRD and may be repaid to the Plan (or to any other tax qualified plan) within three years as a rollover contribution.

Increased the maximum loan amount to \$100,000 for any Plan participant affected by COVID-19 and made between March 27, 2020 and September 23, 2020. The loan limitation was also increased to 100% of a participant's vested balance

Allowing delayed due dates of loan repayments for individuals affected by COVID-19 for up to one year for any repayments between March 27, 2020 and December 31, 2020. Following the suspension period, the loan will be reamortized for an additional period of up to one year and include accrued interest incurred during the suspension.

Required minimum distributions are waived for 2020.

NOTE 11 RECENTLY ADOPTED ACCOUNTING PRONOUNCEMENTS

On August 28, 2018, the FASB issued ASU No. 2018-13, Fair Value Measurement (Topic 820), Changes to the Disclosure Requirements for Fair Value Measurement. The standard removes the following disclosure requirements from Topic 820, Fair Value Measurement: 1. The amount of and reasons for transfers between Level 1 and Level 2 of the fair value hierarchy. 2. The policy for timing of transfers between levels within the fair value hierarchy. 3. The valuation processes for Level 3 fair value measurements. 4. For nonpublic entities, the changes in unrealized gains and losses for the period included in earnings for recurring Level 3 fair value measurements held at the end of the reporting period. In addition and instead of a rollforward for Level 3 fair value measurements, a nonpublic entity is required to disclose transfers into and out of Level 3 of the fair value hierarchy and purchases and issues of Level 3 assets and liabilities. The Company adopted all applicable provisions of this standard for the year ending December 31, 2020 which did not have a material impact on the financial statements.
