INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees
Sharfi Holdings, Inc. 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Sharfi Holdings, Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Sharfi Holdings, Inc. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certification from a qualified institution as of December 31, 2021, and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Sharfi Holdings, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Sharfi Holdings, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Sharfi Holdings, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Sharfi Holdings, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedule of assets held for investment purposes is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Comparative Financial Statements

Plan management is responsible for the accompanying 2020 financial statements of Sharfi Holdings, Inc. 401(k) Profit Sharing Plan, which comprises the statement of net assets available for benefits as of December 31, 2020, the statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements, in accordance with accounting principles generally accepted in the United States of America. We did not audit, review or compile the financial statements, and accordingly, we do not express an opinion, a conclusion or provide any form of assurance on these financial statements. We did, however, perform certain procedures as required by the standards outlined above, and as deemed necessary by us, for the presentation of financial statements in comparative form.

NOTE A: DESCRIPTION OF PLAN

The following description of Sharfi Holdings, Inc. 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan qualifying as a tax-exempt salary deferral arrangement as defined in Section 401(k) of the Internal Revenue Code. It covers all employees of Sharfi Holdings, Inc. (the "Company") over the age of 18 who have completed 1,000 hours of service.

Plan Restatement and subsequent amendment - The Plan was restated effective January 1, 2021 in accordance with the Pension Protection Act of 2006. Since restatement, the plan has not been substantially amended.

Contributions - Each year participants may contribute up to 100% of pretax annual compensation up to a maximum of $19,500 (participants age 50 and over may contribute a maximum of $26,000), as defined in the Plan and by the Internal Revenue Code. Participants may change their deferral amount at any time. The Plan also allows participants to make Roth contributions and rollovers to and from other qualified plans.

Matching and profit-sharing contributions may be made at the discretion of the Company. Matching contributions are allocated based on the deferral percentage elected by the participant. Profit-sharing contributions are allocated based on compensation. Participants must complete 1,000 hours of service to be eligible.

Investment options - Upon entry into the Plan, participants may choose from any of the mutual funds open to participants. Because accounts are participant-directed, investments may be changed at any time. For those participants who enter the plan but do not make a selection, the Plan has arranged for a default investment choice in compliance with section 404(c).

Participant Accounts - After an account has been established, participants direct the investments of their account balances. Each participant's account is credited with any deferrals made as well as allocations of (a) the Company's matching contributions, (b) investment earnings, (c) allocations of expenses charged to the plan, and (d) allocations of expenses based on investment choices. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested balance.

Vesting - Participants are immediately vested in their voluntary contributions and rollovers plus actual earnings thereon. In addition, participants vest in employer discretionary contributions 100% after six years of service based on the following schedule:

Completed years of service	Vesting percentage
1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

NOTE A: DESCRIPTION OF PLAN (CONTINUED)

Administrative Expenses – Fund management fees and certain other expenses incurred in the course of trading are reported in the Statement of Change in Net Assets Available for Benefits netted against plan earnings. In addition, irregular charges may be netted against investment earnings including load fees, trade commissions and early sale penalties.

Fees charged for investment supervision, management services and administrative record keeping are paid by the Company. Certain transaction fees, such as insurance transfer fees and those related to distributions, are paid directly by participants as incurred.

Some expenses for administering the plan are paid by the Company. The Plan does not compensate Company or its employees for these services.

Notes Receivable from Participants – Participants may receive advances from deferrals and rollovers into the plan to be repaid in level installments each pay period via payroll deduction. The minimum amount that may be advanced is $1,000 secured by the participant's account balance. One loan per participant may be outstanding at any given time. Loans are due in full in the event of termination of employment, and unpaid loans may be re-characterized as deemed distributions in accordance with regulations. Participants should refer to the Plan's loan policy for more complete information.

The Plan has set the standard interest rate for participant loans at 2.00% above the prime rate. In 2021 and 2020, no advances were made.

Payment of Benefits – Hardship distributions may be made to participants and their beneficiaries from deferral and rollover contributions. In-service distributions may be made at any time after age 59 ½ from fully vested balances. Participants are entitled to full distribution of vested balances after reaching the normal retirement age of 65.

Participants may elect to receive lump-sum distributions only. In the event of involuntary termination, a cash payment will be made or a peer-to-peer rollover into a qualified IRA account for amounts between $1,000 and $5,000. The plan's force-out policy is set at $5,000. Amounts over $5,000 require the consent of the participant.

Forfeited Accounts – Forfeitures occur when a participant separates from service before becoming 100% vested in discretionary contributions made by the Company. The Plan allows forfeited contributions to be used to reduce administrative fees or as a supplement to future employer contributions.

As of December 31, 2021 and 2020, forfeited non-vested accounts totaled $12,710 and $7,054 for both years. In 2021 and 2020, $47 and $0 forfeitures were allocated to administrative fees, and no forfeitures were used to offset employer contributions, respectively.

Plan Termination – Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions and there would be a complete distribution of the assets to the participants.

NOTE B: SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting - The financial statements of the Plan are prepared in conformity with accounting principles generally accepted in the United States of America as applied to employee benefit plans.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires those charged with the governance and administration of the plan to make estimates and assumptions that affect the reported amounts of assets and liabilities, the reported amounts of additions and deductions, and disclosure of conditions during the reporting period. Actual results may differ from those estimates.

Cash - Cash presented in the financial statements includes only noninterest-bearing accounts. All other cash and cash equivalents are included in investments and stated at fair value.

Investment Valuation - Investments are stated at fair value. Quoted market prices are used to value investments. Other valuation methods are used only where no readily available market data is available. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. For a detailed explanation of fair value measurements, see Note D.

Contributions Receivable - Contributions receivable consist of deposits made after year-end for deferral and matching contributions. When material, all other types of receivables, such as payments receivable for participant loans, are disclosed separately.

Notes Receivable from Participants - Notes receivable from participants are measured at amortized cost, which represents the unpaid principal balance plus the accrued but unpaid interest.

Benefits Payable - Benefits are accrued in the period in which participants are entitled to collect them.

Excess Contributions - Contributions in excess of annual limitations are refunded when discovered. Those excess contributions paid after year-end are recorded as a liability as of the financial statement date and as a reduction to participant contributions.

Income Recognition - Interest income is recorded on the accrual basis of accounting. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in the fair value of investments is the unrealized gain or loss on disposition of investments held at year-end. Realized gains and losses are recorded at the time of sale and are reported separately on the statement of changes in net assets.

Administrative Expenses - Expenses paid by the Plan are recorded as accrued or incurred.

NOTE C: INFORMATION CERTIFIED BY THE PLAN CUSTODIAN

The Plan administrator has elected the method of compliance permitted by ERISA section 103(a)(3)(c) pursuant to 29 CFR 2520, 103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Transamerica, the custodian of the Plan, has certified the completeness and accuracy of all investments held by them as of and for the years ended December 31, 2021 and 2020.

Because this information is presented in conformity with the cash basis of accounting, there may be variances between amounts certified and those presented in the financial statements.

The following information was included in this certification:

	2021	2020
Total plan investments	$ 950,901	$ 667,577

Also included in the certified information were the investment results for the year ended December 31, 2021, including plan earnings of $92,180, contributions of $235,663 and a net increase in plan assets for the year of $283,324.

NOTE D: FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying Statements of Net Assets Available for Benefits. The methods used to measure fair value may produce an amount not indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. The following tables disclose, by level, the fair value hierarchy of the Plan's assets as of December 31, 2021 and 2020:

		Fair Value Measurements at Reporting Date Using		
	Fair Value	Quoted Prices in Active Markets for Identical (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
December 31, 2021				
Pooled separate accts	$ 943,179		$ 943,179	
Stable value accts	20,432		20,432	0
Total	$ 963,611	$ 0	$ 963,611	$ 0
December 31, 2020				
Pooled separate accts	$ 612,620		$ 612,620	
Stable value accts	62,011		62,011	0
Total	$ 674,631	$ 0	$ 674,631	$ 0

FASB ASC 820, Fair Value Measurement and Disclosures, establishes the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes inputs to valuation techniques and gives highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 - Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

The custodian recommends presenting the Plan's stable value and pooled separate account investments at level 2 of the fair value hierarchy. See Notes I and J for a detailed description of the investments.

NOTE E: BENEFITS PAYABLE

As of December 31, 2021 and 2020, $0 in plan assets for both years had been set aside for benefit payments to participants electing to withdraw from the plan but had not yet been paid.

NOTE F: PARTIES-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering service to the Plan, the Employer and certain other entities and individuals.

Plan investments include shares of registered investment company funds managed by Transamerica and its affiliates. Transactions with these entities qualify as exempt party-in-interest transactions. Fees incurred by the Plan for investment management services are included in administrative expenses and totaled $3,539 and $3,827 in 2021 and 2020, respectively.

The Plan has engaged KB Actuarial as a third-party administrator. Fees for administration and record keeping are paid by the Company.

The Company provides certain accounting, recordkeeping, and administrative services to the Plan for which it receives no compensation.

NOTE G: RISKS AND UNCERTAINTIES

The Plan's investments are held primarily in mutual funds. Mutual funds are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in value will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statement of net assets available for benefits.

NOTE H: INCOME TAXES

The Plan is qualified with the Internal Revenue Service (IRS) as a tax-exempt plan and as a qualified employee benefit plan under ERISA. The Plan obtained a determination letter in which the IRS stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has since been amended. The Plan administrator believes that the Plan is being operated in compliance with the applicable requirements of the Internal Revenue Code and therefore believes that the Plan was qualified and related trust was tax-exempt as of the financial statement dates.

During the years ended December 31, 2021 and 2020, the Plan recognized no income-tax related interest or penalties. Management has reviewed the Plan's tax positions and determined there were no uncertain tax positions as of December 31, 2021 and 2020. The Plan is no longer subject to U.S. federal, state, and local, or non-US income tax examinations by tax authorities for years prior to 2018.

NOTE I: POOLED SEPARATE ACCOUNTS

Some of the Plan's assets are held in pooled separate accounts invested in mutual funds designed to be fully benefit responsive. Units of investment are allocated to participants based on actual contributions and investment choices made by participants.

The unit value of pooled separate accounts is calculated daily based on the observable net asset values (NAV) of the underlying mutual fund investments. The NAV practical expedient being used is based on the fair value of the underlying mutual funds, less any existing liabilities, divided by the number of units outstanding.

There are no unfunded commitments or redemption notice periods for any of the funds. Because accounts are participant-directed, there are no unusual limitations on the execution of transactions.

NOTE J: STABLE VALUE ACCOUNT

A stable value account is available to participants as an investment designed as a pooled separate account. The investment strategy is to provide a stable growth for the accounts regardless of market conditions.

The stable value account is valued based on actual amounts contributed plus a fixed return at rates published each year.

NOTE K: RECONCILIATION OF THE FINANCIAL STATEMENTS TO FORM 5500

Certain amounts in the financial statements have been presented in classifications that differ from those reported with form 5500. Changes in classification are the result of applying accounting principles generally accepted in the United States to amounts that are essentially cash basis.

NOTE L: SUBSEQUENT EVENTS AND DATE OF MANAGEMENT'S REVIEW
