Plan Administrative Committee  
Winery Exchange, Inc. 401(k) Plan

We have audited the financial statements of Winery Exchange, Inc.. 401(k), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit] for the year ended December 31, 2021 and December 31, 2020, and we will issue our report thereon dated October 5, 2022. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Great-West Life & Annuity Insurance Company and Great-West Trust Company LLC also known as Empower Retirement, the trustee and custodian, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and ERISA-required supplemental schedules, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated September 26, 2022. Professional standards also require that we communicate to you the following information related to our audit.

### **Significant Audit Matters**

#### ***Qualitative Aspects of Accounting Practices***

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note 2 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2021. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimate affecting the financial statements was:

*Management's estimate of the Fair Value of investments in Note 6 and the classification of those investments in the Level 1 to 3 categories described in Note 6 to the financial statements. Fair Value is based on the sources described in Note 6 to the financial statements. We evaluated the key factors and assumptions used to develop the Fair Value estimates in determining that it is reasonable in relation to the financial statements taken as a whole.*

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive disclosure(s) affecting the financial statements were:

The disclosure of Fair Value in Note 6 to the financial statements and the classification of investments in Level 1 to 3 in Note 6.

Benefit-Responsive Investment contracts held by the Plan reported in Notes 2 and 7.

The financial statement disclosures are neutral, consistent, and clear.

### ***Form 5500 Procedures***

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

### ***Difficulties Encountered in Performing the Audit***

We encountered no significant difficulties in dealing with management in performing and completing our audit.

### ***Corrected and Uncorrected Misstatements***

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements. In addition, none of the misstatements detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate, to the financial statements taken as a whole.

### ***Disagreements with Management***

For purposes of this letter, a disagreement with management is a disagreement on a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

### ***Management Representations***

We have requested certain representations from management that are included in the management representation letter dated October 5, 2022.

### ***Management Consultations with Other Independent Accountants***

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

### ***Other Audit Findings or Issue***

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

***Other Matters***

Our responsibility for the ERISA-required supplemental schedules accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedules, other than that agreed to or derived from the certified investment information, is presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

This information is intended solely for the use of Administrative Committee of Winery Exchange, Inc. 401(k) Plan and Winery Exchange, Inc., the plan sponsor, and is not intended to be, and should not be, used by anyone other than these specified parties.

Very truly yours,

## **Independent Auditors' Report**

To the Administrative Committee of  
The Winery Exchange Inc., 401(k) Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements**

We have performed an audit of the accompanying financial statements of the Winery Exchange Inc., 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

### **Opinion on the 2021 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion on the 2021 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Winery Exchange Inc., 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2021 financial statements.

## **Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Winery Exchange Inc., 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Winery Exchange Inc., 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Winery Exchange Inc., 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **2021 Supplemental Schedules Required by ERISA**

The supplemental schedule of assets held at end of year is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Auditor's Report on the 2020 Financial Statements**

The 2020 financial statements of the Winery Exchange Inc., 401(k) Plan were audited by RINA Accountancy LLP, who merged with Aprio, LLP as of August 1, 2022. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report dated October 11, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplemental schedules, and (b) the form and content of the information included in the financial statements and supplemental schedules other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## WINERY EXCHANGE INC., 401(k) PLAN

### NOTES TO FINANCIAL STATEMENTS – DECEMBER 31, 2021 AND DECEMBER 31, 2020

#### **Note 1. DESCRIPTION OF THE PLAN:**

The following brief description of Winery Exchange Inc., 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan Agreement for more complete information.

##### **General:**

The Plan was created by Winery Exchange, Inc. (“the Company”) effective January 1, 2000, as a defined contribution plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

All money that is contributed to the Plan is held in a trust fund. The trustee is responsible for the safekeeping of the trust fund and must hold and invest Plan assets in a prudent manner and in the best interest of the plan participants and their beneficiaries.

##### **Participation:**

Immediately upon meeting the eligibility requirements, employees can join the Plan and begin deferring a portion of their compensation. The Plan does not have age or eligibility service requirements.

Entry is on the Employment Commencement Date (if that date is also an Entry Date), or if later, upon the next following Plan Entry Date. Plan Entry Date is the first day of each month.

Excluded employees for all contributions are Non-Resident Aliens as described in Internal Revenue Code §410(b)(3)(C). Part time, temporary, seasonal employees working less than 1,000 hours are also excluded.

##### **Participant contributions:**

Participation in the Plan is voluntary. Participant’s deferral percentage is subject to an annual limit of 80% of the participant’s eligible compensation, up to the maximum annual limit determined by the Internal Revenue Service. The maximum annual amount that can be contributed to a 401(k) arrangement as an elective deferral, that is, as a pre-tax contribution, is \$19,500 for the years ended December 31, 2021 and December 31, 2020. Individuals age 50 or over by the end of the plan year are allowed to make additional contributions to a 401(k) plan, in excess of the standard limits. Such additional contributions will be limited to the lesser of a specified dollar amount (\$6,500 in 2021 and 2020) or the participant’s compensation for the year reduced by the participant’s other elective deferrals.

The Plan document permits Roth elective deferrals into the Plan. Participants may also make rollover contributions of amounts received from other tax-qualified employer-sponsored retirement plans. All contributions are deposited in the appropriate investment funds in accordance with the participant’s direction and the Plan’s provisions.

Participants direct the investment of their contributions into various investment options offered by the Plan.

## WINERY EXCHANGE INC., 401(k) PLAN

### NOTES TO FINANCIAL STATEMENTS – DECEMBER 31, 2021 AND DECEMBER 31, 2020

#### **Note 1. DESCRIPTION OF THE PLAN (Continued):**

##### Discretionary matching employer contributions:

The Company may make a basic matching employer contribution on behalf of each participant in an amount equal to the percentage declared for the contribution period, if any, by a board of director's resolution.

For the year ended December 31, 2021, there were no matching contributions made by the Company.

##### Participant accounts:

Each participant's account is credited with the participant's contributions and allocations of the Company's contributions and is reduced for loans and benefit payments. Participant accounts are further credited or charged with their pro rate share of earnings, gains, or losses on the total investments in each investment account and charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances or set fees as defined.

The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account

##### Vesting of plan benefits:

Participants are 100% immediately vested in their deferral contributions, matching employer contributions and actual earnings thereon.

##### Notes receivables from participants:

Under the terms of the Plan, participants may borrow from their fund accounts, a minimum of \$1,000 up to a maximum of \$50,000 or 50% of the vested account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at 1% over Prime Rate published in the Wall Street Journal on the first business day of the month the loan is originated. Loans as of December 31, 2021 bear interest at rates ranging from 4.25% to 5.75%. Principal and interest are paid ratably through payroll deductions. All loans become immediately payable in the event of default or termination of employment. In the event loan payments are not received when they are due, the Plan Administrator may declare the loan in default. Defaulted loans are offset against the participant's account balance. The specific terms and conditions of such loans are established by the Plan Administrator.

##### Payment of benefits:

Participant accounts are available for withdrawal at the participant's death, retirement, total disability, age 59 ½, termination of employment with the Company. Participants who qualify for benefits and withdrawals are entitled to a lump-sum distribution of his or her vested account balance.

Participant consent is required to distribute accounts that exceed \$5,000 before reaching normal retirement age. Participants may elect to have their account balance distributed as soon as administratively feasible following termination of employment.

##### Administrative expenses:

## WINERY EXCHANGE INC., 401(k) PLAN

### NOTES TO FINANCIAL STATEMENTS – DECEMBER 31, 2021 AND DECEMBER 31, 2020

#### **Note 1. DESCRIPTION OF THE PLAN (Continued):**

##### Forfeitures:

At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$6,435 and \$5,691, respectively. Forfeitures are retained in the Plan and are to be used to reduce nonelective contributions, employer match and to pay plan administrative expenses. During the plan year ended December 31, 2021, no amounts from the forfeiture account was used to reduce nonelective contributions, employer match or to pay administrative plan expenses.

#### **Note 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:**

##### Basis of accounting:

The financial statements of the Plan are prepared under the accrual basis of accounting and in accordance with ERISA.

##### Investment valuation and income recognition:

Investments are generally included in the financial statements at fair value as reported to the Plan by the Plan asset custodian. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Administrative Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians and insurance company.

Shares are stated at quoted market value. Gains and losses on investments are recognized in the period in which the appreciation or depreciation occurs. The Plan presents in the statement of changes in net assets available for benefits the net appreciation (depreciation) in fair value of investments, which consists of the net realized gains or losses and unrealized appreciation or depreciation on those investments.

As described in the Professional Accounting Standards, investment contracts held by a defined-contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contract because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

##### Notes receivable from participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

##### Excess contributions payable:

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability.

## WINERY EXCHANGE INC., 401(k) PLAN

### NOTES TO FINANCIAL STATEMENTS – DECEMBER 31, 2021 AND DECEMBER 31, 2020

**Note 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued):**

Payment of benefits:

Benefits are recorded when paid.

Subsequent events:

The Administrative Committee has evaluated events through October 5, 2022, the date which the financial statements were available for issue.

**Note 3. NATURE OF ESTIMATES:**

The preparation of financial statements in conformity with accounting principles generally accepted in the United State of America requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

**Note 4. RISK AND UNCERTAINTIES:**

The Plan provides for various investment options in any one of a combination of mutual funds that invest in stocks, bonds, fixed income securities and other investment securities. These investments are exposed to various risks, such as credit, interest rate and market. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

**Note 5. INFORMATION PREPARED AND CERTIFIED BY TRUSTEE AND ASSET CUSTODIAN (UNAUDITED):**

The Plan's investments are held in a trust fund administered by Empower Retirement.

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Great-West Life & Annuity Insurance Company and Great-West Trust Company LLC also known as Empower Retirement, the trustee and asset custodian of the Plan.

**Note 6. FAIR VALUE MEASUREMENTS:**

Professional accounting standards establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |
| Level 2 | Inputs to the valuation methodology include <ul style="list-style-type: none"><li>• quoted prices for similar assets or liabilities in active markets;</li><li>• quoted prices for identical or similar assets or liabilities in inactive markets;</li><li>• inputs other than quoted prices that are observable for the asset or liability;</li><li>• inputs that are derived principally from or corroborated by observable market data by correlation or other means.</li></ul> <p>If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.</p> |
| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

**Mutual funds:** Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

**Fixed annuities:** Valued based on the valuation method disclosed in the annuity contract as calculated by the annuity provider.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the year ended December 31, 2021, there were no significant transfers between Levels 1 and 2 and no transfers into or out of Level 3.

### Note 7. BENEFIT-RESPONSIVE INVESTMENT (FIXED ANNUITIES):

The Plan entered into a benefit-responsive investment contract with Empower Retirement. Empower Retirement maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

As described in Note 2, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to benefit-responsive investment. Contract value, as reported to the Plan by Empower Retirement, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than a certain percentage.

### NOTES TO FINANCIAL STATEMENTS – DECEMBER 31, 2021 AND DECEMBER 31, 2020

**Note 7. BENEFIT-RESPONSIVE INVESTMENT (FIXED ANNUITIES) (Continued):**

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

Contract value is the only required measure for benefit responsive investment contracts. Under professional accounting standards, the contract value is now presented as fair value.

As of December 31, 2021 and December 31, 2020, the Plan had \$270,202 and \$177,668, respectively, in the Key Guaranteed Portfolio Fund, a benefit-responsive investment offered through a group annuity contract.

**Note 8. PLAN TERMINATION:**

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

**Note 9. INCOME TAX STATUS:**

The Internal Revenue Service has determined and informed the prototype plan sponsor by letter dated March 31, 2014 that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. The Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified and related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Services. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**Note 10. RELATED PARTY TRANSACTIONS:**

Certain Plan investments are shares of mutual funds managed by various brokerage houses and investment transactions are executed by Empower Retirement. Empower Retirement provides the products and services offered by Great-West Trust Company, the trustee as defined by the Plan. Fees paid by the Plan for the year ended December 31, 2021 include fees paid to Empower Retirement Advisory Service of \$57,369. These transactions qualify as party-in-interest transactions, which are exempt from the ERISA prohibited transaction rules.

### NOTES TO FINANCIAL STATEMENTS – DECEMBER 31, 2021 AND DECEMBER 31, 2020

**Note 11. EXCESS CONTRIBUTIONS:**

Contributions made by participants may be limited due to IRS regulations. Contributions which initially meet all IRS limitations may be found to be in excess of IRS limitations at the end of the year.

Failure to meet the deferral limits can be corrected after the plan year end by recharacterization of the excess elective deferral as an employee after-tax contribution or catch-up contribution or by timely distribution of excess contributions to the appropriate participants. Recharacterization of the deferral must be made no later than 2½ months after the plan's fiscal year end, and distribution of excess contributions must be made within 12 months of the plan's year end. However, if the excess contributions are distributed later than 2 ½ months after the end of the plan year, the plan sponsor must pay a 10% excise tax.

**Note 12. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500:**

The following is a reconciliation of the changes in net assets available for benefits per the financial statements to the Form 5500 for the year ended December 31, 2021:

| Increase in net assets per the Form 5500         | <u>\$ 2,306,641</u> |

**Note 13. C.A.R.E.S ACT PROVISIONS:**

The Plan has adopted the following benefit plan provisions of the March 2020 Coronavirus Aid, Relief, and Economic Security Act (CARES Act):

- Added an in-service withdrawal option for coronavirus-related distributions of up to \$100,000. Participants may repay all or a portion of distributions within three years, and repayments will not count towards annual contribution limits. Distributions under this option will not have tax withheld, and for those under 59 ½, will not be subject to a 10% early withdrawal penalty.
- Increase limit on coronavirus -related loans to \$100,000 (from \$50,000) or 100% (from 50%) of the present value of the participant's vested benefit, during a 180-day period from March 27, 2020 through September 30, 2020.
- Waive required minimum distributions otherwise due to be made in 2020.
