## **Report of Independent Auditors**

To the Administrator of Royal Caribbean Cruises Ltd. Retirement Savings Plan

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed an audit of the accompanying 2021 financial statements of Royal Caribbean Cruises Ltd. Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The 2021 financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, including the related notes (collectively referred to as the "2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### ***Opinion***

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Other Matter – 2020 Financial Statements***

We were engaged to audit the 2020 financial statements of the Plan, which comprise the statement of net assets available for benefits as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year then ended (not presented herein, other than the statement of net assets available for benefits). As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 30, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements, other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditors' Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter – Supplemental Schedule Required by ERISA***

Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021 ("supplemental schedule"), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### 1. Description of Plan

The following description of the Royal Caribbean Cruises Ltd. Retirement Savings Plan (the “Plan”) provides general information only. Participants should refer to the Plan documents for a more comprehensive description of the Plan’s provisions.

#### General

The Plan is a defined contribution plan covering all non-union United States shoreside employees of Royal Caribbean Cruises Ltd. (collectively, the “Company” or “Plan Sponsor”) who are eighteen years of age or older.

The Plan is administered by an Administrative Committee and Investment Committee (the “Plan Administrator”) appointed by the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

The Silversea Cruises 401(k) Plan merged into the Plan effective January 1, 2021. As a result of the merger, the Plan received a transfer of \$13,829,849 of asset balances from the Silversea Cruises 401(k) plan on March 1, 2021.

The Plan implemented certain relief provisions of the Coronavirus Aid, Relief and Economic Security (CARES) Act which became law in March 2020. The CARES Act provided temporary relief for retirement plan sponsors and their participants with respect to employer contributions, distributions and participant loans. These temporary provisions had various expiration dates throughout 2020, with all provisions expired on December 31, 2020. Refer to Notes Receivable from Participants, and Payment of Benefits below.

#### Participant Contributions

Each year, participants may contribute from 1% to 50% of their annual compensation to the Plan through payroll deductions, subject to an \$19,500 maximum contribution in 2021. In addition, the Internal Revenue Service (the “IRS”) permitted participants age 50 and over to contribute up to an additional \$6,500 for 2021 as a catch-up contribution. A participant may also make transfer (“rollover”) contributions from qualified retirement plans once a participant has met the eligibility requirements of the Plan. Such rollover contributions may not include after-tax contributions.

#### Employer Contributions

Each year, the Company makes annual safe harbor contributions to the account of each eligible participant in an amount equal to 3% of the participant’s eligible earnings. For the year ended December 31, 2021, the employer safe harbor contributions were \$9,994,645.

The Company may, at its discretion, make an additional profit-sharing contribution to the Plan. For Plan participants hired or rehired on or after January 1, 2009, and being employed as of December 31, 2021, the Company may contribute a maximum percentage of the participants’ compensation ranging from 0% for participants with one to three years of service, increasing on a graduated scale to 2% for participants with seven or more years of service. For participants hired prior to January 1, 2009, the Company may contribute a maximum percentage of the participants’ compensation ranging from 3% for participants with one to three years of service, increasing on a graduated scale to 7% for participants with eleven or more years of service. For the year ended December 31, 2021, the employer profit-sharing contributions were \$8,090,688, net of forfeitures.

Additionally, the Company may, at its discretion, make matching contributions equal to a percentage of each participant’s elective contributions. During 2021, no employer matching contributions were made.

---

Under Section 415(c) of the Internal Revenue Code ("IRC"), the total annual contribution to a participant's account is limited to the maximum amount of \$58,000 for 2021.

### Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution, if any, and (b) Plan earnings or losses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participants direct investment of their accounts into various options offered by the Plan. As of December 31, 2021 and 2020, the Plan offered 24 mutual funds and 1 common collective trust, and 23 mutual funds and 1 common collective trust, respectively, as investment options for participants.

### Vesting

Participants are immediately vested in their contributions and the Company's safe harbor contributions plus actual earnings/losses thereon. Vesting in the Company's profit-sharing contributions and the matching contributions, if any, is based on years of credited service. Participants are 20% vested in the profit sharing and matching contribution portion of their accounts upon completion of two years of service and vest an additional 20% each year thereafter and thus will be fully vested after six years.

### Forfeited Accounts

The non-vested portion of participants' accounts is forfeited upon termination. Forfeitures are applied to reduce any future Company contributions and/or pay Plan expenses. Forfeited accounts must be applied no later than the end of the Plan year in which the forfeitures occur. In 2021, employer contributions were reduced by \$182,178 from forfeited non-vested accounts. At December 31, 2021 and 2020, there were no unused forfeitures.

### Notes Receivable from Participants

Participants may borrow up to a maximum amount equal to the lesser of (i) 50% of their vested account balance or (ii) \$50,000 reduced by the excess of the highest outstanding loan balance during the 12 months ending on the date before the loan is made. The minimum loan amount is \$1,000. No more than two loans per participant may be outstanding at any time. Loan terms must not exceed five years, except for qualified home loans that may be repaid over a longer term, not to exceed fifteen years. The loans are secured by the balance in the participant's account and bear interest at a fixed rate equal to the prime rate of interest plus 1%. The term "prime rate" shall be the prime rate in effect as published by the *Wall Street Journal* in its *Money Rates* column. The prime rate will be determined as of the first business day of each month. At December 31, 2021 and 2020 interest rates ranged from 4.25%-6.50%. Principal and interest are paid ratably through payroll deductions.

Upon leaving the Company, the entire outstanding balance of the loan, including accrued interest, shall be paid by the end of the calendar quarter following the calendar quarter for which repayment is due.

The Plan adopted certain relief provisions included in the CARES Act, including suspending required loan repayments due between March 27, 2020 and December 31, 2020 by twelve months, and allowing Coronavirus-related loans to the lesser of \$100,000 or the Participant's vested account balance. These temporary provisions expired on December 31, 2020 and loan repayments resumed on January 1, 2021.

### **Payment of Benefits**

On termination of service, a participant may elect to receive a distribution equal to the vested balance of the participant's account or to retain the vested account balance within the Plan. Participants with account balances less than \$1,000 at the time of termination will receive a distribution of their vested balance.

The Plan implemented the provisions of the Setting Every Community up for Retirement Enhancement (SECURE) Act which became law in January 2020 by (1) changing the age for required minimum distribution (RMD) to age 72 from age 70 ½, applying to those participants born on or after July 1, 1949; and (2) increasing the inherited account distribution rules to 10 years from 5 years for non-spousal beneficiaries.

The Plan also implemented certain relief provisions of the CARES Act which added a new withdrawal option of the lesser of 100% of the participants vested account balance or \$100,000 without the 10% early withdrawal penalty with the ability to be repaid over three years, and waiving required minimum distributions in 2020. These temporary provisions had various expiration dates throughout 2020, with all provisions expired on December 31, 2020.

## **2. Summary of Significant Accounting Policies**

### **Basis of Accounting**

The financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States ("GAAP").

### **Use of Estimates**

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions, such as those regarding fair value, that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

### **Investment Valuation and Income Recognition**

The Plan's investments include mutual funds and a common collective trust reported at fair value. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date.

Net appreciation in the fair value of investments consists of realized gains and losses on investment transactions and unrealized appreciation and depreciation to record investments at fair value.

### **Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2021 or 2020.

If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

### **Benefit Payments**

Benefits are recorded when paid.

Fees related to the administration of notes receivable from participants are deducted directly from the participant's account.

### 4. Fair Value Measurements

The Plan defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. Accounting guidance also establishes a fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The standard describes three levels of inputs that may be used to measure fair value.

- Level 1 Quoted prices (unadjusted) in active markets for identical assets or liabilities that we have the ability to access at the measurement date. An active market for the asset or liability is a market in which the transaction for the asset or liability occurs with sufficient frequency and volume to provide pricing information on an ongoing basis.
- Level 2 Observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted market prices in markets that are not active; or model-derived valuations or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.
- Level 3 Unobservable inputs for the asset or liability. These inputs reflect our own assumption about the assumptions a market participant would use in pricing the asset or liability.

The asset's fair value measurement level within the fair value hierarchy is based on the least observable level of any input that is significant to the fair value measurement. Valuation techniques are used to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a table of investments and description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2021 or 2020.

| As of December 31, 2021 |                       |                       |                      |             |

### Mutual Funds

As of December 31, 2021, the Plan's assets at fair value include 24 mutual funds, which are quoted in active markets. The fair value measurements have been classified within Level 1 of the fair value hierarchy. Funds are redeemable daily with next day settlement.

## Notes to Financial Statements

---

### ***Common collective trust***

As of December 31, 2021 and 2020, the Plan's assets at fair value measured using net asset value ("NAV") include a Level 2 common collective trust. The common collective trust was valued based upon the NAV provided by Russell Investments. Since the units of the common collective trust are obtained from audited third-party statements available to investors, the fair value measurements have been classified within Level 2 of the fair value hierarchy. The NAV is based on the value of the assets underlying the funds. Funds are redeemable daily with next day settlement.

If the Plan was to initiate a full redemption of the common collective trust, the Trustee reserves the right to temporarily delay settlement of withdrawals from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner. If the Plan was to initiate a full redemption of the common collective trust, the Trustee requires a one-year notification. This requirement may be waived or shortened at the Trustee's discretion.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

### **5. Related-Party and Party in Interest Transactions**

The Company incurred certain administrative fees, including audit fees, on behalf of the Plan, totaling \$101,850 during the year ended December 31, 2021. Personnel and facilities of the Company used by the Plan for accounting and other activities are provided at no charge to the Plan.

### **6. Tax Status**

The IRS has determined and informed the Company by a letter dated June 15, 2017, that the Plan and related trust are designed in accordance with applicable sections of the IRC. The Plan has been amended from time to time, however, the Plan Sponsor believes that the Plan is designed and is currently being operated in compliance with the applicable provisions of the IRC.

US GAAP requires the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions. As of December 31, 2021, there are no audits for any tax periods in progress. The Plan is no longer subject to income tax examinations for years prior to 2018.

### **7. Risks and Uncertainties**

The Plan offers investment securities for the participants to invest in. The securities are exposed to various risks, such as interest rate, market volatility and credit risks. Market volatility includes the impact of global pandemics and international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities, will occur in the near term and that such changes could affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

**8. Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the terms of the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.
