## **INDEPENDENT AUDITORS' REPORT**

Plan Administrator and Administrative Committee  
Noatum Logistics USA 401(k) Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements**

We have performed the audit of the financial statements of the Noatum Logistics USA 401(k) Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### **Opinion on the 2021 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion on the 2021 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the 2021 financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors’ Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors’ report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Other Matter - Supplemental Schedule Required by ERISA**

The supplemental schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Other Matter - Auditors' Report on the 2020 Financial Statements**

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by the qualified institution. In our report dated September 24, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## NOATUM LOGISTICS USA 401(k) PLAN

### Notes to Financial Statements

#### (1) Plan Description

The following description of the Noatum Logistics USA 401(k) Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

##### (a) General

The Plan was adopted as of October 1, 2010 to enable eligible employees to save for retirement. The Plan is intended to be a defined contribution qualified deferred retirement plan under Section 401(k) of the Internal Revenue Code (the Code). Further, the Plan is intended to constitute a plan described in Section 404(c) of the Employee Retirement Income Security Act of 1974, as amended (ERISA) and the related regulations. As a Section 404(c) plan, the fiduciaries under the Plan may be relieved of liability for any losses that are the direct and necessary result of investment instructions given by Plan participants and beneficiaries.

The Plan sponsor, MIQ Logistics, LLC (the Company), has appointed the Retirement Plan Administrative Committee as the Plan administrator and Fidelity Management Trust Company (the Trust) as the Plan trustee. Fidelity Investments Institutional Operations Company, Inc., an affiliate of the Plan trustee, provides record-keeping services.

On March 27, 2020, President Trump signed into law the Coronavirus Aid, Relief, and Economic Security (CARES) Act. The CARES Act, among other things, included several relief provisions available to tax-qualified retirement plans and their participants. Plan management evaluated the relief provisions available to plan participants under the CARES Act and implemented the following provisions:

- Special coronavirus distributions up to \$100,000 through December 31, 2020,
- Increased the available loan amount as described in Note 1 to the lesser of \$100,000 or 100% of the participant's vested account balance through September 22, 2020,
- Extended the period for loan repayments, if applicable, up to one year, through December 31, 2020, and
- Required minimum distributions for the calendar year 2020 were waived.

The Plan will be amended for the provisions implemented under the CARES Act by the time prescribed.

The Company acquired Marmedsa USA LLC in 2020. As a result, effective August 1, 2020, participant accounts totaling \$64,794 were transferred from the Marmedsa USA LLC Plan to the Plan.

##### (b) Restatement

Effective March 5, 2021, the Plan was restated in accordance with the Internal Revenue Service (IRS) cycle 3 restatement window. The IRS has determined that the pre-approved plan is designed in accordance with applicable sections of the Code and informed FMR LLC of such in a letter dated June 30, 2020. The plan administrator has adopted the pre-approved plan and believes that the Plan and related trust are currently being operated in compliance with the applicable requirements of the Code.

### Notes to Financial Statements

**(c) *Eligibility and Contributions***

In general, employees of Noatum Logistics USA, LLC, MIQ Logistics, LLC and MIQ Global, LLC (collectively, the Employer) are eligible to participate in the Plan. Generally, employees are not eligible to participate in the Plan if the employees are covered by collective bargaining agreements, working outside the United States on a permanent basis, nonresident aliens, leased employees, classified as independent contractors, or eligible to participate in a similar plan sponsored by an affiliate of the Company. Employees that are at least 18 years of age become eligible to participate in the Plan on the one-month anniversary of their employment with an employer and shall be eligible to become a participant on the first day of the calendar month after the completion of the one-month anniversary. Interns generally become eligible to participate in the Plan after they have reached age 21 and have completed at least 1,000 hours of service during an Eligibility Computation Period.

Contributions to the Plan can be made by both the Employer and their employees. A participant may make pretax and after-tax deferral contributions subject to IRS and Plan limitations. As adopted, the Plan provides for automatic enrollment whereby all newly eligible employees are automatically enrolled in the Plan at 4% of eligible compensation. Employees may affirmatively elect not to participate in the Plan or elect a higher or lower contribution rate, subject to the IRS and Plan limitations.

The Plan allows for the Employer to make discretionary matching contributions on behalf of each eligible participant, either as a percentage of eligible contributions made by eligible participants, or as a specified dollar amount, subject to ERISA and IRS limitations. Such contributions are allocated to investments according to participant instructions.

Beginning January 1, 2020, the Employer increased the matching contribution to 50% up to 6% of eligible compensation that a participant contributed to the Plan. Effective April 6, 2020, the Company temporarily suspended the discretionary matching contribution. Effective December 13, 2020, the Employer reinstated the employer matching contribution at 50% up to 6% of eligible compensation that a participant contributed to the Plan which continued through December 31, 2021.

**(d) *Participant Accounts***

Each participant's account is credited with the participant's contributions, the Employers contributions, their investment earnings or losses and administrative expenses. A participant is entitled to the benefit that can be provided from any balances in the participant's accounts, taking into consideration any vesting requirements.

## NOATUM LOGISTICS USA 401(k) PLAN

### Notes to Financial Statements

**(e) Vesting**

Participants are at all times 100% vested in Rollover Contributions, Qualified Nonelective Contributions, Employee Deferral Contributions, and any earnings thereon. For Employer Matching Contributions and Employer Nonelective Contributions vesting is based on years of service as follows:

| Years of Service | Vesting Percentage |
|------------------|--------------------|
| less than 1      | 0%                 |
| 1                | 20%                |
| 2                | 40%                |
| 3                | 60%                |
| 4                | 80%                |
| 5 or more        | 100%               |

**(f) Investment Options**

Participants may direct the investment of contributions made by them and on their behalf in any of a number of discretionary investment funds. The discretionary investment funds represent a broad range of investment options with investment categories that range from those having potentially more inflation risk and less investment risk to those having less inflation risk and more investment risk. Participants may change their investment options daily.

**(g) Withdrawals**

Under the Plan's in-service withdrawal feature, participants are permitted to withdraw up to 100% of vested amounts in their Plan account when certain criteria are met and may be subject to income tax withholding or IRS withdrawal penalty. Any withdrawal that constitutes a hardship withdrawal must meet the IRS requirements for a demonstrated financial need and must be approved by the Plan Administrator.

Under the CARES Act, eligible Plan participants were permitted to request special penalty-free distributions of up to \$100,000 for qualifying coronavirus-related reasons. These reasons included the participant, spouse or dependent diagnosed with COVID-19, adverse financial consequences due to being quarantined, furloughed, laid off, having work hours reduced or being unable to work due to a lack of childcare due to COVID-19. The special coronavirus-related distributions waived the 10% early withdrawal penalty and were allowed to be made between January 1, 2020 and December 31, 2020. Additionally, required minimum distributions for the calendar year 2020 were waived.

### Notes to Financial Statements

#### **(h) *Notes Receivable from Participants***

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from one year to five years, or ten years when used for the purchase of principal residence. The participant's account balances collateralize the participant's loan. The rate of interest on the loans is a reasonable rate as determined by the Plan Administrator based on the prevailing interest rates charged by persons in the business of lending money for loans which would be made under similar circumstances. Currently this is 1% over the prime rate of interest published by The Wall Street Journal for the 15th day of the month immediately preceding the month in which the loan is made. Participant loans are recorded at their unpaid principal balance plus accrued interest which approximates fair value. There is a one-time set up fee and an annual fee applicable to loans, which fees are deducted from the participant's account balance.

Under the CARES Act, the available loan limit was increased to the lesser of \$100,000 or 100% of the participant's vested account balance. The CARES Act also delayed loan payments for a COVID-19 qualified individual for any loan outstanding on or after March 27, 2020 through December 31, 2020 and, if applicable, extends the loan for up to one year. This increased loan limit was allowed to be taken from March 27, 2020 through September 22, 2020.

#### **(i) *Termination Payments and Forfeitures***

For terminated participants, the normal form of benefit distribution will be a single lump sum benefit distribution with respect to accounts with vested balances of \$1,000 or less at time of termination. Accounts with vested balances greater than \$1,000 may delay distribution until the participant is required by law to receive minimum required distributions or the terminated participant may request a lump sum or rollover distribution.

At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$439 and \$20,226, respectively. These accounts may be used to pay Plan expenses or reduce future employer contributions. Also, for the years ended December 31, 2021 and 2020, employer contributions were reduced by \$64,769 and \$20,852, respectively, from forfeited nonvested accounts.

#### **(j) *Risk, Uncertainties, and Concentrations***

Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

At December 31, 2021 approximately 19% of the Plan's investments were invested in the Vanguard Target Retirement 2030 Fund compared to 21% at December 31, 2020.

### **(2) *Summary of Significant Accounting Policies***

#### **(a) *Basis of Accounting***

The accompanying financial statements are prepared on the accrual basis of accounting in accordance with U.S. generally accepted accounting principles.

## NOATUM LOGISTICS USA 401(k) PLAN

### Notes to Financial Statements

**(b) *Use of Estimates***

The preparation of the financial statements in conformity with U.S. generally accepted accounting principles requires the Plan's management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

**(c) *Investment Valuation and Income Recognition***

The Plan's investments are stated at fair value. Shares of mutual funds are valued at the closing price reported on the active markets on which the mutual fund is traded. The common collective trusts are valued at net asset value based on market value of underlying investments and the contractual terms of the benefit responsive contract. See Note 3 for discussions of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**(d) *Notes Receivable from Participants***

Notes receivable from participants are measured at their unpaid principal balance plus accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020.

**(e) *Payment of Benefits***

Benefits are recorded when paid.

**(f) *Administrative Expenses***

The Company pays all administrative expenses of the Plan, except for administrative fees related to servicing participant loans and mutual fund investment fees. The investment income of the Plan is net of any investment fees deducted by the fund managers.

**(3) *Fair Value Measurements***

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification 820 are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.

Level 2 – Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets, quoted prices in markets that are not active, and other inputs that are observable or can be corroborated by observable data for substantially the full term of the assets or liabilities.

Level 3 – Inputs to the valuation methodology include inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

## NOATUM LOGISTICS USA 401(k) PLAN

### Notes to Financial Statements

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for the Plan's net assets at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily Net Asset Value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Common collective trusts:* Valued at the NAV of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

*Stable value common collective trust:* A stable value fund that is composed primarily of fully benefit-responsive investment contracts is valued at the NAV of units of the bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

| Investments at fair value as of December 31, 2021              |               |         |         |               |

### Notes to Financial Statements

- (a) In accordance with Subtopic 820-10, certain investments that were measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

#### Investments Measured Using Net Asset Value per Share Practical Expedient

The following table summarizes investments for which fair value is based on NAV per share practical expedient as of December 31, 2021 and 2020, respectively.

|                                      | Fair Value         | Fair Value         | Unfunded          | Redemption       | Redemption           |

- (b) The funds require the plan sponsors to provide advance written notice of five business days for withdrawals which will exceed \$1 million.

#### (4) Information Certified by the Trustee

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA. Accordingly, the trustee of the Plan has certified to the completeness and accuracy of all investments and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of December 31, 2021 and 2020; the supplemental Schedule H, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021; and the related investment activity reflected in the statements of changes in net assets available for benefits for the years ended December 31, 2021 and 2020. The information certified by the Plan's trustee has not been subjected to any auditing procedures performed by the independent auditor.

#### (5) Income Tax Status

The IRS determined that the volume submitter defined contribution plan was designed in accordance with applicable sections of the Code and informed Fidelity Management Trust Company (Fidelity), the trustee, of such in a letter dated March 31, 2014. Although the Plan had been amended since receiving the opinion letter, the plan administrator believed that the Plan and related trust were currently designed and being operated in compliance with the applicable requirements of the Code.

Effective March 5, 2021, the Plan was restated in accordance with the IRS cycle 3 restatement window. The IRS has determined that the pre-approved plan is designed in accordance with applicable sections of the Code and informed FMR LLC of such in a letter dated June 30, 2020. The plan administrator has adopted the pre-approved plan and believes that the Plan and related trust are currently being operated in compliance with the applicable requirements of the Code.

## NOATUM LOGISTICS USA 401(k) PLAN

### Notes to Financial Statements

U.S. generally accepted accounting principles require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### (7) Related Party and Party-In-Interest Transactions

Certain Plan investments are shares of mutual funds managed by Fidelity. Fidelity is the trustee as defined by the Plan and therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of the investments, as they are paid through revenue sharing, rather than a direct payment. As described in Note 2, the Plan made direct payments to the third party administrator of \$53,350 and \$48,495 for the years ended December 31, 2021 and 2020, respectively, which was not covered by revenue sharing. The Company pays directly any other fees related to the Plan's operations. The Plan paid certain expenses related to plan operations and investment activity to various service providers. These transactions are party-in-interest transactions under ERISA.

#### **(8) Plan Termination**

While the Company has not expressed any intent to terminate the Plan, the Company has reserved the right to do so at any time, subject to the provisions set forth in ERISA. The Plan is subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their employer contributions.

During 2020, the Company terminated employment of approximately 44 participants, which was deemed a partial plan termination under the Code. Accordingly, the terminated participants' account balances became 100% vested at the time of termination.
