Part I	Asset and Liability Statement
---------------	--------------------------------------

1 Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Southeast Unloading 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

To the Plan Administrator and Participants
Southeast Unloading, LLC 401(k) Plan
Fernandina Beach, Florida

INDEPENDENT AUDITOR'S REPORT

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - 2021 Supplemental Schedules Required by ERISA

The supplemental schedule H, Line 4a – Schedule of Delinquent Participant Contributions and schedule H, Line 4i - Schedule of Assets (Held at End of Year) of as December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial

statements, or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 24, 2021, we indicated that: (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and, accordingly, we did not express an opinion on the 2020 financial statements and supplemental schedule; and (b) the form and content of the information included in the 2020 financial statements and supplemental schedule, other than that derived from the information certified by the qualified institution, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

SOUTHEAST UNLOADING LLC, 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

Note 1 - Description of Plan

The following description of the Southeast Unloading, LLC 401(k) Plan (the Plan) provides only general information. Participants should refer to the Summary Plan Description and the adoption agreement for a more complete description of the Plan's provisions.

General

The Plan, originally effective August 1, 2008, and most recently amended January 1, 2020, is a defined contribution plan covering all employees of Southeast Unloading, LLC (the Company) and participating employers who have completed 120 days of service and are age 18 or older. The Plan is intended to satisfy all of the requirements for a qualified retirement plan under the provisions of the Internal Revenue Code (IRC). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

On March 27, 2020, in response to the novel coronavirus (COVID-19) pandemic, the U.S. Congress enacted the *Coronavirus Aid, Relief, and Economic Security Act* (CARES Act), which among other things, included temporary relief provisions that impacted retirement plan withdrawal rules for qualified participants. The provisions of the CARES Act were permitted to be treated as effective and operationalized immediately upon enactment and prior to amending the Plan document. The Plan allowed for certain of the temporary relief provisions for qualified individuals (as defined under the CARES Act), including penalty-free coronavirus-related distributions of up to \$100,000 with repayment terms of up to three years. The CARES Act also waived required minimum distributions that would have been payable during 2020. The temporary CARES Act provisions expired December 31, 2020.

Contributions

Employees participating in the Plan may elect to contribute either pre-tax or Roth deferrals up to the maximum of \$19,500 allowed under the Internal Revenue Service (IRS) limitation for calendar year 2021. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions up to \$6,500 to the Plan in 2021. Participants may also contribute amounts representing distributions from other qualified retirement plans or individual retirement accounts. Upon completion of eligibility requirements, the Plan provides for an automatic participant deferral of 6% of the participant's compensation, as defined, unless the participant makes a contrary election. The deferral percentage will automatically increase by 1% on January 1 of each Plan year, up to a maximum of 10%.

The Plan allows for the Company to make a discretionary matching contribution equal to a uniform percentage, as determined annually, of each participant's elective deferrals. During 2021, the Company made a discretionary match of 25% of employee elective deferrals, up to 6% of compensation, as defined.

The Company may also elect to make an additional discretionary contribution each year to the Plan. An employee must be an active participant as of the last day of the Plan year in order to be eligible to receive an allocation of the Company's additional discretionary contribution. The Company did not elect to make an additional discretionary contribution during 2021.

SOUTHEAST UNLOADING LLC, 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

Participant Accounts

Each participant's account is credited with the participant's contributions, the Company's matching contributions, allocations of the Company's discretionary contributions and Plan earnings, and charged with benefit payments and an allocation of the Plan's losses and expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

Participants direct the investment of their accounts into various options offered by the Plan. Participants may change their investments periodically, as permitted by the Plan sponsor.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vested rights to Company contributions accrue at a rate of 20% per year beginning with the participant's second year of service with full vesting accruing after six years of service. Upon attaining normal or early retirement age, death or permanent disability, Company contributions vest immediately.

Payment of Benefits

Upon termination of employment, retirement, disability, or death, if the participant's vested account balance does not exceed \$5,000, the participant may elect to receive the vested account balance in a single lump-sum payment. If the vested account balance is more than \$1,000 and the participant does not make an election, the Plan automatically will roll over the distribution to an IRA. If the vested balance exceeds \$5,000, the participant may elect to receive a distribution in a single lump-sum payment or in a series of installments over time. Hardship withdrawals may be requested from employee deferrals and are paid in one lump-sum upon approval. In-service distributions from a participant's vested account balance may be made provided the participant has reached the age of 59 ½. One such distribution can be made in any 12-month period. Participants that reached the age of 70 ½ prior to January 1, 2021, are required to take a minimum distribution from their account. Effective January 1, 2021, participants are required to take a minimum distribution from their account upon reaching the age of 72.

Forfeited Accounts

Any non-vested amounts remaining after the distribution of a terminated participant's account balance are forfeited. Forfeitures are first used to pay Plan expenses and any remaining forfeitures are used to reduce Company contributions. There were no unallocated forfeiture accounts at December 31, 2020. The balance of the forfeiture account was \$211 at December 31, 2021. During 2021, forfeitures of \$460 were used to pay administrative expenses of the Plan and \$24,495 were used to reduce the employer matching contribution.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

NOTES TO FINANCIAL STATEMENTS

Use of Estimates

The preparation of financial statements, in accordance with U.S. generally accepted account principles, requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosures of contingent assets and liabilities. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for additional discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payments of Benefits

Benefits are recorded when paid.

Plan Expenses

The Company has elected to pay certain administrative expenses of the Plan. Expenses paid by the Company are excluded from these financial statements. Administrative expenses paid by the Plan include contract administration fees. Certain transaction fees for distributions are charged directly to the accounts of the participants who incur those fees. Certain investment-related expenses are included in net appreciation in fair value of investments in the accompanying statement of changes in net assets available for benefits. Any costs associated with the investment of a participant's account are charged to that participant.

Excess Contributions Payable

The Plan is required to pass annual compliance tests. For those plans that do not pass the tests, options for corrections are available to the Plan. For Actual Deferral Percentage (ADP) and Actual Contribution Percentage (ACP) purposes, the Plan has two options for correction of testing failures: return excess contributions to highly compensated employees or make a qualified non-elective contribution to the non-highly compensated employees. At December 2021, the Plan did not pass the ADP test and chose to return excess contributions to the highly compensated employees as the correction method.

Subsequent Events

The Plan has evaluated events and transactions occurring subsequent to December 31, 2021, as of October 10, 2022, which is the date the financial statements were available to be issued. No material events have occurred since December 31, 2021, that require recognition or disclosure in the financial statements except for the following:

The Plan was amended and restated effective February 17, 2022, to incorporate legislative, regulatory and administrative updates.

Note 3 - Information Certified by Principal Life Insurance Company

The following is a summary of the Plan's financial information and data included in the Plan's financial statements and supplemental schedule of assets (held at end of year), which was certified by Principal Life Insurance Company as of December 31, 2021 and 2020, and for the year ended December 31, 2021, as complete and accurate, as permitted by 29 CFR 2520.103 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

	<u>2021</u>	<u>2020</u>
Investments, at Fair Value	\$ 2,047,202	\$ 1,249,784
		<u>2021</u>
Net Appreciation in Fair Value of Investments		\$ 184,124

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule of assets (held at end of year).

Note 4 - Fair Value Measurements

The Plan measures and reports its financial assets and liabilities using a three-tier hierarchy, which prioritizes the inputs used in measuring fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1—Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2—Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3—Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

SOUTHEAST UNLOADING LLC, 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

The following is a description of the valuation methodology used for assets measured at fair value. There has been no change in the methodology used at December 31, 2021 and 2020.

Pooled Separate Accounts—The Plan holds units of participation in the separate accounts, which are valued daily at their accumulation unit value. Accumulation unit value is determined based on the net asset values of the underlying funds, which are generally quoted in active markets, and the contract's separate account charges. The pooled separate accounts allow one transfer per 30-day period. Contributions into the investment option are not impacted. There are no unfunded commitments on these investments.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan's management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables, set forth by level within the fair value hierarchy, indicate the Plan's assets at fair value as of December 31, 2021 and 2020:

December 31, 2021	Fair Value	Fair Value Measurements at Reporting Date Using		
		Level 1	Level 2	Level 3
Pooled Separate Accounts	\$ 2,047,202	\$ -	\$ 2,047,202	\$ -
Total Investments Measured at Fair Value	\$ 2,047,202	\$ -	\$ 2,047,202	\$ -

December 31, 2020	Fair Value	Fair Value Measurements at Reporting Date Using		
		Level 1	Level 2	Level 3
Pooled Separate Accounts	\$ 1,249,784	\$ -	\$ 1,249,784	\$ -
Total Investments Measured at Fair Value	\$ 1,249,784	\$ -	\$ 1,249,784	\$ -

Note 5 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

Note 6 - Tax Status

The prototype Plan sponsor has obtained an opinion letter dated March 31, 2014, in which the IRS stated that the prototype Plan document was in compliance with applicable requirements of the IRC. The Plan has been amended since receiving the opinion letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

SOUTHEAST UNLOADING LLC, 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

Accounting principles generally accepted in the United States of America require Plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more-likely-than-not, based on the technical merits, to be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 7 - Party-in-Interest Transactions

The Plan's investments are pooled separate accounts managed by Principal Life Insurance Company. Transactions in these investments qualify as party-in-interest transactions. Pooled separate accounts managed by Principal Life Insurance Company totaled \$2,047,202 and \$1,249,784 at December 31, 2021 and 2020, respectively. Administrative fees paid to Principal Life Insurance Company totaled \$460 for the year ended December 31, 2021.

Note 8 - Risks and Uncertainties

The Plan utilizes various investment instruments, which are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near-term, and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

In March 2020, the World Health Organization classified the novel coronavirus (COVID-19) outbreak as a pandemic. The effects of the COVID-19 pandemic have caused volatility in financial markets and may continue to affect the value of investments held by the Plan. Due to the uncertainty of the duration and the continued effects of this pandemic, the near and long-term financial effects cannot be reasonably estimated at this time.

Note 9 - Non-Exempt Transactions

During the Plan year ended December 31, 2021, the Company did not remit certain employee deferrals within the appropriate time period prescribed by the Department of Labor. These transactions constitute prohibited transactions as defined by ERISA. The Company corrected these late remittances and deposited lost earnings into the Plan during 2021 and 2022.

Note 10 - Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of December 31, 2021:
