| <b>Part I</b> | <b>Service Provider Information (see instructions)</b> |
|---------------|--------------------------------------------------------|

You must complete this Part, in accordance with the instructions, to report the information required for **each person** who received, directly or indirectly, \$5,000 or more in total compensation (i.e., money or anything else of monetary value) in connection with services rendered to the plan or the person's position with the plan during the plan year. If a person received **only** eligible indirect compensation for which the plan received the required disclosures, you are required to answer line 1 but are not required to include that person when completing the remainder of this Part.

**1 Information on Persons Receiving Only Eligible Indirect Compensation**

**a** Check "Yes" or "No" to indicate whether you are excluding a person from the remainder of this Part because they received only eligible indirect compensation for which the plan received the required disclosures (see instructions for definitions and conditions)..... ☒ Yes ☐ No

**b** If you answered line 1a "Yes," enter the name and EIN or address of each person providing the required disclosures for the service providers who received only eligible indirect compensation. Complete as many entries as needed (see instructions).

## Independent Auditor's Report

September 19, 2022

To the Participants, Plan Administrator and Trustees of the  
Otis Products, Inc. 401(k) Safe Harbor Plan

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed audits of the financial statements of Otis Products, Inc. 401(k) Safe Harbor Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or Federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2021 and 2020, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### ***Opinion***

In our opinion, based on our audits and on the procedures performed as described in the ***Auditor's Responsibilities for the Audit of the Financial Statements*** section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the ***Auditor’s Responsibilities for the Audit of the Financial Statements*** section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor’s Responsibilities for the Audit of the Financial Statements***

Except as described in the ***Scope and Nature of the ERISA section 103(a)(3)(C) Audit*** section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material

misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

### ***Supplemental Schedule Required by ERISA***

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## OTIS PRODUCTS, INC 401(k) SAFE HARBOR PLAN

### NOTES TO FINANCIAL STATEMENTS

#### Note 1 - Description of plan

The following description of the Otis Products, Inc. 401(k) Safe Harbor Plan (the “Plan”) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan’s provisions.

General - The Plan is a qualified defined contribution plan under Section 401(a) of the Internal Revenue Code (“IRC”) with a Section 401(k) feature. The Plan covers all employees of Otis Products, Inc. d/b/a Otis Technologies, Inc. All assets acquired under the Plan are the result of employee and employer contributions thereto and all income and other additions thereto are administered, distributed, forfeited or otherwise governed by the provisions of the Plan and the Employee Retirement Income Security Act of 1974 (“ERISA”).

Plan provisions - The Plan has implemented certain provisions of the Coronavirus Aid, Relief, and Economic Security Act (the “CARES Act”), a law which allows immediate changes to the Plan to, among others, allow certain eligible individuals to receive Coronavirus related relief through temporary suspension of loan repayments, temporarily increases of loan limits to \$100,000, allows temporary tax relief for Coronavirus related distributions up to \$100,000 and suspends required minimum distributions. The Plan has also implemented certain provisions of the Setting Every Community Up for Retirement Enhancement Act of 2019 (the “SECURE Act”), a law which, among others, extends the age for required minimum distributions to seventy-two. Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and Internal Revenue Service guidance, see Note 2 - Subsequent events.

Eligibility - Employees are eligible to participate in the Plan when they reach three months of service and are eighteen years of age. Once eligible, employees can begin participating in the Plan on the first day of each month following the date eligibility requirements are met. Employees are automatically enrolled in the Plan with an initial deferral rate of 4% of their compensation to the 401(k) plan, which is increased automatically by 2% each year, up to a maximum of 10%, unless the participant elects a different percentage or expressly elects not to participate in the Plan. Participants are eligible for Safe Harbor matching contributions and discretionary profit-sharing contributions on the first day of the month following the completion of one year of service (1,000 hours).

Contributions - Participants are allowed to make elective 401(k) salary deferrals up to the maximum amount allowed by the Internal Revenue Code. Participants who meet certain age requirements are allowed to make catch-up elective deferrals. Rollover contributions from other qualified plans are permitted. The Company makes Safe Harbor contributions to the Plan equal to 100% of the participant’s contribution up to 4% of the participant’s compensation. Safe Harbor matching contributions were \$196,674 and \$210,349 for the years ended December 31, 2021 and 2020, respectively. The Company may also make discretionary profit-sharing contributions to the Plan as determined by the Company’s Board of Directors. The Company did not make a discretionary profit-sharing contribution for the years ended December 31, 2021 and 2020.

Vesting - Participants are immediately 100% vested in their elective salary deferral contributions, the Company's Safe Harbor matching contributions, and actual earnings thereon. Vesting in the Company's discretionary profit-sharing contribution portion of their account balance and earnings thereon is based on whole years of credited service. Participants are 100% vested in Company discretionary profit-sharing contributions after six years of credited service.

Forfeitures - Forfeited non-vested accounts totaled \$3,885 and \$3,844 as of December 31, 2021 and 2020, respectively. These amounts will be used to pay future administrative costs of the Plan or reduce future employer contributions at the election of the plan administrator. The Plan used \$24 and \$2,303 of forfeited, non-vested accounts to pay certain administrative expenses for the years ended December 31, 2021 and 2020, respectively.

Participants' accounts - Each participant's account is credited with the participant's elective deferral contribution, the Company's Safe Harbor matching contribution, the Company's profit-sharing contribution, plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant compensation or account balances, as defined by the plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants can access their account information via Hand Benefits & Trust Company's website where they have the ability to change their elective deferrals and investment options as well as apply for participant notes receivable and request distributions.

Investment options - Upon enrollment in the Plan, a participant may direct contributions to the Plan in any of the various investment options available. Participants may change their investment options daily through Hand Benefits & Trust Company's website.

Notes receivable from participants - Participants may borrow from their accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is lower. The loans bear a reasonable rate of interest, prime plus 1%. Interest rates on outstanding notes range from 4.25% to 6.75% as of December 31, 2021. The note will be repaid through payroll deductions; however, in no instance may the terms of the repayment be greater than five years unless the note is used to acquire a personal residence. The notes are secured by the participant's vested account balance. Any notes that are in default as defined by the plan document are reported as either deemed distributions or benefit payments.

Deemed distributions - Deemed distributions represent the amount of unpaid principal on note receivables from participants who are actively participating in the Plan or have terminated employment and have not continued to make payments on the outstanding note receivable as required under the plan document. There were \$2,250 and \$17,847 of deemed distributions for the years ended December 31, 2021 and 2020, respectively.

Payment of benefits - Upon termination of service due to retirement, disability or death, benefits are distributed to the participant or beneficiary in a lump sum payment or installment payments, at the request of the participant or beneficiary. If the vested account balance is \$5,000 or less, the participants account value will be automatically distributed to the participant in a lump-sum amount. Once a participant reaches age seventy-two, a required minimum distribution is made in accordance with the provisions of the Plan.

Plan termination - Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

## Note 2 - Summary of significant accounting policies

Method of accounting - The financial statements of the Plan are prepared on the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires plan management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of plan income and expenses during the reporting period. Actual results could differ from those estimates.

Risks and uncertainties - The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, credit and overall market risk. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflicts. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.

Investment valuation and income recognition - Investments are stated at fair value (see Note 4) with the exception of common collective trusts, which are valued at the net asset value as a practical expedient as reported by the sponsor of the trust, see below. All fair market values have been determined and certified by Hand Benefits & Trust Company, the Trustee of the Plan (see Note 3). Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. The Plan presents in the statements of changes in net assets, the net appreciation in investments, which consists of the realized gains or losses and the unrealized gains or losses on those investments, including interest and dividends on investment funds.

The Plan invests in various common collective trusts. These common collection trusts consist of various investments in stocks, bonds, stable value funds and registered investment companies that are mainly publicly traded securities. Common collective trusts are valued at net asset value ("NAV") per share, which serves as a practical expedient to estimate its fair value. The NAV of each common collective trust is not publicly quoted in the active markets and is based on the fair value of the underlying investments held by the trusts less its liabilities. This practical expedient is not used when it is determined to be probable that the trust will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner. There were

no redemption restrictions or unfunded commitments as of December 31, 2021 and 2020. Investments measured at NAV per share used as a practical expedient are not required to be classified in the fair value hierarchy.

Economic dependency and concentration of credit risk - Approximately 40%, 18% and 21% of the Plan's investments were held and administered by Hand and Benefits Trust Company, Dimensional Fund Advisors, and Lincoln NY, respectively, as of December 31, 2021. Approximately 41%, 17% and 24% of the Plan's investments were held and administered by Hand and Benefits Trust Company, Dimensional Fund Advisors, and Lincoln NY, respectively, as of December 31, 2020. Accordingly, the Plan is dependent upon the financial condition of these Companies.

Administrative costs - Administrative costs, including maintaining participant accounts, legal and accounting costs are the obligation of the Plan; however, the plan sponsor may pay for such expenses or reimburse the Plan for any payment of these expenses. Costs of managing the investments are paid directly out of the Plan's assets (see Note 5).

Notes receivable from participants - Notes receivable from participants are measured at their unpaid principal balance plus accrued but unpaid interest. Management individually reviews all notes receivable balances that exceed forty-five days from the date of the most recent payment and based on the assessment of credit worthiness, estimates the portion, if any, of the balance that will not be collected. Currently, there is no valuation allowance recorded; however, management will record an allowance, if and when potentially uncollectable participant notes receivable become material. If a participant defaults on a note receivable and distribution from the participant account has been made during the plan year because the participant has left the Plan, the defaulted note receivable will be reported as benefits paid to participants on the statements of changes in net assets available for benefits and deducted from the receivable balance.

Payment of benefits - Benefits are recorded when paid.

Subsequent events - Effective January 1, 2022, the Plan was amended and restated to comply with current required Internal Revenue Service rules and regulations. In July 2022, the Plan was amended as required by current Internal Revenue Service regulations to adopt certain provisions of the CARES and SECURE acts as discussed in Note 1, to be effective January 1, 2020. Management has evaluated subsequent events through September 19, 2022, the date that the financial statements were available for issue.

### Note 3 - Information certified by the Plan's Trustee

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held as of December 31, 2021 and 2020, and net appreciation in investments, interest and dividends, and interest income on notes receivable from participants for the years then ended, was obtained by management and agreed to or derived from information certified as complete and accurate by Hand Benefits & Trust Company, the Trustee of the Plan. Furthermore, the Plan's independent accountants did not perform auditing procedures with respect to the information except to compare such information

to the related information included in the financial statements and ERISA-required supplemental schedule.

#### Note 4 - Fair value measurements

The Financial Accounting Standards Board has published authoritative guidance on fair value measurements, which establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under the authoritative guidance are described as follows:

Level 1      Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2      Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3      Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value:

*Registered Investment Companies (i.e., Mutual Funds):* Valued at the closing price reported on the active market on which the individual securities are traded (Level 1).

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the

use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by Level, within the fair value hierarchy, the Plan's assets at fair value:

|                                 | December 31, 2021   |             |             |                     |
|---------------------------------|---------------------|-------------|-------------|---------------------|

#### Note 5 - Party-in-interest transactions

Certain plan investments are funds managed by Hand Benefits & Trust Company ("HB&T"), the Trustee of the Plan. HB&T is owned by Benefit Plan Administrative Services, LLC ("BPAS"), who provides the Plan with third party administrative services. The investment fees paid for HB&T's services qualify as party-in-interest transactions and are included in the net appreciation in fair value of investments on the accompanying statements of changes in net assets available for benefits.

The Plan pays for certain expenses related to plan operations and investment advisory to various service providers, which are party in interest transactions under ERISA and are included in administrative expenses on the accompanying statements of changes in net assets available for benefits as follows: the Plan contracts with BPAS to provide recordkeeping and third-party administrative services. Fees paid by the Plan to this service provider amounted to \$41,994 and \$30,398 for the years ended December 31, 2021 and 2020, respectively. The Plan contracts with RBC Wealth Management to provide investment advisory services. Fees paid by the Plan to this service provider amounted to \$35,786 and \$39,231 for the years ended December 31, 2021 and 2020, respectively.

#### Note 6 - Income tax status

The Company has adopted the Benefit Plans Administrative Services LLC Adoption Agreement #001 Volume Submitter 401(k)/Profit Sharing Plan. The Internal Revenue Service has determined and informed the Trustees that the prototype plan, used by the Plan, is tax-exempt under the appropriate sections of the Internal Revenue Code ("IRC"). The Plan has been amended since receiving their determination letter, however, the management of the Company and the plan administrator are not aware of any matters that would disqualify the Plan. Accordingly, the Plan has been accounted for as tax exempt.

The Plan has reviewed its operations for uncertain tax positions and believes there are no significant exposures. The Plan will include penalties and interest on income tax liabilities in administrative expenses if such amounts arise. The Plan did not incur any penalties and interest

for the years ended December 31, 2021 or 2020. The Plan is no longer subject to regulatory examinations by tax authorities for the closed tax years before 2018.

Note 7 - Classification differences between the financial statements and Form 5500

The Form 5500 has certain investment balances and income items that differ from amounts shown on the accompanying financial statements. These differences relate to classification only and have no effect on the net assets available for benefits as of December 31, 2021 and 2020, nor changes in net assets available for benefits for the year ended December 31, 2021.
