Populus Financial Group, Inc. 401(k) Profit Sharing Plan

**Scope and nature of the ERISA Section 103(a)(3)(C) audit for the 2021 financial statements**

We have performed an audit of the financial statements of Populus Financial Group, Inc. 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note E to the financial statements, is complete and accurate.

**Opinion on the 2021 financial statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for opinion on the 2021 financial statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of management for the 2021 financial statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's responsibilities for the audit of the 2021 financial statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other matters**

##### ***2021 supplemental schedule required by ERISA***

The supplemental schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the 2021 supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures. These additional procedures included comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the 2021 supplemental schedule that agreed to or

is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the 2021 supplemental schedule, we evaluated whether the 2021 supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the 2021 supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the 2021 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

*Auditor's report on the 2020 financial statements*

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated August 31, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**Populus Financial Group, Inc. 401(k) Profit Sharing Plan**

**NOTES TO FINANCIAL STATEMENTS**

**December 31, 2021 and 2020**

**NOTE A - DESCRIPTION OF PLAN**

The following description of the Populus Financial Group, Inc. 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

***General***

The Plan is a defined contribution plan, established by Populus Financial Group, Inc. ("Company" or "Plan Sponsor"), under the provisions of Section 401(a) of the Internal Revenue Code ("IRC"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA") and is available to all eligible employees, as defined by the Plan document, who are 21 years of age or older. Employees are eligible to participate in the Plan on the first day of the month following 3 months of service.

***Contributions***

Each year, participants may contribute up to 50% of pretax or Roth annual eligible compensation, as defined in the Plan, not to exceed the maximum amounts allowable by Internal Revenue Service ("IRS") regulations. Participants who have attained age 50 before the end of the Plan year are eligible to make additional catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions are invested in a designated balanced fund until changed by the participant. Employees who do not wish to contribute to the plan may terminate contributions to the Plan at any time. The Company matched eligible compensation at a rate of 50% of the employee deferral from January 1, 2020 through April 24, 2020. The match was discontinued for the period from April 25, 2020 through June 30, 2021. The Company reinstated their matching contribution at a rate of 25% of the employee deferral beginning July 1, 2021.

***Participant Accounts***

Each participant's account is credited with the participant's contributions and Company matching contributions, as well as allocations of the Company's profit sharing contribution and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

The participant determines the investment fund allocation of elective and matching contributions. Contributions may be allocated entirely to one fund or to a combination of funds or accounts. Participants may change their investment options daily.

***Vesting***

Participants are vested immediately in their voluntary contributions and the investment earnings thereon. Employer contributions and any investment earnings thereon vest 100% after two years of credited service.

***Payment of Benefits***

Upon retirement, death, disability, or termination of employment, a participant (or the participant's beneficiary, if applicable) may elect to receive the value of the participant's vested account interest. The form of payment is a lump sum distribution.

**Populus Financial Group, Inc. 401(k) Profit Sharing Plan**

**NOTES TO FINANCIAL STATEMENTS - CONTINUED**

**December 31, 2021 and 2020**

Under the Setting Every Community Up for Retirement Enhancement Act of 2019 (SECURE), which was enacted on December 20, 2019, with certain provisions becoming effective January 1, 2020, participants who reach age 70½ after December 31, 2019 must begin taking minimum distributions from the Plan by April 1 of the calendar year following the year in which they reach age 72, increased from age 70½. Under the SECURE Act, participants who turned 70½ before January 1, 2020 would still begin taking distributions by the later of April 1 of the calendar year following the year in which they reach age 70½, or actual retirement if later. Additionally, hardship withdrawals and certain in-service withdrawals are permitted subject to Plan provisions.

Upon demonstrating immediate and heavy financial need, as defined in the Plan document, hardship withdrawals are permitted.

***Impact of COVID-19 Virus***

The Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") was signed into law on March 27, 2020. The CARES Act includes several retirement plan provisions that offer relief for participants. The Plan implemented certain of these provisions, including expanded distribution and withdrawal options, favorable tax treatment on coronavirus-related distributions, and suspension and extension of certain qualified loan repayments for payments due through December 31, 2020. Additionally, for any loans that were taken on or after March 27, 2020 and before September 23, 2020 there was an increase to the loan limit to the lesser of \$100,000 or 100% of the participant's vested account balance.

***Notes Receivable from Participants***

Participants may borrow from their vested fund accounts a minimum of \$1,000 up to a maximum equal to \$50,000 or 50% of their vested account balance notwithstanding the temporary provisions extended to participants by the CARES Act. Only one note may be outstanding at any time and only one note may be made per Plan year. The note must be repaid within five years, unless the note is taken for the purchase of a primary residence, in which case the repayment period can be up to ten years. The notes are secured by the remaining balance in the participant's account. The notes bear interest at rates that are commensurate with local prevailing rates at the date of issuance as determined quarterly by the Plan Administrator. Principal and interest are paid ratably through payroll deductions.

***Forfeited Accounts***

The forfeited nonvested portion of the employers' contributions and related earnings of terminated employees are used to reduce future employer matching contributions and to pay other fees in accordance with the Plan document. Forfeitures applied toward employer matching contributions were \$156,074 for the year ended December 31, 2021. Plan assets included unallocated forfeitures of \$129,111 and \$186,486 at December 31, 2021 and 2020, respectively.

**NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

***Basis of Accounting***

The financial statements of the Plan have been prepared using the accrual basis of accounting as required by accounting principles generally accepted in the United States of America ("U.S. GAAP").

Investment contracts held by a defined contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan.

**Populus Financial Group, Inc. 401(k) Profit Sharing Plan**

**NOTES TO FINANCIAL STATEMENTS - CONTINUED**

**December 31, 2021 and 2020**

***Use of Estimates***

The preparation of the Plan's financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

***Investment Valuation and Income Recognition***

Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the custodian. See Note C for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. The Plan presents net appreciation or depreciation in the fair value of its investments, which consists of the realized gains or losses and the unrealized appreciation or depreciation on investments, in the statement of changes in net assets available for benefits.

***Guaranteed Income Fund***

The Guaranteed Income Fund is the Plan's fully benefit-responsive investment contract with Great-West Life & Annuity Insurance Company ("Great-West") for the years ended December 31, 2021 and 2020. At December 31, 2021 and 2020, the contract value of the Guaranteed Income Fund approximated fair value, as the insurance company is obligated to pay the contract value no later than 90 days from the date the Plan provides notice to discontinue and the plan pays interest at guaranteed crediting rates that are determined in advance. As contract value approximates fair value, no contract value adjustment was presented in the Plan's financial statements. Contract value represents contributions made under the contract, plus earnings at the guaranteed crediting rates, less losses, participant withdrawals, and administrative expenses. The Guaranteed Income Fund is carried at contract value because that is the amount equal to the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. There are no events probable of occurring that would limit the Plan's ability to transact at contract value.

***Notes Receivable from Participants***

Notes receivable from participants are measured at their unpaid balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. Delinquent notes are reclassified as deemed distributions based upon the terms of the Plan document.

***Excess Contributions Payable***

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding increase in benefits paid to participants. The Plan distributed the 2021 and 2020 excess contributions to the applicable participants prior to March 15 of the subsequent year.

***Payment of Benefits***

Benefits are recorded when paid.

**Populus Financial Group, Inc. 401(k) Profit Sharing Plan**

**NOTES TO FINANCIAL STATEMENTS - CONTINUED**

**December 31, 2021 and 2020**

***Administrative Expenses***

Certain costs and expenses incurred with regard to the purchase, sale or transfer of investments and initiation of loans are paid by the Plan. Investment advisory fees and audit expenses for portfolio management are paid directly from fund earnings; they are included in investment expense ratios. All other administrative expenses are generally paid by the Company and are excluded from these financial statements.

**NOTE C - FAIR VALUE MEASUREMENTS**

The Plan utilizes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 - Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for instruments measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

*Collective trust funds:* The fair value of these investments is determined by the closing price as reported by the fund. As a practical expedient to estimate fair value, shares held in collective trust funds are valued at the net asset value (NAV) as of year-end, provided directly by the fund house or other investment provider.

*Mutual funds:* The fair value of these investments is determined by the closing price as reported by the fund. Shares held in mutual funds traded on national securities exchanges are valued at the NAV as of year-end. The mutual funds held by the Plan are deemed to be actively traded.

**NOTE D - GUARANTEED INCOME FUND**

The Guaranteed Income Fund was maintained by Great-West in 2021 and 2020. Great-West holds the contributions in a general account and is contractually obligated to repay the principal at a specified interest rate that is guaranteed to the Plan.

Under the group annuity insurance contract that supports this product, participants may ordinarily direct permitted withdrawal or transfers of all or a portion of their account balance at contract value within reasonable timeframes. The contract is directly between the Plan and Great-West in 2021 and 2020. The repayment of principal and interest credited to participants is a financial obligation of Great-West. Given these provisions, Great-West considers this contract to be benefit responsive.

**Populus Financial Group, Inc. 401(k) Profit Sharing Plan**

**NOTES TO FINANCIAL STATEMENTS - CONTINUED**

**December 31, 2021 and 2020**

The contract with Great-West does not have any restrictions that limit the Plan's ability to collect the full contract value. Great-West may not terminate the contract or require the Plan to settle at an amount different than the contract value.

Great-West determines the contract value of the fully benefit-responsive investment contract, which is the best estimate of fair value. Contract value represents contributions made under the contract, plus earnings, less losses, participant withdrawals, and administrative expenses. The total contract value for this investment at December 31, 2021 and 2020 was \$3,563,463 and \$3,824,682, respectively.

**NOTE E - INFORMATION CERTIFIED BY THE CUSTODIAN**

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Great-West Trust Company ("Custodian") has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments and notes receivable from participants, as shown in the statements of net assets available for benefits as of December 31, 2021 and 2020.
- Investment income and interest income on notes receivable from participants, as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2021.

**NOTE F - PARTY-IN-INTEREST TRANSACTIONS**

Certain Plan investments are mutual funds managed by Empower Retirement and a guaranteed income fund issued by the Great-West Company d/b/a Empower Retirement, which qualify as party-in-interest transactions. In addition, certain fees paid to the Plan Custodian for investment management services are incorporated into the expense ratios of the individual mutual funds. The Plan has notes receivable from participants, which qualify as parties-in-interest to the Plan and are exempt from prohibited transaction rules.

**NOTE G - TAX STATUS**

The Plan operates under a prototype plan document and has received a favorable opinion letter, dated March 31, 2014, from the Internal Revenue Service ("IRS") stating that the prototype plan is designed in accordance with applicable sections of the Internal Revenue Code ("the Code"). The Plan has been amended since that date, however, the Plan administrator believes the Plan is currently being operated in compliance with the applicable requirements of the Code, and therefore believes the Plan is qualified and tax exempt.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Company has analyzed tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain tax positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan

is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**NOTE H - PLAN TERMINATION**

While the Plan Sponsor has not expressed any intent to terminate the Plan, it has the right to discontinue contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, no further contributions will be made to the Plan and participants would become 100% vested in their employer contribution.

**NOTE I - RISKS AND UNCERTAINTIES**

The Plan provides for various investment securities that are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

On March 22, 2020, the World Health Organization declared the COVID-19 outbreak a pandemic. Since that time, federal, state, and local authorities have taken measures to control the outbreak of COVID-19 in the United States, where the Company primarily operates. While the Company did not experience significant disruptions in its operations as a result of the pandemic, the impact of COVID-19 on the overall economy, continues to evolve.
